PROXY STATEMENT
FOR AN ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON OCTOBER 9, 2001

PRELIMINARY COPY

This proxy statement is being furnished to the holders of shares of common stock, par value \$1.00 per share, of Metromedia International Group, Inc., a Delaware corporation, in connection with the solicitation of proxies by our Board of Directors for use at the Annual Meeting of our Stockholders to be held at 11:00 a.m., Eastern time, on Tuesday, October 9, 2001 on the Concourse Level, 1285 Avenue of the Americas, New York, New York 10019, and any adjournments of the Annual Meeting. This proxy statement and the accompanying proxy card, notice of Annual Meeting of Stockholders and the exhibits, if any, are first being mailed to our stockholders on or about September [6], 2001.

INFORMATION REGARDING THE ANNUAL MEETING

Proposals. At the Annual Meeting, our stockholders will be asked:

- o to vote upon the election of three members to our Board of Directors to serve a three-year term as Class III directors (Proposal No. 1);
- o to ratify the selection of KPMG LLP as our independent accountants for the fiscal year ending December 31, 2001 (Proposal No. 2);
- o to vote upon a proposal submitted by one of our stockholders to request that the Board of Directors amend our certificate of incorporation to allow our stockholders to take action by written consent and to call special meetings (Proposal No. 3);
- o to vote upon a proposal submitted by one of our stockholders to amend our by-laws to limit the number of "inside" directors on our Board of Directors to one person (Proposal No. 4);
- o to vote upon a proposal submitted by one of our stockholders to urge our Board of Directors take the steps necessary to reorganize itself into one class (Proposal No. 5); and
- o to vote on any other matters that may properly come before the Annual Meeting.

This Annual Meeting is very important to all of our stockholders in light of an attempt by Elliott Associates, L.P. and Elliott International, L.P. (together, the "Elliott Group") to elect two new members to our Board of Directors. The Board unanimously recommends that you vote "FOR" the election of the Board's nominees on the enclosed WHITE proxy card. We urge you not to vote for any individuals nominated by the Elliott Group.

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

If you have previously signed a proxy card sent to you by the Elliott Group, you can revoke that proxy by signing, dating and mailing the enclosed WHITE proxy card in the envelope provided.

Record Date; Quorum. Only holders of record of common stock as of the close of business on August 31, 2001, the record date, will be entitled to notice of, and to vote at, the Annual Meeting. As of the record date, there were approximately [94,034,937] shares of common stock outstanding and entitled to vote at the Annual Meeting, held by approximately [6,792] stockholders of record, with each share entitled to one vote. The presence, in person or by proxy, of a majority of the outstanding shares of common stock is necessary to constitute a quorum at the Annual Meeting. Except with respect to broker non-votes, the consequences of which are described below, shares of common stock represented by proxies marked "ABSTAIN" for any proposal presented at the Annual Meeting and shares of common stock held by persons in attendance at the Annual Meeting who abstain from voting on any such proposal will be counted for purposes of determining the presence of a quorum but will not be voted for or against such proposal. Because of the vote required (see below) to approve the proposals presented at the Annual Meeting, abstentions will have the effect of a vote against such proposal, other than the proposal related to the election of directors. Shares as to which a broker indicates it has no discretion to vote and which are not voted will be considered not present at such meeting for purposes of proposals presented at the Annual Meeting. With respect to the election of directors, abstentions and broker non-votes will be disregarded and will have no effect on the vote. Because of the vote required to approve Proposal No. 4, broker non-votes with respect to such proposal will have the effect of a vote against Proposal No. 4, and because of the vote required to approve the other proposals at the Annual Meeting, broker non-votes will have no effect on the outcome of the vote on any of such other proposals.

Vote Required. The affirmative vote of the holders of a majority of shares of common stock present in person or represented by proxy at the Annual Meeting will be required to approve and adopt each of the matters identified in this proxy statement as being presented to holders of shares of common stock at the Annual Meeting (other than Proposal No. 4 and the election of directors), each of which will be voted upon separately at the Annual Meeting. The affirmative vote of the holders of a majority of all of the issued and outstanding shares of common stock (whether or not represented in person or by proxy at the Annual Meeting) is required to approve Proposal No. 4. The affirmative vote of the holders of a plurality of shares of common stock present in person or represented by proxy at the Annual Meeting will be required to elect each of the Class III directors to our Board of Directors.

Stockholders who hold their shares through an intermediary must provide instructions on voting as requested by their banks or brokers. Votes cast by proxy or in person at the Annual Meeting will be tabulated by one or more inspectors of election appointed by our Board of Directors. These inspectors of election will also determine whether a quorum is present for the transaction of business.

Proxies. All properly executed proxy cards delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given. In voting by proxy with regard to the election of directors, our stockholders may vote in favor of all nominees, withhold their votes as to all nominees or withhold their votes as to specific nominees. With regard to other proposals, our stockholders may vote in favor of each proposal or against each proposal, or in favor of some proposals and against others, or may abstain from voting on any or all proposals. Stockholders should specify their respective choices on the accompanying proxy card.

If no specific instructions are given with regard to the matters to be

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

voted upon, the shares of common stock represented by a signed proxy card will be voted "FOR" Proposals No. 1 and No. 2 and "AGAINST" Proposals No. 3, No. 4 and No. 5 listed on the proxy card or may be used to adjourn or postpone the Annual Meeting, subject to applicable laws, regulations and court orders. If any other matters properly come before the Annual Meeting of which we had not received notice a reasonable time before we began mailing this proxy statement and the accompanying proxy card, the persons named as proxies will vote upon such matters according to their judgment. Under Federal securities laws, however, the persons named as proxies will not have the authority to vote to postpone or adjourn the Annual Meeting.

Revocation of Proxies. All proxy cards delivered pursuant to this solicitation are revocable at any time prior to the Annual Meeting at the option of the persons executing them by giving written notice to the Secretary, by delivering a later dated proxy card or by voting in person at the Annual Meeting. All written notices of revocation and other communications with respect to revocations of proxies should be addressed to: Metromedia International Group, Inc., One Meadowlands Plaza, East Rutherford, NJ 07073-2137, Attention: Secretary.

2

Solicitation of Proxies. Proxies will initially be solicited by us by mail, but directors, officers and regular full time, management level employees may solicit proxies from stockholders personally or by telephone, facsimile, telegraph, advertisement or the Internet. Such directors, officers and employees will not receive any additional compensation for such solicitation. We have engaged Georgeson Shareholder Communications Inc. ("Georgeson Shareholder") to assist us in the solicitation of proxies at the Annual Meeting. We will pay Georgeson Shareholder a fee not to exceed \$120,000, and will reimburse Georgeson Shareholder for its costs and expenses. We will also request brokerage houses, nominees, fiduciaries and other custodians to forward soliciting materials to beneficial owners, and we will reimburse such persons for their reasonable expenses incurred in doing so. The total amount of fees and expenses estimated to be spent and the total expenditures to date in connection with the solicitation of stockholders (including the fee payable to Georgeson Shareholder) are \$375,000 and \$40,000, respectively. All expenses incurred in connection with the solicitation of proxies will be borne by us.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" PROPOSALS NO. 1 AND NO. 2 AND "AGAINST" PROPOSALS NO. 3, NO. 4 AND NO. 5 TO BE PRESENTED TO STOCKHOLDERS AT THE ANNUAL MEETING.

Our common stock is listed on the American Stock Exchange ("AMEX") under the symbol "MMG." On [August 31], 2001, the closing sale price for the common stock as reported by the AMEX was \$[2.41] per share.

This proxy statement and the accompanying proxy card are being mailed to our stockholders on or about September [6], 2001.

The date of this proxy statement is September [6], 2001.

We are subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and in accordance therewith file reports, proxy statements, and other information with the Securities and Exchange Commission. The Securities and Exchange Commission maintains a web site that contains reports, proxy and information statements, and other information regarding registrants (such as Metromedia International Group, Inc.) that file electronically with the Securities and Exchange Commission. The address of such site is: <http://www.sec.gov>. RECENT DEVELOPMENTS

On November 8, 2000, our Board of Directors authorized our management to evaluate structural alternatives to separate our Snapper, Metromedia China Corporation and radio and cable businesses from our telephony assets as a means to maximize stockholder value. These alternatives may include sales of some or all of these assets to third parties or the spin-off of some or all of these assets as independent companies to our stockholders. On March 1, 2001, we engaged Salomon Smith Barney and ING Barings, two independent internationally recognized investment banking firms, to advise us on the various alternatives.

Although we are engaged in discussions regarding the restructuring with our bondholders and Snapper's banks, our Board of Directors has not approved any definitive transaction. Any final action remains subject to a number of conditions in addition to final Board approval, including, for certain transactions, obtaining the consent of our bondholders and preferred stockholders and Snapper's banks. In addition, the implementation of certain transactions may require the approval of our stockholders. As previously disclosed, we delayed holding our Annual Meeting in anticipation of finalizing a restructuring plan that could be then presented at the Annual Meeting for approval by the Stockholders. We have been unable, however, to finalize any restructuring plan at this point and now must hold the Annual Meeting because the last annual meeting occurred more than 13 months ago and the Elliott Group initiated a lawsuit in Delaware to compel us to hold the Annual Meeting. Rather than expend the resources to fight this lawsuit, we decided to schedule the Annual Meeting even though the restructuring plan is not final. Stockholders, therefore, are not being asked to approve any such restructuring transaction at the Annual Meeting. If implementation of any such restructuring transaction requires stockholder approval, we will provide a separate proxy statement describing the transaction in appropriate detail. Although we have engaged in discussions with certain of our bondholders concerning the proposed restructuring, these bondholders have not as of yet agreed to the terms of the proposed restructuring, thereby raising doubt as to our ability to consummate the restructuring. For these reasons, we are uncertain as to when or if we will be able to finalize a restructuring plan. As a result, all information in this proxy statement and our Annual Report which accompanies this proxy statement has been prepared assuming we continue to operate each of our lines of businesses. We do not currently believe that any spin-off of any of our businesses could be accomplished on a tax-free basis.

DIRECTORS AND OFFICERS

Directors

Our Board of Directors, which presently consists of eight members, is divided into three classes. The Class I directors were elected for a term expiring at the Annual Meeting of Stockholders to be held in 2002, the Class II directors were elected for a term expiring at the Annual Meeting of Stockholders to be held in 2003, and the Class III directors were elected for a term expiring at this Annual Meeting of Stockholders. Members of each class hold office until their successors are elected and qualified. At each succeeding Annual Meeting of Stockholders, the successors of the class of directors whose term expires at that meeting will be elected by a plurality vote of all votes cast at such meeting and will hold office for a three-year term. The Class I directors, whose terms expire at the Annual Meeting to be held in 2002, are John W. Kluge, Stuart Subotnick and John P. Imlay, Jr. The Class II directors, whose terms expire at the Annual Meeting of Stockholders to be held in 2003, are I. Martin Pompadur and Leonard White. The Class III directors, whose terms expire at this Annual Meeting of Stockholders, are Silvia Kessel, Clark A. Johnson and John S. Chalsty.

On November 8, 2000, James R.S. Hatt resigned from our Board of Directors and from his position as President and Chief Executive Officer of Metromedia International Telecommunications, Inc. On December 31, 2000, Arnold L. Wadler retired and resigned from our Board of Directors and from his position as our Executive Vice President, General Counsel and Secretary to spend more time with his family. John S. Chalsty was appointed to our Board of Directors as a Class III director on March 21, 2001.

For more information regarding each of our directors, including biographical information, see "PROPOSAL NO. 1 -- ELECTION OF DIRECTORS."

Meetings and Committees of the Board

The Board of Directors held five regular meetings during fiscal year 2000. All directors attended at least 75% of the aggregate total number of meetings of our Board of Directors and all committees of our Board of Directors on which they served.

The Board of Directors has delegated certain functions to the following standing committees:

The Executive Committee. The executive committee is authorized to exercise, to the extent permitted by law, all of the powers of our Board of Directors in our management and affairs. The executive committee took action by unanimous written consent two times in fiscal year 2000. The current members of the executive committee are Messrs. Kluge and Subotnick.

The Audit Committee. As set forth in our Audit Committee Charter, a copy of which is attached as Appendix A, the audit committee is responsible for, among other things:

- o reviewing the professional services and independence of our independent auditors and the scope of the annual external audit recommended by the independent auditors;
- o ensuring that the scope of the annual external audit is sufficiently comprehensive;
- o reviewing, in consultation with our independent auditors and our

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

finance and accounting departments, the plan and results of the annual external audit and the adequacy of our internal control systems; and

- o reviewing with management and our independent auditors our annual and quarterly financial statements, financial reporting practices and the results of such external audit.

The audit committee met four times during fiscal year 2000. The current members of the audit committee are Messrs. Imlay, Johnson and White. All of the members of the audit committee are "independent directors" as defined by Section 121A of the American Stock Exchange rules.

The Compensation Committee. As set forth in our Compensation Committee Charter, the compensation committee's functions include reviewing, approving, recommending and reporting to our Board of Directors on matters specifically relating to the compensation of our executive officers and other key executives and to

administer our stock option plans. The compensation committee took action by unanimous written consent four times during fiscal year 2000. The compensation committee is comprised entirely of independent directors. The current members of the compensation committee are Messrs. Imlay, Johnson, Pompadur and White.

The Nominating Committee. The nominating committee's principal function is to identify candidates and recommend to our Board of Directors nominees for membership on our Board of Directors. The nominating committee expects normally to be able to identify from its own resources the names of qualified nominees, but it will accept from stockholders recommendations of individuals to be considered as nominees, provided that the procedures specified in our by-laws are followed. These procedures provide that, in order to nominate an individual to our Board of Directors, a stockholder must provide timely notice of such nomination in writing to our Corporate Secretary and a written statement by the candidate of his or her willingness to serve. Such notice must include the information required to be disclosed in solicitations for proxies for election of directors pursuant to Regulation 14A under the Exchange Act, along with the name, record address, class and number of shares of common stock beneficially owned by the stockholder giving such notice. To be timely, notice must be received by us not less than 60 days nor more than 90 days prior to the first anniversary of the date of our Annual Meeting for the preceding year, unless the date of the Annual Meeting of Stockholders is advanced by more than 30 days or delayed by more than 60 days from such anniversary date, in which case such notice must be received within ten days following public disclosure by us of the date of the Annual Meeting at which directors are to be elected. Any such nominations should be submitted in writing to Metromedia International Group, Inc., One Meadowlands Plaza, East Rutherford, New Jersey 07073-2137, Attention: Secretary. The nominating committee took action by unanimous written consent two times in 2000. The current members of the nominating committee are Messrs. Chalsty and Johnson and Ms. Kessel.

The members of the audit committee are Messrs. Imlay, Johnson and White. The audit committee recommends to the Board of Directors, subject to shareholder ratification, the selection of our independent accountants.

REVIEW WITH MANAGEMENT

The audit committee has reviewed and discussed our audited financial statements with management.

REVIEW AND DISCUSSIONS WITH INDEPENDENT ACCOUNTANTS

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Relationship with Metromedia Company

Metromedia Company and its affiliates are collectively our largest single stockholder, beneficially owning, as of August [27], 2001, approximately [19.6]% of the issued and outstanding shares of our common stock. We are party to a number of agreements and arrangements with Metromedia Company and its affiliates, the material terms of which are summarized below.

Management Agreement. We are party to a management agreement with Metromedia Company, dated November 1, 1995, as amended, pursuant to which Metromedia Company provides us with management services, including legal, insurance, payroll and financial accounting systems and cash management, tax and benefit plans. This management agreement terminates on October 31, 2001, and is

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

automatically renewed for successive one-year terms unless either party terminates upon 60 days prior written notice. The management fee under this management agreement was increased to \$3.75 million per year as of January 1, 1999, payable monthly at a rate of \$312,500 per month. We are also obligated to reimburse Metromedia Company for all its out-of-pocket costs and expenses incurred and advances paid by Metromedia Company in connection with the management agreement. Pursuant to the management agreement, we have agreed to indemnify and hold Metromedia Company harmless from and against any and all damages, liabilities, losses, claims, actions, suits, proceedings, fees, costs or expenses (including reasonable attorneys' fees and other costs and expenses incident to any suit, proceeding or

10

investigation of any kind) imposed on, incurred by or asserted against Metromedia Company in connection with the management agreement. In fiscal year 2000, Metromedia Company received less than \$50,000 for its out-of-pocket costs and expenses or for interest on advances extended by it to us pursuant to the management agreement.

Trademark License Agreement. We are party to a license agreement with Metromedia Company, dated November 1, 1995, as amended, pursuant to which Metromedia Company has granted us a non-exclusive, non-transferable, non-assignable right and license, without the right to grant sublicenses, to use the trade name, trademark and corporate name "Metromedia" in the United States and, with respect to Metromedia International Telecommunications, Inc., worldwide, royalty-free for a term of ten years. This license agreement can be terminated by Metromedia Company upon one month's prior written notice in the event of:

- o the expiration or termination of the management agreement;
- o a "change in control" (as defined below); or
- o any of the stock or all or substantially all of the assets of any of our subsidiaries is sold or transferred, in which case, our license agreement shall terminate with respect to such subsidiary.

A "change in control" is defined as:

- o a transaction in which a person or "group" (within the meaning of Section 13(d)(3) of the Exchange Act) not in existence at the time of the execution of our license agreement becomes the beneficial owner of stock entitling such person or group to exercise 50% or more of the combined voting power of all classes of our stock;
- o a change in the composition of our Board of Directors whereby a majority of the members thereof are not directors serving on the board at the time of the license agreement or any person succeeding such director who was recommended or elected by such directors;
- o a reorganization, merger or consolidation whereby, following the consummation thereof, Metromedia Company would hold less than 10% of the combined voting power of all classes of our stock;
- o a sale or other disposition of all or substantially all of our assets;
or
- o any transaction the result of which would be that the common stock

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

would not be required to be registered under the Exchange Act and the holders of common stock would not receive common stock of the survivor of the transaction which is required to be registered under the Exchange Act.

In addition, Metromedia Company has reserved the right to terminate the license agreement in its entirety immediately upon written notice to us if, in Metromedia Company's sole judgment, our continued use of "Metromedia" as a trade name would jeopardize or be detrimental to the goodwill and reputation of Metromedia Company.

Under this trademark license agreement, we have agreed to indemnify and hold Metromedia Company harmless against any and all losses, claims, suits, actions, proceedings, investigations, judgments, deficiencies, damages, settlements, liabilities and reasonable legal (and other related expenses) arising in connection with this trademark license agreement.

We believe that the terms of each of the transactions described above were no less favorable to us than could have been obtained from non-affiliated parties.

Indemnification Agreements

We have entered into indemnification agreements with certain directors. These indemnification agreements provide for indemnification of such directors to the fullest extent authorized or permitted by law. These indemnification agreements also provide for:

- o advancement by us of expenses incurred by such director or officer in defending certain litigation;

11

- o the appointment in certain circumstances of an independent legal counsel to determine whether the director or officer is entitled to indemnification; and
- o the continued maintenance by us of directors' and officers' liability insurance in an amount not less than \$5 million of primary coverage and \$5 million of excess coverage.

The indemnification agreements were approved by our stockholders at our 1993 Annual Meeting of Stockholders.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who beneficially own more than 10% of the outstanding common stock, to file with the Securities and Exchange Commission and the AMEX initial reports of beneficial ownership and reports of changes in beneficial ownership of the common stock. Such officers, directors and stockholders are required by the regulations of the Securities and Exchange Commission to furnish us with copies of all reports that they file under Section 16(a). To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, all Section 16(a) filing requirements applicable to such officers, directors and stockholders were complied with by such persons during fiscal year 2000.

Compensation Committee Interlocks and Insider Participation

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

The compensation committee of our Board of Directors consists of Messrs. Imlay, Johnson, Pompadur and White. The compensation committee is comprised entirely of independent directors and is responsible for developing and making recommendations to our Board of Directors with respect to our executive compensation policies.

Compensation Committee Report on Compensation

The following report of the compensation committee discusses our executive compensation policies generally and, specifically, the relationship of our performance in fiscal year 2000 to the compensation of our executive officers:

Neither Messrs. Subotnick, Persing, Sasso or Wadler nor Ms. Kessel, were paid a salary or any other compensation by Metromedia International Group, Inc. (the "company"). Mr. Subotnick is compensated in his capacity as a general partner of Metromedia Company and Messrs. Persing, Sasso and Wadler (prior to his resignation in December 2000) and Ms. Kessel are employed and paid by Metromedia Company. Pursuant to the management agreement between Metromedia Company and the company, Metromedia Company provides certain services to the company, including services rendered by the foregoing executive officers of the company. "See Certain Relationships and Related Transactions." For the year ended December 31, 2000, we paid Metromedia Company a management fee of \$3.75 million pursuant to the management agreement. Accordingly, we do not set the base salaries or annual cash bonus incentives of the company's executive officers, all of whom are employed or otherwise affiliated and paid by Metromedia Company.

Background. In general, the compensation committee seeks to set the management fee paid to Metromedia Company at a level not in excess of the amount that the company would have to pay to an unrelated third party in order to replace the management services currently being provided to the company by Metromedia Company pursuant to the management agreement. In determining the amount that would need to be paid to replace the Metromedia Company management services, the compensation committee considers the management fees and executive compensation paid by companies of comparable size, similar market and operating characteristics and similar prospects. The members of the compensation committee are not affiliated with Metromedia Company, and such members are therefore the directors whose approval is required to authorize the management fee under the management agreement.

Stock Options. The compensation committee administers the company's Incentive Stock Plan. The compensation committee believes that the grant of stock options will motivate executives to create long-term growth in shareholder value. Pursuant to our 1996 Stock Option Plan, options are granted at the discretion of the compensation committee periodically. The number of option shares covered by such

grants is determined based upon assessment of the individual's performance. The compensation committee considers the recommendation of and relies on information provided by our Chief Executive Officer in determining the number of option shares to be granted to the non-CEO executive officers. The compensation committee believes that the periodic grant of time-vested stock options provides an incentive

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

that focuses the executives' attention on managing the business as owners of an equity stake in the company. It further motivates executives to maximize long-term growth and profitability because value is created in the options only as our stock price increases after the option is granted.

Chief Executive Officer Compensation. As stated above, Mr. Subotnick, the Chief Executive Officer of the company, is a general partner of Metromedia Company and is paid by Metromedia Company in his capacity as such. Mr. Subotnick does not receive a salary, bonus or any other compensation from the company other than stock option grants as approved by the compensation committee. Mr. Subotnick did not receive any stock option grants during fiscal year 2000.

Compliance with Internal Revenue Code Section 162(m). One of the factors the compensation committee considers in connection with compensation matters is the anticipated tax treatment to us and to the executives of the compensation arrangements. The deductibility of certain types of compensation depends upon the timing of an executive's vesting in, or exercise of, previously granted rights. Moreover, interpretation of, and changes in, the tax laws and other factors beyond the compensation committee's control also affect the deductibility of compensation. Accordingly, the compensation committee will not necessarily limit executive compensation to that deductible under Section 162(m) of the Code. The compensation committee will consider various alternatives to preserving the deductibility of compensation payments and benefits to the extent consistent with its other compensation objectives.

The foregoing report of the compensation committee shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate such information by reference, and shall not otherwise be deemed filed under such Acts.

Performance Graph

As we view our wholly-owned subsidiary Snapper, Inc. as a non-core asset which we manage solely in order to maximize stockholder value, we do not believe that it would be appropriate for us to compare our performance with that of companies operating in a line of business similar to Snapper's line of business. Rather, we believe that our performance should be compared to that of telecommunications companies because the telecommunications business constitutes the strategic focus of our business operations. As a result, the following graph sets forth our total stockholder return as compared to the Standard & Poor's 500 Index and the NASDAQ Telecommunications Stock Index for the five year period from January 1, 1996 through December 31, 2000. The total stockholder return assumes \$100 invested at the beginning of the period in our common stock, the

PROPOSAL NO. 3 -- FIRST SHAREHOLDER PROPOSAL

Alan G. Hevesi, investment adviser and a trustee of the New York City Teachers' Retirement System ("NYCTRS"), c/o The City of New York, office of the Comptroller, 1 Centre Street, New York, New York 10007-2341, beneficial owner of 65,600 shares of our common stock, has submitted the following proposal on behalf of NYCTRS:

"BE IT RESOLVED, that the shareholders of Metromedia International Group request that the Board of Directors amend the certificate of incorporation to reinstate the rights of the shareholders to take action by written consent and to call special meetings."

Supporting Statement

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

"The rights of the shareholders to take action by written consent and to call special meetings should not be abridged.

The company's elimination of these rights, in our opinion, effectively removes important processes by which shareholders can act expeditiously to protect their investment interests. For example, shareholders should not be prevented from giving timely consideration to a bidder's proposal to acquire control of the company, or a dissident shareholder's slate of nominees for election to the Board of Directors, because such proposals are required to be presented only at the Annual Meeting."

Statement of the Board of Directors

Presently, our certificate of incorporation and by-laws (i) require, among other things, that special meetings of stockholders for any purpose be called by either the Chairman or Vice Chairman of our Board of Directors and (ii) do not provide for stockholder action by written consent. If we amended the certificate of incorporation and by-laws as proposed, we would allow our stockholders to call special meetings and act without a meeting whenever, however frequently and for whatever reason such stockholders may desire. For the reasons stated below, our Board of Directors believes that the requested amendments to the certificate of incorporation and by-laws are not in our or our stockholders' best interests.

Applicable Delaware law does not grant stockholders of a corporation the absolute right to call a special meeting or act by written consent, and instead permits each individual corporation to determine in its certificate of incorporation and by-laws whether stockholders will have such rights. The Board of Directors believes that the Delaware legislature adopted this approach due to the significant financial and administrative burdens that a special meeting or stockholder action by written consent can impose on a public corporation.

As of the record date, approximately [6,792] persons and entities are the record holders of our common stock, each of whom, if Proposal No. 3 is approved, would be entitled under the proposal to demand a special meeting or institute action by written consent. Each such stockholder would also be entitled to notice of, and to receive proxy materials relating to, any special meeting, thereby necessitating actual expenditures (legal, printing and postage) in addition to those associated with our Annual Meeting. The calling of a special meeting would also necessitate the diversion of corporate officers and employees from their other duties in order to prepare for such a meeting. The Board of Directors believes that the interest of our stockholders would be better served utilizing these resources to improve its businesses. Similarly, our Board of Directors believes that permitting action to be taken by written consent would create confusion as multiple stockholders would be able to solicit written consents on various matters and would divert valuable corporate resources to this process. In addition, our Board of Directors believes that this proposed amendment to the certificate of incorporation would have the effect of making a hostile takeover of the company and similar disruptive transactions more likely.

In light of the foregoing, our Board of Directors believes that such an amendment to our certificate of incorporation could leave us exposed to numerous calls for special meetings and stockholder action by written consent that may be of little or no benefit to stockholders and which are a significant burden on us. Stockholders, such as the proponent of Proposal No. 3, remain free to make proposals at our Annual Meeting. The Board of Directors believes that the Chairman and Vice Chairman of our Board of Directors are in the best position to determine if a special meeting is warranted.

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

This proposal requires approval by a majority of the shares voted on the issue. It should be noted, however, that adoption of this proposal would not by itself give stockholders the right to take action by written consent and to call special meetings. Under Delaware law, the Board of Directors has to recommend further action by the stockholders to amend the certificate of incorporation to give stockholders the right to take action by written consent and to call special meetings and the amendment then must be approved by a majority of the shares entitled to vote.

FOR THE REASONS STATED ABOVE, THE BOARD OF DIRECTORS BELIEVES THAT PROPOSAL NO. 3 IS NOT IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS. ACCORDINGLY, THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "AGAINST" PROPOSAL NO. 3.

APPROVAL BY THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE SHARES OF COMMON STOCK PRESENT IN PERSON OR REPRESENTED BY PROXY AT THE ANNUAL MEETING IS REQUIRED FOR APPROVAL OF PROPOSAL NO. 3.

PROPOSAL NO. 4 -- SECOND SHAREHOLDER PROPOSAL

Elliott Associates, L.P., 712 Fifth Avenue, New York, New York 10019, record owner of 1,000 shares of our common stock and Elliott International, L.P., c/o HSBC Financial Services (Cayman) Limited, P.O. Box 1109 GT, HSBC House, Mary Street, Grand Cayman, Cayman Islands, British West Indies, record owner of 1,000 shares of our common stock, have submitted the following proposal:

"WHEREAS, a significant number of the Directors of Metromedia International Group, Inc. (the "Corporation") are officers of the Corporation or receive income from the Corporation other than for their service as Directors;

WHEREAS, the Corporation's shareholders believe that the lack of independent Directors has resulted, and will continue to result, in corporate decision-making that is not in the best interests of the Corporation's shareholders; and

WHEREAS, the Corporation's shareholders seek to protect their investments by ensuring that the Corporation is governed primarily by independent outside Directors;

NOW THEREFORE, BE IT RESOLVED, that pursuant to Section 109 of the Delaware General Corporation Law, Article Twelfth of the Corporation's Restated Certificate of Incorporation and Article 9 of the Corporation's By-laws, the Corporation's shareholders hereby amend Article III of the Corporation's By-laws to add the following Section 15, such amendment to become effective following approval by holders of a majority of the shares of the Corporation's common stock entitled to vote in the election of Directors of the Corporation.

Section 15. The Board of Directors of the Corporation shall at no time contain more than one (1) Inside Director, except for persons who are Inside Directors at the time this Section 15 becomes effective, who shall be permitted to complete their then existing term of office. For purposes of this Section 15, "Inside Director" means a Director (i) who is an officer or employee of

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

the Corporation or any subsidiary or affiliate of the Corporation, or (ii) who otherwise derives income from the Corporation or any subsidiary or affiliate of the Corporation, either directly or indirectly, other than compensation for his/her services as a Director. Notwithstanding any other provision of these By-laws, this Section 15 may not be altered, amended or repealed, except by vote of a majority of the holders of the shares of the Corporation's common stock entitled to vote in the election of Directors of the Corporation."

Supporting Statement

While we believe in the potential of the Corporation's business, the total return received by its shareholders over the last five years ending December 13, 2000, measured by increased share price plus dividends, has been negative 82% versus 165% for NASDAQ Telecomm Index and 119% for S&P 500 Index. We believe the root of the problem is a lack of focus on shareholder value by the Corporation's Directors, a significant number of whom are Inside Directors. These Inside Directors have personal financial interests which are not generally shared by the Corporation's stockholders.

We believe that independent outside Directors will better protect the Corporation's interests. Such outside Directors have no personal or professional ties to the Corporation that may cloud their judgment or prevent them from acting in the stockholders' best interests.

To ensure that the Corporation's stockholders are protected against self-interested decision-making, we request your support for the above resolution. This proposal will ensure that the Corporation is always governed by a majority of Directors whose decision-making is unfettered by personal concerns.

Statement of the Board of Directors

We recognize the importance of having independent, non-management directors. For this reason, only two of the current eight directors, Stuart Subotnick and Silvia Kessel, are members of our day-to-day management team, and one director, John Kluge, is a non-executive chairman of our Board. The remaining five directors, constituting a majority of our Board, are independent directors as that term is defined under Section 121A of the American Stock Exchange rules. Furthermore, all executive compensation decisions are

21

made by our compensation committee and the stock option plans are administered by our compensation committee, which is made up entirely of independent directors.

This stockholder proposal, however, asks that all but one of the directors be "independent." This requirement, which we believe to be extreme and unreasonable, would not be in the best interests of our stockholders. It would, for example, render ineligible for Board service certain of our executive officers who are the people most knowledgeable about the company.

The Board of Directors and the nominating committee are committed to an extremely high quality and diverse membership of our Board of Directors. We believe that our Board consists of a highly effective combination of individuals

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

with a variety of company knowledge, business acumen, professional expertise, personal experience, historical perspective and independent judgment. We believe that limiting director candidates as narrowly as described in this proposal would severely limit the stockholders' ability to elect the most qualified individuals to the Board and would result in a much less effective Board of Directors.

FOR THE REASONS STATED ABOVE, THE BOARD OF DIRECTORS BELIEVES THAT PROPOSAL NO. 4 IS NOT IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS. ACCORDINGLY, THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "AGAINST" PROPOSAL NO. 4.

APPROVAL BY THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE OUTSTANDING SHARES OF COMMON STOCK ENTITLED TO VOTE AT THE ANNUAL MEETING IS REQUIRED FOR APPROVAL OF PROPOSAL NO. 4.

22

PROPOSAL NO. 5 -- THIRD SHAREHOLDER PROPOSAL

Kayla J. Gillan, General Counsel of the California Public Employees' Retirement System ("CalPERS"), Lincoln Plaza, P.O. Box 942708, Sacramento, California 95814, beneficial owner of approximately 2,807,174 shares of our common stock, has submitted the following proposal on behalf of CalPERS:

"RESOLVED, that the stockholders of Metromedia International Group, Inc. urge the Board to take the steps necessary, in compliance with applicable law, to reorganize itself into one class."

Supporting Statement

Is accountability by the board of directors important to shareholders? As a trust fund with more than 1.2 million participants, and as the owner of approximately 2,807,174 shares of the Company's common stock, the California Public Employees' Retirement System (CalPERS) thinks accountability is of paramount importance. This is why we are sponsoring this proposal which if passed, would urge the board to reorganize itself so that each director stands before the shareholders for re-election each year. We hope to eliminate the Company's so-called "classified board", whereby the directors are divided into three classes, each serving a three-year term. Under the current structure, shareholders can only vote on one-third of the board at any given time.

By classifying itself, a board insulates its members from immediate challenge. Insularity may have made sense in the past (e.g., during the takeover frenzy of the 1980s) but now, we believe that insularity works primarily to hamper accountability. A classified board can prevent shareholders from mounting a successful opposition to the entire board, because only one-third of the directors are up for election in any given year. By way of contrast, a declassified board would stand for election in its entirety, every year.

CalPERS believes that corporate governance procedures and practices, and the level of accountability they impose, are closely related to financial performance. It is intuitive that, when directors are accountable for their actions, they perform better.

We -- as one shareholder -- are dissatisfied with the Company's long-term financial performance. We seek to improve that performance through this structural reorganization of the board. If the board acts on our proposal,

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

shareholders would have the opportunity to register their views at each annual meeting -- on performance of the board as a whole, and of each director as an individual.

CalPERS urges you to join us in VOTING TO DE-STAGGER the terms of election, as a powerful tool for management incentive and accountability. We urge your support FOR this proposal.

Statement of the Board of Directors

The Board of Directors unanimously recommends a vote "AGAINST" this proposal to declassify the Board of Directors so that all directors may be elected annually. The Board believes it is in our and our stockholders' best interests to continue to have a classified Board.

The Board of Directors has been divided into three classes since our stockholders adopted the Amended and Restated Certificate of Incorporation and By-laws at the 1995 Annual Meeting of Stockholders in connection with the approval of certain business combinations.

The Board believes that the election of directors by classes assures continuity and stability in the management of the affairs of the company, because, at any given time, a majority of the Board generally will have had prior experience as directors of the company. The Board believes that this serves to provide solid knowledge of the business and industry, long-term strategic planning, informed oversight of corporate policies and orderly development of strategies and operations to enhance stockholder value rather than merely being responsive to short-term capital market changes. The Board believes that this also permits a more orderly process for a change in the composition of the Board and company policies and strategies. In addition, the Board believes that the proposal to declassify the Board of Directors would have the effect of making a hostile takeover of the company and similar disruptive transactions more likely.

Moreover, the Board believes that directors elected for classified terms are not any less accountable or responsive to stockholders than they would be if elected annually. The same standards of performance apply to all

23

of the directors regardless of the term of service. Further, the stockholders retain their ability to replace incumbent directors or propose and elect alternative nominees for the class of directors to be elected each year. Thus, we believe that the stockholders continue to enjoy a significant opportunity to express their views regarding the Board's performance and to influence the Board's composition. Finally, your Board believes that the continuity and quality of leadership resulting from the classified Board creates long-term value for the company's stockholders.

This proposal requires approval by a majority of the shares voted on the issue. It should be noted, however, that adoption of this proposal would not by itself eliminate the classified Board. Under Delaware law, the Board of Directors has to recommend further action by the stockholders to amend the certificate of incorporation to eliminate the classified Board and the amendment then must be approved by a majority of the shares entitled to vote.

FOR THE REASONS STATED ABOVE, THE BOARD OF DIRECTORS BELIEVES THAT PROPOSAL NO. 5 IS NOT IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS. ACCORDINGLY, THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

"AGAINST" PROPOSAL NO. 5.

APPROVAL BY THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE SHARES OF COMMON STOCK PRESENT IN PERSON OR REPRESENTED BY PROXY AT THE ANNUAL MEETING IS REQUIRED FOR APPROVAL OF PROPOSAL NO. 5.

24

OTHER STOCKHOLDER PROPOSALS

In addition to seeking to elect two new directors to our Board of Directors and submitting Proposal No. 4 regarding amending the by-laws of the company to limit the number of "inside" directors, the Elliott Group has made another stockholder proposal regarding the ability of stockholders to call special meetings of the stockholders. The company believes that the Elliott Group's second stockholder proposal is substantially duplicative of Proposal No. 3 and as such, the company is not required to include that proposal in this proxy statement. The Securities and Exchange Commission has agreed with us and has sent us a letter indicating that it will take no action if we exclude that proposal. The Elliott Group continues, however, to solicit proxies for its duplicative proposal.

ANNUAL REPORT; INCORPORATION BY REFERENCE

Our Annual Report on Form 10-K Amendment No. 1 for the year ended December 31, 2000 (which contains our audited consolidated financial statements) is being disseminated with this proxy statement. To the extent this proxy statement has been or will be specifically incorporated by reference into any filing by us under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, the sections of the proxy statement entitled "Audit Committee Report," "Compensation Committee Report on Compensation" and "Performance Graph" shall not be deemed to be so incorporated unless specifically otherwise provided in any such filing.

STOCKHOLDER PROPOSALS FOR 2002 ANNUAL MEETING

Any stockholder who wishes to present a proposal at the 2002 Annual Meeting of Stockholders, and who wishes to have such proposal included in our proxy statement for that meeting, must deliver a copy of such proposal to Metromedia International Group, Inc. at One Meadowlands Plaza, East Rutherford, New Jersey 07073, Attention: Corporate Secretary, no later than May 3, 2002; provided, however, that if the 2002 Annual Meeting of Stockholders is held on a date more than 30 days before or after the corresponding date of the 2001 Annual Meeting, any stockholder who wishes to have a proposal included in our proxy statement for that meeting must deliver a copy of the proposal to us a reasonable time before the proxy solicitation is made. We reserve the right to decline to include in our proxy statement any stockholder's proposal which does not comply with the rules of the Securities and Exchange Commission for inclusion therein.

OTHER BUSINESS

Statement of Policy

The Audit Committee shall provide advice and assistance to the Board and its members in fulfilling their responsibilities to the shareholders and investment community relating to corporate accounting, reporting practices of the Company, and the quality and integrity of the financial reports of the Company. In so doing, the Audit Committee shall communicate freely and openly with the directors, the independent auditors, and the financial management of the Company.

Membership

The committee shall be comprised of at least three members who are independent of the management of the Company and are free of any relationship that would interfere with their ability to make independent judgments as an audit committee member.

Each member shall be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement, and cash flow statement or will become able to do so within a reasonable period of time after his or her appointment to the audit committee. At least one member of the audit committee must have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

Meeting

The Committee shall meet at least quarterly generally before regular Board of Directors meetings. In no event will any quarterly or annual report on Form 10-Q or Form 10-K, respectively, be filed prior to approval of such report by the audit committee. The Committee may ask members of management or others to attend any meeting of the audit committee and provide pertinent information as its members may deem necessary.

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

The agenda for each meeting will be prepared by the secretary of the Company and, whenever reasonably practicable, circulated to each member prior to the meeting. A meeting may be held by telephone or action may be taken without a meeting by unanimous written consent setting forth the action so taken, signed by the members of the Audit Committee.

As part of its job to foster open communication, the Audit Committee shall meet at least annually with management and the independent auditor to discuss the quality of the Company's accounting, including internal control procedures, financial disclosures, and the Company's accounting principles and their application.

Responsibilities

In carrying out its responsibilities, the Audit Committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and to assure the directors and shareholders that the corporate accounting and reporting practices of the Company are in accordance with all requirements and are of the highest quality.

In carrying out these responsibilities, the Audit Committee shall:

- Ensure receipt from the independent auditors of a formal written statement delineating all relationships between the auditor and the Company, consistent with Independence Standards Board Standard 1, and

26

shall engage in a dialogue with the auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor and take, or recommend that the full Board take, appropriate action to oversee the independence of the independent auditor.

- Review and recommend to the directors the independent auditors to be selected (or nominate the independent auditor to be proposed for shareholder approval in any proxy statement) to audit the financial statements of the Company and its divisions and subsidiaries and to evaluate, and, where appropriate, replace the independent auditor.
- Meet with the independent auditors and financial management of the Company to review the scope of the proposed audit for the current year, and at the conclusion thereof review such audit, including any comments or recommendations of the independent auditors.
- Review with the independent auditors and the Company's financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the Company, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed unauthorized, illegal or otherwise improper.
- Receive, a reasonable time prior to each meeting so as to permit meaningful review, a draft of the Annual Report on Form 10-K or Quarterly Report on Form 10-Q.

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form PRER14A

- Review the financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders. Review any proposed changes in accounting principles.
- Provide sufficient opportunity independent auditors to meet with the members of the Audit Committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the Company's financial, accounting, and auditing personnel, and the cooperation that the independent auditors received during the course of the audit.
- Provide an open avenue of communication the independent auditor and the board of directors.
- Submit the minutes of all the meetings of the Audit Committee to, or discuss the matters discussed at each committee meeting, with the board of directors.
- Fully, fairly, and timely disclose all material developments to the board of directors.
- Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose if, in its judgment, that is appropriate.

=====
While the committee has the duties and responsibilities set forth in this charter, the committee is not responsible for planning or conducting the audit or for determining whether the Corporation's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Similarly, it is not the responsibility of the committee to resolve disagreement, if any, between management and the independent auditors or to ensure that the Corporation complies with all laws and regulations and its Code of Conduct.

Nothing contained in this charter is intended to, or should be construed as, creating any responsibility or liability of the members of the Committee except to the extent otherwise provided under the Delaware law which shall continue to set the legal standard for the conduct of the members of the Committee.
