PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

GENERAL

The enclosed proxy is solicited on behalf of SmartForce Public Limited Company (referred to herein as "SmartForce") for use at the Annual General Meeting of Shareholders to be held on Tuesday, July 10, 2001 at The Merrion Hotel, Upper Merrion Street, Dublin 2, Ireland at 11:00 a.m., local time, or at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual General Meeting.

These proxy solicitation materials and the Report of the Directors and the SmartForce Consolidated Financial Statements for the year ended December 31, 2000 and the Auditors' Report to the Members, were first mailed on or about June 14, 2001 to ADS holders and to all ordinary shareholders entitled to attend and vote at the Annual General Meeting.

RECORD DATE FOR VOTING OF AMERICAN DEPOSITARY SHARES

The Bank of New York, as the Registrar and Transfer Agent for the ADSs, as well as the Depositary for the ordinary shares represented by the ADSs, has fixed the close of business on May 22, 2001, as the Record Date for the determination of ADS holders entitled to give instructions for the exercise of voting rights at the Annual General Meeting and any adjournment thereof.

As of the Record Date, a total of 53,062,298 ordinary shares, par value IR9.375p per share, were outstanding (or, 53,062,298 equivalent ADSs). Each ordinary share is represented by one ADS. The ADSs are quoted on the Nasdaq National Market under the symbol "SMTF." As of the Record Date there were approximately 333 registered holders of ADSs. The ordinary shares represented by the ADSs are owned of record by AIB Custodial Nominees Limited on behalf of The Bank of New York.

The Bank of New York has the right, subject to certain limitations set

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

forth in the Deposit Agreements among us, the Bank of New York and the owners and beneficial owners of American Depositary Receipts representing ADSs, to vote all of the ordinary shares represented by ADSs. Under the terms of the Deposit Agreements, however, The Bank of New York is required to cast its votes with respect to those ordinary shares for which it receives instructions from the holders of the ADSs representing such ordinary shares in accordance with the instructions received. Holders of ADSs may not vote at the Annual General Meeting.

QUORUM; VOTING OF ORDINARY SHARES

Holders of our ordinary shares whose names appear in the Register of Members maintained by our Registrars, Computershare Services (Ireland) Limited, on the date materials are dispatched to Members are entitled to receive notice of the Annual General Meeting or any adjournment thereof. In addition, Members on the date of the Annual General Meeting are entitled to attend and vote at the Annual General Meeting.

The presence at the Annual General Meeting, either in person or by proxy, of three (3) persons entitled to vote at the Annual General Meeting, and who together hold not less than one-third of our voting share capital in issue, each being a Member or a proxy for a Member or a duly authorized representative of a corporate Member, constitutes a quorum for the transaction of business. Abstentions will be counted for the purposes of determining the presence or absence of a quorum for the transaction of business. However, abstentions will have no effect on the outcome of the voting as they will not be considered as votes cast with respect to any matter.

6

Votes may be given at the Annual General Meeting either personally or by proxy. Voting at the Annual General Meeting will be by a show of hands unless a poll (a count of the number of shares voted) is duly demanded. On a show of hands, each shareholder present in person and every proxy shall have one vote, provided, that no individual shall have more than one vote and, on a poll, each shareholder shall have one vote for each share of which he, she or it is the holder. Where there is a tie, whether on a show of hands or on a poll, the chairman of the meeting is entitled to a casting vote in addition to any other vote he may have. A proxy has the right to demand or join in demanding a poll. On a poll, a person entitled to more than one vote need not use all his, her or its votes or cast all the votes he, she or it uses in the same way. If a choice is specified in the proxy as to the manner in which it is to be voted, the persons acting under the proxy will vote our ordinary shares represented thereby in accordance with such choice. If no choice is specified, the shares will be voted for each proposal set forth in the accompanying Notice of Annual General Meeting, as more fully described in this proxy statement, and in the discretion of the proxies as to any other matter to properly come before the Annual General Meeting.

VOTING OF ADSS

Under the terms of the Deposit Agreements, whenever The Bank of New York receives notice of any meeting of holders of ordinary shares, The Bank of New York is required to fix a Record Date, which shall be the Record Date, if any, established by us for the purpose of such meeting or, if different, as close thereto as practicable, for the determination of the owners of ADSs who will be entitled to give instructions for the exercise of voting rights at any such meeting, subject to the provisions of the Deposit Agreements.

Upon receipt of notice of any of our meetings or the solicitation for consents or proxies from the holders of ordinary shares, The Bank of New York is required, if so requested in writing by us, as soon as practicable thereafter, to mail to all owners of ADSs a notice, the form of which shall be in the sole

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

discretion of The Bank of New York, containing

- the information contained in the notice of meeting received by The Bank of New York from us;
- a statement that the owners of ADSs as at the close of business on a specified Record Date are entitled (subject to any applicable provisions of Irish law and our Articles of Association) to instruct The Bank of New York as to the exercise by The Bank of New York of the voting rights, if any, pertaining to the number of ordinary shares represented by their respective ADSs;
- a statement that owners of ADSs who instruct The Bank of New York as to the exercise of their voting rights will be deemed to have instructed The Bank of New York or its authorized representative to call for a poll with respect to each matter for which instructions are given (subject to any applicable provisions of Irish law and our Articles of Association); and
- a statement as to the manner in which such instructions may be given (including an express indication that instructions may be given or deemed to be given in accordance with the next paragraph if no instruction is received) to The Bank of New York to give a discretionary proxy to a person designated by us.

Upon the written request of an owner of ADSs on such Record Date, received on or before the date established by The Bank of New York for the purpose of such meeting, The Bank of New York will endeavor, insofar as practicable, to vote or cause to be voted the number of ordinary shares represented by such ADSs in accordance with the instructions set forth in such request. Accordingly, pursuant to the Articles of Association and applicable Irish law, The Bank of New York will cause its authorized representative to attend each meeting of holders of ordinary shares and call for a poll as instructed for the purpose of effecting such vote. The Bank of New York will not vote or attempt to exercise the rights to vote that attach to the ordinary shares other than in accordance with such instructions or deemed instructions.

The Deposit Agreements provide that if no instructions are received by The Bank of New York from any owner of ADSs with respect to any ordinary shares represented by the ADSs on or before the date established by The Bank of New York for the purpose of such meeting, The Bank of New York will deem such owner of ADSs to have instructed The Bank of New York to give a discretionary proxy to a person designated by us

with respect to such ordinary shares. The Bank of New York will then give a discretionary proxy to a person designated by us to vote such ordinary shares, under circumstances and according to the terms as set forth in the Deposit Agreements. However, no such instructions will be deemed given and no such discretionary proxy will be given when we notify The Bank of New York and we have agreed to provide such notice as promptly as practicable in writing, that the matter to be voted upon is one of the following:

- a matter not submitted to shareholders by means of a proxy statement comparable to that specified in Schedule 14A promulgated by the U.S. Securities and Exchange Commission (the "SEC") pursuant to the U.S. Securities Exchange Act of 1934, as amended;
- the subject of a counter-solicitation, or is part of a proposal made by a shareholder which is being opposed by management (i.e. a contest);
- relates to a merger or consolidation (except when our proposal is to

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

- merge with a wholly-owned subsidiary, provided our shareholders, dissenting thereto, do not have rights of appraisal);
- involves rights of appraisal;
 - authorizes mortgaging of property;
 - authorizes or creates indebtedness or increases the authorized amount of indebtedness;
 - authorizes or creates preferred shares or increases the authorized amount of existing preferred shares;
 - alters the terms or conditions of any shares then outstanding or existing indebtedness;
 - involves the waiver or modification of preemptive rights, except when our proposal is to waive such rights with respect to shares being offered pursuant to share option or purchase plans involving the additional issuance of not more than 5% of the outstanding ordinary shares;
 - alters voting provisions or the proportionate voting power of a class of shares, or the number of its votes per share, except where cumulative voting provisions govern the number of votes per share for election of directors and our proposal involves a change in the number of our directors by not more than 10% or not more than one;
 - changes the existing quorum requirements with respect to shareholder meetings;
 - authorizes the issuance of ordinary shares, or options to purchase ordinary shares, to directors, officers, or employees in an amount which exceeds 5% of the total amount of the class outstanding provided that when no plan is amended to extend its duration, we shall factor into the calculation the number of ordinary shares that remain available for issuance and the number of ordinary shares subject to outstanding options and any ordinary shares being added and should there be more than one plan being considered at the same meeting, all ordinary shares are aggregated;
 - authorizes (a) a new profit-sharing or special remuneration plan, or a new retirement plan, the annual cost of which will amount to more than 10% of our average annual income before taxes for the preceding five years, or (b) the amendment of an existing plan which would bring its costs above 10% of such average annual income before taxes (should there be more than one plan being considered at the same meeting, all costs are aggregated; exceptions may be made in cases of: (1) retirement plans based on agreement or negotiations with labor unions (or which have been or are to be approved by such unions), and (2) any related retirement plan for the benefit of non-union employees having terms substantially equivalent to the terms of such union-negotiated plan, which is submitted for action of shareholders concurrently with such union-negotiated plan);
 - changes our purposes or powers to an extent which would permit us to change to a materially different line of business and our stated intention is to make such a change;
 - authorizes the acquisition of property, assets or a company, where the consideration to be given has a fair value of 20% or more of the market value of our previously outstanding shares;

- authorizes the sale or other disposition of assets or earning power of 20% or more of those existing prior to the transactions;
- authorizes a transaction not in the ordinary course of business in which an officer, director or substantial security holder has a direct or indirect interest; or
- reduces earned surplus by 51% or more or reduces earned surplus to an amount less than the aggregate of three years' ordinary share dividends computed at the current dividend rate.

Other than Proposal Eight, each proposal to be acted upon at the Annual General Meeting is a matter for which The Bank of New York may deem that instruction has been given for The Bank of New York to give a discretionary proxy to a person designated by us where no instruction is received. Therefore, in relation to proposals other than Proposal Eight, The Bank of New York will give a discretionary proxy to a person designated by us to vote such ordinary shares for which no instruction has been given.

The Bank of New York will make available for inspection by the owners of ADSs at its Corporate Trust Office any reports and communications, including any proxy soliciting material, received from us, which are both (a) received by The Bank of New York as the holder of the ordinary shares and (b) generally made available to the holders of ordinary shares by us. The Bank of New York will also send to the owners of ADSs copies of such reports when furnished by us pursuant to the Deposit Agreements.

SOLICITATION OF PROXIES

We will pay the cost of preparing, assembling, printing and mailing the proxy statement, the Notice of Annual General Meeting of Shareholders and the enclosed form of proxy, as well as the cost of soliciting proxies relating to the Annual General Meeting. We will request banks, brokers, dealers and voting trustees or other nominees, including The Bank of New York in the case of the ADSs, to solicit their customers who are owners of shares listed of record and names of nominees, and will reimburse them for reasonable out-of-pocket expenses of such solicitation. The original solicitation of proxies by mail may be supplemented by telephone, telegram and personal solicitation by our officers and other regular employees.

REVOCABILITY OF PROXIES

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to us a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual General Meeting and voting in person.

SHAREHOLDER PROPOSALS TO BE PRESENTED AT NEXT ANNUAL GENERAL MEETING

Subject to applicable laws, proposals of our shareholders that are intended to be presented by such shareholders at our 2002 Annual General Meeting of Shareholders must be received at our offices located at 900 Chesapeake Drive, Redwood City, California 94063, U.S.A. no later than February 4, 2002, and satisfy the conditions established by the SEC for proposals to be considered for possible inclusion in the proxy statement and form of proxy relating to that meeting.

PROPOSAL ONE

RE-ELECTION OF DIRECTORS

GENERAL

Our Articles of Association provide that we may have up to a maximum number of ten (10) directors, which number may be changed by resolution of our shareholders. We currently have six (6) directors. As is customary for many Irish companies, our board of directors typically consists of fewer than the maximum number of authorized directors. We believe that benefits are derived from having vacancies on the board of directors, particularly in the areas of attracting qualified directors and responding to shareholder concerns.

Proxies cannot be voted for a greater number of persons than the number of nominees named in Proposal One. At each Annual General Meeting of Shareholders, approximately one-third (1/3) of the existing directors must retire by rotation; however, such director(s) are eligible for re-election and, if re-elected, shall serve until the next rotation and until his successor is elected and qualified or until such director's resignation, death or removal. Any director elected by the board of directors during the year, whether to fill a vacancy (including a vacancy created by an increase in the board of directors) or otherwise, must stand for re-election at the next Annual General Meeting of Shareholders. In accordance with our Articles of Association, John Grillos as the longest serving director, must retire by rotation.

Mr. Grillos, being eligible, offers himself for re-election.

PROPOSAL ONE VOTE REQUIRED

The affirmative vote of the holders of a majority of the ordinary shares represented, in person or by proxy, and voting at the Annual General Meeting is required to approve the re-election of Mr. Grillos. Unless otherwise instructed, the proxies will vote "FOR" the re-election of Mr. Grillos to the board of directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE "FOR" PROPOSAL ONE.

10

PROPOSAL TWO (A) AND TWO (B)

As noted above, the Articles provide for a total of ten (10) directors. The following directors, Mr. Ronald C. Conway and Mr. David C. Drummond were appointed as directors on November 6, 2000 and February 1, 2001, respectively. Mr. Conway and Mr. Drummond were appointed to serve as the fifth and sixth directors of the Company, respectively. The board of directors is recommending that the shareholders elect Mr. Conway and Mr. Drummond to serve as the fifth and sixth members of the board of directors of the Company.

PROPOSAL TWO (A) VOTE REQUIRED

The affirmative vote of the holders of a majority of the ordinary shares represented, in person or by proxy, and voting at the Annual General Meeting is required to approve the election of Mr. Conway. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS

Shareholders are now being requested to consider our consolidated financial statements and the directors' and auditors' report for the financial year ended December 31, 2000.

PROPOSAL THREE VOTE REQUIRED

Unless otherwise instructed, the proxies will vote "FOR" the resolution to receive and consider our consolidated financial statements and the report of the directors and the auditors for the financial year ended December 31, 2000. A vote "FOR" Proposal Three will not constitute an approval or ratification of the report of the directors or our consolidated financial statements.

PROPOSAL FOUR

AUTHORIZATION OF DIRECTORS TO FIX AUDITORS' REMUNERATION

GENERAL

Ernst & Young, have been our independent auditors since September 10, 1993. The shareholders are now being requested to authorize the board of directors to fix the remuneration of our auditors for the year ending December 31, 2001.

FEES BILLED FOR SERVICES RENDERED BY PRINCIPAL AUDITORS

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

During the fiscal year December 31, 2000, Ernst & Young, the Company's independent auditors and principal auditors, billed SmartForce the fees set forth below. The audit committee of the board of directors has considered whether the non-audit services provided by Ernst & Young are compatible with maintaining its independence.

Fees Billed For Services Rendered by Principal Auditors During Fiscal Year 2000:

Audit Fees:

Audit fees billed to us by Ernst & Young during the last fiscal year for the audit of our annual financial statements and the review of the financial statements included in our quarterly reports on Form 10-Q totaled \$318,020.

Financial Information Systems Design and Implementation Fees:

We did not engage Ernst & Young to provide advice regarding financial information systems design and implementation during the last fiscal year.

All Other Fees:

Fees billed to us by Ernst & Young during the last fiscal year for all other services rendered to us, totaled \$134,244. Of this amount, \$21,212 was for audit related services and \$113,032 was for non-audit related services (i.e., tax filings and tax-related consultations).

PROPOSAL FOUR VOTE REQUIRED

The affirmative vote of the holders of a majority of the ordinary shares represented, in person or by proxy, and voting at the Annual General Meeting is required to authorize the board of directors to fix the remuneration of our auditors. Unless otherwise instructed, the proxies will vote "FOR" the authorization of the directors to fix the remuneration of our auditors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE "FOR" PROPOSAL FOUR.

8

13

PROPOSAL FIVE

REDENOMINATION OF SHARE CAPITAL FROM IRISH POUNDS TO EUROS

On April 17, 2001, the board of directors approved a proposal, in accordance with section 25 of the Economic and Monetary Union Act, 1998 of Ireland (the "EMU Act") and subject to shareholder approval at the Annual General Meeting, to redenominate our ordinary shares of IR9.375p each into shares of E0.11903794 each.

On January 1, 2002, the Irish pound will no longer be legal tender as a result of the European Union's decision to introduce a single European currency, the Euro, for all participating member states of which Ireland is one. In 1998, Ireland introduced legislation, the EMU Act, requiring Irish companies with share capital denominated in Irish pounds or currencies of other European participating member states to redenominate their share capital to Euros. As our ordinary shares are denominated in Irish pounds we are required to redenominate our share capital to Euros. Thus, the board of directors approved a proposal to redenominate the share capital from Irish pounds to Euros with effect from its approval by shareholders at the Annual General Meeting. Following the redenomination of our share capital we will have an authorized share capital of

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

€14,284,552.40 divided into 120,000,000 ordinary shares of €0.11903794 each.

PROPOSAL FIVE VOTE REQUIRED

The affirmative vote of the holders of a majority of the ordinary shares represented, in person or by proxy, and voting at the Annual General Meeting is required to approve the redenomination of the Company's share capital from Irish pounds to Euros. Unless otherwise instructed, the proxies will vote "FOR" the redenomination of the Company's share capital.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE "FOR" PROPOSAL FIVE.

9

14

PROPOSAL SIX

RENOMINALIZATION OF SHARE CAPITAL

On April 17, 2001, the board of directors approved a proposal, pursuant to section 26 of the EMU Act, subject to the passing of resolution five and subject to shareholder approval at the Annual General Meeting, to renominalize our ordinary shares of €0.11903794 each into shares of €0.11 each.

Following the passing of resolution five, each ordinary share will be denominated in Euros, in the amount of €0.11903794 per share, being the Euro equivalent of IR9.375p, the current par value of our ordinary shares. The board of directors believes that a par value of €0.11 per share is a more appropriate par value for our ordinary shares than €0.11903794 per share. As a result, the board of directors have approved a proposal to renominalize the share capital from €0.11903794 per share to €0.11 per share with effect from its approval by shareholders at the Annual General Meeting.

Following this renominalization of our shares we will have an authorized share capital of €13,200,000 divided into 120,000,000 ordinary shares of €0.11 each. The renominalization of our shares will not have any material impact on our financial statements.

As a result of the proposed redenomination and renominalization of our shares amendments to our Memorandum and Articles of Association will be necessary. These amendments will result in the insertion of references to the share capital of the Company as redenominated and renominalized, and the replacement of references to Irish pounds with Euros.

The amendments to our Memorandum and Articles of Association are as follows:

The first sentence of paragraph 5 of our Memorandum of Association shall be deleted and the following shall be substituted therefor:

"5. The share capital of the Company is €13,200,000 divided into 120,000,000 ordinary shares of €0.11 each."

The definition of "the Ordinary Shares" in Article 1(b) of our Articles of Association shall be deleted and the following shall be substituted therefor:

"the Ordinary Shares" ordinary shares of €0.11 each in the capital of the Company"

Article 2 shall be deleted and the following shall be substituted

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

therefor:

"2. Share Capital

The share capital of the Company is E13,200,000 divided into 120,000,000 ordinary shares of E0.11 each."

The references to "Irish punts" in Articles 95 and 96 shall be deleted and a reference to "Euros" shall be substituted therefor in each case.

PROPOSAL SIX VOTE REQUIRED

The affirmative vote of the holders of not less than seventy-five percent (75%) of the ordinary shares represented, in person or by proxy, and voting at the Annual General Meeting is required to approve the renominalization of the Company's share capital from E0.11903794 per share to E0.11 per share. Unless otherwise instructed, the proxies will vote "FOR" the renominalization of our share capital.

PROPOSAL SEVEN

INCREASE IN NUMBER OF SHARES UNDER THE
EMPLOYEE SHARE PURCHASE PLAN

PROPOSAL

On April 17, 2001, the board of directors adopted, subject to shareholder approval at the Annual General Meeting, an amendment to the Employee Share Purchase Plan increasing the total number of shares reserved for issuance by an additional 500,000 ordinary shares, to an aggregate of 2,500,000 ordinary shares. This amendment will enable us to continue to grant purchase rights to eligible employees under the terms and conditions of the Employee Share Purchase Plan.

The board of directors believes that the approval of the amendment to the Employee Share Purchase Plan is in our best interests and that of our shareholders. The Employee Share Purchase Plan is an important employee benefit, with broad employee participation. The Board of Directors believes that the amendment proposed is necessary for the Company to remain competitive in its compensation practices and to attract and retain highly skilled personnel which are essential to the Company's continued growth and success.

PROPOSAL SEVEN VOTE REQUIRED

The affirmative vote of the holders of a majority of the ordinary shares represented, in person or by proxy, and voting at the Annual General Meeting is required to approve the amendment to the Employee Share Purchase Plan. Unless otherwise instructed, the proxies will vote "FOR" the amendment to the Employee Share Purchase Plan increasing the total number of ordinary shares reserved for issuance thereunder by 500,000 ordinary shares.

SUMMARY OF THE EMPLOYEE SHARE PURCHASE PLAN

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

The Employee Share Purchase Plan was adopted by the board of directors and approved by our shareholders on March 31, 1995. The Employee Share Purchase Plan, which is intended to qualify under Section 423 of the U.S. Internal Revenue Code of 1986, permits eligible employees to purchase our ordinary shares through payroll deductions at a price equal to 85% of the lower of the fair market value of the ordinary shares on the first day of each six-month offering period or the last day of the applicable six-month purchase period. We have reserved a total of 2,000,000 ordinary shares for issuance under the Employee Share Purchase Plan, and as of May 22, 2001, 672,443 shares remained available for future issuances.

The following summary of the Employee Share Purchase Plan is qualified in its entirety by the specific language of the Employee Share Purchase Plan, a copy of which is available to any shareholder upon written request to the Secretary of the Company.

PURPOSE

The purposes of the Employee Share Purchase Plan are to attract and retain the best available personnel for positions of substantial responsibility, to provide additional incentive to our employees and to promote the success of our business.

ADMINISTRATION

The Employee Share Purchase Plan may be administered by the board of directors or a committee of the board of directors (the "Administrator"), which committee is required to be constituted to comply with Section 16(b) of the Exchange Act, and applicable laws.

11

16

ELIGIBILITY; LIMITATIONS

The Employee Share Purchase Plan provides that employees are eligible to participate if they are customarily employed by us or any designated subsidiary for at least 20 hours per week and for more than five months in any calendar year.

TERMS AND CONDITIONS OF SUBSCRIPTION

Participation under the Employee Share Purchase Plan is evidenced by a written subscription agreement between the employee and us and is subject to the following terms and conditions of the Employee Share Purchase Plan:

- (a) Purchase Price and Method. Employees who participate in the Employee Share Purchase Plan purchase the ordinary shares through payroll deductions of up to 20% of their eligible compensation, up to a maximum number of shares worth \$25,000, in each calendar year. In no event may any employee purchase in any offering period more than the number of shares determined by dividing \$50,000 by the fair market value of an ordinary share. In each determination of the maximum purchase amount, the fair market value is determined as of the first day of the applicable offering period. The price of ordinary shares purchased under the Employee Share Purchase Plan is 85% of the lower of the fair market value of the ordinary shares on the first day of each six-month offering period and the last day of the applicable six-month purchase period.
- (b) Offering Periods. Offering periods last six months and commence on the first trading day in each such six-month period.

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

- (c) Withdrawal; Termination of Employment. If an employee decides to terminate his or her participation in the Employee Share Purchase Plan, he or she must withdraw all the payroll deductions credited to his or her purchase account, and such funds will be returned to him or her. Upon the termination of employment for any reason, all payroll deductions will likewise be returned to the (former) employee.
- (d) Death. A participating employee may designate who is to receive any shares and cash, if any, from the participant's account under the Employee Share Purchase Plan in the event of such participant's death subsequent to exercising a purchase option but prior to delivery of the ordinary shares.
- (e) Nontransferability. Rights granted under the Employee Share Purchase Plan are not transferable by a participant other than by will, the laws of descent and distribution, or as otherwise provided under the Employee Share Purchase Plan, and we may treat any prohibited attempt to transfer as an election to withdraw.
- (f) Other Provisions. The subscription agreement may contain such other terms, provisions and conditions not inconsistent with the Employee Share Purchase Plan as may be determined by the Administrator.

ADJUSTMENT UPON CHANGES IN CAPITALIZATION; CORPORATE TRANSACTIONS

In the event of changes in the issued ordinary shares by reason of any share splits, reverse share splits, share dividends, combinations, reclassifications or other similar change in the capital structure of the Company, an appropriate adjustment shall be made by the board of directors in the following: (i) the number of ordinary shares subject to the Employee Share Purchase Plan and (ii) the number and class of ordinary shares subject to any purchase right outstanding under the Employee share Purchase Plan. The determination of the board of directors as to which adjustments shall be made shall be conclusive. In the event of a proposed dissolution or liquidation of us, the offering periods shall terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the board of directors. Notwithstanding the above, in the event of a merger of us with or into another corporation or the sale of all or substantially all of the assets of the Company, each purchase right shall be assumed or an equivalent option shall be substituted by such successor

12

17

corporation, unless the board of directors determines, in lieu of such assumption or substitution, to (i) shorten the offering period then in progress by setting a new exercise date and any offering period then in progress shall end on the new exercise date or (ii) cancel such outstanding right to purchase and refund all sums collected from participants during the offering period then in progress.

AMENDMENT AND TERMINATION OF THE EMPLOYEE SHARE PURCHASE PLAN

The board may at any time amend or terminate the Employee Share Purchase Plan. We shall obtain shareholder approval of any amendment to the Employee Share Purchase Plan in such a manner and to such a degree as is necessary and desirable to comply with Rule 16b-3 under the Exchange Act and 423 of the U.S. Internal Revenue Code of 1986, as amended (the "Code") (or any other applicable law or regulation, including the requirements of any exchange or quotation system on which the ordinary shares or the ADSs representing ordinary shares are traded). Any amendment of the Employee Share Purchase Plan shall not adversely

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

affect the rights of participants with respect to purchase options already granted. Any termination of the Employee Share Purchase Plan generally shall not affect purchase options already granted. The Employee Share Purchase Plan shall terminate on February 28, 2005 unless earlier terminated by the board of directors.

FEDERAL INCOME TAX CONSEQUENCES

No income will be taxable to a participant until the shares purchased under the Employee Share Purchase Plan are sold or otherwise disposed of. Upon sale or other disposition of the shares, the participant will generally be subject to tax and the amount of the tax will depend upon the holding period. If the shares are sold or otherwise disposed of more than two (2) years from the first day of the offering period or more than one (1) year from the date of transfer of the stock to the participant (the "Statutory Holding Periods"), then the participant will recognize ordinary income measured as the lesser of (i) the excess of the fair market value of the shares at the time of such sale or disposition over the purchase price, or (ii) an amount equal to 15% of the fair market value of the shares as of the first day of the offering period. Any additional gain will be treated as long-term capital gain. Net capital gains on assets held for more than twelve months are currently taxed at a maximum federal rate of 20%. Capital losses are allowed in full against capital gains and up to \$3,000 against other income. If the shares are sold or otherwise disposed of before the expiration of the Statutory Holding Periods, the participant will recognize ordinary income generally measured as the excess of the fair market value of the shares on the date the shares are purchased over the purchase price. Any additional gain or loss on such sale or disposition will be long-term or short-term capital gain or loss, depending on the holding periods. We are not entitled to a deduction for amounts taxed as ordinary income or capital gain to a participant except to the extent ordinary income is recognized by participants upon the sale or disposition of shares prior to the expiration of the Statutory Holding Periods described above.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON THE PARTICIPANT AND US WITH RESPECT TO THE SHARES PURCHASED UNDER THE EMPLOYEE SHARE PURCHASE PLAN. REFERENCE SHOULD BE MADE TO THE APPLICABLE PROVISIONS OF THE CODE. IN ADDITION, THE SUMMARY DOES NOT DISCUSS THE TAX CONSEQUENCES OF A PARTICIPANT'S DEATH OR THE INCOME TAX LAWS OF ANY STATE OR FOREIGN COUNTRY IN WHICH THE PARTICIPANT MAY RESIDE.

PROPOSAL EIGHT

APPROVAL OF THE ADOPTION OF THE 2001 OUTSIDE DIRECTOR OPTION PLAN

GENERAL

At the Annual General Meeting, the shareholders are being requested to consider and approve the adoption of the 2001 Outside Director Option Plan (the "Plan"), and reserve a total of 350,000 ordinary shares for issuance thereunder. The Plan is described in more detail below. Since each non-employee director of the board of directors of the Company ("Outside Director") is eligible to receive options under the Plan, each Outside Director has a personal interest in the Plan.

PROPOSAL

It is important for companies to provide compensation for services provided by outside, non-employee board directors. The board of directors believes that it is in the best interest of our shareholders to provide additional incentive to the Outside Directors to attract and retain the best available candidates for service on the board of directors. On April 17, 2001, the board of directors approved and adopted, subject to shareholder approval at the Annual General Meeting, the Plan pursuant to which non-statutory stock options may be granted to Outside Directors of the Company in accordance with the Plan and applicable law.

PROPOSAL EIGHT VOTE REQUIRED

The affirmative vote of the holders of a majority of the ordinary shares represented, in person or by proxy, and voting at the Annual General Meeting is required to approve the adoption of the Plan. Unless otherwise instructed, the proxies will vote "FOR" the adoption of the Plan.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE "FOR" PROPOSAL EIGHT.

SUMMARY OF THE PLAN

The following summary of the Plan is qualified in its entirety by the specific language of the Plan, a copy of which is available to any shareholder upon written request to our Secretary.

PURPOSES OF THE PLAN

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

The purposes of the Plan are to attract and retain the best available personnel for service as Outside Directors and to provide additional incentive to the Outside Directors to serve as Directors, and to encourage their continued service on the board of directors.

SHARES SUBJECT TO THE PLAN

The board of directors has reserved a maximum of 350,000 of the Company's ordinary shares for issuance under the Plan.

ADMINISTRATION AND GRANTS OF OPTIONS

The Plan provides for grants of options to be made in two ways:

- (a) Each Outside Director is automatically granted an option to purchase 25,000 ordinary shares (the "First Option") upon the date such individual first becomes an Outside Director, whether through election by the shareholders or by appointment by the board of directors in order to fill a vacancy, or upon the effective date of the Plan, whichever is later; and
- (b) Each Outside Director is automatically granted an option to purchase 10,000 ordinary shares (the "Subsequent Option") on January 1 of each year, if on such date he or she is then an

15

20

Outside Director and has served on the board of directors for at least the preceding six (6) months.

ELIGIBILITY

Only Outside Directors are eligible for participation in the Plan. All options shall be automatically granted in accordance with the terms and conditions of the Plan.

TERMS AND CONDITIONS OF THE OPTIONS

Each Option is evidenced by a director option agreement between us and the Outside Director, and is subject to the following additional terms and conditions:

- (a) Term of Options. The First and Subsequent Options granted under the Plan have a maximum term of ten (10) years from the date of grant. No option may be exercised after the expiration of its term.
- (b) Exercise of the Options. An option granted under the Plan is exercised by giving written notice of exercise to us, specifying the number of ordinary shares to be purchased and tendering payment of the purchase price to us in the form described in (c) below.

The First and Subsequent Options shall generally be exercisable only while the Outside Director remains a Director of us. The First and Subsequent Options granted to an Outside Director shall vest as to twenty-five percent (25%) of the First or Subsequent Option on each anniversary date of its date of grant provided that the optionee continues to serve as a director on each relevant vesting date. In connection with a First Grant, the vesting commencement date shall be the date on which the individual was appointed by the Board of Directors to serve as an Outside Director of the Company or the date on which the Plan was approved by the Board of Directors,

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

whichever is later.

- (c) Forms of Consideration. Payment for ordinary shares issued upon exercise of an option may, depending on the terms of the option agreement, consist of cash, check, cashless exercise, or any combination of these methods of payment.
- (d) Termination of Directorship. In the event an optionee's status as a director terminates for any reason other than upon the optionee's death or disability, all of the options held by the Outside Director under the Plan will be exercisable (to the extent the option was exercisable on the date of termination) for a period of three (3) months following the date of such termination. In the event an optionee's status as a Director terminates as a result of the optionee's death or disability, all of the options held by the Outside Director under the Plan will be exercisable (to the extent the option was exercisable on the date of termination) for a period of twelve (12) months following the date of such death or disability. However, in no event may the period of exercisability extend beyond the expiration date of the option.
- (e) Nontransferability of Options. An option generally is not transferable by the optionee, other than by will or the laws of descent and distribution. During the optionee's lifetime, only the optionee may exercise the option (except in the case of incapacity, in which case the optionee's attorney may exercise the option on his or her behalf).

ADJUSTMENTS UPON CHANGES IN CAPITALIZATION

In the event that the shares change by reason of any reorganization, bonus issue, reclassification or the like of ordinary shares (or their equivalent), or any similar change in our capital structure effected without the receipt of consideration, appropriate adjustments shall be made in the number and class of shares subject to any option outstanding under the Plan.

In the event of a liquidation or dissolution, any unexercised options under the Plan will terminate immediately prior to any such liquidation or dissolution.

16

21

In connection with any merger of us with or into another corporation or the sale of substantially all of the assets of us, outstanding options granted under the Plan may be assumed or equivalent options may be substituted by the successor corporation or a Parent or Subsidiary thereof (the "Successor Corporation"). If an option is assumed or substituted for, the option or equivalent option shall continue to be exercisable as described above for so long as the optionee serves as a director of us or the Successor Corporation. If, at any time following such assumption or substitution, the optionee's status as a director of us or the Successor Corporation is terminated other than upon a voluntary resignation by the optionee, the option shall become fully exercisable, including as to shares for which it would not otherwise be exercisable. Thereafter, the option shall remain exercisable as described above. If a Successor Corporation does not assume the option or substitute an equivalent option, the option shall be fully vested, including as to those shares for which it would not otherwise be exercisable, and the optionee may exercise the option for thirty (30) days from the date of the Board notice of such non-assumption.

AMENDMENT AND TERMINATION OF THE PLAN

The board of directors may at any time amend or terminate the Plan. Any

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

amendment or termination of the Plan is subject to the rights of optionees under agreements entered into prior to such amendment or termination.

FEDERAL INCOME TAX CONSEQUENCES

THE FOLLOWING DISCUSSION SUMMARIZES CERTAIN U.S. FEDERAL INCOME TAX CONSIDERATIONS FOR OUTSIDE DIRECTORS RECEIVING OPTIONS UNDER THE PLAN AND CERTAIN TAX EFFECTS ON US, BASED UPON THE PROVISIONS OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED AND AS IN EFFECT ON THE DATE OF THIS PROXY STATEMENT, AND CURRENT REGULATIONS AND EXISTING ADMINISTRATIVE RULINGS OF THE INTERNAL REVENUE SERVICE. HOWEVER, THE SUMMARY IS NOT INTENDED TO BE A COMPLETE DISCUSSION OF ALL THE FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF AN OUTSIDE DIRECTOR'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE OUTSIDE DIRECTOR MAY RESIDE.

Options granted under the Plan do not qualify as incentive stock options under Section 422 of the Code. An optionee does not recognize any taxable income at the time he or she is granted a nonstatutory stock option. Upon exercise, the optionee recognizes taxable income generally measured by the excess of the then fair market value of the shares over the exercise price. We are entitled to a deduction in the same amount as the ordinary income recognized by the optionee. Upon a disposition of such shares by the optionee, any difference between the sale price and the optionee's exercise price, to the extent not recognized as taxable income as provided above, is treated as long-term or short-term capital gain or loss, depending on the holding period.

PARTICIPATION IN THE OUTSIDE DIRECTOR PLAN

The grant of options under the 2001 Outside Director Option Plan is subject to the conditions described above. Accordingly, other than the grant of options to purchase 25,000 ordinary shares to Messrs. Conway, Grillos, Krzywicki and McDonagh upon the effective date of the Plan, future awards are not determinable. No employees (including Named Executive Officers) are eligible to participate in the 2001 Outside Director Option Plan.

22

PROPOSAL NINE

AMENDMENT TO THE ARTICLES OF ASSOCIATION IN RELATION TO THE INDIVIDUALS THAT MAY SIGN AGREEMENTS ON THE COMPANY'S BEHALF UNDER SEAL

On April 17, 2001, the board of directors approved a proposal, subject to shareholder approval at the Annual General Meeting, to amend our Articles of Association so that agreements may be signed on our behalf under seal without the requirement for a member of the board of directors to be present at the affixing of our seal.

Our Articles of Association currently require that agreements may only be signed on our behalf under seal in the presence of at least one director and one other person who may also be a director or the company secretary or someone appointed by the board of directors for the purpose. Given the size of our business, this often creates administrative difficulties in the completion of routine matters. Consequently, the board of directors has approved a proposal to amend the Articles of Association to allow agreements to be signed on our behalf under seal without the requirement for a member of the board of directors to be present, if two people have been appointed by the board of directors for the purpose.

It is proposed that our Articles of Association be amended by the deletion

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

therefrom of the existing Article 94 and by the substitution therefor of the following new Article 94:

"94. Signature of Sealed Instruments

Every instrument to which either such seal shall be affixed shall be signed by:

- (i) a Director or some other person appointed by the Directors for the purpose; and
- (ii) the Secretary or a Director or some other person appointed by the Directors for the purpose (being in all cases a person other than the person who signed the instrument under sub-paragraph (i) of this Article),

save that as regards any certificates for shares or debentures or other securities of the Company the Directors may by resolution determine that such signatures or either of them shall be dispensed with, printed thereon or affixed thereto by any method or system of mechanical signature."

PROPOSAL NINE VOTE REQUIRED

The affirmative vote of the holders of not less than seventy five percent (75%) of the ordinary shares represented, in person or by proxy, and voting at the Annual General Meeting is required to approve the above amendment to the Articles of Association. Unless otherwise instructed, the proxies will vote "FOR" the proposal to amend the Articles of Association so that agreements may be signed on our behalf under seal without the requirement for a member of the board of directors to be present at the affixing of our seal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE "FOR" PROPOSAL NINE.

OPTION GRANTS IN LAST FISCAL YEAR

The following table provides information with respect to options granted during fiscal 2000 to the Named Executive Officers:

NAME	NUMBER OF EQUIVALENT ADS OVER WHICH OPTIONS WERE GRANTED (2) (3)	PERCENT OF TOTAL OPTIONS GRANTED TO EMPLOYEES IN LAST FISCAL YEAR	EXERCISE PRICE PER EQUIVALENT ADS (4)	EXPIRATION DATE	PO VAL RA APP
-----	-----	-----	-----	-----	---
David C. Drummond.....	50,000	3.8%	\$31.00	4/17/10	\$97

(1) Potential realizable value assumes that the share price (based on the fair market value of the ADSs) increases from the date of grant until the end of the ten-year option term at the annual rate specified (5% and 10%). If the price of the ADSs were to increase at such rates from \$31.00 per ADS, the price at the date of grant, over the next ten years, the resulting ADS price at 5% and 10% appreciation would be approximately \$50.50 and \$80.41 respectively. The assumed annual rates of appreciation are specified in SEC rules and do not represent our estimate or projection of future share price. We do not necessarily agree that this method can properly determine the value of an option.

(2) All options in this table were granted under the 1994 Plan. The options expire ten years from the date of grant, subject to earlier termination in the event of the optionee's cessation of service with us. The 1994 Plan is currently administered by the Stock Option Committee of the board of directors, which has broad discretion and authority to amend outstanding options and to reprice options, whether through an exchange of options or an amendment thereto.

(3) Unless otherwise indicated, options generally vest over four years such that 1/4 of the equivalent ADSs subject to the option vest one year from the respective date of grant, 1/4 vest on the second anniversary of the respective date of grant and 1/48 vest each month thereafter. Options granted to certain employees are exercisable in full at the date of grant,

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

provided that if the employment of such employee is terminated, we may present before our shareholders at the next Annual General Meeting a vote to approve the repurchase of any shares relating to his or her unvested options that have been exercised. If our shareholders approve the vote, we may repurchase any unvested shares at the original price for such shares. Additionally, until the vote occurs, the terminated employee will be restricted from disposing of these shares.

- (4) Options were granted at an exercise price equal to the fair market value of our ADSs, as determined by reference to the closing price of the ADSs as reported on the Nasdaq National Market on the last trading day prior to the date of grant.

COMPENSATION AND STOCK OPTION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal 2000, the Compensation Committee of our board of directors consisted of Messrs. McCabe, McDonagh and Grillos. During fiscal 2000, the Stock Option Committee consisted of Messrs. Mr. McDonagh was not one of our officers or employees or an officer or employee of our subsidiaries during fiscal 2000 or at any time since September 1991. From our inception to September 1991, Mr. McDonagh was our Chief Executive Officer.

Mr. McCabe served on the Compensation Committee from February 1995 until November 2000. Mr. McCabe also served as Chief Executive Officer through December 1996, President through September 1996 and Chairman of the Board of Directors through August 12, 1998. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Approximately 9% of the issued share capital of CBT (Technology) Limited, one of our Irish subsidiaries, representing a special non-voting class, is owned by Stargazer Productions ("Stargazer"), an unlimited company which is wholly-owned by certain of our key employees. All of the voting securities of CBT (Technology) Limited are owned by us and, except for the securities owned by Stargazer, there are no other outstanding securities of CBT (Technology) Limited. CBT (Technology) Limited has in the past and may in the future declare and pay dividends to Stargazer, and Stargazer may pay dividends to its shareholders out of such amounts. Except for the fact that Stargazer is wholly owned by certain of our key employees, we have no relationship with Stargazer.

In March 2000, we acquired the net assets of Advanced Educational Systems Limited ("AES"), a provider of secure e-Testing solutions and services to organizations to support their internal certification and compliance initiatives. We have issued 103,129 ADSs to AES as consideration for those assets. One of our directors, Patrick J. McDonagh, was a director of AES and has been deemed to be the beneficial owner of approximately 29% of the outstanding shares of AES.

In August 1999, Gregory M. Priest, our President and Chief Executive Officer, received a loan in the amount of \$450,000 which is repayable in four equal annual installments, commencing in August 2000. Interest accrues on the principal amount at a rate of 5.96%, to be paid annually. As of December 31, 2000, the balance outstanding under the loan, inclusive of accrued interest, was \$347,420.

BOARD OF DIRECTOR MEETINGS AND COMMITTEES

The board of directors, which has an audit committee, compensation committee, stock option committee and non-officer stock option committee, held a total of 4 meetings during the last fiscal year. No incumbent director attended fewer than seventy-five percent (75%) of the meetings of the board of directors and committees thereof on which such director served during the last fiscal year.

In fiscal 2000, the audit committee consisted of Messrs. Krzywicki and McDonagh. During the last fiscal year, the audit committee held 3 meetings. The audit committee oversees actions taken by our independent auditors, and recommends the engagement of auditors. Our audit committee charter, which is attached as Appendix A to this proxy statement, sets forth in detail the duties of and functions performed by the audit committee. Rule 4200 of the National Association of Securities Dealers' listing standards and our audit committee charter require that we have three members on the audit committee who are "independent" directors (as defined in Rule 4200). Mr. Krzywicki and Mr. McDonagh, two of the three current members of the Audit Committee are "independent" as such term is defined under Rule 4200. Mr. Grillos the third member, is not "independent" under the strict definition set forth in Rule 4200 because he served as our Executive Vice President and Chief Operating Officer from December 1998 through December 1999. However, pursuant to Rule

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

4350(d)(2)(B) of the National Association of Securities Dealers' listing standards, our board of directors has determined that Mr. Grillos's membership on the audit committee is required by the best interests of us and our shareholders, because of Mr. Grillos's abilities and background. In addition, Mr. Grillos was an independent director under Rule 4200 for many years before temporarily taking an operational role with us at the request of the board and in the interests of our shareholders. We do not believe that Mr. Grillos's temporary services in an operating role has compromised the actual independence with which he carries out his board service and that he is therefore an appropriate member of our Audit Committee. However, we are currently engaged in a search for an additional member to our board of directors who may also serve as an "independent" director on our audit committee. Once we complete this search, our board of directors intends to promptly appoint such individual to the board and the audit committee.

In fiscal 2000, the stock option committee consisted of Messrs. McDonagh and Krzywicki. During the last fiscal year, the stock option committee held no formal meetings but took several actions by unanimous written consent. The stock option committee administers our employee share option plans, grants share options to our officers and grants share options to any of our non-officers in excess of 10,000 shares per grant.

27

32

In January 1996, the board of directors established the non-officer stock option committee, which currently consists of Messrs. Priest and Drummond. Prior to November 13, 2000, the members of the non-officer stock option committee consisted of former Chairman of the Board and director, Mr. William G. McCabe and Mr. John P. Hayes. During the last fiscal year, the non-officer stock option committee held 2 formal meetings and took several actions by unanimous written consent. The non-officer stock option committee grants share options, which are less than 10,000 shares per grant to any of our employees who are not officers.

In fiscal 2000, the compensation committee consisted of Messrs. McCabe, Krzywicki and McDonagh. On November 13, 2000, Mr. McCabe resigned as a member of the compensation committee. During the last fiscal year, the compensation committee held no formal meetings but took several actions by unanimous written consent. The compensation committee reviews and approves the compensation of our executives and makes recommendations to the board of directors with respect to standards for setting compensation levels.

The board of directors does not have a nominating committee or any committee performing similar functions.

BOARD COMPENSATION COMMITTEE AND STOCK OPTION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Portions of the following report are presented by each of the members of our compensation committee and stock option committee of the board of directors with respect to the compensation of our executive management.

Actual compensation earned during the last fiscal year for the Named Executive Officers is shown in the Summary Compensation Table contained in this proxy statement.

REPORT OF THE COMPENSATION COMMITTEE

The compensation committee reviews and approves the compensation of our executives and makes recommendations to the board of directors with respect to standards for setting compensation levels.

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

Compensation Philosophy. At the direction of the board of directors and pursuant to the charter of the compensation committee, the compensation committee endeavors to ensure that the compensation programs for our executive officers and our subsidiaries are effective in attracting and retaining key executives responsible for our success. These programs are administered in a manner that seeks to meet our long-term interests and those of our shareholders and are designed to align total compensation for senior management with corporate performance.

The compensation committee believes that our overall financial performance should be an important factor in the total compensation of our executive officers. At the executive officer level, the compensation committee has a policy that a significant proportion of total compensation should consist of variable, performance-based components, such as bonuses and share option grants, which can increase or decrease to reflect changes in corporate and individual performance. These incentive compensation programs are intended to reinforce management's commitment to enhancement of profitability and shareholder value.

The compensation committee takes into account various qualitative and quantitative indicators of corporate and individual performance in determining the level and composition of compensation for the Chief Executive Officer and other executive officers. The compensation committee considers such corporate performance measures as revenues, net income and earnings per share in setting executive compensation levels. The specific factors used, and the weight given to various factors, varies between each executive based on his or her responsibilities. The compensation committee also appreciates the importance of achievements that may be difficult to quantify, and accordingly recognizes qualitative factors, such as successful supervision of major corporate projects and demonstrated leadership ability.

Base salary for the chief executive officer and other executive officers are established at levels considered appropriate in light of the duties and scope of responsibilities of each officer's position. Salaries are reviewed periodically and adjusted as warranted to reflect sustained individual officer performance. The compensation committee focuses primarily on total annual compensation, including incentive awards, rather than base salary alone, as the appropriate measure of executive officer performance and contribution.

Chief Executive Officer Compensation. Generally, the criteria used in determining the compensation of our Chief Executive Officer is the same as that which is used for executive management. Mr. Priest's compensation was set to ensure that it was based on increasing shareholder value. Mr. Priest received a salary of \$250,000 and a bonus of \$339,320 with respect to 2000. The bonus was based on both quantitative and qualitative factors, including our overall financial performance in 2000, his leadership in managing our expanding operations and the development of our e-Learning infrastructure and solutions as well as his role in establishing development and marketing alliances.

The compensation committee also approved the compensation of our other executive officers for 2000, following the principles and procedures outlined in this report.

Section 162(m). To the extent readily determinable and as one of the factors in its consideration of compensation matters, the compensation committee considers the anticipated tax treatment to us and to the executives of various payments and benefits. Section 162(m) of the Code generally limits the federal income tax deductibility of compensation paid to certain executive officers. For this purpose, compensation can include, in addition to cash compensation, the difference between the exercise price of share options and the value of the

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

underlying share on the date of exercise. Under this legislation, we may deduct compensation with respect to any of these individuals only to the extent that during any fiscal year such compensation does not exceed \$1 million or meets certain other conditions (such as shareholder approval). Further, interpretations of and changes in the tax laws and other factors beyond the Compensation Committee's control also affect the deductibility of compensation. For these and other reasons, the compensation committee will not necessarily limit executive compensation to that deductible under Section 162(m). The compensation committee will consider various alternatives to preserving the deductibility of compensation payments and benefits to the extent reasonably practicable and to the extent consistent with its other compensation objectives.

REPORT OF THE STOCK OPTION COMMITTEE

The stock option committee oversees provision of long-term incentives for executives and other key employees through share option grants under the 1990 Plan, 1994 Plan and 1996 Plan. Grants under the 1990 Plan or 1994 Plan are made to executives at the time they commence employment and are made periodically to executive management for individual performance. Grants under the 1996 Plan are made to employees and consultants at the time they commence employment and are made periodically for individual performance. Grants are not made to executive officers or directors under our 1996 Plan. The purpose of share option grants is to provide incentives to perform at a level, which will enhance the overall financial performance of our business and maximize long-term shareholder value and to reward prior performance.

For grants to executives, the stock option committee is responsible for determining, subject to the terms and conditions of the plans, the timing of such grants, the exercise price per share, the vesting provisions and the number of shares subject to each option grant. The stock option committee primarily grants share options to executive officers under the 1994 Plan.

In 2000, based upon recommendations from executive management, the stock option committee granted share options to one of our executive officers under the 1994 plan. In approving grants under the 1990 Plan,

29

34

1994 Plan and 1996 Plan, including grants to our non-executive officers, the stock option committee considers quantitative and qualitative factors.

In addition to the 1990 Plan, 1994 Plan and 1996 Plan, executives are eligible to participate in our 1995 Employee Share Purchase Plan, which permits the purchase of shares at a discount through payroll deductions.

Share option grants to the Chief Executive Officer. There were no option grants in 2000 to Mr. Priest.

REPORT OF THE AUDIT COMMITTEE

As more fully described in our charter, the audit committee reviews our financial reporting process on behalf of the board of directors. Management has the primary responsibility for the financial statements and the reporting process. Our independent auditors are responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles. The audit committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditors, nor can the audit committee certify that the independent auditor is "independent" under applicable rules. The audit committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the independent auditors on the basis of the information it receives, discussions with management and the independent auditors and the experience of the audit committee's members in business, financial and accounting matters.

In this context, the audit committee has reviewed and discussed our audited financial statements for the fiscal year ended December 31, 2000 with our management and our independent auditors, Ernst & Young. The audit committee has discussed with Ernst & Young, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The audit committee has also received the written disclosures and the letter from Ernst & Young required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees) and the audit committee has discussed the independence of Ernst & Young with that firm.

Based on the audit committee's review and discussions noted above, the audit committee recommended to the board of directors that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2000 for filing with the SEC.

6. Payroll Deductions.

- (a) At the time a participant files his or her subscription agreement, he or she shall elect to have payroll deductions made on each pay day during the Offering Period in an amount not exceeding twenty percent (20%) of the Compensation which he or she receives on each pay day during the Offering Period.
- (b) All payroll deductions made for a participant shall be credited to his or her account under the Plan and will be withheld in whole percentages only. A participant may not make any additional payments into such account.
- (c) A participant may discontinue his or her participation in the Plan as provided in Section 10 hereof, or may increase or decrease the rate of his or her payroll deductions during the Offering Period by completing or filing with the Company a new subscription agreement authorizing a change in payroll deduction rate. The Board may, in its discretion, limit the number of participation rate changes during any Offering Period. The change in rate shall be effective with the first full payroll period following five (5) business days after the Company's receipt of the new subscription agreement unless the Company elects to process a given change in participation more quickly. A participant's subscription agreement shall remain in effect for successive Offering Periods unless terminated as provided in Section 10 hereof.
- (d) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3(b) hereof, a participant's payroll deductions may be decreased to zero percent (0%) at such time during any Offering Period which is scheduled to end during the current calendar year (the "Current Offering Period") that the aggregate of all payroll deductions which were previously used to purchase shares under the Plan in a prior

At any time, the Company may, but will not be obligated to, withhold from the participant's compensation the amount necessary for the Company to meet applicable withholding obligations, including any withholding required to make available to the Company any tax deductions or benefits attributable to sale or early disposition of Ordinary Shares by the Employee.
7. Grant of Option. On the Enrollment Date of each Offering Period, each eligible Employee participating in such Offering Period shall be granted an option to purchase on the Exercise Date of such Offering Period (at the applicable Purchase Price) up to a number of shares of the Company's Ordinary Shares determined by dividing such Employee's payroll deductions accumulated prior to such Exercise Date and retained in the Participant's account as of the Exercise Date by the applicable Purchase Price. In no event shall an Employee be permitted to purchase during each Offering Period more than a number of Shares determined by dividing \$50,000 by the Fair Market Value of a share of the Company's Ordinary Shares on the Enrollment Date. Each such purchase shall be subject to the limitations set forth in Sections 3(b) and 12 hereof. Exercise of the option shall occur as provided in Section 8 hereof, unless the participant has withdrawn pursuant to Section 10 hereof, and shall expire on the last day of the Offering Period.
8. Exercise of Option. Unless a participant withdraws from the Plan as provided in Section 10 hereof, his or her option for the purchase of shares shall be exercised automatically on the Exercise Date, and the maximum number of full shares subject to option shall be purchased for such participant at the applicable Purchase Price with the accumulated payroll deductions in his or her account. No fractional shares shall be purchased; any payroll deductions accumulated in a participant's account which are not sufficient to purchase a full share shall be retained in the participant's account for the subsequent Offering Period, subject to earlier withdrawal

by the participant as provided in Section 10 hereof. Any other monies left over in a participant's account after the Exercise Date shall be returned to the participant. During a participant's lifetime, a participant's option to purchase shares hereunder is exercisable only by him or her.

9. Delivery. Shares purchased by a participant upon exercise of his or her option shall, at the election of the participant, be issued (i) in the name of the participant or the participant and the participant's spouse, or (ii) in the name of AIB Custodial Nominees Limited, having its

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

registered office at P.O. Box 518, IFSC, Dublin 1, Ireland, to hold the shares as nominee and on behalf of the participant and subject to the participant's instructions.

10. Withdrawal; Termination of Employment.

- (a) A participant may withdraw all but not less than all the payroll deductions credited to his or her account and not yet used to exercise his or her option under the Plan at any time by giving written notice to the Company in the form of Exhibit B to this Plan. All of the participant's payroll deductions credited to his or her account will be paid to such participant promptly after receipt of notice of withdrawal and such participant's option for the Offering Period will be automatically terminated, and no further payroll deductions for the purchase of shares will be made during the Offering Period. If a participant withdraws from an Offering Period, payroll deductions will not resume at the beginning of the succeeding Offering Period unless the participant delivers to the Company a new subscription agreement.
- (b) Upon a participant's ceasing to be an Employee (as defined in Section 2(g) hereof) for any reason, he or she will be deemed to have elected to withdraw from the Plan and the payroll deductions credited to such participant's account during the Offering Period but not yet used to exercise the option will be returned to such participant or, in the case of his or her death, to the person or persons entitled thereto under Section 14 hereof, and such participant's option will be automatically terminated. The preceding sentence notwithstanding, a participant who receives payment in lieu of notice of termination of employment shall be treated as continuing to be an Employee for the participant's customary number of hours per week of employment during the period in which the participant is subject to such payment in lieu of notice.
- (c) A participant's withdrawal from an Offering Period will not have any effect upon his or her eligibility to participate in any similar plan which may hereafter be adopted by the Company or in succeeding Offering Periods which commence after the termination of the Offering Period from which the participant withdraws.

11. Interest. No interest shall accrue on the payroll deductions of a participant in the Plan.

12. Shares.

- (a) The maximum number of the Company's Ordinary Shares which shall be made available for sale under the Plan shall be 2,000,000 Ordinary Shares (which will be represented by 2,000,000 American Depositary Shares), subject to adjustment upon changes in capitalization of the Company as provided in Section 18 hereof. If on a given Exercise Date the number of shares with respect to which options are to be exercised exceeds the number of shares then available under the Plan, the Company shall make a pro rata allocation of the shares remaining available for purchase in as uniform a manner as shall be practicable and as it shall determine to be equitable.
- (b) The participant will have no interest or voting right in shares covered by his option until such option has been exercised.

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

13. Administration.

- (a) Administrative Body. The Plan shall be administered by the Board or a committee of members of the Board appointed by the Board. The Board or its committee shall have full and exclusive discretionary authority to construe, interpret and apply the terms of the Plan, to determine eligibility and to adjudicate all disputed claims filed under the Plan. Every finding, decision and determination made by the Board or its committee shall, to the full extent permitted by law, be final and binding upon all parties.

B-4

43

- (b) Rule 16b-3 Limitations. Notwithstanding the provisions of Subsection (a) of this Section 13, in the event that Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or any successor provision ("Rule 16b-3") provides specific requirements for the administrators of plans of this type, the Plan shall be administered only by such a body and in such a manner as shall comply with the applicable requirements of Rule 16b-3. Unless permitted by Rule 16b-3, no discretion concerning decisions regarding the Plan shall be afforded to any committee or person that is not "disinterested" as that term is used in Rule 16b-3.

14. Designation of Beneficiary.

- (a) A participant may file a written designation of a beneficiary who is to receive any shares and cash, if any, from the participant's account under the Plan in the event of such participant's death subsequent to an Exercise Date on which the option is exercised but prior to delivery to such participant of such shares and cash. In addition, a participant may file a written designation of a beneficiary who is to receive any cash from the participant's account under the Plan in the event of such participant's death prior to exercise of the option. If a participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective.
- (b) Such designation of beneficiary may be changed by the participant at any time by written notice. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares and/or cash to the spouse or to any one or more dependents or relatives of the participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

15. Transferability. Neither payroll deductions credited to a participant's account nor any rights with regard to the exercise of an option or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution or as provided in Section 14 hereof) by the participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds from an Offering Period in accordance with

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

Section 10 hereof.

16. Use of Funds. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.
17. Reports. Individual accounts will be maintained for each participant in the Plan. Statements of account will be given to participating Employees at least annually, which statements will set forth the amounts of payroll deductions, the Purchase Price, the number of shares purchased and the remaining cash balance, if any.
18. Adjustments Upon Changes in Capitalization.
 - (a) Changes in Capitalization. Subject to any required action by the shareholders of the Company, the Reserves as well as the price per Ordinary Share covered by each option under the Plan which has not yet been exercised shall be proportionately adjusted for any increase or decrease in the number of issued shares of Ordinary Shares resulting from a share split, reverse share split, share dividend, combination or reclassification of the Ordinary Shares, or any other increase or decrease in the number of Ordinary Shares effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of any class, or securities convertible into shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Ordinary Shares subject to an option.
 - (b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Offering Period will terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the Board.

B-5

44

- (c) Merger or Asset Sale. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, each option under the Plan shall be assumed or an equivalent option shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless the Board determines, in the exercise of its sole discretion and in lieu of such assumption or substitution, to shorten the Offering Period then in progress by setting a new Exercise Date (the "New Exercise Date") or to cancel each outstanding right to purchase and refund all sums collected from participants during the Offering Period then in progress. If the Board shortens the Offering Period then in progress in lieu of assumption or substitution in the event of a merger or sale of assets, the Board shall notify each participant in writing, at least ten (10) business days prior to the New Exercise Date, that the Exercise Date for his option has been changed to the New Exercise Date and that his option will be exercised automatically on the New Exercise Date, unless prior to such date he has withdrawn from the Offering Period as provided in Section 10 hereof. For purposes of this paragraph, an option

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

granted under the Plan shall be deemed to be assumed if, following the sale of assets or merger, the option confers the right to purchase or receive, for each share subject to the option immediately prior to the sale of assets or merger, the consideration (whether shares, cash or other securities or property) received in the sale of assets or merger by holders of Ordinary Shares for each Ordinary Share held on the effective date of the transaction (and if such holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Ordinary Shares); provided, however, that if such consideration received in the sale of assets or merger was not solely Ordinary Shares of the successor corporation or its parent (as defined in Section 424(e) of the Code), the Board may, with the consent of the successor corporation, provide for the consideration to be received upon exercise of the option to be solely Ordinary Shares of the successor corporation or its parent equal in fair market value to the per share consideration received by holders of Ordinary Shares in the sale of assets or merger. The Board may, if it so determines in the exercise of its sole discretion, also make provision for adjusting the Reserves, as well as the price per Ordinary Share covered by each outstanding option, in the event the Company effects one or more reorganizations, recapitalizations, rights offerings or other increases or reductions of its outstanding Ordinary Shares, and in the event of the Company being consolidated with or merged into any other corporation.

19. Amendment or Termination.

- (a) The Board of Directors of the Company may at any time and for any reason terminate or amend the Plan. Except as provided in Section 18 hereof, no such termination can affect options previously granted, provided that an Offering Period may be terminated by the Board of Directors on any Exercise Date if the Board determines that the termination of the Plan is in the best interests of the Company and its shareholders. Except as provided in Section 18 hereof, no amendment may make any change in any option theretofore granted which adversely affects the rights of any participant. To the extent necessary to comply with Rule 16b-3 or under Section 423 of the Code (or any successor rule or provision or any other applicable law or regulation), the Company shall obtain shareholder approval in such a manner and to such a degree as required.
- (b) Without shareholder consent and without regard to whether any participant rights may be considered to have been "adversely affected," the Board (or its committee) shall be entitled to change the Offering Periods, limit the frequency and/or number of changes in the amount withheld during an Offering Period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit payroll withholding in excess of the amount designated by a participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Ordinary Shares for each participant properly correspond with amounts withheld from the participant's Compensation, and establish such other limitations or procedures as the Board (or its committee) determines in its sole discretion advisable which are consistent with the Plan.

20. Notices. All notices or other communications by a participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.
21. Conditions Upon Issuance of Shares. Shares shall not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such shares pursuant thereto shall comply with all applicable

B-6

45

provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, the rules and regulations promulgated thereunder, and the requirements of any exchange upon which the shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance. As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

22. Term of Plan. The Plan shall become effective upon the earlier to occur of its adoption by the Board of Directors or its approval by the shareholders of the Company. It shall continue in effect for a term of ten (10) years unless sooner terminated under Section 19 hereof.

4. Administration and Grants of Options under the Plan.
- (a) Procedure for Grants. All grants of Options to Outside Directors under this Plan shall be automatic and nondiscretionary and shall be made strictly in accordance with the following provisions:
 - (i) No person shall have any discretion to select which Outside Directors shall be granted Options or to determine the number of Shares to be covered by Options.
 - (ii) Each Outside Director shall be automatically granted an Option to purchase 25,000 Shares (the "First Option") on the date on which the later of the following events occurs: (A) the effective date of this Plan, as determined in accordance with Section 6 hereof, or (B) the date on which such person first becomes an Outside Director, whether through election by the shareholders of the Company or appointment by the Board to fill a vacancy; provided, however, that an Inside Director who ceases to be an Inside Director but who remains a Director shall not receive a First Option.
 - (iii) Each Outside Director shall be automatically granted an Option to purchase 10,000 Shares (a "Subsequent Option") on January 1 of each year provided he or she is then an Outside Director and if as of such date, he or she shall have served on the Board for at least the preceding six (6) months.
 - (iv) The terms of a First Option granted hereunder

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

shall be as follows:

(A) the term of the First Option shall be ten (10) years.

(B) the First Option shall be exercisable only while the Outside Director remains a Director of the Company, except as set forth in Sections 8 and 10 hereof.

(C) the exercise price per Share shall be one hundred percent (100%) of the Fair Market Value per Share on the date of grant of the First Option.

(D) subject to Section 10 hereof, the First Option shall become exercisable as to twenty five percent (25%) of the Shares subject to the First Option on each anniversary of its date of grant, provided that the Optionee continues to serve as a Director on all such relevant dates. Notwithstanding the foregoing, in connection with a First Grant, the vesting commencement date shall be the date on which the individual was appointed by the Board of Directors to serve as an Outside Director of the Company or the date on which the Plan was approved by the Board of Directors, whichever is later.

(v) The terms of a Subsequent Option granted hereunder shall be as follows:

(A) the term of the Subsequent Option shall be ten (10) years.

(B) the Subsequent Option shall be exercisable only while the Outside Director remains a Director of the Company, except as set forth in Sections 8 and 10 hereof.

(C) the exercise price per Share shall be one hundred percent (100%) of the Fair Market Value per Share on the date of grant of the Subsequent Option.

(D) subject to Section 10 hereof, the Subsequent Option shall become exercisable as to twenty five percent (25%) of the Shares subject to the Subsequent Option on each anniversary of its date of grant, provided that the Optionee continues to serve as a Director on such dates.

(vi) In the event that any Option granted under the Plan would cause the number of Shares subject to outstanding Options plus the number of Shares previously purchased under Options to exceed the Pool, then the remaining Shares available for Option grant shall be granted under Options to the Outside Directors on a pro rata basis. No further grants shall be made until such time, if any, as additional Shares become available for grant under the Plan through action of the Board or the

shareholders to increase the number of Shares which may be issued under the Plan or through cancellation or expiration of Options previously granted hereunder.

5. Eligibility. Options may be granted only to Outside Directors. All Options shall be granted automatically in accordance with the terms set forth in Section 4 hereof.

The Plan shall not confer upon any Optionee any right with respect to continuation of service as a Director or nomination to serve as a Director, nor shall it interfere in any way with any rights which the Director or the Company may have to terminate the Director's relationship with the Company at any time.

6. Term of Plan. The Plan shall become effective upon the earlier to occur of its adoption by the Board or its approval by the shareholders of the Company as described in Section 16 of the Plan. It shall continue in effect for a term of ten (10) years unless sooner terminated under Section 11 of the Plan.
7. Form of Consideration. The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall consist of (i) cash, (ii) check, (iii) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan, or (iv) any combination of the foregoing methods of payment.
8. Exercise of Option.

- (A) Procedure for Exercise; Rights as a Shareholder. Any Option granted hereunder shall be exercisable at such times as are set forth in Section 4 hereof; provided, however, that no Options shall be exercisable until shareholder approval of the Plan in accordance with Section 16 hereof has been obtained.

An Option may not be exercised for a fraction of a Share.

An Option shall be deemed to be exercised when written notice of such exercise has been given to the Company in accordance with the terms of the Option by the person entitled to exercise the Option and full payment for the Shares with respect to which the Option is exercised has been received by the Company. Full payment may consist of any consideration and method of payment allowable under Section 7 of the Plan. Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the share certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Optioned Share, notwithstanding the exercise of the Option. A share certificate for the number of Shares so acquired shall be issued to the Optionee or its nominee as soon as practicable after exercise of the Option. No adjustment shall be made for a dividend or other right for which the record date is prior to the date the share certificate is issued, except as provided in Section 10

of the Plan.

Exercise of an Option in any manner shall result in a decrease in the number of Shares which thereafter may be available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

- (B) Termination of Continuous Status as a Director. Subject to Section 10 hereof, in the event an Optionee's status as a Director terminates (other than upon the Optionee's death or Disability), the Optionee may exercise his or her Option, but only within three (3) months following the date of such termination, and only to the extent that the Optionee was entitled to exercise it on the date of such termination (but in no event later than the expiration of its ten (10) year term). To the extent that the Optionee was not entitled to exercise an Option on the date of such termination, and to

C-3

49

the extent that the Optionee does not exercise such Option (to the extent otherwise so entitled) within the time specified herein, the Option shall terminate.

- (C) Disability of Optionee. In the event Optionee's status as a Director terminates as a result of Disability, the Optionee or, in the event of Optionee's Incapacity, his or her Attorney, may exercise his or her Option, but only within twelve (12) months following the date of such termination, and only to the extent that the Optionee was entitled to exercise it on the date of such termination (but in no event later than the expiration of its ten (10) year term). To the extent that the Optionee was not entitled to exercise an Option on the date of termination, or if he or she does not exercise such Option (to the extent otherwise so entitled) within the time specified herein, the Option shall terminate.
- (D) Death of Optionee. In the event of an Optionee's death, the Optionee's estate or a person who acquired the right to exercise the Option by bequest or inheritance may exercise the Option, but only within twelve (12) months following the date of death, and only to the extent that the Optionee was entitled to exercise it on the date of death (but in no event later than the expiration of its ten (10) year term). To the extent that the Optionee was not entitled to exercise an Option on the date of death, and to the extent that the Optionee's estate or a person who acquired the right to exercise such Option does not exercise such Option (to the extent otherwise so entitled) within the time specified herein, the Option shall terminate.

9. Non-Transferability of Options. The Option may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee or, in the event of the Optionee's Incapacity, by his or her Attorney.

10. Adjustments Upon Changes in Capitalization, Dissolution, Merger or Asset Sale.

(a) Changes in Capitalization. Subject to any required action by the shareholders of the Company, the number of Shares covered by each outstanding Option, the number of Shares which have been authorized for issuance under the Plan but as to which no Options have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Option, as well as the price per Share covered by each such outstanding Option, and the number of Shares issuable pursuant to the automatic grant provisions of Section 4 hereof shall be proportionately adjusted for any increase or decrease in the number of issued Shares resulting from a reorganization, bonus issue, reclassification or the like, or any other increase or decrease in the number of issued Shares effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Except as expressly provided herein, no issuance by the Company of shares of any class, or securities convertible into shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an Option.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Board shall notify each Optionee as soon as practicable prior to the effective date of such proposed transaction. Each Optionee shall have the right to exercise his or her Option within fifteen (15) days prior to the proposed date of such transaction as to all of the Optioned Shares covered thereby. To the extent it has not been previously exercised, an Option will terminate immediately prior to the consummation of such proposed action.

(c) Merger or Asset Sale. In the event of a merger of the Company with or into another corporation or the sale of substantially all of the assets of the Company, outstanding Options may be assumed or equivalent options may be substituted by the successor corporation or a Parent or Subsidiary thereof (the "Successor Corporation"). If an Option is assumed or substituted for, the Option or equivalent option shall continue to be exercisable as provided in Section 4 hereof for so long as the Optionee serves as a Director or a director of the Successor Corporation. If, at any time following such assumption or substitution, the Optionee's status as a Director or director of the Successor Corporation, as applicable, is terminated other than upon a voluntary resignation by the Optionee, the Option or substituted option shall become fully exercisable. Following such termination, the Option

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

or substituted option shall remain exercisable in accordance with Sections 8(b) through (d) above.

If the Successor Corporation does not assume an outstanding Option or substitute for it an equivalent option, the Option shall become fully vested and exercisable. In such event the Board shall notify the Optionee that the Option shall be fully exercisable for a period of thirty (30) days from the date of such notice, and upon the expiration of such period the Option shall terminate.

For the purposes of this Section 10(c), an Option shall be considered assumed if, following the merger or sale of assets, the Option confers the right to purchase or receive, for each Optioned Share subject to the Option immediately prior to the merger or sale of assets, the consideration (whether shares, cash, or other securities or property) received in the merger or sale of assets by holders of Shares for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares). If such consideration received in the merger or sale of assets is not solely ordinary shares (or their equivalent) of the Successor Corporation or its Parent, the Board may, with the consent of the Successor Corporation, provide for the consideration to be received upon the exercise of the Option, for each Optioned Share, to be solely ordinary shares (or their equivalent) of the Successor Corporation or its Parent equal in fair market value to the per share consideration received by holders of ordinary shares in the merger or sale of assets.

C-5

51

11. Amendment and Termination of the Plan.

(a) Amendment and Termination. The Board may at any time amend, alter, suspend, or discontinue the Plan, but no amendment, alteration, suspension, or discontinuation shall be made which would impair the rights of any Optionee under any grant theretofore made, without his or her consent. In addition, to the extent necessary and desirable to comply with any applicable law, regulation or stock exchange rule, the Company shall obtain shareholder approval of any Plan amendment in such a manner and to such a degree as required.

(b) Effect of Amendment or Termination. Any such amendment or termination of the Plan shall not affect Options already granted and such Options shall remain in full force and effect as if this Plan had not been amended or terminated.

12. Time of Granting Options. The date of grant of an Option shall, for all purposes, be the date determined in accordance with Section 4 hereof.

13. Conditions Upon Issuance of Shares. Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, state securities laws, Irish Law and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and

Edgar Filing: SMARTFORCE PUBLIC LTD CO - Form PRE 14A

without any present intention to sell or distribute such Shares, if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned relevant provisions of law.

Inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

14. Reservation of Shares. The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.
15. Option Agreement. Options shall be evidenced by written option agreements in such form as the Board shall approve.
16. Shareholder Approval. The Plan shall be subject to approval by the shareholders of the Company within twelve (12) months after the date the Plan is adopted by the Board. Such shareholder approval shall be obtained in the degree and manner required under applicable state and federal law and any stock exchange rules.
