AMENDMENT NO. 1 TO
STATEMENT PURSUANT TO RULE 13d-1
OF THE GENERAL RULES AND REGULATIONS
UNDER THE SECURITIES ACT OF 1934, AS AMENDED

This Amendment No. 1 amends the Statement on Schedule 13D filed on March 22, 2002 (the Schedule 13D) in relation to shares of Class A common stock, par value \$.01 per share (the Common Stock), of Monmouth Real Estate Investment Corporation, a Delaware corporation (Issuer). Capitalized terms used but not defined herein have the meanings attributed to them in the original Schedule 13D.

Items 3, 4 and 5 of the Schedule 13D and Schedules B and C to the Schedule 13D are hereby amended and supplemented as follows:

Item 3. Source and Amount of Funds or Other Consideration.

The first sentence of the first paragraph of Item 3 of the Schedule 13D is hereby amended and restated in its entirety to read as follows:

The aggregate amount of funds used in purchasing the shares of Common Stock reported as being beneficially owned in Item 5 hereof was approximately \$4,500,000.

A third paragraph is hereby added to Item 3 of the Schedule 13D, which paragraph shall read as follows:

On May 20, 2002, Liberty Bell acquired an additional 25,000 shares of Common Stock, and Cherokee acquired an additional 3,100 shares of Common Stock, representing total additional purchases of 28,100 shares of Common Stock at costs ranging from \$6.80 to \$7.25 per share. The acquisition of these additional shares increased the total combined ownership of Oakland, Liberty Bell and Cherokee to 706,042 shares of Common Stock, or approximately 6.3% of the outstanding shares of Common Stock.

Item 4. Purpose of Transaction.

The first sentence of the first paragraph of Item 4 of the Schedule 13D is hereby amended and restated in its entirety to read as follows:

Oakland, Liberty Bell and Cherokee acquired 706,042 shares of Common Stock between April 17, 2000 and May 20, 2002, bringing their total ownership of the outstanding shares of Common Stock to approximately 6.3%.

A fifth paragraph is hereby added to Item 4 of the Schedule 13D, which paragraph shall read as follows:

Effective May 9, 2002 (subsequent to the filing of the original Schedule 13D disclosing Oakland, Liberty Bell and Cherokee's ownership of 5.3% of the Common Stock), Issuer's Board of Directors adopted resolutions that, among other things, limit direct and indirect ownership by any stockholder of Issuer to 9.8% of the Common Stock. Oakland, Liberty Bell and Cherokee believe that this 9.8% limitation is an effort to limit their ownership of Common Stock and, more importantly, will prevent additional investments by other major stockholders as well as any potential investments by major institutional investors. In a letter to the Chairman of the Board of Issuer dated May 20, 2002, Oakland requested that Issuer's Board of Directors rescind the 9.8% limitation in the best interest of Issuer's stockholders. RE: May 9, 2002 Board of Directors Resolutions to Cut-Off Major
Investors and Limit Shareholder Value of MREIC

Dear Mr. Landy:

Oakland Financial Corporation and its subsidiaries (OFC) believe MREIC to be a fine long-term investment as is evidenced by OFC s cumulative investment of more than \$4 million in MREIC. OFC is the 1st or 2nd largest shareholder of MREIC. Many of OFC s shares were purchased at 52-week MREIC price highs, which has helped increase the share price of MREIC over the last year. OFC disclosed its 5.3% ownership in its initial Form 13-D filing in March of 2002. OFC will amend such Form 13-D in accordance with SEC guidelines in the future. For your information, OFC and its subsidiaries currently own slightly more than 6% on a collective basis.

As we discussed on the telephone prior to OFC s Form 13-D filing, OFC s intentions stated in the 13-D filing were a result of OFC s instructions to its counsel to keep its options open OFC had no specific intentions, and currently has no specific intentions, that would jeopardize MREIC s REIT status. I also offered in March to meet with you in New Jersey or Michigan in the upcoming months to discuss MREIC and OFC s investment therein. OFC and I remain open to such a meeting and you can always feel free to contact me should you have any questions with respect to our ownership percentage, goals and objectives. I certainly believe that you would welcome such communication channels with one of your largest shareholders.

OFC has received and read your May 9, 2002 letter and attached resolutions with disappointment. The MREIC Board of Directors actions to cut-off major investors and impinge on the potential shareholder value of MREIC are not in the best interest of MREIC shareholders. OFC believes that the actions enacted through the resolutions are an overreaction to OFC s 13-D and are an effort to absolutely cut-off OFC s investment in MREIC. More importantly, the enacted resolutions will cut-off the potential investment of other existing major investors, and/or any potential major institutional investor. In addition, there is no absolute right to remain a REIT at any and all costs there have been instances in which a REIT has foregone its status in an acquisition for the benefit of value to shareholders.

While we of course appreciate the ostensible and noble desire of the Board to avoid losing MREIC s REIT status by having 5 shareholders own more than 50% of the outstanding MREIC shares, the current composition of MREIC s shareholdings pose NO threat to losing the REIT status. The three largest shareholders, OFC, United Mobile Homes and Eugene Landy own about 16% of the outstanding shares. Hypothetically, even if the 4th and 5th largest shareholders own 5% , the five largest shareholders would collectively own less than 26% of MREIC, and likely, 22-23% (based on SEC filings, there is no such concentration in realty). The Board will know the exact ownership percentage of the five largest shareholders as of June 30, 2002 and I believe the Board will confirm, if it doesn t already know, that the five largest shareholders constitute less than 25% of MREIC s holdings. I don t believe that the Board of Directors has determined, in good faith, direct or indirect ownership of MREIC s stock has become concentrated to an extent that may prevent MREIC from qualifying as a REIT if it truly added up the numbers of its three largest shareholders, OFC, United Mobile Homes, and Eugene Landy.

On behalf of OFC, we request the Board of Directors recind the 9.8% limitation, and other punitive parts of such resolutions, in the interest of MREIC shareholders. If the Board does believe in good faith that the REIT status is in jeopardy, keep the 1% shareholder reporting requirement resolution only (not the 9.8% poison pill). On June 30, 2002, the Board will better see, if they don t truly already know, that the five largest shareholders own about 22%-26% of outstanding shares, and that there is no real risk of a 50% concentration.

Sincerely,

/s/ Matthew T. Moroun

Matthew T Moroun
Chairman

Item 5. Interest in Securities of the Issuer.

Paragraphs (a), (b) and (c) of Item 5 of the Schedule 13D are hereby amended and restated in their entirety to read as follows:

On a combined basis, as of May 20, 2002, the reporting persons beneficially owned an aggregate of approximately 6.3% of the outstanding shares of Common Stock.

The above ownership percentages are calculated based on the total number of outstanding shares of Common Stock as reported by Issuer in its Form 10-Q for the quarter ended March 31, 2002.
