Item 2. Acquisition or Disposition of Assets.

On July 1, 2002, Juniper Networks, Inc., a Delaware corporation (the Company), completed its acquisition of Unisphere Networks, Inc., a Delaware corporation (Unisphere), a privately held provider of data networking equipment optimized for applications at the edge of service provider networks (the Acquisition). In the Acquisition, Homer Acquisition Corporation, a wholly-owned subsidiary of the Company, merged with and into Unisphere such that Unisphere became a wholly-owned subsidiary of the Company after the Acquisition. In exchange for their shares of Unisphere common stock, the former shareholders of Unisphere received an aggregate of 36,500,000 shares of common stock of the Company and cash totaling \$375 million. The cash portion of the consideration was paid from the Company's operating cash. Immediately prior to the Acquisition, Siemens Corporation owned approximately 98.4% of the outstanding capital stock of Unisphere.

The shares of the Company's common stock were issued pursuant to an exemption from registration under the Securities Act of 1933, as amended (the Securities Act) in reliance on Section 3(a)(10) thereof.

The Company's press release dated July 2, 2002 announcing the completion of the Acquisition is attached hereto as Exhibit 99.3 and is incorporated herein by reference.

Item 7. Financial Statements, Pro Forma Financial Information and Exhibits.

(a) Financial Statements of Business Acquired.

The required financial statements will be filed by amendment hereto not later than September 16, 2002.

(b) Pro Forma Financial Information.

The required pro forma financial information will be filed by amendment hereto not later than September 16, 2002.

(c) Exhibits.
