On August 2, 2007, Phoenix Technologies Ltd. (the Company ) entered into an Asset Purchase Agreement ( APA ) to purchase certain intellectual property assets relating to the laptop computer software security products (the Products ) of XTool Mobile Security, Inc. ( XTool ). The closing of the transaction was contemporaneous with the signing of the APA. In addition to consideration paid to XTool at closing, the APA provides for up to two earn-out payments to XTool over the next 12 months if certain metrics are achieved. The APA contains representations, warranties, covenants and indemnification provisions that are typical for transactions of this type.
