Item 5. Interests of Named Experts and Counsel.

Item 6. Indemnification of Directors and Officers.

The General Corporation Law of the State of Delaware provides in general that a director or officer of a corporation (a) shall be indemnified by the corporation for all expenses of litigation or other legal proceedings when he is successful on the merits, (b) may be indemnified by the corporation for the expenses, judgments, fines and amounts paid in settlement of such litigation (other than a derivative suit) even if he is not successful on the merits if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation (and, in the case of a criminal proceeding, had no reasonable cause to believe his conduct was unlawful), and (c) may be indemnified by the corporation for expenses of a derivative suit (a suit by a stockholder alleging a breach by a director or officer of a duty owed to the corporation), even if he is not successful on the merits, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, provided that no such indemnification may be made in accordance with this clause (c) if the director or officer is adjudged liable to the corporation, unless a court determines that, despite such adjudication but in view of all the circumstances, he is entitled to indemnification of such expenses. The indemnification described in clauses (b) and (c) above shall be made only upon order by a court or a determination by (x) a majority of a quorum of disinterested directors, (y) under certain circumstances, independent legal counsel, or (z) the stockholders, that indemnification is proper because the applicable standard of conduct is met. Expenses incurred by a director or officer in defending an action may be advanced by the corporation prior to the final disposition of such action upon receipt of an undertaking by such director or officer to repay such expenses if it is ultimately determined that he is not entitled to be indemnified in connection with the proceeding to which the expenses related.

Fluor's Amended and Restated Certificate of Incorporation includes provisions that:

1. Eliminate, to the fullest extent permitted by Delaware law, director liability for monetary damages for breaches of fiduciary duty; and
2. Require that directors and officers be indemnified to the fullest extent permitted by Delaware law.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

(1) Undertaking Pursuant to Rule 415 Offering. Fluor hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in this effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement.

Provided, however, that paragraphs (1)(a)(i) and (1)(a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by Fluor pursuant to Section 13 or 15(d) of the Securities Exchange Act that are incorporated by reference in this Registration Statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(2) Undertaking Pursuant to Filings Incorporating Subsequent Exchange Act Documents by Reference. Fluor hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of Fluor's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) Undertaking Pursuant to Filing of Registration Statement on Form S-8. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of Fluor pursuant to the foregoing provisions, or otherwise, Fluor has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Fluor of expenses incurred or paid by a director, officer or controlling person of Fluor in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, Fluor will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
