Our annual report on Form 10-K for the fiscal year ended September 30, 2002 contains our consolidated financial statements for fiscal year 2001 and 2000, which were audited by Arthur Andersen LLP ("Andersen"), and Andersen's report dated November 16, 2001 ("Andersen's Report") with respect to those consolidated financial statements. After making reasonable efforts, we have been unable to obtain Andersen's consent to incorporate into this registration statement Andersen's Report. Under these circumstances, Rule 437(a) under the Securities Act permits us to file this registration statement without such consent. The absence of such consent means that investors will not be able to assert any claims they may have against Andersen under Section 11 of the Securities Act relating to the consolidated financial statements covered by Andersen's Report and incorporated by reference into this registration statement.

ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

The validity of the shares of Common Stock covered by this registration statement will be passed upon for us by Brendan P. Bovaird, Vice President and General Counsel of UGI Corporation. As of May 1, 2003, Mr. Bovaird held 34,524 shares of Common Stock, 31,500 performance-contingent phantom shares of Common Stock and exercisable options to purchase 80,250 shares of Common Stock.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 1741 of the Pennsylvania Business Corporation Law of 1988 provides that a business corporation may indemnify directors and officers against any threatened, pending or completed action or proceeding, provided that the person in question acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. Section 1742 provides, however, that a business corporation may indemnify its directors and officers only against expenses (including attorneys' fees) if the action or proceeding is by or in the right of the corporation. In addition, Section 1742 states that indemnification shall not be made if the person has been adjudged to be liable to the corporation unless it is judicially determined that, despite the adjudication of liability but in view of all of the circumstances of the case, the person is fairly and reasonably entitled to indemnification for certain expenses. Section 1743 requires a corporation to indemnify its directors and officers against expenses they may incur in defending actions against them in such capacities if they are successful on the merits or otherwise in the defense of such actions.

Section 1713 of the Business Corporation Law permits the shareholders to adopt a bylaw provision relieving a director (but not an officer) of personal liability for monetary damages except where (i) the director has breached the applicable standard of care, and (ii) such conduct constitutes self-dealing,

Edgar Filing: UGI CORP /PA/ - Form S-8

willful misconduct or recklessness. This section also provides that a director may not be relieved of liability for the payment of taxes pursuant to any federal, state or

3

local law or of responsibility under a criminal statute. Section 4.01 of our Bylaws limits the liability of any director to the fullest extent permitted by Section 1713 of the Business Corporation Law.

Section 1746 of the Business Corporation Law grants a corporation broad authority to indemnify its directors, officers and other agents for liabilities and expenses incurred in such capacity, except in circumstances where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness. Article VII of our Bylaws provides for indemnification of directors, officers and other agents to the extent otherwise permitted by Section 1741 of the Business Corporation Law and pursuant to the authority of Section 1746 of the Business Corporation Law.

Article VII of our Bylaws provides, except as expressly prohibited by law, an unconditional right to indemnification for expenses and any liability paid or incurred by any of our directors or officers, or any other person designated by the Board of Directors as an indemnified representative, in connection with any actual or threatened claim, action, suit or proceeding (including derivative suits) in which he or she may be involved by reason of being or having been our director, officer, employee or agent, or at our request, of another corporation, partnership, joint venture, trust, employee benefit plan or other entity. The Bylaws specifically authorize indemnification against both judgments and amounts paid in settlement of derivative suits. Section 1742 of the Business Corporation Law only authorizes indemnification of expenses incurred in defending a derivative action. Article VII of the Bylaws also allows indemnification for punitive damages and liabilities incurred under federal securities laws.

Unlike the provisions of Business Corporation Law Sections 1741 and 1742, Article VII does not require us to determine the availability of indemnification by the procedures or the standard of conduct specified in Sections 1741 and 1742 of the Business Corporation Law. A person who has incurred an indemnifiable expense or liability has a right to be indemnified independent of any procedures or determinations that otherwise would be required, and that right is enforceable against us as long as indemnification is not prohibited by law. To the extent indemnification is permitted only for a portion of a liability, the Bylaw provisions require us to indemnify such portion. If the indemnification provided for in Article VII is unavailable for any reason in respect of any liability or portion thereof, the Bylaws require us to make a contribution toward the liability. Indemnification rights under the Bylaws do not depend upon the approval of any future Board of Directors.

Section 7.04 of our Bylaws authorizes us to further effect or secure our indemnification obligations by entering into indemnification agreements, maintaining insurance, creating a trust fund, granting a security interest in its assets or property, establishing a letter of credit or using any other means that may be available from time to time.

Section 5.01(c) of our Bylaws limits the personal liability of our officers to us to the same extent that directors are relieved of such liabilities pursuant to Section 4.01 of the Bylaws, with the exception that the limitation of the liability of officers applies only to liabilities arising out of

derivative claims by shareholders asserting a right of ours and not to liabilities arising out of third party claims.

ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED.

ITEM 9. UNDERTAKINGS

The undersigned registrant hereby undertakes:

(a) (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a) (3) of the Securities Act of 1933, as amended;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities

offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of Prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

PROVIDED, HOWEVER, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
