**Item 1.01 Entry Into a Material Definitive Agreement.**

Effective June 13, 2005, InfraSource Services, Inc. (the Company ) entered into a Second Amendment and Waiver (the Amendment ) to its Amended and Restated Credit Agreement dated as of May 12, 2004 among the Company, InfraSource Incorporated, the several banks party thereto and LaSalle Bank, as syndication agent, and Barclays Bank PLC, as administrative agent (as so amended, the Credit Agreement ). The Amendment excludes the effect of an anticipated second quarter loss on an underground project from the Company s representations and warranties under the Credit Agreement through July 25, 2005. The Company will evaluate whether a further amendment to the Credit Agreement will be required prior to July 25, 2005. The Company paid the banks consenting to the Amendment a fee of 10 basis points of their respective commitments under the Credit Agreement.

**Item 8.01 Other Events.**

On June 16, 2005, the Company announced that it has undertaken a review of an underground construction project being performed by its subsidiary InfraSource Underground Services, Inc. The Company expects to incur a pre-tax loss of between \$6 and \$8 million on the project, which loss will be recognized in the second quarter of 2005, consistent with the Company s revenue recognition policy for contracts in a forecasted loss position. The Company also announced that it had amended its Credit Agreement as described above.

Certain statements contained in the above paragraph are forward-looking statements. These forward-looking statements are based upon our current expectations about future events. When used in this press release, the words believe, anticipate, intend, estimate, expect, will, should, may, and similar expressions, or the negative and expressions, are intended to identify forward-looking statements, although not all forward-looking statements contain such words or expressions. These forward-looking statements are based upon managements s current expectations, including current estimates and projections of future results or trends. These statements are subject to a number of risks and uncertainties affecting our business, including (1) the nature of our contracts, particularly our fixed-price contracts; (2) work hindrance due to inclement weather or other events; (3) the timing of the performance of our contracts; (4) project delays or cancellations; (5) the failure to meet schedule or performance requirements of our contracts; (6) close out of certain of our projects may or may not occur as anticipated or may be unfavorable to us; (7) the uncertainty of estimates made with respect to our contracts; (8) our ability to successfully negotiate an amendment of our credit agreement or other arrangements with our lenders if necessary on or prior to July 25, 2005; (9) our discovery of new information regarding the underground project referred to herein or other similar projects; and (10) other factors detailed from time to time in our reports and filings with the Securities and Exchange Commission. Except as required by law, we do not intend to update forward-looking statements even though our situation may change in the future.

A copy of the press release is attached as Exhibit 99.
