**Table of Contents****Item 1.01 Entry Into a Material Definitive Agreement.**

On November 2, 2005, the board of directors (the Board of Directors) of Maritrans Inc. (the Company) approved the Maritrans Inc. Annual Incentive Plan (the Plan). The Plan will be effective as of January 1, 2006. For tax purposes, the Plan will be submitted to the Company's stockholders for their approval. If that approval is not obtained, any grants made to Tier 1 Officers (as defined in the Plan) will be voided and no future grants will be made to such persons under the Plan. Such approval will not otherwise affect the Plan or grants to persons other than Tier 1 Officers. The following description of the Plan is qualified in its entirety by reference to the full text of the Plan, which is attached hereto as Exhibit 10.1 to this Form 8-K and is incorporated herein by reference.

The Plan will be administered by the compensation committee of the Board of Directors (the Compensation Committee), but may be amended or terminated by the Compensation Committee at any time. All of the employees of the Company, any successor corporation and each corporation which is a member of a controlled group of corporations (within the meaning of section 414(b) of the Internal Revenue Code of 1986, as amended) are eligible to participate in the Plan. The Compensation Committee will select the employees who will be eligible to participate in the Plan for each performance period. An employee will earn an award for a performance period based on the level of achievement of the performance goals established by the Compensation Committee for that period. The Compensation Committee will determine the amount of all annual awards to be granted under the Plan, which shall be a percentage of each participant's base salary. The Compensation Committee has not yet determined the specific performance criteria or amount of performance awards for 2006. Payments of awards under the Plan will generally be made in a single lump sum payment on or before March 15 of the year following the end of the performance period in which such award was earned. The maximum award payable under the Plan for any performance period may not exceed \$1,000,000.

On November 2, 2005, the Compensation Committee approved the following payments to our executive officers (a) incentive payments under the Company's Cash Long Term Incentive Plan (the LTIP) for the performance period ending December 31, 2005, and (b) discretionary bonuses to certain of our executive officers outside of the terms of the LTIP:
