**Item 2.02 Results of Operations and Financial Condition.**

On October 31, 2006, Maritrans Inc. issued a press release reporting its third quarter 2006 financial results. The press release is being furnished with this Current Report on Form 8-K as Exhibit 99.1 and is hereby incorporated herein by reference. This report (including the exhibit) shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be incorporated by reference in any filing made by the Registrant pursuant to the Securities Act of 1933, as amended, other than to the extent that such filing incorporates by reference any or all of such information by express reference thereto.

**Use of Non-GAAP Financial Information**

To supplement its financial statements prepared in accordance with GAAP, the Company's management uses the financial measure of Time Charter Equivalent ( TCE ), a commonly used industry measure where direct costs are deducted from revenue. Maritrans enters into various types of charters, some of which involve the customer paying substantially all voyage costs, while other types of charters involve Maritrans paying some or substantially all of the voyage costs. The Company has presented TCE in the press release to enhance an investor's overall understanding of the way management analyzes the Company's financial performance. Specifically, the Company's management used the presentation of TCE revenue to allow for a more meaningful comparison of the Company's financial condition and results of operations because TCE revenue essentially nets the voyage costs and voyage revenue to yield a measure that is comparable between periods regardless of the types of contracts utilized. These voyage costs are included in the Operations expense line item in the Unaudited Condensed Consolidated Financial Highlights. TCE revenue is a non-GAAP financial measure and a reconciliation of TCE revenue to revenue, the most directly comparable GAAP measure, is included in the press release. The presentation of this additional information is not meant to be considered in isolation or as a substitute for results prepared in accordance with GAAP.
