PROXY STATEMENT

This Proxy Statement (the "Proxy Statement") is being furnished to the stockholders of CommScope, Inc., a Delaware corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Stockholders (the "Annual Meeting") of the Company to be held on May 3, 2002 at 1:30 p.m., local time, at the JP MorganChase Bank, 270 Park Avenue - 11th Floor, New York, New York 10017, and any adjournment or postponement thereof.

At the Annual Meeting, stockholders will be asked to consider and vote upon the following proposals: Proposal One: To elect two Class II directors for terms ending at the 2005 Annual Meeting of Stockholders; Proposal Two: To approve an amendment and restatement of the Amended and Restated CommScope, Inc. 1997 Long-Term Incentive Plan to, among other things, increase the shares reserved for issuance thereunder by an additional 3 million shares; and Proposal Three: To ratify the appointment by the Board of Directors of the Company of Deloitte & Touche LLP as independent auditor for the Company for the 2002 fiscal year.

The Board of Directors of the Company recommends a vote FOR approval of each of the proposals.

The Board of Directors of the Company has fixed the close of business on March 22, 2002 (the "Annual Meeting Record Date") as the record date for determining the holders of outstanding shares of common stock, par value \$0.01 per share (the "Common Stock"), entitled to receive notice of, and to vote at, the Annual Meeting or any adjournment thereof. On that date, there were 61,717,159 shares of Common Stock issued and outstanding and entitled to vote at the Annual Meeting, each entitled to one vote on all matters to be acted upon. The Notice of Annual Meeting of Stockholders, this Proxy Statement and the form of proxy are first being mailed or sent electronically to each stockholder entitled to vote at the Annual Meeting on or about April 1, 2002.

On July 28, 1997, the Company became an independent public company when it was spun off (the "Spin-off") from its parent company, General Instrument Corporation (subsequently renamed General Semiconductor, Inc.).

VOTING AND REVOCATION OF PROXIES

VOTING

Only holders of record of shares of Common Stock as of the close of

Edgar Filing: COMMSCOPE INC - Form DEF 14A

business on the Annual Meeting Record Date will be entitled to notice of and to vote at the Annual Meeting or any adjournment thereof. The presence, either in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum at the Annual Meeting and to permit action to be taken by the stockholders at the Annual Meeting.

The affirmative vote of a plurality of the shares of Common Stock entitled to vote thereon, and present in person or represented by proxy, at the Annual Meeting is required to elect the directors nominated pursuant to Proposal One. The affirmative vote of a majority of the votes cast on Proposal

1

Two is required to approve such proposal, provided that the total votes cast on such proposal represents a majority of the shares entitled to vote thereon. The affirmative vote of a majority of the shares of Common Stock entitled to vote thereon, and present in person or represented by proxy, is required to approve Proposal Three.

For purposes of determining the number of votes cast with respect to any voting matter, only those cast "for" or "against" are included; abstentions and broker non-votes are excluded. For purposes of determining whether the affirmative vote of the holders of a majority of the shares entitled to vote on a proposal and present at the Annual Meeting has been obtained, abstentions will be included in, and broker non-votes will be excluded from, the number of shares present and entitled to vote. Accordingly, abstentions will have the effect of a vote "against" the matter (other than the election of directors) and broker non-votes will have the effect of reducing the number of affirmative votes required to achieve the majority vote.

All shares of Common Stock that are represented at the Annual Meeting by properly executed proxies received prior to or at the Annual Meeting and not revoked will be voted at the Annual Meeting in accordance with the instructions indicated in such proxies. If no instructions are indicated for a particular proposal on a proxy, such proxy will be voted in accordance with the Board of Directors' recommendations as set forth herein with respect to such proposal(s).

In the event that a quorum is not present at the time the Annual Meeting is convened, or if for any other reason the Company believes that additional time should be allowed for the solicitation of proxies, the stockholders entitled to vote at the Annual Meeting, present in person or represented by proxy, will have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting. If the Company proposes to adjourn the Annual Meeting by a vote of the stockholders, the persons named in the enclosed form of proxy will vote all shares of Common Stock for which they have voting authority in favor of such adjournment.

VOTING ELECTRONICALLY VIA THE INTERNET OR TELEPHONE

Stockholders whose shares are registered in the name of a bank or brokerage and who elected to receive the Company's 2001 Annual Report and this Proxy Statement over the Internet will be receiving an email on or about April 1, 2002 with information on how to access stockholder information and instructions for voting. If your shares are registered in the name of a participating bank or brokerage firm and you have not elected

Edgar Filing: COMMSCOPE INC - Form DEF 14A

to receive the Company's 2001 Annual Report and this Proxy Statement over the Internet, you may be eligible to vote your shares electronically over the Internet or by telephone. A number of banks and brokerage firms are participating in the ADP Shareholder Preference Database program. This program provides eligible stockholders who receive a paper copy of a company's annual report and proxy statement the opportunity to vote via the Internet or by telephone. If your bank or brokerage firm is participating in ADP's program, your voting form will provide instructions. If your voting form does not reference Internet or telephone information, please complete and return the paper proxy card in the self-addressed postage-paid envelope provided.

REVOCATION

Any stockholder who executes and returns a proxy may revoke it at any time prior to the voting of the proxies by giving written notice of revocation to the Secretary of the Company or by executing a later-dated proxy. In addition, voting by telephone, Internet or mail will not prevent you from voting in person at the Annual Meeting should you be present and wish to do so.

2

If any one or more of the nominees is unable to serve for any reason or withdraws from nomination, proxies will be voted for the substitute nominee or nominees, if any, proposed by the Board of Directors. COMPENSATION OF DIRECTORS

Employee directors do not receive additional compensation for serving on the Company's Board of Directors. Nonemployee directors receive an annual retainer of \$25,000, and committee chairmen receive an additional \$5,000 retainer. The nonemployee directors' remuneration is paid quarterly unless payment is deferred. In addition, each nonemployee director, upon initial election to the Board of Directors, receives 1,000 shares of Common Stock that vest immediately and is granted an option to purchase 20,000 shares of Common Stock at an exercise price per share equal to the fair market value on the date of grant, which option becomes exercisable with respect to one-third of the underlying shares on each of the first three anniversaries of the grant date. In February 2002, such awards were made to one nonemployee director upon initial election to the Board of Directors. If a director remains in office, a similar option is granted every three years. In February 2002, the Company made one such grant to one nonemployee director to purchase 20,000 shares of Common Stock.

6

The Amended and Restated CommScope 1997 Long-Term Incentive Plan (the "1997 LTIP") provides that nonemployee directors may be granted stock options under the 1997 LTIP in addition to the automatic grants described above. No such additional grants of stock options were made to nonemployee directors in 2001. However, in February 2002, the Company made four such additional grants of stock options to nonemployee directors to purchase an aggregate of approximately 20,000 shares of Common Stock.

The Compensation Committee also recommends the establishment of policies dealing with various compensation and employee benefit plans for the Company. The members of the Compensation Committee are the following nonemployee directors: Mr. Hutton, Chairman, and Mr. Faircloth. The Compensation Committee held 3 meetings in 2001.

EMPLOYMENT AGREEMENTS

In November 1988, Frank M. Drendel entered into an employment agreement (the "Agreement") with GI Delaware and CommScope NC, providing for his employment as President and Chief Executive Officer of CommScope NC for an initial term ending on November 28, 1991. The Agreement provides for a minimum salary, which is less than Mr. Drendel's current salary, and provides that Mr. Drendel will participate in any management incentive compensation plan for executive officers that CommScope NC maintains. Commencing on November 29, 1989, subject to early termination by reason of death or disability or for cause (as defined in the Agreement), the Agreement extends automatically so that the remaining term is always two years, unless either party gives notice of termination, in which case the Agreement will terminate two years from the date of such notice. As of the date of this Proxy Statement,

10

neither party has given notice of termination. Pursuant to the Agreement, Mr. Drendel is eligible to participate in all benefit plans available to other CommScope NC senior executives. The Agreement prohibits Mr. Drendel, for a period of five years following the term of the Agreement, from engaging in any business in competition with the business of CommScope NC, in any country where CommScope NC then conducts business. Effective as of the Spin-off, GI Delaware ceased to be a party to the Agreement.

SEVERANCE PROTECTION AND SEPARATION AGREEMENTS

The Company has entered into severance protection agreements with its Chief Executive Officer and its other executive officers. These agreements continue in effect for a period of two years from January 1 of a given year and are automatically extended for one year on January 1 of each year unless notification is given to either the Company or the executive, except

Edgar Filing: COMMSCOPE INC - Form DEF 14A

that the term may not expire prior to 24 months following a Change in Control (as defined in the agreement).

The agreements provide severance pay and other benefits in the event of a termination of employment within 24 months of a Change in Control of the Company if such termination is (i) by the Company for any reason other than for cause or disability or (ii) by the executive for Good Reason (as defined in the agreement). Such severance pay will be in an amount equal to two times the sum of the executive's base salary and the target annual bonus payable to the executive under the Company's annual incentive plan for the fiscal year immediately preceding the fiscal year of termination in the case of the Chief Executive Officer and one and one-half times such sum in the case of all other executive officers. In addition, the Company will pay the executive all accrued but unpaid compensation and a pro rata bonus (calculated up to the executive's termination date). The executive's benefits will be continued for either 24 months, in the case of the Chief Executive Officer, or 18 months in the case of all other executive officers (in each case, a "Continuation Period"). If, at the end of the Continuation Period, the executive is not employed by another employer (including self-employment), the executive will receive for up to six months, an amount equal to one-twelfth (1/12) of the sum of the executive's base amount and the executive's bonus amount. The executive will also receive limited reimbursement for outplacement, tax and financial planning assistance and reimbursement for relocation under certain circumstances. The severance pay and benefits provided for under the severance protection agreements shall be in lieu of any other severance pay to which the executive may be entitled under any other plan, agreement or arrangement of the Company or any of its affiliates. If the executive's employment is terminated without cause (i) within six months prior to a Change in Control or (ii) at any time prior to the date of a Change in Control but (A) at the request of a third party who has indicated an intention or taken steps reasonably calculated to effect a Change in Control and who effectuates a Change in Control or (B) otherwise in connection with, or in anticipation of, a threatened Change in Control which actually occurs, such termination shall be deemed to have occurred after the Change in Control.

If the executive's employment is terminated by the Company for cause or disability, by reason of the executive's death or by the executive other than for Good Reason, the Company shall pay to the executive his accrued compensation. In addition, in the case of a termination by the Company for disability or due to the executive's death, the executive will receive a pro rata bonus in addition to accrued compensation.

The agreements provide for a gross-up payment by the Company in the event that the total payments the executive receives under the agreement or otherwise are subject to the excise tax under Section 4999 of the Internal Revenue Code of 1986, as amended. In such an event, the Company will pay an additional amount so that the executive is made whole on an after-tax basis from the effect of the excise tax.

OTHER CHANGE IN CONTROL ARRANGEMENTS

Following is a brief description of the change in control provisions included in each of the Company's employee compensation plans and arrangements.

ANNUAL INCENTIVE PLAN. The CommScope, Inc. Annual Incentive Plan (the "Annual Incentive Plan") is the Company's annual cash bonus incentive plan for the Chief Executive Officer and certain other key employees. In the

Edgar Filing: COMMSCOPE INC - Form DEF 14A

event of a change in control of the Company (as defined in the Annual Incentive Plan), within 60 days thereafter, the Company will pay to each participant in the Annual Incentive Plan immediately prior to such change in control (regardless of whether such participant remains in the employ of the Company following the change in control) a pro rata portion of his or her bonus award assuming that all performance percentages are 100%.

DEFERRED COMPENSATION PLAN. The CommScope, Inc. of North Carolina Deferred Compensation Plan (the "Deferred Compensation Plan") allows a select group of management or highly compensated employees to defer a percentage of compensation or a specified dollar amount each year up to 50% of base salary and 100% of any bonuses earned under the Company's annual management incentive plan for that year. Amounts deferred are payable in a lump sum or in annual installments pursuant to the terms of an irrevocable election made by the participant or earlier upon the occurrence of certain events, including specified terminations of the participant's employment.

Upon a change in control of the Company (as defined in the Deferred Compensation Plan), the Deferred Compensation Plan will terminate and each participant will be paid his or her entire deferred compensation account balance in a single lump sum.

1997 LTIP. The 1997 LTIP provides for the granting of stock options, restricted stock, performance units, performance shares and phantom stock to employees and officers of the Company and its subsidiaries and the granting of stock and stock options to the Company's nonemployee directors. The Compensation Committee selects those individuals to whom options and awards will be granted, and determines the type, size and other terms and conditions of such options and awards, including the vesting provisions and/or restrictions relating to such awards. Pursuant to the terms of the 1997 LTIP and subject to an optionee's rights under his or her option or award agreement, in the event of a change in control of the Company (as defined in the 1997 LTIP), all stock options granted pursuant to the 1997 LTIP will become immediately and fully exercisable.

SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN. The CommScope, Inc. Supplemental Executive Retirement Plan is an unfunded nonqualified plan maintained for the benefit of a select group of management and/or highly compensated employees of the Company and its subsidiaries that, in general, provides for retirement benefits payable over 5, 10 or 15 years (or, upon approval of the plan administrator and subject to forfeiture of a portion of the participant's account balance, in a lump sum) out of amounts credited to a participant's accounts and earnings credited thereon. Pursuant to the terms of that plan, in the event of a change in control (as defined therein), each participant who is employed by the Company immediately prior to that change in control will be eligible to receive the full value of his or her account balance in a single lump sum following his or her termination other than for cause occurring within 2 years after the date of such change in control.

COMPENSATION COMMITTEE REPORT ON COMPENSATION OF EXECUTIVE OFFICERS

The Compensation Committee of the Board of Directors is comprised entirely of nonemployee directors. The Compensation Committee considers and recommends to the Board of Directors the base salary to be paid to the Chief Executive Officer, determines the base salary for all other executive

Edgar Filing: COMMSCOPE INC - Form DEF 14A

officers, makes recommendations to the Board of Directors with respect to the Company's overall compensation policies, administers and grants awards under the 1997 LTIP and administers the Annual Incentive Plan with respect to executive officers and performs such duties as the Board of Directors may from time to time request.

In establishing and administering the Company's compensation policies and programs, the Compensation Committee considered the compensation plans and arrangements of a peer group of companies with which the Company competes for customers and executive talent, including the levels of individual compensation for similarly situated executives of the peer group, as well as factors specifically relevant to the Company. The basic objective of the Compensation Committee is to formulate compensation policies and programs intended to attract, retain, and motivate highly qualified key employees, including executive officers. Compensation of executive officers and other key employees, including the Chief Executive Officer, is comprised of three principal elements: (i) stock ownership, (ii) base salary and (iii) annual bonus.

STOCK OWNERSHIP

The Compensation Committee believes that executive officers and other significant employees, who are in a position to make a substantial contribution to the long-term success of the Company and to build stockholder value, should have a significant stake in the Company's on-going success. This focuses attention on managing the Company as an owner with an equity position in the business and seeks to align these employees' interests with the long-term interests of stockholders. Accordingly, one of the Company's principal methods to motivate executive officers and other significant employees is through a broad and deep stock option program.

Ordinarily the Company has awarded options annually under the 1997 LTIP in December of a given year. However, in December 2001, the Company did not award any options under the 1997 LTIP because the Company was considering changing the timing of option grants from an annual basis to a different basis and evaluating the impact of a recent acquisition on its stock option plans. In February, 2002, the Company awarded options under the 1997 LTIP to purchase an aggregate of approximately 177,000 shares of Common Stock to the executive officers named in the Summary Compensation Table other than the Chief Executive Officer whose grant is described below. Such option awards were consistent with those that would have been made in December of 2001. The exercise price of each of these options as of the date of grant was the closing market price per share of Common Stock on the date of grant.

Management recommends to the Compensation Committee those executive officers and other significant employees to whom options should be granted and the number of options to be granted to them. The recommendations are based on a review of each employee's individual performance, position and level of responsibility in the Company, long-term potential contribution to the Company and the number of options previously granted to the employee. Neither management nor the Compensation Committee assigned specific weights to these factors, although the executive's position and a subjective evaluation of his performance were considered most important. Generally, the number of options granted to an executive reflects his or her level of responsibility and position in the Company. To encourage key

Edgar Filing: COMMSCOPE INC - Form DEF 14A

employees to remain in the employ of the Company, options generally vest and become exercisable over a three- or four-year period and normally are not exercisable until one year after the date of grant.

BASE SALARY

The Compensation Committee believes that it is important to pay reasonable and competitive salaries. Salaries paid to executive officers are based on the Chief Executive Officer's recommendations to the Compensation Committee, which is responsible for reviewing and approving or disapproving those recommendations. Generally, an executive's base salary reflects his level of responsibility and position in the Company.

During 2001, each of the executive officers named in the Summary Compensation Table received base salary increases. These increases were based upon each officer's individual services rendered, level and scope of responsibility and experience. Also taken into account was the relationship of the compensation of such officers to the compensation of officers occupying comparable positions in other organizations.

ANNUAL INCENTIVE BONUS

The Annual Incentive Plan is intended to provide a means of annually rewarding certain key employees, including the executives listed in the Summary Compensation Table, based on the performance of the Company. In addition, awards for each officer (other than the Chief Executive Officer) may be adjusted based on the officer's achievement of a personal performance percentage. This approach allows management to focus on key business objectives in the short-term, and to support the long-term performance orientation of stock ownership. Under the Annual Incentive Plan, in 2001 management recommended, and the Compensation Committee established, for each executive officer a bonus target percentage of that officer's salary. That percentage was based on the officer's position in the Company and was the percentage of the officer's salary that would be paid if the performance targets were met. The target award percentage for executive officers named in the Summary Compensation Table (other than the Chief Executive Officer) for 2001 ranged from 35% to 60%. The target award percentage for the Chief Executive Officer was 75%. Because the Company's performance target for 2001 basic earnings per share was not achieved, in 2001 no target awards were paid with respect to performance in 2001 (see "Summary Compensation Table - Bonus").

SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN

Effective January 1, 2001, the Company amended and restated the terms and conditions of the CommScope, Inc. of North Carolina Supplemental Executive Retirement Plan to change the plan from a defined benefit type plan to a defined contribution plan. The amendment and restatement does not apply with respect to participants who were retired as of December 31, 2000. The amended and restated plan is named the CommScope, Inc. Supplemental Executive Retirement Plan and provides for retirement benefits payable over 5, 10 or 15 years (or, upon approval of the plan administrator and subject to forfeiture of a portion of the participant's account balance, in a lump sum) out of amounts credited to a participant's special and regular accounts and earnings at a rate of 7% per year (or other rate that may be established by the plan administrator).

CHIEF EXECUTIVE OFFICER COMPENSATION

Frank M. Drendel has served as Chairman and Chief Executive Officer of the Company since July 1997. In 2001, the Compensation Committee

Edgar Filing: COMMSCOPE INC - Form DEF 14A

recommended and the Board of Directors of the Company approved the increase of Mr. Drendel's annual salary rate from \$528,000 to \$555,000, effective March 1, 2001, and the increase of his target bonus percentage under the Annual Incentive Plan

14

from 65% to 75%. The Compensation Committee recommended and on February 21, 2002, Mr. Drendel was granted an option to purchase 155,000 shares of Common Stock with a per share exercise price of \$16.20, the closing market price of the Common Stock on the date of the grant. The increase in Mr. Drendel's salary and target bonus percentage was determined based on factors such as the Company's overall performance, Mr. Drendel's individual performance, and the compensation of similarly situated executives at comparable corporations.

COMPLIANCE WITH INTERNAL REVENUE CODE SECTION 162(M)

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), which was enacted in 1993, generally disallows a federal income tax deduction to any publicly held corporation for compensation paid in excess of \$1 million in any taxable year to the chief executive officer or any of the four other most highly compensated executive officers who are employed by the Company on the last day of the taxable year. Section 162(m), however, does not disallow a federal income tax deduction for qualified "performance-based compensation," the material terms of which are disclosed to and approved by stockholders.

The Compensation Committee has considered the tax deductibility of compensation awarded under the 1997 LTIP and the Annual Incentive Plan in light of Section 162(m). The Company structured and intends to administer the stock option, performance unit and performance share portions of the 1997 LTIP with the intention that the resulting compensation payable thereafter qualify as "performance-based compensation" and be deductible. The Company has structured the Annual Incentive Plan with the intention that awards payable thereafter to the Chief Executive Officer qualify as "performance-based" compensation and, if so qualified, be deductible. No executive officer's compensation in 2001 was non-deductible by reason of the application of Section 162(m) and it is not expected that any executive officer's compensation will be non-deductible in 2002 by reason of the application of Section 162(m).

Respectfully submitted,

pursuant to an Audit Committee Charter that is reviewed annually by the Audit Committee and updated as appropriate. A copy of the Audit Committee Charter is included as Annex A to this Proxy Statement.

PROPOSAL TWO: APPROVAL OF THE AMENDMENT AND RESTATEMENT OF THE AMENDED AND RESTATED COMMSCOPE, INC. 1997 LONG- TERM INCENTIVE PLAN

GENERAL

The CommScope, Inc. 1997 Long-Term Incentive Plan was approved by the Company's Board of Directors and GI Delaware, as sole stockholder of the Company, prior to the Spin-off. The Board of Directors of the Company approved an amendment and restatement of this plan, the Amended and Restated CommScope, Inc. 1997 Long-Term Incentive Plan (the "1997 LTIP"), on February 12, 1998. Stockholders of the Company approved the 1997 LTIP at the Annual Meeting on May 1, 1998 and subsequently approved an amendment to the 1997 LTIP at the 2000 Annual Meeting. The Board of Directors of the Company approved the amendment and restatement of the 1997 LTIP (the "2002 Amendment and Restatement") on March 21, 2002, subject to stockholder approval at the 2002 Annual Meeting. The 2002 Amendment and Restatement, among other things, increases the number of shares of Common Stock available for future grants of Awards under the plan by 3 million shares (the "Additional Shares"). As of March 22, 2002, only approximately 895,000 shares of Common Stock were available

19

for future grant. The Company believes that it is in the best interests of the Company to increase the maximum number of shares that may be made subject to Awards under the 1997 LTIP in order (i) to continue to attract and retain key employees and (ii) to provide additional incentive and reward opportunities to current employees to encourage them to enhance the profitable growth of the Company.

The 1997 LTIP provides for the granting of stock options, restricted stock, performance units, performance shares, and phantom stock to employees of the Company and its Subsidiaries and the granting of stock options and stock awards to certain nonemployee directors (collectively or individually, "Awards").

The Company now submits the 2002 Amendment and Restatement for stockholder approval. If such stockholder approval is not obtained, no Awards will be granted in respect of Additional Shares.

The principal provisions of the 1997 LTIP, as amended and restated, are summarized below. This summary, however, does not purport to be complete and is qualified in its entirety by the terms of the 1997 LTIP, as amended and restated, included as Appendix B to this Proxy Statement. All capitalized terms used below and not defined herein have the meaning set forth in the 1997 LTIP, unless otherwise indicated.

PURPOSE OF THE 1997 LTIP

The Company's Board of Directors believes that Awards will provide a means by which employees and directors of the Company and its Subsidiaries

Edgar Filing: COMMSCOPE INC - Form DEF 14A

can acquire and maintain stock ownership, thereby strengthening their commitment to the success of the Company and its Subsidiaries and their desire to remain employed by the Company and its Subsidiaries, focusing their attention on managing the Company as equity owners, and aligning their interest with those of the Company's stockholders. The 1997 LTIP is also intended to attract and retain employees and to provide those employees with additional incentive and reward opportunities designed to encourage them to enhance the profitable growth of the Company and its Subsidiaries.

DESCRIPTION OF THE 1997 LTIP

The 1997 LTIP must be administered by a committee (the "Committee") consisting of at least two directors of the Company who are "nonemployee directors" within the meaning of Rule 16b-3 promulgated under Section 16(b) of the Exchange Act, and to the extent necessary for any Award intended to qualify as "performance-based compensation" for purposes of Section 162(m) of the Code to so qualify, each member of the Committee must be an "outside director" within the meaning of Section 162(m). If one or more members of the Committee is not a "non-employee director" within the meaning of Rule 16(b)-3 and an "outside director" within the meaning of Section 162(m) but recuses himself or herself or abstains from voting with respect to a particular action taken by the Committee, then the Committee, with respect to that action, shall be deemed to consist only of the members of the Committee who have not recused themselves or abstained from voting. The 1997 LTIP is currently administered by the Compensation Committee. Except to the extent necessary for any Award intended to qualify as performance-based compensation to so qualify, the authority of the Committee may be exercised by the full Board or, with respect to Awards to be granted to participants who are not subject to Section 16 of the Exchange Act, by a committee, consisting of at least one director, appointed by the Board. The Committee will (i) select those employees to whom Awards will be granted, and (ii) determine the type, size and the terms and conditions of Awards, including the per share purchase price of restricted stock and Options, and the restrictions or performance criteria relating to restricted stock, phantom stock, performance units and performance shares. The Committee will also construe and interpret the 1997

20

LTIP. The Committee will have the authority to cancel outstanding Awards and make adjustments to outstanding Awards with the consent of the Grantee and to accelerate the exercisability of Awards or to waive the restrictions and conditions applicable to Awards. However, except in the case of a Change in Capitalization, the exercise price of outstanding Options may not be decreased and Awards may not be cancelled or forfeited and re-granted to effect the same result.

The maximum number of shares of Common Stock that may be made the subject of Awards granted under the 1997 LTIP is 9,600,000 million (in addition to the Substitute and Spin-off Options that, as described below, were issued pursuant to the 1997 LTIP in connection with the Spin-off); provided, however, that in the aggregate, not more than 200,000 shares of Common Stock may be made the subject of Awards other than Options. The maximum number of Shares with respect to which Options (other than Substitute and Spin-off Options) and Awards may be granted to any individual in any three calendar year period is 750,000. The maximum dollar amount of cash or the Fair Market Value of shares of Common Stock that may be granted to any individual in any calendar year with respect to Performance Units denominated in dollars may not exceed \$1 million. In the

Edgar Filing: COMMSCOPE INC - Form DEF 14A

event of a Change in Capitalization, however, the Committee may adjust the maximum number and class of shares which are subject to outstanding Awards and the purchase price therefor. In addition, if any Award (including the Substitute and Spin-off Options) is canceled or expires or terminates or is settled in cash (including the settlement of tax withholding obligations using shares of Common Stock) without having been exercised, the shares of Common Stock subject to that Award again become available for granting under the 1997 LTIP. If any Option is exercised by tendering shares of Common Stock, either actually or by attestation, to the Company as full or partial payment of the exercise price, the maximum number of Shares available under the 1997 LTIP will be increased by the number of shares so tendered.

ELIGIBILITY

Any of the Company's and its Subsidiaries' approximately 3,100 employees and any of the Company's nonemployee directors are eligible to participate in the 1997 LTIP.

OPTIONS

Pursuant to the 1997 LTIP, the Committee will grant to each nonemployee director of the Company Nonqualified Stock Options to purchase 20,000 shares of Common Stock in connection with his or her initial election to the Board and an additional Option in respect of 20,000 shares of Common Stock on each third anniversary of each nonemployee director's first appointment to the Board, if such nonemployee director is still serving on the Board ("Formula Director Options"). The per share exercise price of the Formula Director Options is equal to 100% of the Fair Market Value on the Grant Date. Each Formula Director Option will have a ten year term and will become exercisable with respect to one-third of the underlying shares on each of the first, second and third anniversaries of the Grant Date. If a nonemployee director ceases to serve as a director of the Company for any reason, his or her Formula Director Options will be exercisable, during their remaining terms, to the extent that they were exercisable on the date the director ceased to serve as a director. The Committee may also make discretionary Nonqualified Stock Option grants to nonemployee directors to acquire unrestricted or restricted stock from time to time.

In addition, the Committee may grant Nonqualified Stock Options and Incentive Stock Options to any eligible employee of the Company or its Subsidiaries. The per share exercise price of the Options is fixed by the Committee when the Options are granted and must be at least, and in the case of Options granted to nonemployee directors will be, 100% of the Fair Market Value of the Common Stock on the Option Grant Date (110% in the case of an Incentive Stock Option granted to a 10% owner).

Each Option (other than Formula Director Options) will be exercisable at the times and in the installments determined by the Committee, commencing not earlier than the first anniversary of the Option Grant Date. All outstanding Options will become fully vested and exercisable upon a Change in Control. A "Change of Control" under the 1997 LTIP means, generally: (i) the acquisition by any Person of beneficial ownership of voting securities resulting in such Person beneficially owning 33% or more of the combined voting power of the Company's then outstanding voting securities; (ii) the individuals who, as of July 23, 1997, the date the

Edgar Filing: COMMSCOPE INC - Form DEF 14A

1997 LTIP was adopted, are members of the Board (the "Incumbent Board") cease for any reason to constitute at least two-thirds of the Board; or (iii) consummation of: (A) a merger, consolidation or reorganization involving the Company unless: (1) the stockholders of the Company, immediately before such merger, consolidation etc. own, following such merger, consolidation or reorganization at least a majority of the combined voting power of the outstanding voting securities of the corporation resulting from such merger, consolidation or reorganization in substantially the same proportion as before the merger, consolidation or reorganization; and (2) the members of the Incumbent Board immediately prior to the merger, consolidation or reorganization constitute at least a majority of the Board of the Surviving Corporation; and (3) no Person has beneficial ownership of 33% or more of the combined voting power of the Surviving Corporation's then outstanding voting securities; (B) a complete liquidation or dissolution of the Company; or (C) the disposition of all or substantially all of the assets of the Company.

In addition, the Committee reserves the authority to accelerate the exercisability of any Option (other than Formula Director Options). Each Option (other than Formula Director Options) terminates at the time determined by the Committee, except that the term of each Option may not exceed ten years (five years in the case of an Incentive Stock Option granted to a 10% owner). Options are not transferable by the Grantee except by will or the laws of descent and distribution or, other than in the case of an Incentive Stock Option, pursuant to a domestic relations order (within the meaning of Rule 16a-12 promulgated under the Exchange Act) and may be exercised during the Grantee's lifetime only by the Grantee or the Grantee's guardian or legal representative or, except as would cause an Incentive Stock Option to lose its status as such, by a bankruptcy trustee; provided, however, that the Committee may set forth in the Award Agreement evidencing an Award (other than an Incentive Stock Option) at the time of the grant or thereafter, that the Award may be transferred to members of the Grantee's immediate family, to trusts solely for the benefit of such immediate family members and to partnerships in which such family members and/or trusts are the only partners. In the discretion of the Committee, the purchase price for shares acquired pursuant to the exercise of an option may be paid (i) in cash, (ii) by transferring shares of unrestricted Common Stock to the Company, (iii) through simultaneous sale through a broker of shares of unrestricted stock acquired on exercise or (iv) by a combination of the foregoing.

RESTRICTED STOCK

The Committee will determine when each restricted stock Award is made, the terms of the restricted stock Award, including the price, if any, to be paid by the Grantee for the restricted stock, the restrictions placed on the shares and the time or times when the restrictions will lapse, provided, however, that, except in the case of shares of restricted stock issued in full or partial settlement of another Award or other earned compensation, or in the event of the Grantee's termination of employment, as determined by the Committee and set forth in an Award Agreement, such restrictions shall not lapse prior to the third anniversary of the Grant Date. In addition, when restricted stock is granted under the 1997 LTIP, the Committee may, in its discretion, decide: (i) whether dividends paid on the restricted stock will be remitted to the Grantee or deferred until the restrictions on the restricted stock Award lapse; (ii) whether any deferred dividends will be invested in additional shares of the Common Stock; (iii) whether interest will be accrued on any dividends not reinvested in additional shares of restricted stock; (iv) whether any stock dividends paid on the restricted stock Award will be subject to the restrictions applicable to the

restricted stock Award; and (v) whether, and to what extent, the restrictions on the restricted stock shall lapse upon a Change in Control.

PERFORMANCE UNITS AND PERFORMANCE SHARES

The Committee may grant performance units or performance shares to any eligible individual. Before the grant of any performance unit or performance share, the Committee will (i) designate a Measuring Period, of not less than one year nor more than five years, for the measurement of the extent to which performance goals are attained; (ii) determine performance goals applicable to such grant; and (iii) assign a Performance Percentage to each level of attainment of performance goals during the Measuring Period. The performance goals applicable to performance units or performance shares shall, in the discretion of the Committee, be based on earnings per share, operating income, return on equity or assets, cash flow, EBITDA or any combination of the foregoing. Such performance goals may be absolute or relative (to prior performance or to the performance of one or more other entities or external indices) and may be expressed in terms of a progression within a specified range. At the time of grant or at any time thereafter, in either case to the extent permitted under Section 162(m) of the Code and the regulations thereunder without adversely affecting the treatment of the performance unit or performance share as Performance-Based Compensation, the Committee may provide for the manner in which performance will be measured against the performance goals (or may adjust the performance goals) to reflect the impact of specified corporate transactions, special charges, foreign currency effects, accounting or tax law changes and other extraordinary or nonrecurring events. Prior to the vesting, payment, settlement or lapsing of any restrictions with respect to any performance unit or performance share that is intended to constitute Performance-Based Compensation made to a Grantee who is subject to Section 162(m) of the Code, the Committee shall certify in writing that the applicable performance goals have been satisfied. The agreements evidencing Awards of performance units and performance shares will set forth the terms and conditions of Awards, including those applicable in the event of the Grantee's Termination of Employment or a Change of Control. Performance units may be denominated in dollars or in shares of Common Stock, and payments in respect of vested performance units will be made in cash, shares of Common Stock or any combination of the foregoing, as determined by the Committee. Performance shares are initially denominated in shares of Common Stock, but the Committee may ultimately settle performance share Awards in cash, shares of Common Stock or a combination thereof, at its discretion.

PHANTOM STOCK

The Committee may grant phantom stock to any eligible employee, subject to the terms and conditions established by the Committee. Upon the vesting of a phantom stock Award, the Grantee will be entitled to receive a cash payment in respect of each share of phantom stock equal to the Fair Market Value of a share of Common Stock as of the date the phantom stock Award was granted or such other date as determined by the Committee when the phantom stock Award was granted. The Committee may, when a phantom stock Award is granted, provide a limitation on the amount payable in respect of each share of phantom stock.

TANDEM AWARDS

The 1997 LTIP provides that the Committee may grant any Award in

Edgar Filing: COMMSCOPE INC - Form DEF 14A

tandem with another Award. Unless otherwise provided by the Committee, upon the exercise, payment or forfeiture of one tandem Award, the related tandem Award will be canceled to the extent of the number of shares as to which the tandem Award is so exercised, paid or forfeited.

23

AMENDMENT AND TERMINATION

The 1997 LTIP will terminate on July 23, 2007, the tenth anniversary of its adoption. However, the Board of Directors may sooner terminate or amend the 1997 LTIP at any time without stockholder approval, except where stockholder approval is required to retain the favorable tax treatment of Incentive Stock Options under the Code, to qualify the shares offered under the 1997 LTIP for listing on any securities exchange, or to permit transactions pursuant to the plan to be exempt from potential liability under Section 16(b) of the 1934 Act. The termination of the 1997 LTIP will not affect then outstanding Awards.

SUBSTITUTE OPTIONS AND SPIN-OFF OPTIONS

On August 1, 1997, Substitute Options were issued under the 1997 LTIP to officers, key employees and certain nonemployee directors of the Company and Spin-off Options were issued to certain former directors of General Instrument Corporation to replace options awarded under the General Instrument Corporation 1993 Long-Term Incentive Plan. The terms and conditions of each Substitute and Spin-off Option issued under the 1997 LTIP, including, without limitation, the time or times when, and the manner in which, each shall be exercisable, the duration of the exercise period, the permitted method of exercise, settlement and payment, and the rules that shall apply in the event of termination of employment, were the same as those of the surrendered award it replaced.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES RELATING TO AWARDS UNDER THE 1997 LTIP

Incentive Stock Option ("ISO"). In general, a Grantee will not recognize taxable income upon the grant or exercise of an ISO, and the Company and its Subsidiaries will not be entitled to any business expense deduction with respect to the grant or exercise of an ISO. (However, upon the exercise of an ISO, the excess of the Fair Market Value on the date of exercise of the shares received over the exercise price of the option will be treated as an adjustment to alternative minimum taxable income.) In order for the exercise of an ISO to qualify as an ISO, a Grantee generally must be an employee of the Company or a subsidiary (within the meaning of Section 422 of the Code) from the date the ISO is granted through the date three months before the date of exercise (one year preceding the date of exercise in the case of an Grantee whose employment is terminated due to disability). The employment requirement does not apply where a Grantee's employment is terminated due to his or her death.

If a Grantee has held the shares acquired upon exercise of an ISO for at least two years after the date of grant and for at least one year after the date of exercise, when the Grantee disposes of the shares, the difference, if any, between the sales price of the shares and the exercise price of the option will be treated as long-term capital gain or loss subject to reduced rates of tax, provided that any gain will be subject to further reduced rates of tax if shares are held for more than eighteen months after the date of exercise. If a Grantee disposes of the shares prior to satisfying these holding period requirements (a "Disqualifying

Edgar Filing: COMMSCOPE INC - Form DEF 14A

Disposition"), the Grantee will recognize ordinary income (treated as compensation) at the time of the Disqualifying Disposition, generally in an amount equal to the excess of the Fair Market Value of the shares at the time the option was exercised over the exercise price of the option. The balance of the gain realized, if any, will generally be capital gain. If the Grantee sells the shares in a Disqualifying Disposition at a price below the Fair Market Value of the shares at the time the option was exercised, the amount of ordinary income (treated as compensation) will be limited to the amount realized on the sale over the exercise price of the option. In general, if the Company and its Subsidiaries comply with applicable income reporting requirements, the Company and its Subsidiaries will be allowed a business expense deduction to the extent a Grantee recognizes ordinary income.

24

Nonqualified Stock Option. In general, a Grantee who receives a Nonqualified Stock Option will recognize no income at the time of the grant of the option. In general, upon exercise of a Nonqualified Stock Option, a Grantee will recognize ordinary income (treated as compensation) in an amount equal to the excess of the Fair Market Value of the shares on the date of exercise over the exercise price of the option. The basis in shares acquired upon exercise of a Nonqualified Stock Option will equal the Fair Market Value of such shares at the time of exercise, and the holding period of the shares (for capital gain purposes) will begin on the date of exercise. In general, if the Company and its Subsidiaries comply with applicable income reporting requirements, they will be entitled to a business expense deduction in the same amount and at the same time as the Grantee recognizes ordinary income. In the event of a sale of the shares received upon the exercise of a Nonqualified Stock Option, any appreciation or depreciation after the exercise date generally will be taxed as capital gain or loss, provided that any gain will be subject to reduced rates of tax if the shares were held for more than twelve months. Special rules may apply with respect to persons who may be subject to Section 16(b) of the Exchange Act.

Excise Taxes. Under certain circumstances, the accelerated vesting or exercise of options in connection with a Change in Control might be deemed an "excess parachute payment" for purposes of the golden parachute tax provisions of Section 280G of the Code. To the extent it is so considered, a Grantee may be subject to a 20% excise tax and the Company and its Subsidiaries may be denied a tax deduction.

Section 162(m) of the Code generally disallows a federal income tax deduction to any publicly-held corporation for compensation paid in excess of \$1 million in any taxable year to the chief executive officer or any of the four other most highly compensated executive officers who are employed by the Company on the last day of the taxable year, but does not disallow a deduction for qualified "performance-based compensation," the material terms of which are disclosed to and approved by stockholders. The Company has structured the 1997 LTIP with the intention that compensation resulting from the exercise of Options, and from performance shares and performance units, qualify as "performance-based compensation" and, if so qualified, be deductible.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL TWO, THE AMENDMENT AND RESTATEMENT OF THE 1997 LTIP TO, AMONG OTHER THINGS, INCREASE THE SHARES RESERVED FOR ISSUANCE THEREUNDER BY AN ADDITIONAL 3 MILLION SHARES. PROXIES WILL BE VOTED "FOR" APPROVAL OF THE AMENDMENT AND

Edgar Filing: COMMSCOPE INC - Form DEF 14A

RESTATEMENT OF THE 1997 LTIP UNLESS OTHERWISE SPECIFIED IN THE PROXY.

25

2001 AND 2002 AWARDS MADE UNDER THE 1997 LTIP

Awards under the 1997 LTIP are made at the discretion of the Compensation Committee, and, accordingly, future awards under the 1997 LTIP are not yet determinable. The following table sets forth information concerning awards made under the 1997 LTIP during the year ended December 31, 2001 and in February and March of 2002. Such awards are not necessarily indicative of awards that may be made in the future.

(a) Except as indicated below in footnote (b), represents options granted under the 1997 LTIP during the year ended December 31, 2001 and in February and March of 2002. Ordinarily the Company has awarded options annually under the 1997 LTIP in December of a given year. However, in December 2001, the Company did not award any options under the 1997 LTIP because the Company was considering changing the timing of option grants from an annual basis to a different basis and evaluating the

Edgar Filing: COMMSCOPE INC - Form DEF 14A

impact of a recent acquisition on its stock option plans. In February 2002, the Company made option grants that were consistent with those that would have been made in December 2001.

26

(b) Includes an award of 1,000 shares of stock pursuant to the 1997 LTIP.

The per share closing price of the Common Stock on March 18, 2002, as reported on the New York Stock Exchange Composite Tape, was \$18.15.

PROPOSAL THREE: RATIFICATION OF APPOINTMENT OF AUDITOR

The Board of Directors, based on the recommendation of the Audit Committee, appointed the firm of Deloitte & Touche LLP as independent auditor to examine the books of account and other records of the Company and its consolidated subsidiaries for the 2002 fiscal year. The Board of Directors is asking the stockholders to ratify and approve this action. Deloitte & Touche LLP has been the Company's independent auditor since July 1997. Representatives of the auditing firm will be present at the Annual Meeting and will be afforded the opportunity, if they so desire, to make a statement or respond to appropriate questions that may come before the Annual Meeting.

Although such ratification is not required by law, the Board of Directors believes that stockholders should be given the opportunity to express their views on the subject. While not binding on the Board of Directors, the failure of the stockholders to ratify the appointment of Deloitte & Touche LLP as the Company's independent auditor would be considered by the Board of Directors in determining whether to continue with the services of Deloitte & Touche LLP.

INDEPENDENT AUDITORS

AUDIT FEES

The aggregate fees and expenses billed by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates ("Deloitte") for professional services rendered for the audit of the Company's annual consolidated financial statements for the year ended December 31, 2001 and the reviews of the consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q for that year amounted to \$691,282.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

The aggregate fees and expenses billed by Deloitte for professional information technology services rendered to the Company relating to financial information systems design and implementation for the year ended December 31, 2001 amounted to \$183,818.

ALL OTHER FEES

The aggregate fees and expenses billed by Deloitte for professional services rendered to the Company relating to services other than those described above under "Audit Fees" and "Financial Information Systems Design and Implementation Fees" for the year ended December 31, 2001 amounted to \$1,290,237. This amount includes \$1,078,600 of tax-related fees and \$211,637 of audit-related fees.

Edgar Filing: COMMSCOPE INC - Form DEF 14A

The Audit Committee of the Company's Board of Directors has considered whether the provision of non-audit professional services rendered by Deloitte, as discussed above, is compatible with maintaining their independence.

27

STOCKHOLDER PROPOSALS FOR THE COMPANY'S 2003 ANNUAL MEETING

Stockholders who intend to present proposals at the 2003 Annual Meeting of Stockholders, and who wish to have such proposals included in the proxy statement for such meeting, must submit such proposals in writing by notice delivered or mailed by first-class United States mail, postage prepaid, to the Secretary, CommScope, Inc., 1100 CommScope Place, S.E., P.O. Box 339, Hickory, North Carolina 28602, and such notice must be received no later than November 30, 2002. Such proposals must meet the requirements set forth in the rules and regulations of the Commission in order to be eligible for inclusion in the Company's proxy statement for its 2003 Annual Meeting of Stockholders.

In addition, under the Company's By-laws, stockholders must comply with specified procedures to nominate directors or introduce an item of business at the Annual Meeting. Nominations or an item of business to be introduced at an annual meeting must be submitted in writing and received by the Company generally not less than 60 days nor more than 90 days in advance of an annual meeting. To be in proper written form, a stockholder's notice must contain the specific information required by the Company's By-laws. A copy of the Company's By-laws, which describes the advance notice procedures, can be obtained from the Secretary of the Company.

SOLICITATION OF PROXIES

Proxies will be solicited electronically, by mail, telephone, or other means of communication. Solicitation of proxies also may be made by directors, officers and regular employees of the Company. The Company has retained Morrow & Co., Inc. to assist in the solicitation of proxies from stockholders. Morrow & Co., Inc. will receive a fee of \$5,000 plus reimbursement of certain out-of-pocket expenses. The Company will reimburse brokerage firms, custodians, nominees and fiduciaries in accordance with the rules of the NYSE, for reasonable expenses incurred by them in forwarding materials to the beneficial owners of shares. The entire cost of solicitations will be borne by the Company.

OTHER MATTERS

The Company knows of no other matter to be brought before the Annual Meeting. If any other matter requiring a vote of the stockholders should come before the Annual Meeting, it is the intention of the persons named in the proxy to vote with respect to any such matter in accordance with their best judgment.

The Company will furnish, without charge, to each person whose proxy is being solicited upon written request, a copy of its Annual Report on Form 10-K for the fiscal year ended December 31, 2001, as filed with the Commission (excluding exhibits). Copies of any exhibits thereto also will be furnished upon the payment of a reasonable duplicating charge. Requests in writing for copies of any such materials should be directed to

4. Review and concur in the appointment, replacement, reassignment, or dismissal of the Internal Audit Manager.
5. Receive periodic written statements, at least annually, from the Independent Accountant regarding its independence and delineating all relationships between it and the Company, discuss such reports with the Independent Accountant, and if so determined by the Committee, recommend that the Board take appropriate action.
6. Become familiar with the accounting and reporting principles and practices applied by the Company in preparing its financial statements and discuss with the Independent Accountant and Management judgments about the quality, not just the acceptability, of the Company's accounting principles, to include their clarity, consistency and completeness.
7. Review, at least annually, with Management and the Internal Audit Manager the adequacy and the scope of the annual internal audit plan, and any significant audit findings.
8. Review, prior to the annual audit, the scope and general extent of the Independent Accountant's audit examinations.
9. Review with Management and the Independent Accountant, upon completion of their audit, financial statements for the year prior to their filing with the Securities and Exchange Commission. Discuss with the Independent Accountant the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 89, relating to the conduct of the year-end audit.
10. Discuss, at least annually, with the Independent Accountant the quality of the Company's financial accounting personnel, and any relevant recommendations that the Independent Accountant may have.

Edgar Filing: COMMSCOPE INC - Form DEF 14A

11. Review, at least annually, with Management and the Independent Accountant any related party transactions of the Company which would be subject to disclosure in the Company's annual proxy statement pursuant to the rules of the Securities and Exchange Commission and any material off-balance sheet financings being used by the Company.
12. Report Committee actions to the Board of Directors with such recommendations, as the Committee may deem appropriate.
13. Prepare the audit committee report required by the rules of the Securities and Exchange Commission to be included in the Company's annual proxy statement, commencing with the proxy statement for the 2001 annual meeting.
14. Perform such other functions as may be required by law, the Company's Certificate of Incorporation or By-Laws of the Board.

1. Establishment, Purpose and Effective Date.

(a) Establishment. The Company hereby establishes the Amended and Restated CommScope, Inc. 1997 Long-Term Incentive Plan (as set forth herein and from time to time amended, the "Plan").

(b) Purpose. The primary purpose of the Plan is to provide a means by which key employees and directors of the Company and its Subsidiaries can acquire and maintain stock ownership, thereby strengthening their commitment to the success of the Company and its Subsidiaries and their desire to remain employed by the Company and its Subsidiaries, focusing their attention on managing the Company as an equity owner, and aligning their interests with those of the Company's stockholders. The Plan also is intended to attract and retain key employees and to provide such employees with additional incentive and reward opportunities designed to encourage them to enhance the profitable growth of the Company and its Subsidiaries.

(c) Effective Date. The Plan shall become effective upon its adoption by the Board.

2. Definitions.

As used in the Plan, terms defined parenthetically immediately after their use shall have the respective meanings provided by such definitions and the terms set forth below shall have the following meanings (such meanings to be equally applicable to both the singular and plural forms of the terms defined):

- (a) "Award" means Options, shares of restricted Stock, performance units, performance shares or Director's Shares granted under the Plan.
- (b) "Award Agreement" means the written agreement by which an Award is evidenced.
- (c) "Beneficial Owner," "Beneficially Owned" and "Beneficially Owning" shall have the meanings applicable under Rule 13d-3 promulgated under the 1934 Act.
- (d) "Board" means the board of directors of the Company.
- (e) "Change in Capitalization" means any increase or reduction in the number of shares of Stock, or any change in the shares of Stock or exchange of shares of Stock for a different number or kind of shares or other

Edgar Filing: COMMSCOPE INC - Form DEF 14A

securities by reason of a stock dividend, extraordinary dividend, stock split, reverse stock split, share combination, reclassification, recapitalization, merger, consolidation, spin-off, split-up, reorganization, issuance of warrants or rights, liquidation, exchange of shares, repurchase of shares, change in corporate structure, or similar event, of or by the Company.

(f) "Change of Control" means, any of the following:

B-1

(i) the acquisition by any Person of Beneficial Ownership of Voting Securities which, when added to the Voting Securities then Beneficially Owned by such Person, would result in such Person Beneficially Owning 33% or more of the combined Voting Power of the Company's then outstanding Voting Securities; provided, however, that for purposes of this paragraph (i), a Person shall not be deemed to have made an acquisition of Voting Securities if such Person: (1) acquires Voting Securities as a result of a stock split, stock dividend or other corporate restructuring in which all stockholders of the class of such Voting Securities are treated on a pro rata basis; (2) acquires the Voting Securities directly from the Company; (3) becomes the Beneficial Owner of 33% or more of the combined Voting Power of the Company's then outstanding Voting Securities solely as a result of the acquisition of Voting Securities by the Company or any Subsidiary which, by reducing the number of Voting Securities outstanding, increases the proportional number of shares Beneficially Owned by such Person, provided that if (x) a Person would own at least such percentage as a result of the acquisition by the Company or any Subsidiary and (y) after such acquisition by the Company or any Subsidiary, such Person acquires Voting Securities, then an acquisition of Voting Securities shall have occurred; (4) is the Company or any corporation or other Person of which a majority of its voting power or its equity securities or equity interest is owned directly or indirectly by the Company (a "Controlled Entity"); or (5) acquires Voting Securities in connection with a "Non-Control Transaction" (as defined in paragraph (iii) below); or

(ii) the individuals who, as of the Effective Date, are members of the Board (the "Incumbent Board") cease for any reason to constitute at least two-thirds of the Board; provided, however, that if either the election of any new director or the nomination for election of any new director by the Company's stockholders was approved by a vote of at least two-thirds of the Incumbent Board prior to such election or nomination, such new director shall be considered as a member of the Incumbent Board; provided further, however, that no individual shall be considered a member of the Incumbent Board if such individual initially assumed office as a result of either an actual or threatened "Election Contest" (as described in Rule 14a-11 promulgated under the 1934 Act) or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board (a "Proxy Contest") including by reason of any agreement intended to avoid or settle any

3. Scope of the Plan.

(a) Number of Shares Available Under the Plan. The maximum number of shares of Stock that may be made the subject of Awards granted under the Plan is 9,600,000 plus the number of shares of Stock that are covered by Substitute Options and Spin-off Options (or the number and kind of shares of Stock or other securities to which such shares of Stock are adjusted upon a Change in Capitalization pursuant to Article 18); provided, however, that in the aggregate, not more than 200,000 shares of Stock may be made the subject of Awards other than Options. The maximum number of shares of

Edgar Filing: COMMSCOPE INC - Form DEF 14A

Stock that may be the subject of Options (other than Substitute Options and Spin-off Options) and Awards granted to any individual pursuant to the Plan in any three (3) calendar year period may not exceed 750,000. The maximum dollar amount of cash or the Fair Market Value of Stock that any individual may receive in any calendar year in respect of performance units denominated in dollars may not exceed \$1,000,000. The Company shall reserve for the purpose of the Plan, out of its authorized but unissued shares of Stock or out of shares held in the Company's treasury, or partly out of each, such number of shares as shall be determined by the Board. The Board shall have the authority to cause the Company to purchase from time to time shares of Stock to be held as treasury shares and used for or in connection with Awards. The issuance of Substitute Options and Spin-off Options shall not reduce the shares available for grants under the Plan or to a Grantee in any calendar year.

(b) Reduction in the Available Shares in Connection with Award Grants. Upon the grant of an Award, the number of shares of Stock available under Article 3(a) for the granting of further Awards shall be reduced as follows:

(i) Performance Units Denominated in Dollars. In connection with the granting of each performance unit denominated in dollars, the number of

B-6

shares of Stock available under Article 3(a) for the granting of further Awards shall be reduced by the quotient of (x) the dollar amount represented by the performance unit divided by (y) the Fair Market Value of a share of Stock on the date immediately preceding the Grant Date of the performance unit.

(ii) Other Awards. In connection with the granting of each Award, other than a performance unit denominated in dollars, the number of shares of Stock available under Article 3(a) for the granting of further Awards shall be reduced by a number of shares equal to the number of shares of Stock in respect of which the Award is granted or denominated; provided, however, that if any Award is exercised by tendering shares of Stock, either actually or by attestation, to the Company as full or partial payment of the exercise price, the maximum number of shares of Stock available under Section 3(a) shall be increased by the number of shares of Stock so tendered.

Notwithstanding the foregoing, where two or more Awards are granted with respect to the same shares of Stock, such shares shall be taken into account only once for purposes of this Article 3(b).

(c) Effect of the Expiration or Termination of Awards. If and to the extent an Option or Award (including a Substitute Option or a Spin-off Option) expires, terminates or is canceled, settled in cash (including the settlement of tax withholding obligations using shares of Stock) or forfeited for any reason without having been exercised in full (including, without limitation, a cancellation of an Option pursuant to Article 4(c)(vi)), the shares of Stock associated with the expired, terminated, canceled, settled or forfeited portion of the Award (to the extent the number of shares available for the granting of Awards was reduced pursuant to Article 3(b)) shall again become available for Awards under the Plan.

4. Administration.

Edgar Filing: COMMSCOPE INC - Form DEF 14A

(a) Committee Administration. The Plan shall be administered by the Committee, which shall consist of not less than two "non-employee directors" within the meaning of Rule 16b-3, and to the extent necessary for any Award intended to qualify as Performance-Based Compensation to so qualify, each member of the Committee shall be an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code. For purposes of the preceding sentence, if one or more members of the Committee is not a "non-employee director" within the meaning of Rule 16b-3 and an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code but recuses himself or herself or abstains from voting with respect to a particular action taken by the Committee, then the Committee, with respect to that action, shall be deemed to consist only of the members of the Committee who have not recused themselves or abstained from voting.

(b) Board Reservation and Delegation. Except to the extent necessary for any Award intended to qualify as Performance-Based Compensation to so qualify, the Board may, in

B-7

its discretion, reserve to itself or exercise any or all of the authority and responsibility of the Committee hereunder and may also delegate to another committee of the Board any or all of the authority and responsibility of the Committee with respect to Awards to Grantees who are not Section 16 Grantees at the time any such delegated authority or responsibility is exercised. Such other committee may consist of one or more directors who may, but need not be, officers or employees of the Company or of any of its Subsidiaries. To the extent that the Board has reserved to itself, or exercised the authority and responsibility of the Committee, or delegated the authority and responsibility of the Committee to such other committee, all references to the Committee in the Plan shall be to the Board or to such other committee.

(c) Committee Authority. The Committee shall have full and final authority, in its discretion, but subject to the express provisions of the Plan, as follows:

- (i) to grant Awards,
- (ii) to determine (A) when Awards may be granted, and (B) whether or not specific Awards shall be identified with other specific Awards, and if so, whether they shall be exercisable cumulatively with, or alternatively to, such other specific Awards,
- (iii) to issue Substitute Options and Spin-off Options,
- (iv) to interpret the Plan and to make all determinations necessary or advisable for the administration of the Plan,
- (v) to prescribe, amend, and rescind rules and regulations relating to the Plan, including, without limitation, rules with respect to the exercisability and nonforfeitability of Awards upon the Termination of Employment of a Grantee,
- (vi) to determine the terms and provisions of the Award Agreements, which need not be identical and, with the consent of the Grantee, to modify any such Award Agreement at any time,
- (vii) to cancel, with the consent of the Grantee,

Edgar Filing: COMMSCOPE INC - Form DEF 14A

outstanding Awards,

(viii) except with respect to Nonqualified Stock Options granted to nonemployee directors pursuant to Section 6(b)(ii)(A) hereof, to accelerate the exercisability of, and to accelerate or waive any or all of the restrictions and conditions applicable to, any Award,

(ix) to authorize any action of or make any determination by the Company as the Committee shall deem necessary or advisable for carrying out the purposes of the Plan, and

(x) to impose such additional conditions, restrictions, and limitations upon the grant, exercise or retention of Awards as the Committee may, before or

B-8

concurrently with the grant thereof, deem appropriate, including, without limitation, requiring simultaneous exercise of related identified Awards, and limiting the percentage of Awards which may from time to time be exercised by a Grantee.

Notwithstanding anything herein to the contrary, the exercise price of outstanding Options may not be decreased (except pursuant to Section 19 of the Plan) and Options may not be cancelled or forfeited and re-granted to effect the same result. Notwithstanding anything herein to the contrary, with respect to Grantees working outside the United States, the Committee may determine the terms and provisions of the Award Agreements and make such adjustments or modifications to Awards as are necessary and advisable to fulfill the purposes of the Plan.

(d) Committee Determinations Final. The determination of the Committee on all matters relating to the Plan or any Award Agreement shall be conclusive and final. No member of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Award.

5. Eligibility.

Awards may be granted to any employee of the Company or any of its Subsidiaries, and Nonqualified Stock Options may be granted to nonemployee directors of the Company pursuant to Article 6(b)(ii)(B). In selecting the individuals to whom Awards may be granted, as well as in determining the number of shares of Stock subject to, and the other terms and conditions applicable to, each Award, the Committee shall take into consideration such factors as it deems relevant in promoting the purposes of the Plan. In addition, Nonqualified Stock Options will be automatically granted to nonemployee directors of the Company, as set forth in Article 6(b)(ii)(A), and Director's Shares will be automatically issued to nonemployee directors of the Company pursuant to Article 6(g).

6. Conditions to Grants.

(a) General Conditions.

(i) The Grant Date of an Award shall be the date on

Edgar Filing: COMMSCOPE INC - Form DEF 14A

which the Committee grants the Award or such later date as specified in advance by the Committee.

(ii) The term of each Award (subject to Article 6(c) with respect to Incentive Stock Options) shall be a period of not more than ten years from the Grant Date and shall be subject to earlier termination as provided herein or in the applicable Award Agreement; provided, however, that the Committee may provide that an Option (other than an Incentive Stock Option) may, upon the death of the Grantee, be exercised for up to one year following the date of the

B-9

Grantee's death even if such period extends beyond ten years from the date the Option is granted.

(iii) A Grantee may, if otherwise eligible, be granted additional Awards in any combination.

(iv) The Committee may grant Awards with terms and conditions which differ among the Grantees thereof. To the extent not set forth in the Plan, the terms and conditions of each Award shall be set forth in an Award Agreement.

(b) Grant of Options and Option Price. The Committee may, in its discretion, and shall as provided in Article 6(b)(ii), grant Options as follows:

(i) Employee Options. Options to acquire unrestricted Stock or restricted Stock may be granted to any employee eligible under Article 5 to receive Awards. No later than the Grant Date of any Option, the Committee shall determine the Option Price which shall not be less than 100% of the Fair Market Value of the Stock on the Grant Date.

(ii) Nonemployee Director Options.

(A). Automatic Grants. Nonqualified Stock Options with respect to 20,000 shares of unrestricted Stock shall be granted to each nonemployee director of the Company upon his or her initial election to the Board and every three years thereafter on the anniversary of such nonemployee director's initial election to the Board as long as such nonemployee director is then still serving on the Board.

(B). Discretionary Grants. Nonqualified Stock Options to acquire unrestricted or restricted stock may be granted to nonemployee directors of the Company from time to time.

(C). Terms Applicable to all Nonemployee Director Options. Each Nonqualified Stock Option granted to a nonemployee director will be granted at an Option Price equal to 100% of the Fair Market Value of the Stock on the Grant Date, will become exercisable with respect to one-third of the underlying shares on each of the first, second and third

Edgar Filing: COMMSCOPE INC - Form DEF 14A

anniversaries of the Grant Date, and will have a term of ten years. If a nonemployee director ceases to serve as a director of the Company for any reason, any Nonqualified Stock Option granted to such nonemployee director shall be exercisable during its remaining term, to the extent that such Nonqualified Stock Option was exercisable on the date such nonemployee director ceased to be a director.

B-10

(c) Grant of Incentive Stock Options. At the time of the grant of any Option, the Committee may designate that such Option shall be an Incentive Stock Option. Any Option designated as an Incentive Stock Option:

(i) shall have an Option Price of (A) not less than 100% of the Fair Market Value of the Stock on the Grant Date or (B) in the case of a 10% Owner, not less than 110% of the Fair Market Value of the Stock on the Grant Date;

(ii) shall have a term of not more than ten years (five years, in the case of a 10% Owner) from the Grant Date, and shall be subject to earlier termination as provided herein or in the applicable Award Agreement;

(iii) shall, if, with respect to any grant, the aggregate Fair Market Value of Stock (determined on the Grant Date) of all Incentive Stock Options granted under the Plan and "incentive stock options" (within the meaning of Section 422 of the Internal Revenue Code) granted under any other stock option plan of the Grantee's employer or any parent or subsidiary thereof (in either case determined without regard to this Article 6(c)) are exercisable for the first time during any calendar year exceeds \$100,000, be treated as Nonqualified Stock Options. For purposes of the foregoing sentence, Incentive Stock Options shall be treated as Nonqualified Stock Options according to the order in which they were granted such that the most recently granted Incentive Stock Options are first treated as Nonqualified Stock Options.

(iv) shall be granted within ten years from the earlier of the date the Plan is adopted by the Board or the date the Plan is approved by the stockholders of the Company; and

(v) shall require the Grantee to notify the Committee of any disposition of any Stock issued pursuant to the exercise of the Incentive Stock Option under the circumstances described in Section 421(b) of the Internal Revenue Code (relating to certain disqualifying dispositions), within ten days of such disposition.

(d) Grant of Shares of Restricted Stock.

(i) The Committee may, in its discretion, grant shares of restricted Stock to any employee eligible under Article 5 to receive Awards.

Edgar Filing: COMMSCOPE INC - Form DEF 14A

(ii) Before the grant of any shares of restricted Stock, the Committee shall determine, in its discretion:

(A) whether the certificates for such shares shall be delivered to the Grantee or held (together with a stock power executed in blank by the Grantee) in escrow by the Secretary of the Company until such shares become nonforfeitable or are forfeited;

B-11

(B) the per share purchase price of such shares, which may be zero; provided, however, that the per share purchase price of all such shares (other than treasury shares) shall not be less than the Minimum Consideration for each such share;

(C) the restrictions applicable to such grant and the time or times upon which any applicable restrictions on the restricted Stock shall lapse; provided, however, that except in the case of shares of restricted Stock issued in full or partial settlement of another Award or other earned compensation, or in the event of the Grantee's termination of employment, as determined by the Committee and set forth in an Award Agreement, such restrictions shall not lapse prior to the third anniversary of the Grant Date of the restricted Stock; and

(D) whether the payment to the Grantee of dividends, or a specified portion thereof, declared or paid on such shares by the Company shall be deferred until the lapsing of the restrictions imposed upon such shares and shall be held by the Company for the account of the Grantee, whether such dividends shall be reinvested in additional shares of restricted Stock (to the extent shares are available under Article 3) subject to the same restrictions and other terms as apply to the shares with respect to which such dividends are issued or otherwise reinvested in Stock or held in escrow, whether interest will be credited to the account of the Grantee with respect to any dividends which are not reinvested in restricted or unrestricted Stock, and whether any Stock dividends issued with respect to the restricted Stock to be granted shall be treated as additional shares of restricted Stock.

(iii) Payment of the purchase price (if greater than zero) for shares of restricted Stock shall be made in full by the Grantee before the delivery of such shares and, in any event, no later than ten days after the Grant Date for such shares. Such payment may be made, as determined by the Committee in its discretion, in any one or any combination of the following:

(A) cash; or

(B) with the prior approval of the Committee, shares of restricted or unrestricted Stock owned by the

Edgar Filing: COMMSCOPE INC - Form DEF 14A

Grantee prior to such grant and valued at its Fair Market Value on the business day immediately preceding the date of payment;

provided, however, that, in the case of payment in shares of restricted or unrestricted Stock, if the purchase price for restricted Stock ("New Restricted Stock") is paid with shares of restricted Stock ("Old Restricted Stock"), the restrictions applicable to the New Restricted Stock shall be the same as if the Grantee had paid for the New Restricted Stock in cash unless, in the judgment of

B-12

the Committee, the Old Restricted Stock was subject to a greater risk of forfeiture, in which case a number of shares of New Restricted Stock equal to the number of shares of Old Restricted Stock tendered in payment for New Restricted Stock shall be subject to the same restrictions as the Old Restricted Stock, determined immediately before such payment.

(iv) The Committee may, but need not, provide that all or any portion of a Grantee's Award of restricted Stock shall be forfeited:

(A) except as otherwise specified in the Award Agreement, upon the Grantee's Termination of Employment within a specified time period after the Grant Date; or

(B) if the Company or the Grantee does not achieve specified performance goals within a specified time period after the Grant Date and before the Grantee's Termination of Employment; or

(C) upon failure to satisfy such other restrictions as the Committee may specify in the Award Agreement.

(v) If a share of restricted Stock is forfeited, then:

(A) the Grantee shall be deemed to have resold such share of restricted Stock to the Company at the lesser of (1) the purchase price paid by the Grantee (such purchase price shall be deemed to be zero dollars (\$0) if no purchase price was paid) or (2) the Fair Market Value of a share of Stock on the date of such forfeiture;

(B) the Company shall pay to the Grantee the amount determined under clause (A) of this sentence, if not zero, as soon as is administratively practicable, but in any case within 90 days after forfeiture; and

(C) such share of restricted Stock shall cease to be outstanding, and shall no longer confer on the Grantee thereof any rights as a stockholder of the Company, from and after the date of the Company's tender of the payment specified in clause (B) of this sentence, whether or not such tender is accepted by the

Edgar Filing: COMMSCOPE INC - Form DEF 14A

Grantee, or the date the restricted Stock is forfeited if no purchase price was paid for the restricted Stock.

(vi) Any share of restricted Stock shall bear an appropriate legend specifying that such share is non-transferable and subject to the restrictions set forth in the Plan and the Award Agreement. If any shares of restricted Stock become nonforfeitable, the Company shall cause certificates for such shares to be issued or reissued without such legend and delivered to the Grantee or, at the

B-13

request of the Grantee, shall cause such shares to be credited to a brokerage account specified by the Grantee.

(e) Grant of Performance Units and Performance Shares.

(i) The Committee may, in its discretion, grant performance units or performance shares to any employee eligible under Article 5 to receive Awards.

(ii) Before the grant of any performance unit or performance share, the Committee shall:

(A) designate a period, of not less than one year nor more than five years, for the measurement of the extent to which performance goals are attained (the "Measuring Period");

(B) determine performance goals applicable to such grant; provided, however, that the performance goals with respect to a Measuring Period shall be established in writing by the Committee by the earlier of (x) the date on which a quarter of the Measuring Period has elapsed or (y) the date which is ninety (90) days after the commencement of the Measuring Period, and in any event while the performance relating to the performance goals remain substantially uncertain; and

(C) assign a "Performance Percentage" to each level of attainment of performance goals during the Measuring Period, with the percentage applicable to minimum attainment being zero percent (0%) and the percentage applicable to optimum attainment to be determined by the Committee from time to time.

(iii) The performance goals applicable to performance units or performance shares shall, in the discretion of the Committee, be based on stock price, earnings per share, operating income, return on equity or assets, cash flow, EBITDA or any combination of the foregoing. Such performance goals may be absolute or relative (to prior performance or to the performance of one or more other entities or external indices) and may be expressed in terms of a progression within a specified range. At the time of the granting of performance units or performance shares, or at any time thereafter, in either case to the extent permitted under Section 162(m) of the Internal Revenue Code and the

Edgar Filing: COMMSCOPE INC - Form DEF 14A

regulations thereunder without adversely affecting the treatment of the performance unit or performance share as Performance-Based Compensation, the Committee may provide for the manner in which performance will be measured against the performance goals (or may adjust the performance goals) to reflect the impact of specified corporate transactions, special charges, foreign currency effects, accounting or tax law changes and other extraordinary or nonrecurring events.

B-14

(iv) Prior to the vesting, payment, settlement or lapsing of any restrictions with respect to any performance unit or performance share that is intended to constitute Performance-Based Compensation made to a Grantee who is subject to Section 162(m) of the Internal Revenue Code, the Committee shall certify in writing that the applicable performance goals have been satisfied.

(v) Unless otherwise expressly stated in the relevant Award Agreement, each performance unit and performance share granted under the Plan is intended to be Performance-Based Compensation and the Committee shall interpret and administer the applicable provisions of the Plan in a manner consistent therewith. Any provisions inconsistent with such treatment shall be inoperative and shall not adversely affect the treatment of performance units or performance shares granted hereunder as Performance-Based Compensation. The Committee shall not be entitled to exercise any discretion otherwise authorized hereunder with respect to such performance unit or performance share if the ability to exercise such discretion or the exercise of such discretion itself would cause the compensation attributable to such performance unit or performance share to fail to qualify as Performance-Based Compensation.

(f) Grant of Phantom Stock. The Committee may, in its discretion, grant shares of phantom stock to any employee who is eligible under Article 5 to receive Awards. Such phantom stock shall be subject to the terms and conditions established by the Committee and set forth in the applicable Award Agreement.

(g) Grant of Director's Shares. There shall be granted Director's Shares with respect to 1,000 shares of Stock to each nonemployee director of the Company upon his or her initial election to the Board. Director's Shares shall be fully vested and transferable upon issuance.

(h) Tandem Awards. The Committee may grant and identify any Award with any other Award granted under the Plan ("Tandem Award"), other than a Substitute Option or a Spin-off Option, on terms and conditions determined by the Committee.

7. Non-transferability.

Unless set forth in the applicable Award Agreement with respect to Awards other than Incentive Stock Options, no Award (other than an Award of restricted Stock) granted hereunder shall by its terms be assignable or transferable except by will or the laws of descent and distribution or, in the case of an Option other than an Incentive Stock Option, pursuant to a domestic relations order (within the meaning of Rule 16a-12 promulgated under the Exchange Act). An Option may be exercised during the lifetime of

Edgar Filing: COMMSCOPE INC - Form DEF 14A

a Grantee only by the Grantee or his or her guardian or legal representatives or, except as would cause an Incentive Stock Option to lose its status as such, by a bankruptcy trustee. Notwithstanding the foregoing, the Committee may set forth in the Award Agreement evidencing an Award (other than an Incentive Stock Option) at

B-15

the time of grant or thereafter, that the Award may be transferred to members of the Grantee's immediate family, to trusts solely for the benefit of such immediate family members and to partnerships in which such family members and/or trusts are the only partners, and for purposes of this Plan, a transferee of an Award shall be deemed to be the Grantee. For this purpose, immediate family means the Grantee's spouse, parents, children, stepchildren and grandchildren and the spouses of such parents, children, stepchildren and grandchildren. The terms of an Award shall be final, binding and conclusive upon the beneficiaries, executors, administrators, heirs and successors of the Grantee. Each share of restricted Stock shall be non-transferable until such share becomes nonforfeitable.

8. Exercise.

(a) Exercise of Options. Subject to Articles 4(c) (vii), 12 and 13 and such terms and conditions as the Committee may impose, each Option shall be exercisable in one or more installments commencing not earlier than the first anniversary of the Grant Date of such Option; provided, however, that all Options held by each Grantee shall become fully (100%) vested and exercisable upon the occurrence of a Change of Control regardless of whether the acceleration of the exercisability of such Options would cause such Options to lose their eligibility for treatment as Incentive Stock Options. Notwithstanding the foregoing, Options may not be exercised by a Grantee for such period of time following a hardship distribution to the Grantee, to the extent such exercise is prohibited under the applicable provisions of the Internal Revenue Code and any authority thereunder. Each Option shall be exercised by delivery to the Company of written notice of intent to purchase a specific number of shares of Stock subject to the Option. The Option Price of any shares of Stock as to which an Option shall be exercised shall be paid in full at the time of the exercise. Payment may be made, as determined by the Committee in its discretion with respect to Options granted to eligible employees and in all cases with respect to Options granted to nonemployee directors pursuant to Article 6(b) (ii), in any one or any combination of the following:

- (i) cash,
- (ii) shares of unrestricted Stock held by the Grantee for at least six months (or such lesser period as may be permitted by the Committee) prior to the exercise of the Option, and valued at its Fair Market Value on the last business day immediately preceding the date of exercise, or
- (iii) through simultaneous sale through a broker of shares of unrestricted Stock acquired on exercise, as permitted under Regulation T of the Federal Reserve Board.

Shares of unrestricted Stock acquired by a Grantee on exercise of an Option shall be delivered to the Grantee or, at the request of the Grantee, shall be credited directly to a brokerage account specified by the Grantee.

B-16

(b) Exercise of Performance Units.

(i) Subject to Articles 4(c)(vii), 12 and 13 and such terms and conditions as the Committee may impose, and unless otherwise provided in the applicable Award Agreement, if, with respect to any performance unit, the Committee has determined in accordance with Article 6(f)(iv) that the minimum performance goals have been achieved during the applicable Measuring Period, then such performance unit shall be deemed exercised on the date on which it first becomes exercisable.

(ii) The benefit for each performance unit exercised shall be an amount equal to the product of

(A) the Unit Value (as defined below), multiplied by

(B) the Performance Percentage attained during the Measuring Period for such performance unit.

(iii) The Unit Value shall be, as specified by the Committee,

(A) a dollar amount,

(B) an amount equal to the Fair Market Value of a share of Stock on the Grant Date,

(C) an amount equal to the Fair Market Value of a share of Stock on the exercise date of the performance unit, plus, if so provided in the Award Agreement, an amount ("Dividend Equivalent Amount") equal to the Fair Market Value of the number of shares of Stock that would have been purchased if each dividend paid on a share of Stock on or after the Grant Date and on or before the exercise date were invested in shares of Stock at a purchase price equal to its Fair Market Value on the respective dividend payment date, or

(D) an amount equal to the Fair Market Value of a share of Stock on the exercise date of the performance unit (plus, if so specified in the Award Agreement, a Dividend Equivalent Amount), reduced by the Fair Market Value of a share of Stock on the Grant Date of the performance unit.

(iv) The benefit upon the exercise of a performance unit shall be payable as soon as is administratively practicable (but in any event within 90 days) after the later of (A) the date the Grantee is deemed to exercise such performance unit, or (B) the date (or dates in the event of installment payments) as provided in the applicable Award Agreement. Such benefit shall be payable in cash, except that the Committee, with respect to any particular exercise, may, in

B-17

its discretion, pay benefits wholly or partly in Stock delivered to the Grantee or credited to a brokerage account specified by

Edgar Filing: COMMSCOPE INC - Form DEF 14A

the Grantee. The number of shares of Stock payable in lieu of cash shall be determined by valuing the Stock at its Fair Market Value on the business day next preceding the date such benefit is to be paid.

(c) Payment of Performance Shares. Subject to Articles 4(c)(vii), 12 and 13 and such terms and conditions as the Committee may impose, and unless otherwise provided in the applicable Award Agreement, if the Committee has determined in accordance with Article 6(f)(iv) that the minimum performance goals with respect to an Award of performance shares have been achieved during the applicable Measuring Period, then the Company shall pay to the Grantee of such Award (or, at the request of the Grantee, deliver to a brokerage account specified by the Grantee) shares of Stock equal in number to the product of the number of performance shares specified in the applicable Award Agreement multiplied by the Performance Percentage achieved during such Measuring Period, except to the extent that the Committee in its discretion determines that cash be paid in lieu of some or all of such shares of Stock. The amount of cash payable in lieu of a share of Stock shall be determined by valuing such share at its Fair Market Value on the business day next preceding the date such cash is to be paid. Payments pursuant to this Article 8(d) shall be made as soon as administratively practicable (but in any event within 90 days) after the end of the applicable Measuring Period. Any performance shares with respect to which the performance goals have not been achieved by the end of the applicable Measuring Period shall expire.

(d) Payment of Phantom Stock Awards. Upon the vesting of a phantom stock Award, the Grantee shall be entitled to receive a cash payment in respect of each share of phantom stock which shall be equal to the Fair Market Value of a share of Stock as of the date the phantom stock Award was granted, or such other date as determined by the Committee at the time the phantom stock Award was granted. The Committee may, at the time a phantom stock Award is granted, provide a limitation on the amount payable in respect of each share of phantom stock. In lieu of a cash payment, the Committee may settle phantom stock Awards with shares of Stock having a Fair Market Value equal to the cash payment to which the Grantee has become entitled.

(e) Exercise, Cancellation, Expiration or Forfeiture of Tandem Awards. Upon the exercise, cancellation, expiration, forfeiture or payment in respect of any Award which is identified with any Tandem Award pursuant to Article 6(i), the Tandem Award shall automatically terminate to the extent of the number of shares in respect of which the Award is so exercised, cancelled, expired, forfeited or paid, unless otherwise provided by the Committee at the time of grant of the Tandem Award or thereafter.

9. Spin-off and Substitute Options.

Spin-off Options and Substitute Options shall be issued under this Plan pursuant to and in accordance with the terms of the Benefits Agreement. Spin-off Options and Substitute Options

B-18

shall be governed by the terms of the Plan to the extent that the terms of the Plan do not conflict with the terms of the agreements evidencing the Spin-off Options and Substitute Options.

10. Effect of Certain Transactions.

Edgar Filing: COMMSCOPE INC - Form DEF 14A

With respect to any Award which relates to Stock, in the event of (i) the liquidation or dissolution of the Company or (ii) a merger or consolidation of the Company (a "Transaction"), the Plan and the Awards issued hereunder shall continue in effect in accordance with their respective terms, except that following a Transaction either (i) each outstanding Award shall be treated as provided for in the agreement entered into in connection with the Transaction (the "Transaction Agreement") or (ii) if not so provided in the Transaction Agreement, each Grantee shall be entitled to receive in respect of each share of Stock subject to any outstanding Awards, upon the vesting, payment or exercise of the Award (as the case may be), the same number and kind of stock, securities, cash, property, or other consideration that each holder of a share of Stock was entitled to receive in the Transaction in respect of a share of Stock.

11. Mandatory Withholding Taxes.

The Company shall have the right to deduct from any distribution of cash to any Grantee an amount equal to the federal, state and local income taxes and other amounts as may be required by law to be withheld (the "Withholding Taxes") with respect to any Award. If a Grantee is to experience a taxable event in connection with (i) the receipt of an Award, (ii) the receipt of shares pursuant to an Option exercise, (iii) the vesting or payment of another type of Award or (iv) any other event in connection with the Plan (a "Taxable Event"), the Grantee shall pay the Withholding Taxes to the Company prior to the issuance, or release from escrow, of such Award or shares or vesting or payment of such Award or occurrence of such event, as applicable. Payment of the applicable Withholding Taxes may be made, as determined by the Committee in its discretion, in any one or any combination of (i) cash, (ii) shares of restricted or unrestricted Stock owned by the Grantee prior to the Taxable Event and valued at its Fair Market Value on the business day immediately preceding the date of exercise, or (iii) by making a Tax Election (as described below). For purposes of this Article 11, the Committee may provide in the Award Agreement at the time of grant, or at any time thereafter, that the Grantee, in satisfaction of the obligation to pay Withholding Taxes to the Company, may elect to have withheld a portion of the shares then issuable to him or her having an aggregate Fair Market Value equal to the Withholding Taxes.

12. Termination of Employment.

The Award Agreement pertaining to each Award shall set forth the terms and conditions applicable to such Award upon a Termination of Employment of the Grantee by the Company, a Subsidiary or an operating division or unit, which, except for Options granted to nonemployee directors pursuant to Article 6(b)(ii), shall be as the Committee may, in its discretion, determine at the time the Award is granted or thereafter.

B-19

13. Securities Law Matters.

(a) If the Committee deems it necessary to comply with the Securities Act of 1933, the Committee may require a written investment intent representation by the Grantee and may require that a restrictive legend be affixed to certificates for shares of Stock.

(b) If, based upon the opinion of counsel for the Company, the Committee determines that the exercise or nonforfeitability of, or delivery

Edgar Filing: COMMSCOPE INC - Form DEF 14A

of benefits pursuant to, any Award would violate any applicable provision of (i) federal or state securities law, (ii) the listing requirements of any national securities exchange on which are listed any of the Company's equity securities or (iii) any other law or regulation, then the Committee may postpone any such exercise, nonforfeitability or delivery, as the case may be, but the Company shall use its best efforts, if applicable, to cause such exercise, nonforfeitability or delivery to comply with all such provisions at the earliest practicable date.

(c) Notwithstanding any provision of the Plan or any Award Agreement to the contrary, no shares of Stock shall be issued to any Grantee in respect of any Award prior to the time a registration statement under the Securities Act of 1933 is effective with respect to such shares.

14. No Funding Required.

Benefits payable under the Plan to any person shall be paid directly by the Company. The Company shall not be required to fund, or otherwise segregate assets to be used for payment of, benefits under the Plan.

15. No Employment Rights.

Neither the establishment of the Plan, nor the granting of any Award shall be construed to (a) give any Grantee the right to remain employed by the Company or any of its Subsidiaries or to any benefits not specifically provided by the Plan or (b) in any manner modify the right of the Company or any of its Subsidiaries to modify, amend, or terminate any of its employee benefit plans.

16. Rights as a Stockholder.

A Grantee shall not, by reason of any Award (other than restricted Stock), have any right as a stockholder of the Company with respect to the shares of Stock which may be deliverable upon exercise or payment of such Award until such shares have been delivered to him. Shares of restricted Stock held by a Grantee or held in escrow by the Secretary of the Company shall confer on the Grantee all rights of a stockholder of the Company, except as otherwise provided in the Plan.

B-20

17. Nature of Payments.

Any and all grants, payments of cash, or deliveries of shares of Stock hereunder shall constitute special incentive payments to the Grantee and shall not be taken into account in computing the amount of salary or compensation of the Grantee for the purposes of determining any pension, retirement, death or other benefits under (a) any pension, retirement, profit-sharing, bonus, life insurance or other employee benefit plan of the Company or any of its Subsidiaries or (b) any agreement between the Company or any Subsidiary, on the one hand, and the Grantee, on the other hand, except as such plan or agreement shall otherwise expressly provide.

18. Non-Uniform Determinations.

Neither the Committee's nor the Board's determinations under the Plan need be uniform and may be made by the Committee or the Board selectively among persons who receive, or are eligible to receive, Awards (whether or not such persons are similarly situated). Without limiting the generality of the foregoing, the Committee shall be entitled, among other things, to

Edgar Filing: COMMSCOPE INC - Form DEF 14A

make non-uniform and selective determinations, to enter into non-uniform and selective Award Agreements as to (a) the identity of the Grantees, (b) the terms and provisions of Awards, and (c) the treatment of Terminations of Employment.

19. Adjustments.

In the event of Change in Capitalization, the Committee shall, in its sole discretion, make equitable adjustment of

- (a) the aggregate number and class of shares of Stock or other stock or securities available under Article 3,
- (b) the number and class of shares of Stock or other stock or securities covered by an Award and to be covered by Options granted to nonemployee directors pursuant to Article 6(b)(ii),
- (c) the Option Price applicable to outstanding Options,
- (d) the terms of performance unit and performance share grants (to the extent permitted under Section 162(m)) of the Internal Revenue Code and the regulations thereunder without adversely affecting the treatment of the performance unit or performance share as Performance-Based Compensation,
- (e) the Fair Market Value of Stock to be used to determine the amount of the benefit payable upon exercise of performance units, performance shares or phantom stock,
- (f) the maximum number and class of shares of Stock or other securities with respect to which Awards may be granted to any individual in any three calendar year period, and

B-21

- (g) the number and class of shares of Stock or other securities with respect to which Director Shares are to be granted under Article 6(h).

20. Amendment of the Plan.

The Board may from time to time in its discretion amend or modify the Plan without the approval of the stockholders of the Company, except as such stockholder approval may be required (a) to retain Incentive Stock Option treatment under Section 422 of the Internal Revenue Code, (b) to permit transactions in Stock pursuant to the Plan to be exempt from potential liability under Section 16(b) of the 1934 Act or (c) under the listing requirements of any securities exchange on which any of the Company's equity securities are listed.

21. Termination of the Plan.

The Plan shall terminate on the tenth (10th) anniversary of the Effective Date or at such earlier time as the Board may determine. Any termination, whether in whole or in part, shall not affect any Award then outstanding under the Plan.

Edgar Filing: COMMSCOPE INC - Form DEF 14A

22. No Illegal Transactions.

The Plan and all Awards granted pursuant to it are subject to all laws and regulations of any governmental authority which may be applicable thereto; and notwithstanding any provision of the Plan or any Award, Grantees shall not be entitled to exercise Awards or receive the benefits thereof and the Company shall not be obligated to deliver any Stock or pay any benefits to a Grantee if such exercise, delivery, receipt or payment of benefits would constitute a violation by the Grantee or the Company of any provision of any such law or regulation or applicable court order.

23. Governing Law.

Except where preempted by federal law, the law of the State of Delaware shall be controlling in all matters relating to the Plan, without giving effect to the conflicts of law principles thereof.

24. Severability.

If all or any part of the Plan is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not serve to invalidate any portion of the Plan not declared to be unlawful or invalid. Any Article or part of an Article so declared to be unlawful or invalid shall, if possible, be construed in a manner which will give effect to the terms of such Article or part of an Article to the fullest extent possible while remaining lawful and valid.

B-22

25. Translations.

Any inconsistency between the terms of the Plan or any Award Agreement and the corresponding translation thereof into a language other than English shall be resolved by reference, solely, to the English language document.
