EL PASO CORPORATION ANNOUNCES SALE OF MID-CONTINENT AND NORTHERN LOUISIANA
MIDSTREAM ASSETS AND THE CLOSE OF THE SALE OF ENERPLUS GLOBAL ENERGY
MANAGEMENT COMPANY

HOUSTON, TEXAS, APRIL 24, 2003--El Paso Corporation (NYSE:EP) announced today that it executed an agreement to sell various Mid-Continent and Northern Louisiana midstream assets to Regency Gas Services LLC, an investment of Charlesbank Capital Partners, LLC, which is a private equity and real estate investment firm with more than \$2 billion of capital under management. The transaction, which is subject to customary closing conditions, is valued at approximately \$120 million and is expected to close by the end of the second quarter 2003.

El Paso also announced that on April 23 it closed the transaction on the sale of its interests in Enerplus Global Energy Management Company to Enerplus Resources Fund (NYSE:ERF, TSX:ERF.UN) for \$35 million.

These sales support El Paso's previously announced 2003 five-point business plan, which includes exiting non-core businesses quickly but prudently, and strengthening and simplifying the balance sheet while maximizing liquidity. El Paso now has either closed or has under contract non-core asset sales totaling approximately \$2.3 billion for 2003, or approximately 67 percent of its asset sales goal of \$3.4 billion for calendar year 2003.

El Paso Corporation is the leading provider of natural gas services and the largest pipeline company in North America. The company has core businesses in pipelines, production, midstream services, and power. El Paso Corporation, rich in assets and fully integrated across the natural gas value chain, is committed to developing new supplies and technologies to deliver energy. retention of a qualified CEO; the successful implementation of the 2003 operational and financial plan; the successful implementation of the settlement related to the Western Energy Crisis; material and adverse impacts from our proxy contest with Selim Zilkha/Oscar Wyatt; actions by the credit rating agencies; the successful close of financing transactions; our ability to successfully exit the energy trading business; our ability to divest of certain non-core assets; changes in commodity prices for oil, natural gas, and power; general economic and weather conditions in geographic regions or markets served by El Paso Corporation and its affiliates, or where operations of the company and its affiliates are located; the uncertainties associated with governmental regulation; political and currency risks associated with international operations of the company and its affiliates; inability to realize anticipated synergies and cost savings associated with restructurings and divestitures on a timely basis; difficulty in integration of the operations of previously acquired companies, competition, and other factors described in the company's (and its affiliates') Securities and Exchange Commission filings. While the company makes these statements and projections in good faith, neither the company nor its management can guarantee that anticipated future results will be achieved. Reference must be made to those filings for additional important factors that may affect actual results. The company assumes no obligation to publicly update or revise any forward-looking statements made herein or any other forward-looking statements made by the company, whether as a result of new information, future events, or otherwise.
