Advertising

Advertising fourth quarter revenue decreased by 3.7% to Ps.6,565.1 million compared with Ps.6,820.5 million in fourth quarter 2017. Fourth quarter decrease is explained by a substantial decrease in advertising sold to government entities. Full year advertising revenue increased by 2.1%.

We concluded the negotiation of the upfront for a total amount of Ps.16.4 billion, in line with that of the prior year.
Network Subscription Revenue

Fourth-quarter Network Subscription revenue increased by 9.3% to Ps.1,251.6 million compared to Ps.1,145.1 million in fourth-quarter 2017.

Full year Network Subscription revenue increased by 18.6%. The full year increase is mainly explained by the new offerings of our networks which now includes additional rights that resulted in higher overall price. This came into effect in the fourth quarter of 2017.

Licensing and Syndication

Fourth-quarter Licensing and Syndication revenue increased by 7.0% to Ps.2,826.1 million compared to Ps.2,640.2 million in fourth-quarter 2017. Fourth-quarter royalties from Univision reached U.S.\$88.0 million compared to U.S.\$78.8 million in the fourth-quarter 2017. Royalties in the fourth quarter were negatively affected by a one-time U.S.\$65.1 million revenue adjustment in Univision.

For the full year 2018 royalties from Univision reached U.S.\$383.6 million. The full year increase of 22.2% in royalties is mainly explained by the step up in the royalty rate, partially compensated by lower revenues of Univision, primarily due to the loss of the carriage of Univision networks by Dish.

World Cup

This year, Content sales benefited from the sublicensing of certain broadcast and digital rights of the 2018 Soccer World Cup in Mexico and other Latin American markets, by Ps.2,733.6 million.

Fourth quarter operating segment income for our Content segment increased by 3.0% to Ps.4,036.7 million compared with Ps.3,919.5 million in fourth quarter 2017; the margin was 37.9%.

Full-year operating segment income for our Content segment increased by 15.8% to Ps.14,855.1 million compared with Ps.12,825.3 million in 2017. The margin was 37.9%.

Fourth quarter sales decreased by 1.9% to Ps.5,461.9 million compared with Ps.5,568.9 million in fourth quarter 2017. During the quarter, Sky lost 198,617 video revenue generating units, or RGUs.

Full year sales decreased by 0.9% to Ps.22,002.2 million compared with Ps.22,196.6 million in 2017. The number of net video RGUs decreased by 365,486 during the year to 7,637,040 as of December 31, 2018. Sky ended the quarter with 159,027 video RGUs in Central America and the Dominican Republic.

The loss of video RGUs is mainly explained by the disconnections of some customers following our transmission of the World Cup in the second and third quarters. On the other hand, during 2018, Sky added 92 thousand broadband RGUs.

The following table sets forth the breakdown of RGUs per service type for Sky as of December 31, 2018 and 2017.

RGUs	2018	2017
Video	7,637,040	8,002,526
Broadband	91,841	-
Total RGUs	7,728,881	8,002,526

Fourth quarter operating segment income decreased by 4.7% to Ps.2,214.6 million compared with Ps.2,324.1 million in fourth quarter 2017, and the margin was 40.5%. The decrease in margin is explained by the launch of the bundle packages of Blue Telecomm and Sky.

Full year operating segment income decreased by 3.4% to Ps.9,767.3 million compared with Ps.10,106.6 million in 2017, and the margin was 44.4%.

Fourth quarter sales increased by 10.8% to Ps.9,517.7 million compared with Ps.8,592.9 million in fourth quarter 2017.

Full year sales increased by 9.6% to Ps.36,233.0 million compared with Ps.33,048.3 million in 2017.

Total revenue generating units or RGUs reached 11.8 million including the acquisition of part of the residential fiber-to-the-home business of Axtel. Quarterly organic growth was mainly driven by 229 thousand of voice net additions. Broadband net additions were 81 thousand and video net additions were 6 thousand, for total quarter organic net additions of approximately 316 thousand. Full year organic net additions were close to 1.2 million RGUs. The following table sets forth the breakdown of RGUs per service type for our Cable segment as of December 31, 2018 and 2017.

Grupo Televisa, S.A.B. FOURTH-QUARTER AND FULL YEAR 2018 RESULTS

Other
Businesses

Fourth quarter sales increased by 22.7% to Ps.2,598.0 million compared with Ps.2,118.1 million in fourth quarter 2017. The increase is mainly explained by higher revenues in our feature film distribution businesses, gaming and soccer.

Full year sales increased by 12.3% to Ps.8,635.5 million compared with Ps.7,688.3 million in 2017. The increase in revenues was mainly driven by performance in our film distribution, soccer and gaming businesses.

Fourth quarter operating segment income reached Ps.230.6 million compared with Ps.250.4 million in fourth quarter 2017.

Full year operating segment income increased by 43.5% to Ps.754.3 million compared with Ps.525.8 million in 2017, mainly reflecting a decrease in the loss of our publishing business and an increase in operating segment income of our gaming business.

Corporate Expense

Corporate expense decreased by Ps.136.3 million, or 5.9%, to Ps.2,154.7 million in 2018, from Ps.2,291.0 million in 2017. The decrease reflected primarily a lower share-based compensation expense.

Share-based compensation expense in 2018 and 2017 amounted to Ps.1,327.5 million and Ps.1,489.9 million, respectively, and was accounted for as corporate expense. Share-based compensation expense is measured at fair value at the time the equity benefits are conditionally sold to officers and employees and is recognized over the vesting period.

Other Income or Expense, Net

Other income or expense, net, changed by Ps.4,015.9 million, to other income, net, of Ps.1,562.3 million in 2018, from other expense, net, of Ps.2,453.6 million in 2017. This favorable change reflected primarily (i) a Ps.3,513.8 million pre-tax gain on disposition of our 19.9% stake in Imagina Media Audiovisual, S.L. ("Imagina"), a Spanish media group, which sale was closed in June 2018 as well as a decrease in non-recurrent severance expense and donations. These favorable variances were partially offset by an impairment adjustment in connection with trademarks in our publishing business.

During fourth quarter 2018, Televisa accounted for other expense, net, of Ps.1,089.0 million, equivalent to a non-recurring increase of Ps.656.5 million from third quarter 2018. Approximately two-thirds of the quarterly increase are non-cash and originated from the impairment of certain trademarks in our publishing business and from the disposition of obsolete infrastructure in our Cable segment, as a result of the ongoing upgrades to our network. The balance of the increase is primarily explained by a one-time payment of certain taxes by Sky in Central America and by certain costs associated to the Axtel acquisition.

Non-operating Results

Finance Expense, Net

The following table sets forth the finance (expense) income, net, stated in millions of Mexican pesos for the years ended December 31, 2018 and 2017.

	2018	2017	(Increase) decrease
Interest expense	(9,707.3)	(9,245.7)	(461.6)
Interest income	1,567.1	1,481.4	85.7
Foreign exchange gain, net	220.1	768.9	(548.8)
Other finance (expense) income, net	(859.6)	903.2	(1,762.8)
Finance expense, net	(8,779.7)	(6,092.2)	(2,687.5)

Finance expense, net, increased by Ps.2,687.5 million, or 44.1%, to Ps.8,779.7 million in 2018, from Ps.6,092.2 million in 2017.

This increase reflected:

- (i) an unfavorable change of Ps.1,762.8 million in other finance income or expense, net, resulting primarily from a net loss in fair value of our derivative contracts;
 - a Ps.548.8 million decrease in foreign exchange gain, net, resulting primarily from a 0.2% appreciation of the Mexican peso against the U.S. dollar in 2018, in comparison with a 4.5% appreciation in 2017, on a higher average net U.S. dollar liability position; and
- (ii) a Ps.461.6 million increase in interest expense, primarily due to the interest rate applicable to our average Mexican peso debt position, as well as an average annual depreciation of the Mexican peso against the U.S. dollar in connection with our U.S. dollar debt position, which effect was partially offset by a lower average principal amount of debt, finance lease obligations and other notes payable during 2018.

These unfavorable variances were partially offset by a Ps.85.7 million increase in interest income, explained primarily by an increase in applicable interest rates during 2018.

Share of Income of Associates and Joint Ventures, Net

Share of income of associates and joint ventures, net, decreased by Ps.1,380.4 million, or 72.1%, to Ps.532.9 million in 2018, from Ps.1,913.3 million in 2017. This decrease reflected mainly (i) the absence of share of income of Imagina, which investment we sold in June 2018; and (ii) a lower share of income of Univision Holdings, Inc. or UHI, the controlling company of Univision Communications Inc., resulting from both a decrease in UHI's income before income taxes, and the absence of a non-recurring tax benefit recognized by UHI in 2017.

Income Taxes

Income taxes increased by Ps.352.6 million, or 8.7%, to Ps.4,390.5 million in 2018, compared with Ps.4,037.9 million in 2017. This increase reflected a higher tax base, which was partially offset by a lower taxable inflationary gain resulting from the annual inflationary adjustment applied to the net monetary liability position of the Company and a 4.8% inflation in 2018, compared with a 6.8% inflation in 2017.

Net Income Attributable to Non-controlling Interests

Net income attributable to non-controlling interests decreased by Ps.447.1 million, or 21.8%, to Ps.1,605.9 million in 2018, compared with Ps.2,053.0 million in 2017. This decrease reflected primarily a lower portion of net income attributable to non-controlling interests in our Cable and Sky segments.

Other Relevant Information

Capital Expenditures

During 2018, we invested approximately U.S.\$969.9 million in property, plant and equipment as capital expenditures. These capital expenditures included approximately U.S.\$665.5 million for our Cable segment, U.S.\$209.6 million for our Sky segment, and U.S.\$94.8 million for our Content and Other Businesses segments.

On December 17, 2018, we acquired from Axtel, S.A.B. de C.V. its residential fiber-to-the-home business and related assets in Mexico City, Zapopan, Monterrey, Aguascalientes, San Luis Potosí and Ciudad Juarez. The total cash value of the transaction amounted to Ps.4,713 million.

Not all of our shares are in the form of CPOs. The number of CPO equivalents is calculated by dividing the number of shares outstanding by 117.

As of December 31, 2018 and 2017, the GDS (Global Depository Shares) equivalents outstanding amounted to 578.3 million and 585.2 million, respectively. The number of GDS equivalents is calculated by dividing the number of CPO equivalents by five.

Concessions Renewal

Televisa renewed its concession titles for the broadcast television signals known as Las Estrellas, Canal 5, Canal 9, Foro TV and other local television stations, for a term of 20 years after the existing expiration dates. For this renewal, Televisa paid Ps.5,753 million in November 2018.

Restructuring Progress and Conclusions

During the fourth quarter we concluded an extensive review to determine if we should launch a separate public entity for one or more of our core operations – Content, Cable or Sky. We analyzed the financial, tax, and strategic implications, with a focus on total shareholder value.

As a result of this analysis and with the help of our advisors, we have concluded that, under current circumstances, a partial or complete separation of our core Content, Cable or Sky assets would not create shareholder value and could reduce our competitive position in the longer term. While we will continue to evaluate our competitive position in the industry, and our continued performance and results, we expect to maintain our strategic direction focused on maximizing financial performance in our Content and Sky operations, while searching for growth opportunities by continuing our investment and acquisition strategy in Cable.
