Section 1--Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On August 25, 2004, Shoe Carnival, Inc. (the "Company") granted to W. Kerry Jackson, the Chief Financial Officer of the Company, an option to purchase 10,000 shares of the Company's Common Stock (the "Option") pursuant to the Company's 2000 Stock Option and Incentive Plan (the "2000 Plan"). The grant of the Option was made in connection with the promotion of Mr. Jackson from Senior Vice President, Chief Financial Officer and Treasurer to Executive Vice President, Chief Financial Officer and Treasurer.

The Option will become exercisable one-third on August 25, 2005, one-third on August 25, 2006 and one-third on August 25, 2007. The exercise price of the Option is \$12.14 per share. The Option will expire on August 24, 2014, subject to earlier termination in certain circumstances. The Option consists of an incentive stock option to purchase 6,352 shares of the Company's Common Stock and a non-qualified stock option to purchase 3,648 shares of the Company's Common Stock.

The Option was granted pursuant to the Company's 2000 Plan. Reference is made to the full text of the 2000 Plan, as amended and restated, as set forth as Appendix B to the Company's Definitive Proxy Statement for its 2004 Annual Meeting of Shareholders, filed with the Securities and Exchange Commission on May 5, 2004, for additional and more detailed terms of the Option. As of the date of grant of the Option, the Company and Mr. Jackson entered into a Notice of Grant of Stock Options and Option Agreement with respect to the incentive stock option portion of the Option and a Notice of Grant of Stock Options and Option Agreement with respect to the non-qualified stock option portion of the Option. Reference is made to the forms of Notice of Grant of Stock Options and Option Agreement which provide additional information regarding the terms of the Option, and which are attached hereto as Exhibit 10-A and Exhibit 10-B, respectively, and incorporated herein by reference.

Section 2--Financial Information

Item 2.05 Costs Associated with Exit or Disposal Activities.

Management continually evaluates individual store performance with greater attention addressed to under performing stores. If the performance of a store is deemed by management to be unacceptable and unlikely to improve

to an acceptable level, management will work with the landlord to determine if a financially reasonable exit strategy can be negotiated. Under this strategy, the Company has negotiated to close two under performing stores with the landlord terminating the lease. On August 17, 2004, management committed to close one store and subsequently closed the store on August 28, 2004. On August 27, 2004, management committed to close a second store, which is expected to close in the Company's fourth quarter. The charges to close the stores will be incurred in the Company's third quarter. The expected closing expenses and cash outlay for both stores combined are as follows:

2

Lease Termination	\$ 160,000	\$ 160,000

An impairment charge of \$226,000 on the store's fixed assets is expected to be incurred in the Company's third quarter.
