**Global Industries Chairman Announces Trading Plan**

CARLYSS, LOUISIANA (June 5, 2006) - **Global Industries, Ltd.** (Nasdaq: **GLBL**) announced today that its founder and Chairman of the Board, William J. Dore', has entered into a trading plan with Raymond James Financial pursuant to Rule 10b5-1 of the Exchange Act under which he has authorized the sale of up to a maximum of six million of his 27.6 million common shares of Global Industries, Ltd. The Company's stock price must reach a minimum of \$21.00 per share for any of Mr. Dore's shares to be sold.

Under this trading plan, Mr. Dore' may sell up to two million shares at \$21.00 per share, up to two million shares at \$23.00 per share, and up to two million shares at \$25.00 per share. Sales under the plan may begin on July 25, 2006. The plan is effective until the maximum number of shares are sold or July 25, 2008, whichever comes first. The plan also provides that the maximum number of shares sold in any calendar month may not exceed the number of shares allowed under Rule 144 of the Securities Act.

William J. Dore', Chairman and Chief Executive Officer, stated: "I am optimistic about Global's future. My decision to sell a small portion of my shares is a personal one. My commitment to and confidence in Global Industries has not changed."

The common stock sales will occur from time to time in accordance with the trading plan and will be conducted under the direction of Raymond James. Mr. Dore' will report the sales as appropriate in filings with the Securities and Exchange Commission as required by law. Either Mr. Dore' or the Dore' family trusts currently own or control approximately 27.6 million shares of common stock, representing approximately 23.8% of the shares outstanding.

Global Industries provides pipeline construction, platform installation and removal, diving services, and other marine support to the oil and gas industry in the Gulf of Mexico, West Africa, Asia Pacific, the Mediterranean, Middle East/India, South America, and Mexico's Bay of Campeche. The Company's shares are traded on the Nasdaq National Market System under the symbol "GLBL."

This press release may contain forward-looking information based on current information and expectations of the Company that involve a number of risks, uncertainties, and assumptions. Among the factors that could cause the actual results to differ materially are industry conditions, prices of crude oil and natural gas, the Company's ability to obtain and the timing of new projects, and changes in competitive factors. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual outcomes could vary materially from those indicated.
