EXPLANATORY NOTE:

This Amendment Number 2 to Schedule 13D is filed by the undersigned to amend and supplement the Schedule 13D filed on June 27, 2005 (the

Edgar Filing: EARTHSHELL CORP - Form SC 13D/A

"Original 13D"), as amended by Amendment Number 1 to Schedule 13D filed on June 30, 2005, relating to the common stock of EarthShell Corporation (the Original 13D and Amendment Number 1 to Schedule 13D are referred to collectively herein as the "Original 13D, as amended"). The changes in the numbers of shares and percentage of outstanding shares pertain to the purchase by TSCP Machinery & Processing Group, LLC of shares of Series D Convertible Preferred Stock of EarthShell Corporation, and warrants to purchase common stock of EarthShell Corporation. This Amendment Number 2 amends and restates Items 3,4, 5, 6 and 7 of the Original 13D, as amended. All other Items presented in the Original 13D, as amended, remain unchanged.

The Reporting Persons are making this single, joint filing because they may be deemed to be a "group" Section 13(d)(3) of the Act. The agreement among the Reporting Persons to file jointly (the "Joint Filing Agreement") is attached to the Original 13D, as amended, as Exhibit 5. All capitalized terms used but not defined herein shall have the definitions assigned to them in the Original 13D, as amended.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

Upon closing of the Merger Agreement, the Company will acquire ownership of the Target and the Stockholder will acquire an aggregate of 8,000,000 shares of a series of the Company's preferred stock, designated Series C Convertible Preferred Stock (the "Convertible Preferred Stock" or the "Series C Preferred Stock") that is convertible into the Common Stock on a share-for-share basis (subject to adjustment). The Reporting Persons have committed \$12,000,000 of capital to the Stockholder, of which \$6,000,000 had been invested in the Target, and an additional \$6,000,000 was invested in the Target within 30 days of the date of the Merger Agreement. The source of this \$12,000,000 was capital provided by limited partners of the Fund pursuant to capital calls.

On June 22, 2006, the Holding Company entered into a Securities Purchase Agreement among the Company, the Holding Company and the Edward W. Williams Revocable Trust, a trust formed under the laws of Missouri (the "Securities Purchase Agreement"). On June 22, 2006, the Holding Company closed the transactions contemplated therein and acquired 51,282 shares of a new series of preferred stock, designated Series D Convertible Preferred Stock of the Company (the "Series D Preferred Stock") that is convertible into the Common Stock on a share-for-share basis (subject to adjustment), as well as a warrant to purchase 222,222 shares of Common Stock (the "Warrant"). The Holding Company paid \$200,000 to the Company for the consummation of the transactions contemplated under the Securities Purchase Agreement.

9

The source of this \$200,000 was capital provided by the limited partners of the Fund pursuant to capital calls.

ITEM 4. PURPOSE OF TRANSACTION

Upon closing of the Merger Agreement, the Target will merge with a wholly-owned subsidiary of the Company (as a result of which the

Edgar Filing: EARTHSHELL CORP - Form SC 13D/A

Target will become a wholly-owned subsidiary of the Company) and the Stockholder will receive an aggregate of 8,000,000 shares of the Series C Preferred Stock. The Series C Preferred Stock will then represent the right to acquire not less than 24.6 percent of the shares of the Common Stock outstanding on a fully-diluted basis.

As described in Item 6, under the terms of the Merger Agreement, the Stockholder's ability to complete the Merger is subject to various conditions. Even after those conditions have been met (or waived), the closing will not occur unless the Reporting Persons cause the Target to give a required notice, which they have no contractual obligation to do. Also, the Target can terminate the Merger Agreement at any time prior to closing for any reason. Although the Reporting Persons currently do not intend to terminate the Merger Agreement and expect that they will give the notice of closing if the conditions are met, the Reporting Persons expressly reserve their contractual rights to terminate, or otherwise not complete, the Merger Agreement.

Following completion of the Merger, the Stockholder will have Board observer rights while it holds Series C Preferred Stock. After all the Series C Preferred Stock is converted (and so long as the Stockholder holds at least 25 percent (as adjusted) of the shares issuable upon conversion at the Merger Agreement closing), the Stockholder will have the right to nominate one candidate for election as a director of the Company, and the Company will use its best efforts to have that candidate elected as a Company director. Also, while the Stockholder owns any shares of Series C Preferred Stock or Common Stock, the Stockholder will be entitled to consult with and advise management of the Company and its subsidiaries on significant business issues and to have access to management, books and records and facilities.

Additionally, upon the closing of the Securities Purchase Agreement, the Company issued to the Holding Company 51,282 shares of Series D Preferred Stock, as well as warrants to purchase 222,222 shares of Common. The Series D Preferred Stock and the Warrant are each convertible or exercisable, as applicable, by the Holding Company at any time after the date of such closing.

Except as described above or as otherwise described in Items 3, 5 and 6, the Reporting Persons currently have no specific plans or proposals that relate to or would result in the events described in paragraphs (a) through (j) of Item 4 of the instructions to Schedule 13D, although the Reporting Persons reserve the right to develop such plans or proposals.

10

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

As described in Item 6, under the terms of the Merger Agreement, the Stockholder's ability to complete the Merger is subject to various conditions. As a result of these conditions, the Reporting Persons do not currently have the right to acquire the Series C Preferred Stock. Despite these conditions, however, the Reporting Persons may be deemed

Edgar Filing: EARTHSHELL CORP - Form SC 13D/A

to have a right to acquire, within 60 days, beneficial ownership of the Common Stock into which the Series C Preferred Stock will be convertible. Additionally, the Reporting Persons may be deemed to have a right to acquire, within 60 days, beneficial ownership of the Common Stock into which the Series D Preferred Stock is convertible and which are underlying the Warrant, as each such type of acquired security provides the Holding Company with the right to acquire such shares of Common Stock at any time after the closing of the transactions contemplated by the Securities Purchase Agreement, the closing of which occurred on June 22, 2006.

The share ownership percentages described in this Item 5 are based on the Company's representation in the Securities Purchase Agreement that 19,340,188 shares of Common Stock were outstanding as of June 22, 2006. The Company's Quarterly Report on Form 10-Q, for the quarter ended March 31, 2006, filed with the Securities and Exchange Commission on May 18, 2006, reported that 19,340,188 shares of Common Stock were outstanding as of May 17, 2006.

Based solely on the information reported by the Company in its Annual Report on Form 10-K, for the fiscal year ended December 31, 2005, filed with the Securities and Exchange Commission on March 31, 2006, under the caption "Security

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

The Company, EarthShell Triangle, Inc., which is a wholly-owned subsidiary of the Company, the Target, which is a wholly-owned subsidiary of the Stockholder, and the Stockholder entered into an Agreement and Plan of Merger, dated as of June 17, 2005 (the "Merger Agreement"). Upon closing of the Merger Agreement, the Company would acquire the Target through the merger of EarthShell Triangle, Inc. into the Target, and the Stockholder would receive, in exchange for

Edgar Filing: EARTHSHELL CORP - Form SC 13D/A

all of the outstanding shares of the Target, an aggregate of 8,000,000 shares of the Convertible Preferred Stock. Prior to closing, the Merger Agreement may be terminated (i) at any time by the Target for any reason and (ii) after March 31, 2006, by either the Company or the Target if the terminating party was not the cause of the failure to close. On February 17, 2006, the parties to the Merger Agreement executed an Amendment to Agreement and Plan of Merger by and among EarthShell Corporation, EarthShell Triangle, Inc., ReNewable Products, Inc., and ReNewable Products, LLC, (the "Merger Agreement Amendment") which extended the date on which either party may terminate, as set forth under item (ii) above, to December 31, 2006. The Merger Agreement Amendment is filed as Exhibit 1.1 hereto

Under the terms of the Merger Agreement, in addition to the \$12,000,000 investment referred to under Item 3 of this Schedule 13D, the Company's obligation, and thus the Stockholder's ability, to complete the Merger are subject to various conditions. Those conditions stated in the Merger Agreement include the Target's making payment under a purchase order for certain equipment placed with an affiliate of Stockholder that is an EarthShell equipment supplier, installing support systems for the equipment, obtaining certain financing, operating the equipment at agreed-to levels of effectiveness, generating royalty income for the Company pursuant to a sublicense agreement between the Company and the Target, and demonstrating that the Target's equity and debt financing are adequate to operate the equipment without additional funding by the Company.

As a result of these conditions, the Reporting Persons do not currently have a right to acquire the Series C Preferred Stock. Despite these conditions, however, the Reporting Persons may be deemed to have a right to acquire, within 60 days, beneficial ownership of the Common Stock into which the Series C Preferred Stock will be convertible.

Even after all the conditions to the obligations of the various parties to the Merger Agreement have been met (or waived), the closing will not occur until and unless the Target, which will then still be

owned and controlled by the Reporting Persons, gives a written notice to the Company of its intent to consummate the transactions contemplated by the Merger Agreement. The Target has no contractual obligation to give notice.

As provided in the Certificate of Designation of the Series C Preferred Stock (the "Series C Certificate of Designation"), the Series C Preferred Stock will be convertible at any time at the election of the holder into Common Stock on a share-for-share basis (subject to certain adjustments). At any time after the second anniversary of the closing under the Merger Agreement, the Company can, on due notice, cause all of the Series C Preferred Stock to be converted into Common Stock. In addition to various customary anti-dilution adjustments, if the number of shares of Common Stock outstanding on a fully-diluted basis as of the closing of the Merger Agreement is more than 24,556,184, then the conversion rate will be

Edgar Filing: EARTHSHELL CORP - Form SC 13D/A

adjusted so that the Common Stock issuable on conversion of the Convertible Preferred Stock would represent 24.6 percent of the Common Stock then outstanding, on a fully-diluted basis, including after conversion of the Series C Preferred Stock.

The Series C Preferred Stock will be entitled to one vote per share and to vote generally with the Common Stock as one class. So long as at least 4,000,000 shares of Series C Preferred Stock remain outstanding, the Company will be precluded, without the approval of the holders of the Series C Preferred Stock, voting as a single class, from taking a number of potentially significant actions, including certain issuances of capital stock at less than fair market value (as defined), repurchasing capital stock, mergers, sales of certain assets or capital stock of subsidiaries, transactions with affiliates (with certain exceptions), amending material agreements (with certain exceptions), making certain investments, certain acts of insolvency and certain litigation settlements. The holders of Series C Preferred Stock will also have certain board observer rights.

In connection with entering into the Merger Agreement, the Company and the Stockholder signed a letter agreement with Essam Khashoggi, the Company's principal stockholder, acting on behalf of himself and his family and entities he owns or controls that hold shares or rights to acquire Common Stock (together, the "Khashoggi Holders"). The letter agreement (the "Khashoggi Lock-up Agreement"), which is included as Exhibit 4 to the Original 13D, as amended and is incorporated herein by reference, includes certain agreements relating to possible sales of Common Stock by the Stockholder and by the Khashoggi Holders. The agreements include (i) coordination designed to reduce the adverse effect of sales of Common Stock (together with certain other transactions that the Company views as likely) on the Company's net operating loss carryforward; (ii) commitments relating to sales that may affect the other party's exercise of registration rights granted by the Company; and (iii) for two years after the closing under the Merger Agreement, restrictions on certain unregistered sales of Common Stock.

15

By virtue of the Khashoggi Lock-up Agreement, the Reporting Persons and the Khashoggi Holders may be deemed to be members of a group who have agreed, to the extent set forth in the Khashoggi Lock-up Agreement, to act together with respect to the disposition of Common Stock.

The Securities Purchase Agreement, among the Company, as issuer and the Holding Company and an unaffiliated third party trust, as purchasers, dated as of June 22, 2006, provides for the purchase of a total of 128,205 shares of Series D Preferred Stock to purchasers, as well as warrants to purchase of 555,555 shares of Common Stock. The Securities Purchase Agreement provides for a simultaneous execution and closing date; so the terms and rights set forth thereunder were vested in the purchasers on June 22, 2006.

Under the terms of the Certificate of Designation of the Series D Preferred Stock (the "Series D Certificate of Designation"), which is

Edgar Filing: EARTHSHELL CORP - Form SC 13D/A

filed as Exhibit 7 hereto, the Reporting Persons are deemed to have a right to acquire, within 60 days, beneficial ownership of the Common Stock into which the Series D Preferred Stock will be convertible.

As provided in the Series D Certificate of Designation, the Series D Preferred Stock will be convertible at any time at the election of the holder into Common Stock on a share-for-share basis (subject to certain adjustments). At any time after the total per share accrued dividends meets or exceeds \$1.17 pre share, the Series D Preferred Shares may be subject to mandatory conversion into Common Stock. The Series D Certificate of Designation also contains various customary anti-dilution adjustments.

The Series D Preferred Stock is senior to all other designated series of Preferred Stock of the Company, and shall accrue dividends at a rate of 20% per annum, (compounded monthly) of the total liquidation value of \$3.90 per share of the Series D Preferred Stock held by each holder thereof, plus all accrued but unpaid dividends thereon. The Series D Preferred Stock shall also be entitled to receive, if and when declared by the Board of Directors of the Company, dividends in an equal amount, on a per share basis, to those paid to the holders of Common Stock.

The Series D Preferred Stock will be entitled to one vote per share and to vote generally with the Common Stock as one class. So long as any shares of Series D Preferred Stock remain outstanding, the Company will be precluded, without the approval of at least seventy-five percent (75%) of the holders of the Series D Preferred Stock, voting as a single class, from taking a number of potentially significant actions, including certain issuances of capital stock at less than fair market value (as defined), repurchasing capital stock, mergers, sales of certain assets or capital stock of subsidiaries, transactions with affiliates (with certain exceptions), amending material agreements (with certain exceptions), making certain

16

investments, certain acts of insolvency and certain litigation settlements.
