-

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) At the annual meeting of shareholders held on April 17, 2007, Umpqua Holdings Corporation shareholders approved the adoption of amendments to the 2003 Stock Incentive Plan (the "2003 Plan") and adoption of the 2007 Long Term Incentive Plan (the "2007 Plan").

The amendments to the 2003 Plan increase the maximum aggregate number of shares subject to awards that may be granted to an individual in a calendar year from 75,000 (100,000 in connection with initial hiring) to 125,000 and limit the number of restricted stock grants an individual may receive in any calendar year to 40,000 shares. A copy of the amended 2003 Plan is incorporated herein by reference to Appendix A to the Company's Proxy Statement for the 2007 annual meeting of shareholders (the "Proxy Statement").

The 2007 Plan authorizes the issuance of performance-based restricted stock unit grants to executive officers and reserves 1,000,000 shares of the Company's common stock for issuance under the plan. The 2007 Plan provides for the following performance vesting criteria: net income; earnings per share; return on average equity; and total shareholder return. With the adoption of the 2007 Plan, the grants to the Company's named executive officers described in the Company's Proxy Statement became effective. The 2007 Plan is more fully described in the Company's Proxy Statement for the annual meeting and is incorporated herein by reference to Appendix B to the Proxy Statement.

Effective with the approval of the amendments to the 2003 Plan, the Company entered into a Second Restated Supplemental Executive Retirement Plan (the "SERP") with Mr. Davis. The SERP provides for a fixed schedule of annual retirement benefits, the amount of which depends on the timing and circumstances of termination of his employment. If Mr. Davis retires at age 62, his maximum annual benefit is \$600,000 and at age 65, his maximum annual benefit is \$850,000, paid until the later of his or his spouse's death, with such payment period not to exceed 36 months after and to be less than 36 months prior to his predicted life expectancy at retirement. In consideration for agreeing to fix the benefit amount in the SERP, effective with the approval of the amendments to the 2003 Plan, Mr. Davis received a Deferred Restricted Stock Grant covering 38,284 shares, to be issued following termination of his employment, subject to vesting based on the timing and circumstances of any termination of his employment prior to age 62. A copy of the SERP is attached as [Exhibit 99.1](#) and a copy of the Deferred Restricted Stock Grant is attached as [Exhibit 99.2](#).

Item 9.01 Financial Statements and Exhibits.

- (a) Not applicable.
- (b) Not applicable.
- (c) Exhibits.

[99.1 Second Restated Supplemental Executive Retirement Plan with Raymond P. Davis](#)
