(the Company) to acquire Enodis plc (Enodis). The Company first announced an offer to acquire Enodis on April 14, 2008. Illinois Tool Works Inc. on May 19, 2008.

Under the auction procedure, neither the Company nor ITW will be permitted to make or announce a revised offer for Enodis after 4:30 p.m. British Summer Time ( BST ) on June 27, 2008, except pursuant to the auction described below, unless a third party announces a firm intention to make an offer for Enodis. The auction will be conducted in a single round, scheduled to commence at 5:00 p.m. BST and end at 6:00 p.m. BST on June 30, 2008. During this round, each of the Company and ITW will be permitted to submit a single sealed bid for Enodis. The bids must be at least 5 pence in cash higher than the highest cash offer announced by either the Company or ITW prior to the commencement of the auction procedure, and the bids may be conditioned upon the other party also submitting an increased bid. Following the closing of the auction round, the board of Enodis will decide whether to recommend that Enodis shareholders approve any offer resulting from the auction procedure over a previously announced cash offer or over another offer received in the auction procedure, and the results of the auction will be announced. The auction is intended to provide a means by which the Company and ITW identify their final proposal to acquire Enodis. The auction does not effect an acquisition of Enodis.

The Company is filing the announcement of the Panel concerning the auction procedure as Exhibit 99 hereto and is incorporating the announcement herein by reference.
