Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and if, appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Registrant anticipates that it will report significant changes in results of operations for the quarter ended August 1, 2009 compared to the same period of the prior year due primarily to an industry-wide decline in shipments of manufactured homes in Florida. Total net sales in the third quarter of 2009 were approximately \$3.1 million compared to \$7.4 million in the third quarter of 2008. The Registrant realized net income in the third quarter of 2009 of approximately \$21,862 compared to net income of approximately \$397,561 in the third quarter of 2008. Sales and operations for the third quarter of 2009 were adversely impacted by our country s severe economic uncertainty and the reduced manufactured housing shipments in Florida, plus the overall decline in Florida and the nation s housing market. Industry shipments in Florida for the period of November 2008 through July 2009 were down approximately 56% from the same period last year. These results are preliminary, unaudited results and are subject to revision pending the filing of our Form 10-Q for the quarter ended August 1, 2009.
