Item 4. Description of Securities.

Not Applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

New Mexico Statutes, Section 52-11-4.1, provides that a New Mexico business corporation shall have the power to indemnify a person, who is made or threatened to be made a party to a proceeding by reason of the former or present official capacity of the person with respect to a corporation, against judgments, penalties, fines, including, without limitation, excise taxes assessed against the person with respect to an employee benefit plan, settlements and reasonable

expenses, including attorneys' fees and disbursements, incurred by the person in connection with the proceeding with respect to the same acts or omissions if such person (1) acted in good faith; (2) in the case of a criminal proceeding, had no reasonable cause to believe the conduct was unlawful; and (3) the person reasonably believed, in the case of conduct in the person's official capacity with the corporation, that the person's conduct was in the best interests of the corporation, and, in all other cases, that the person's conduct was at least not opposed to the best interests of the corporation Technologies.

Proceeding means any threatened, pending or completed civil, criminal, administrative or investigative proceeding. Section 53-11-4.1 contains detailed terms regarding such right of indemnification and reference is made thereto for a complete statement of such indemnification rights. In addition, Section 53-11-4.1.F requires payment by the Registrant of reasonable expenses in advance of final disposition of the proceeding in particular instances if the director furnishes to the Registrant a written affirmation of his good faith belief that he met the standard of conduct necessary for indemnification and a written undertaking to repay such amount if it shall ultimately be determined that the director has not met such standards of conduct. A decision as to required indemnification is made by a disinterested majority of the board of directors present at a meeting at which a disinterested quorum is present or by a designated committee of the Board if a quorum cannot be obtained, by special legal counsel or by the shareholders.

Our Amended and Restated Articles of Incorporation provide that a director is not liable to us or our shareholders for monetary damages resulting from a breach of fiduciary duty as a director except to the extent provided by the New Mexico Business Corporation Act.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

- 5 Opinion and Consent of Fredrikson & Byron, P.A. relating to the legality of securities under the 2004 Equity Incentive Plan.
- 23.1 Consent of Fredrikson & Byron, P.A. included in their opinion filed as Exhibit 5.
- 23.2 Consent of Lurie Besikof Lapidus & Company, LLP.
- 24 Power of Attorney from certain directors.

Item 9. Undertakings.

- (a) The undersigned Registrant hereby undertakes:
 - (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in the Registration Statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

- (2) That, for the purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities

(other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by final adjudication of such issue.
