**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On December 13, 2017, the Board of Directors of Gannett Co., Inc. (the “Company”) approved a form of award agreement for long-term cash performance units (“Performance Units”) under the Company’s 2015 Omnibus Incentive Compensation Plan (the “Plan”). In order to promote greater alignment of the Company’s long-term incentive program with its strategic objectives, particularly related to digital transformation, the Company’s senior executives will receive a portion of their long-term incentive awards for 2018 in the form of Performance Units in lieu of Performance Share Units. Each Performance Unit will be equivalent to \$1 in cash, and will pay out following the completion of a three-year performance period, based on upon the Company’s achievement of digital revenue growth over that period as indicated below. Payouts for performance between the threshold and maximum percentages of target will be calculated based on straight-line interpolation.

The Performance Units tied to 2018 growth (50% of the award) will pay out as follows:

None of the units will be earned if the Company’s actual 2018 digital revenue is below a specified threshold percentage of targeted 2018 digital revenue.

2018  
Growth  
50%  
weighting

50% of the units will be earned if actual 2018 digital revenue equals the threshold percentage of targeted 2018 digital revenue.

100% of the units will be earned if actual 2018 digital revenue equals targeted 2018 digital revenue.

200% of the units will be earned if actual 2018 digital revenue equals or exceeds a specified maximum percentage over targeted 2018 digital revenue.

2019  
Growth

The Performance Units tied to 2019 growth (30% of the award) will pay out as follows:

30%  
weighting

None of the units will be earned if the Company’s actual 2019 digital revenue is below a specified threshold percentage of targeted digital revenue for 2019, where target is calculated as a specified percentage increase over digital revenue achieved for 2018.

Edgar Filing: Gannett Co., Inc. - Form 8-K

50% of the units will be earned if actual 2019 digital revenue equals the threshold percentage of targeted 2019 digital revenue.

100% of the units will be earned if actual 2019 digital revenue equals targeted 2019 digital revenue.

200% of the units will be earned if actual 2019 digital revenue equals or exceeds a specified maximum percentage over targeted 2019 digital revenue.

The Performance Units tied to 2020 growth (20% of the award) will pay out as follows:

2020  
Growth  
20%  
weighting

None of the units will be earned if the Company's actual 2020 digital revenue is below a specified threshold percentage of targeted digital revenue for 2020, where target is calculated as a specified percentage increase over digital revenue achieved for 2019.

50% of the units will be earned if actual 2020 digital revenue equals the threshold percentage of targeted 2020 digital revenue.

100% of the units will be earned if actual 2020 digital revenue equals targeted 2020 digital revenue.

200% of the units will be earned if actual 2020 digital revenue equals or exceeds a specified maximum percentage over targeted 2020 digital revenue.

For purposes of the Performance Unit awards, digital revenue is defined as the Company's revenue from digital advertising plus its revenue from digital-only subscriptions. Digital advertising revenue includes revenues earned by selling display and video advertising on desktop and mobile platforms as well as classified revenues earned through sales on third party platforms. It also includes revenues generated through search engine marketing, search engine optimization, social, email, directories, digital syndication, archives, other third-party partners and various digital-related software and web presence products. Digital-only subscriptions revenue includes revenue earned through the purchase of digital-only newspaper subscriptions on desktop, mobile web or native applications (for Domestic Publishing only), but excludes revenues generated by e-editions (Kindle, Nook, etc.) and certain digital circulation revenues. The Company's actual digital revenue for any given year shall be adjusted for any "Extraordinary Items" as defined in the 2015 Plan, except that adjustments for the effects of mergers, acquisitions, divestitures, spin-offs or significant transactions shall be made only in respect of the year in which the transaction closes.

The form of award agreement for Performance Units contains vesting and other provisions regarding continued employment and death/disability of the awardee that are materially consistent with those contained in the Company's form of award agreement for Performance Share Units, as previously reported. Upon a change of control of the Company, the Performance Units will pay out at an amount calculated as specified in the form of award agreement, depending upon when the change of control occurs during the three-year performance period.

In addition, the Board approved changes to the form of Restricted Stock Unit Award Agreement and form of Performance Share Unit Award Agreement for executive officers. The new forms of agreement, which will be used for grants commencing in 2018, provide for three-year vesting for RSU awards and modify the threshold performance level for Performance Share payouts, but are otherwise consistent with the prior versions of the respective forms.

The foregoing description is qualified in its entirety by the forms of Performance Unit Award Agreement, Restricted Stock Unit Award Agreement and Performance Share Unit Award Agreement, copies of which are filed as Exhibits 10.1, 10.2 and 10.3, respectively, to this Current Report on Form 8-K and are incorporated herein.

**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On December 13, 2017, the Board amended and restated the Company's Bylaws (as so amended and restated, the "Bylaws") to eliminate the provision specifying that the Company's fiscal year shall be the 52 or 53 week period ending on the last Sunday in December. This description of the Bylaws is a summary only and is qualified in its entirety by reference to the full text of the Bylaws, a copy of which is included as Exhibit 3.1 to this report and incorporated by reference herein.

In conjunction with the above, the Board adopted resolutions changing the Company's fiscal year from the 52 or 53 week period ending on the last Sunday in December to a calendar year period, effective with the year commencing January 1, 2018. Because the Company's current fiscal year will end on December 31, 2017, no transition reporting with respect to the current fiscal year will be required.
