**Item 1.01 Entry into a Material Definitive Agreement.**

On October 24, 2008, The PNC Financial Services Group, Inc. (PNC) and National City Corporation (National City), entered into an Agreement and Plan of Merger, dated as of October 24, 2008 (the Merger Agreement), pursuant to which National City will, subject to the terms and conditions of the Merger Agreement, merge (the Merger) with and into PNC, with PNC continuing as the surviving company.

Subject to the terms and conditions of the Merger Agreement, which has been approved by the Boards of Directors of both companies, if the Merger is completed, each share of National City common stock will be converted into 0.0392 (the Exchange Ratio) of a share of PNC common stock. Preferred stock of National City will be exchanged for preferred stock of PNC having substantially identical terms. In addition, as of the consummation of the Merger, outstanding National City stock options and other stock-based awards will be converted into stock options and other stock-based awards with respect to shares of PNC common stock, with adjustments to reflect the Exchange Ratio.

The Merger Agreement, included in this Report as Exhibit 2.1, contains (a) customary representations and warranties of National City and PNC, including, among others, with respect to: corporate organization, capitalization, corporate authority, third party and governmental consents and approvals, reports and regulatory matters, financial statements, broker's fees, absence of certain changes, compliance with law and information to be supplied for inclusion in the joint proxy statement/prospectus; and additional customary representations by National City, including with respect to: inapplicability of state takeover laws, employee matters, and receipt of a fairness opinion with respect to the merger consideration; (b) covenants of National City and PNC to conduct their respective businesses in the ordinary course until the Merger is completed; and (c) covenants of National City and PNC not to take certain actions during such period. National City has also agreed not to (i) solicit proposals relating to alternative business combination transactions or (ii) subject to certain exceptions, enter into discussions concerning, or provide confidential information in connection with, any proposals for alternative business combination transactions.

The representations and warranties of each party set forth in the Merger Agreement have been made solely for the benefit of the other party to the Merger Agreement. In addition, such representations and warranties (a) have been qualified by confidential disclosures made to the other party in connection with the Merger Agreement, (b) will not survive consummation of the Merger and cannot be the basis for any claims under the Merger Agreement by the other party after termination of the Merger Agreement except as a result of a knowing breach as of the date of the Merger Agreement, (c) are subject to the certain materiality qualifications which may differ from what may be viewed as material by investors, (d) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement, and (e) may have been included in the Merger Agreement for the purpose of allocating risk between PNC and National City

rather than establishing matters as facts. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding the parties or their respective businesses. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the companies and the Merger that will be contained in, or incorporated by reference into, the joint proxy statement/prospectus that the parties will be filing in connection with the Merger, as well as in the Forms 10-K, Forms 10-Q and other filings that each of PNC and National City make with the Securities and Exchange Commission (SEC).

The Board of Directors of PNC has adopted a resolution recommending approval of the issuance of PNC common stock in the Merger by its shareholders and PNC has agreed to submit a proposal for such issuance to its shareholders for consideration. The Board of Directors of National City has adopted a resolution recommending approval of the Merger and adoption by its stockholders and National City has agreed to submit the Merger Agreement to its stockholders for consideration.

Consummation of the Merger is subject to certain customary conditions, including, among others, approval of the stockholders of both PNC and National City, governmental filings and regulatory approvals and expiration of applicable waiting periods, accuracy of the representations and warranties of the other party (generally subject to a material adverse effect standard), and material compliance by the other party with its obligations under the Merger Agreement.

The Merger Agreement contains certain termination rights for National City and PNC, as the case may be, applicable upon: final, non-appealable denial of required regulatory approvals; the first anniversary of the date of the Merger Agreement if the Merger has not been completed by that time; a breach by the other party that is not or cannot be cured within 60 days notice of such breach if such breach would result in a failure of the conditions to closing set forth in the Merger Agreement; by either PNC or National City if the other's shareholders fail to approve the transaction by the required vote and the terminating party's Board of Directors determines in good faith by a majority vote that the other party has substantially engaged in bad faith in breach of its obligations under the Merger Agreement to negotiate a restructuring of the transaction (it being understood that neither party shall have any obligation to alter or change the amount or kind of the merger consideration) and to resubmit the transaction to such party's shareholders for approval; or a failure by the Board of Directors of National City to recommend the Merger to its stockholders or a recommendation by the Board of Directors of National City to National City's stockholders of an alternative business combination transaction.

The foregoing description of the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached hereto as Exhibit 2.1, and is incorporated into this report by reference.

## Stock Option Agreement

In connection with the Merger Agreement, National City has granted to PNC an irrevocable option (the Option ) to purchase, under certain circumstances, up to 19.9% of National City's outstanding common shares at a price, subject to certain adjustments, of \$2.75 per share (the Stock Option Agreement ). A copy of the Stock Option Agreement is attached as Exhibit 99.1 hereto and is incorporated herein by reference, and the description of the Stock Option Agreement set forth herein is qualified in its entirety by reference to such Exhibit.
