This Amendment No. 1 (the "Amendment") amends the Schedule 13D filed on November 20, 2006 (the "Original 13D", and together with the Amendment, the "Schedule 13D"). The Schedule 13D is being filed on behalf of Third Point LLC, a Delaware limited liability company (the "Management Company"), and Daniel S. Loeb, an individual ("Mr. Loeb", and together with the Management Company, the "Reporting Persons"). This Schedule 13D relates to the Common Stock, par value \$1.00 per share, of Pogo Producing Company, a Delaware corporation (the "Company"). Unless the context otherwise requires, references herein to the "Common Stock" are to such Common Stock of the Company. The Management Company is the investment manager or adviser to a variety of hedge funds and managed accounts (such funds and accounts, collectively, the "Funds"). The Funds directly own the Common Stock to which this Schedule 13D relates, and the Reporting Persons may be deemed to have beneficial ownership over such Common Stock by virtue of the authority granted to them by the Funds to vote and to dispose of the securities held by the Funds, including the Common Stock.

Item 4. Purpose of Transaction.

Item 4 of the Schedule 13D is hereby amended by adding the following thereto:

On November 29, 2006, representatives of the Reporting Persons met with Paul Van Wagenen, Chairman, President and Chief Executive Officer of the Company following the Company's presentation at the Friedman Billings Ramsey investor conference in New York. This meeting with Mr. Van Wagenen confirmed the Reporting Persons' positive view of the Company's underlying asset value, but also contributed to investor concerns that the Company's management has failed to pursue cohesive exploration, development, acquisition and financial plans. In a letter dated December 1, 2006 from the Management Company to Mr. Van Wagenen, a copy of which is attached to this Amendment as an exhibit and incorporated herein by reference, the Management Company elaborated on what it believes to be some of the failures of the Company's management.

Accordingly, the Reporting Persons intend to seek to elect at the Company's 2007 annual meeting of shareholders (the "Annual Meeting") new directors who will constitute a majority of the Company's board of directors (the "Board"). In order to do so, the Reporting Persons intend to propose at the Annual Meeting (i) nominees to fill the seats of the Company's directors whose terms expire at the Annual Meeting, (ii) amendments (the "Proposed Amendments") to the Company's bylaws (the "Bylaws") that will (A) expand the size of the Board and (B) allow

Edgar Filing: POGO PRODUCING CO - Form SC 13D/A

the Company's shareholders to fill the newly created directorships, and (iii) nominees to fill the newly created directorships if the Proposed Amendments are adopted.

4

Based on public disclosures by the Company, the Board currently consists of 8 directors serving staggered three-year terms. The terms of 3 of these directors will end at the Annual Meeting. Pursuant to the Company's Restated Certificate of Incorporation (the "Charter"), the Board is to consist of between 3 and 13 members as specified from time to time in the Bylaws. Currently, the Bylaws provide that the Board is to consist of between 3 and 11 directors, as determined from time to time by or pursuant to a resolution passed by a majority of the Board. The first of the two Proposed Amendments would amend this provision of the Bylaws to provide that the Board shall consist of 11 directors.

The Bylaws currently provide that if the size of the Board is expanded, only the Board can fill the newly created directorships. The second of the Proposed Amendments would amend the Bylaws to provide that the Company's shareholders shall have the right to fill vacancies and newly created directorships on the Board and that in the case of directorships created by the shareholders, only the shareholders shall fill such directorships.

The Bylaws provide that they can be altered, amended, added to or repealed by the Company's shareholders at any annual or special meeting, by the vote of the holders of shares of stock having a majority of the voting power of the then-outstanding shares of voting stock. As a result of this provision, the Proposed Amendments will be adopted if they are approved at the Annual Meeting by the holders of a majority of the Common Stock. The Reporting Persons intend to solicit proxies for use at the Annual Meeting in order to seek adoption of the Proposed Amendments and the election to the Board of nominees it will propose who would constitute a majority of the Board if elected.
