Common Stockholders of record on the Record Date are entitled to cast their votes in person or by properly executed proxy at the Special Meeting. The presence, in person or by properly executed proxy, of the Common Stockholders holding a majority of the Common Stock outstanding on the Record Date is necessary to constitute a quorum at the Special Meeting. Abstentions and "broker non-votes" (in cases when a broker has delivered a proxy that does not have authority to vote on the proposal in question) are counted as present in determining whether or not there is a quorum. If a quorum is not present at the time the Special Meeting is convened, the Company may adjourn or postpone the Special Meeting.

All Common Stock represented at the Special Meeting by properly executed proxies received prior to or at the Special Meeting and not properly revoked will be voted at the Special Meeting in accordance with the instructions indicated in such proxies. Abstentions are counted in the number of shares present in person or represented by proxy for purposes of determining whether a proposal has been approved, and so are equivalent to votes against a proposal (other than the election of directors). Broker non-votes will have no impact on the outcome of any of the matters to be considered at the Special Meeting.

Revoking a Proxy

Any proxy given pursuant to this solicitation may be revoked at any time before it is voted. Common Stockholders may revoke a proxy at any time prior to its exercise by filing with the Secretary of the Company a duly executed revocation and proxy bearing a later date or by voting in person by written ballot at the Special Meeting. Proposal Requiring Stockholder Vote

ü PROPOSAL #1 - Approval of an amendment to the Company's Amended and Restated Articles of Incorporation to increase the number of authorized shares of Common Stock from 60,000,000 shares to 120,000,000 shares

Recommendation by Board of Directors

The Board of Directors unanimously recommends that stockholders vote FOR the approval of an amendment to the Company's Amended and Restated Articles of Incorporation to increase the number of authorized shares of Common Stock from 60,000,000 shares to 120,000,000 shares.

Description of Proposed Amendment

The Board of Directors (the "Board") has unanimously approved, subject to stockholder approval, an amendment to the Company's Amended and Restated Articles of Incorporation to increase the number of authorized shares of Common Stock from 60,000,000 shares to 120,000,000 shares. No change is being proposed in the authorized number of shares of the Company's preferred stock, which will remain at 4 million preferred shares.

To accomplish the increase in authorized shares of Common Stock, the Board of Directors proposes that Article III, Paragraph 1, of the Company's Amended and Restated Articles of Incorporation be amended and restated to read in its entirety as follows:

"Paragraph 1: Number and Class. The number of shares which the Corporation shall be authorized to issue, itemized by class, series and par value, if any, is:

Class	Par Value	Number of Shares Authorized
Common Stock	without par value	120,000,000 shares
Preferred Stock	without par value	4,000,000 shares"

If this proposal is approved, the Company expects to file a Certificate of Amendment of the Amended and Restated Articles of Incorporation with the Secretary of State of Illinois on or shortly after the close of business on the date of the Special Meeting.

Why We are Seeking Stockholders Approval

Pursuant to the law of our state of incorporation, Illinois, the Company's Board must approve any amendment to the Company's Amended and Restated Articles of Incorporation and submit the amendment to stockholders. The affirmative vote of a majority of the outstanding shares of the Company's Common Stock is required for Proposal #1 approval.

The Board believes that an increase in authorized Common Stock would provide the Company with additional flexibility to issue and/or sell Common Stock from time to time at the discretion of the Board, and without further authorization by the stockholders except as may be required by applicable law or the rules of the New York Stock Exchange, in connection with one or more of the following business purposes:

- Financing and acquisition transactions
 - Strategic investments
- Public or private offerings of Common Stock or convertible securities
- Other corporate programs and purposes that have not yet been identified

This amendment will not increase or decrease the number of shares of Preferred Stock that the Company would be authorized to issue.

Share Count Summary January 15, 2010

	Common Shares	Preferred Shares
Authorized	#60,000,000	#4,000,000
Outstanding – January 15, 2010	#35,275,510	# 0
Reserved for convertible notes	17,647,061	0
Treasury shares held	2,199,778	0
Reserved for future issuance under equity compensation plans	1,217,720	0
Reserved for exercisable stock options	390,536	0
Total	#56,730,605	#0
Proposed Authorized	#120,000,000	#4,000,000 (No Change)

Effects of the Proposal on the Company's Stockholders

The authorization of additional shares of Common Stock will not, by itself, have any effect on the rights of present stockholders. The additional shares to be authorized will be a part of the existing class of Common Stock and, if and when issued, would have the same rights and privileges as the shares of Common Stock presently issued and outstanding. Stockholders do not have preemptive rights to subscribe for or purchase additional shares of Common Stock. Accordingly, the issuance of additional shares of Common Stock for corporate purposes other than a stock split or stock dividend could have a dilutive effect on the ownership and voting rights of stockholders at the time of issuance.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of the Company's Common Stock as of September 30, 2009, by (i) each person who is known by the Company to own beneficially more than 5% of the Company's Common Stock, (ii) each director and nominee for director, (iii) each of the named executive officers, and (iv) all directors and executive officers as a group.
