The Dow Chemical Company, a Delaware corporation (the "Company") proposes to issue and sell up to \$500,000,000 aggregate principal amount of its Dow InterNotes<sup>®</sup> due nine months or more from date of issue (the "Notes"). The Notes are to be issued pursuant to an indenture, dated as of May 1, 2008 (the "Indenture"), between the Company and The Bank of New York Mellon Trust Company N.A., as trustee (the "Trustee"). The terms of the Notes are described in the Prospectus referred to below.

Subject to the terms and conditions contained in this Selling Agent Agreement (the "Agreement"), the Company hereby (1) appoints each of you as agent of the Company ("Agent") for the purpose of soliciting offers to purchase the Notes and each of you hereby agree to use your reasonable best efforts to solicit offers to purchase Notes upon terms acceptable to the Company at such times and in such amounts as the Company shall from time to time specify and in accordance with the terms hereof, and after consultation with the Purchasing Agent and (2) agrees that whenever the Company determines to sell Notes pursuant to this Agreement, such Notes shall be sold pursuant to a Terms Agreement (as defined herein) relating to such sale in accordance with the provisions of Section V hereof between the Company and the Purchasing Agent, with the Purchasing Agent purchasing such Notes as principal for resale to other Agents or dealers (the "Selected Dealers"), each of whom will purchase such Notes as principal. The Company reserves the right to enter into agreements substantially identical hereto with other agents.

I.

(a) The Company has filed with the Securities and Exchange Commission (the "Commission") a Registration Statement on Form S-3 (File No. 333-140859). For purposes of this definition, information contained in a form of prospectus, prospectus supplement or pricing supplement that is retroactively deemed to be a part of such registration statement, as amended, pursuant to Rule 430B or Rule 430C shall be considered to be included in such registration statement, as amended, as of the time specified in Rule 430B or Rule 430C, as the case may be.

(2) **“Statutory Prospectus”** means, collectively, (i) the prospectus relating to various securities of the Company that is included in the Registration Statement, (ii) the prospectus supplement relating to the Notes, filed by the Company with the Commission pursuant to Rule 424(b) prior to the offer and acceptance of the Notes of a particular tranche, and (iii) any preliminary pricing supplement used in connection with the Notes of a particular tranche, as filed by the Company with the Commission pursuant to Rule 424(b), including, in each case, any document incorporated by reference therein.

(3) **“Prospectus”** means, collectively, the Statutory Prospectus (excluding any preliminary pricing supplement) and the final pricing supplement relating to the Notes of a particular tranche filed by the Company with the Commission pursuant to Rule 424(b) that discloses the public offering price and other final terms of such Notes and otherwise satisfies Section 10(a) of the Securities Act of 1933, as amended (the “1933 Act”).

(4) **“Issuer Free Writing Prospectus”** means any “issuer free writing prospectus,” as defined in Rule 433, relating to the Notes of a particular tranche in the form filed or required to be filed by the Company with the Commission or, if not required to be filed, in the form retained in the Company’s records pursuant to Rule 433(g).

(5) **“Applicable Time”** means the time agreed to by the Company and the applicable Agent(s) as the time of the pricing of the Notes of a particular tranche, which, unless otherwise agreed, shall be the time immediately after the Company and the Agent agree on the pricing terms of such Notes.

Each Agent shall have the right, in its discretion reasonably exercised, to reject any proposed purchase of Notes, as a whole or in part, and any such rejection shall not be deemed a breach of its agreements contained herein. The Company agrees to pay the Purchasing Agent, as consideration for soliciting offers to purchase Notes pursuant to a Terms Agreement, a concession in the form of a discount equal to the percentages of the initial offering price of each Note actually sold as set forth in Exhibit A hereto (the "Concession") provided, however, that the Company and the Purchasing Agent may agree also to a Concession greater than or less than the percentages set forth on Exhibit A hereto. The actual aggregate Concession with respect to each tranche of Notes will be set forth in the related Pricing Supplement. A Terms Agreement may also specify certain provisions relating to the reoffering of such Notes by the Purchasing Agent. The offering of Notes by the Company hereunder and the Purchasing Agent's agreement to purchase Notes pursuant to any Terms Agreement shall be deemed to have been made on the basis of the representations, warranties and agreements of the Company herein contained and shall be subject to the terms and conditions herein set forth. Each Terms Agreement shall describe the Notes to be purchased pursuant thereto by the Purchasing Agent as principal, and may specify, among other things, the principal amount of Notes to be purchased, the interest rate or formula and maturity date or dates of such Notes, the interest payment dates, if any, the net proceeds to the Company, the initial public offering price at which the Notes are proposed to be reoffered, and the time and place of delivery of and payment for such Notes (the "Settlement Date"), whether the Notes provide for a Survivor's Option, whether the Notes are redeemable or repayable and on what terms and conditions, and any other relevant terms. (ii) the Registration Statement, the Prospectus or the Disclosure Package has been amended or supplemented to include additional financial information required to be set forth or incorporated by reference therein under the terms of Item 11 of Form S-3 under the 1933 Act,

## Edgar Filing: DOW CHEMICAL CO /DE/ - Form 8-K

the Company shall cause Deloitte & Touche to furnish the Agents a letter, dated the date specified in the applicable Terms Agreement or dated the date of effectiveness of such amendment, supplement or document filed with the Commission, as the case may be, in form satisfactory to the Agents, of the same tenor as the portions of the letter referred to in clauses (i) and (ii) of Section II(c) hereof but modified to relate to the Registration Statement, the Prospectus and the Disclosure Package, as amended and supplemented to the date of such letter, and of the same general tenor as the portions of the letter referred to in clauses (iii) and (iv) of said Section II(c) with such changes as may be necessary to reflect changes in the financial statements and other information derived from the accounting records of the Company; provided, however, that if the Registration Statement, the Prospectus or the Disclosure Package is amended or supplemented solely to include financial information as of and for a fiscal quarter, Deloitte & Touche may limit the scope of such letter to the unaudited financial statements included in such amendment or supplement. If any other information included therein is of an accounting, financial or statistical nature, the Agents may request procedures be performed with respect to such other information. If Deloitte & Touche is willing to perform and report on the requested procedures, such letter should cover such other information. Any letter required to be provided by Deloitte & Touche hereunder shall be provided within 10 business days of the filing of the Annual Report on Form 10-K or Quarterly Report on Form 10-Q, as the case may be, within a reasonable time of a request made pursuant to subparagraph (iii) hereof or on the date specified in an applicable Terms Agreement.

(e) Each time:

- (1) the Company accepts a Terms Agreement requiring such updating provisions; or
- (2) the Company files a Current Report on Form 8-K including pro forma financial information with respect to the Company's acquisition of Rohm and Haas with the Commission that is incorporated by reference into the Prospectus or the Disclosure Package; or

the Company shall cause PwC to furnish the Agents a letter, dated the date specified in the applicable Terms Agreement or dated the date of such document is filed with the Commission, as the case may be, in form satisfactory to the Agents, of the same tenor as the letter referred to in Section II(d) hereof but modified to relate to the Registration Statement, the Prospectus and the Disclosure Package, as amended and supplemented to the date of such letter; provided, however, that with respect to clause (2) above, PwC may limit the scope of such letter to the financial information of Rohm and Haas included in such filing. Any letter required to be provided by PwC hereunder shall be provided within 10 business days of the filing of the Form 8-K or on the date specified in an applicable Terms Agreement.

(f) The Company represents and agrees that, unless it obtains the prior consent of the applicable Agent(s), and each applicable Agent represents and agrees that, unless it obtains the prior consent of the Company and the lead Agent(s), it has not made and will not make any offer relating to the Notes of the particular tranche that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a "free writing prospectus," as defined in Rule 405, required to be filed with the Commission, other than a free writing prospectus containing the information contained in the final term sheet relating to such tranche of Notes. Any such free writing prospectus consented to by the Company and the lead Agent(s) is referred to herein as a

“Permitted Free Writing Prospectus.” The Company represents that it has treated and agrees that it will treat each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and has complied and will comply with the requirements of Rule 433 applicable to each and every Permitted Free Writing Prospectus, including timely filing with the Commission where required, legending and record keeping.

(g) The Company hereby acknowledges that (a) the solicitation of purchases of the Notes and any purchase and sale of the Notes pursuant to this Agreement is an arm’s-length commercial transaction between the Company, on the one hand, and the Agents and any affiliate through which they may be acting, on the other, (b) the Underwriters (as defined in Exhibit E hereinafter) are acting as principal and not as an agent (except as provided herein) or fiduciary of the Company and (c) the Company’s engagement of the Agents in connection with the offering and the process leading up to the offering is as independent contractors and not in any other capacity. Furthermore, the Company agrees that it is solely responsible for making its own judgments in connection with the offering (irrespective of whether any of the Agents has advised or is currently advising the Company on related or other matters). The Company agrees that it will not claim that the Agents have rendered advisory services of any nature or in any respect, or owe an agency (except as provided herein), fiduciary or similar duty to the Company, in connection with such transaction or the process leading thereto.

### VIII.

(a) The Company agrees to indemnify and hold harmless each Agent and each person who controls any Agent within the meaning of either the 1933 Act or the 1934 Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the 1933 Act, the 1934 Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed or in any amendment thereof, or arise out of or are based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in a Statutory Prospectus, the Prospectus or any Issuer Free Writing Prospectus, amendment or supplement thereof, or arise out of or are based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and agrees to reimburse each such indemnified party, as incurred, for any reasonable and properly documented out-of-pocket legal or other expenses incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Agent specifically for use in connection with the preparation thereof. This indemnity agreement will be in addition to any liability which the Company may otherwise have.

(b) Each Agent severally and not jointly agrees to indemnify and hold harmless the Company, each of its directors, each of its officers who signs the Registration Statement and each person who controls the Company within the meaning of either the 1933 Act or the 1934 Act, to the same extent as the foregoing indemnity from the Company to each Agent, but only with reference to written information relating to such Agent furnished to the Company by or on behalf of such Agent specifically for use in the preparation of the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Agent may otherwise have. The Company acknowledges that the name of such Agent appearing on the front cover of the Prospectus, the name of such Agent appearing in the Summary section of the Prospectus on page S-1 and the second and third to last sentences of the first paragraph, the second and third sentences of the second paragraph, the third sentence of the fifth paragraph, and, with respect to the Purchasing Agent only, the entire sixth paragraph, all under the Section "Plan of Distribution" in the Prospectus constitute the only information furnished in writing by or on behalf of such Agent for inclusion in the documents referred to in the foregoing indemnity.

(c) Promptly after receipt by an indemnified party under this Section VIII of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section VIII, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party except to the extent, if any, that such failure materially prejudices the indemnifying party. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein, and, to the extent that it may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof, with counsel satisfactory to such indemnified party; provided, however, that if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of its election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section VIII for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the next preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel, approved by the Agents in the case of paragraph (a), representing the indemnified parties under paragraph (a) who are parties to such action), (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action or (iii) the indemnifying party has authorized the employment of counsel for the indemnified party at the expense of the indemnifying party; and except that if clause (i) or (iii) is applicable, such liability shall be only in respect of the counsel referred to in such clause (i) or (iii).

(d) To provide for just and equitable contribution in circumstances in which the indemnification provided for in paragraph (a) of this Section VIII is due in accordance with its terms but is for any reason held by a court to be unavailable from the Company on the grounds of policy or otherwise, the Company and the Agents shall contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) to which the Company and one or more of the Agents may be subject in such proportion so that each Agent is responsible for that portion represented by the percentage that the total commissions and underwriting discounts received by such Agent bears to the total sales price from the sale of Notes sold to or through the Agents to the date of such liability, and the Company is responsible for the balance. However, if the allocation provided by the foregoing sentence is not permitted by applicable law, the Company and the Agents shall contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) to which the Company and one or more of the Agents may be subject in such proportion to reflect the relative fault of the Company on the one hand and the Agents on the other in connection with the statements or omissions or alleged statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or such Agent, the parties' relative intents, knowledge, access to information and opportunity to correct or prevent such statement or omission, and any other equitable considerations appropriate in the circumstances. The Company and the Agents agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation (even if the Agents were treated as one entity for such purpose) or by any other method of allocation that does not take into account the equitable considerations referred to above in this paragraph (d). Notwithstanding anything to the contrary contained herein, (i) in no case shall an Agent be responsible for any amount in excess of the commissions and underwriting discounts received by such Agent in connection with the Notes from which such losses, liabilities, claims, damages and expenses arise and (ii) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section VIII, each person who controls any Agent within the meaning of the 1933 Act shall have the same rights to contribution as such Agent, and each person who controls the Company within the meaning of either the 1933 Act or the 1934 Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the provisions of this paragraph (d). Any party entitled to contribution will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this paragraph (d), notify such party or parties from whom contribution may be sought, but the omission to so notify such party or parties shall not relieve the party or parties from whom contribution may be sought from any other obligation it or they may have hereunder or otherwise than under this paragraph (d).

IX.

The Company may elect to suspend or terminate the offering of Notes under this Agreement at any time; the Company also (as to any one or more of the Agents) or any Agent (as to itself) may terminate the appointment and arrangements described in this Agreement. Upon receipt of instructions from the Company, the Purchasing Agent shall suspend or terminate the participation of any Selected Dealer under the Master Selected Dealer Agreement attached hereto as Exhibit E. Such actions may be taken, in the case of the Company, by giving prompt written notice of suspension to all of the Agents and by giving not less than 5 days' written notice of termination to the affected party and the other parties to this Agreement, or in the case of an Agent, by giving not less than 5 days' written notice of termination to the Company and except that, if at the time of termination an offer for the purchase of Notes shall have been accepted by the Company but the time of delivery to the purchaser or his agent of the Note or Notes relating thereto shall not yet have occurred, the Company shall have the obligations provided herein with respect to such Note or Notes. The Company shall promptly notify the other parties in writing of any such termination.

The Purchasing Agent may, and, upon the request of an Agent with respect to any Notes being purchased by such Agent shall, terminate any agreement hereunder by the Purchasing Agent to purchase such Notes, immediately upon notice to the Company at any time prior to the Settlement Date relating thereto, (i) if there has been, since the date of such agreement or since the respective dates as of which information is given in the Registration Statement (exclusive of any amendment or supplement thereto since the date of the applicable Terms Agreement), any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, or (ii) if there shall have occurred, since the date of such agreement, any outbreak or material escalation of hostilities or other national or international calamity or crisis, financial or otherwise, the effect of which is such as to make it, in the sole judgment of the Purchasing Agent or such Agent, impracticable or inadvisable to market the Notes or enforce contracts for the sale of the Notes, or (iii) if, since the date of such agreement, trading in any securities of the Company has been suspended by the Commission or a national securities exchange, or if trading generally on either the American Stock Exchange or the New York Stock Exchange shall have been suspended, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices for securities have been required, by either of said exchanges or by order of the Commission or any other governmental authority, (iv) if there shall have come to the Purchasing Agent's or such Agent's attention any facts that would cause the Purchasing Agent or such Agent to believe that the Prospectus and the Disclosure Package, at the time it was required to be delivered to a purchaser of Notes, included an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in light of the circumstances existing at the time of such delivery, not misleading, (v) if the rating assigned by any nationally recognized securities rating agency to any debt securities of the Company as of the date of any agreement by the Purchasing Agent or such Agent to purchase Notes as principal shall have been lowered since that date or if any such rating agency shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any debt securities of the Company or (vi) if, since the date of such agreement, a banking moratorium shall have been declared by either Federal or New York authorities.

Any Terms Agreement shall be subject to termination in your absolute discretion on the terms set forth or incorporated by reference therein. The termination of this Agreement shall not require termination of any agreement by the Purchasing Agent to purchase Notes as principal, and the termination of any such agreement shall not require termination of this Agreement.

If this Agreement is terminated, Section III(c) and (e), Section VIII and Section XII hereof shall survive and shall remain in effect; provided that if at the time of termination of this Agreement an offer to purchase Notes has been accepted by the Company but the time of delivery to the Purchasing Agent of such Notes has not occurred, the provisions of all of Section III, Section IV(b) and Section V shall also survive until time of delivery.

In the event a proposed offering is not completed according to the terms of this Agreement, an Agent will be reimbursed by the Company only for out-of-pocket accountable expenses actually incurred.

Each party to this Agreement irrevocably agrees that any legal action or proceeding against it arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered against it in connection with this Agreement may be brought in any Federal or New York State court sitting in the County of New York, New York, and, by execution and delivery of this Agreement, such party hereby irrevocably accepts and submits to the jurisdiction of each of the aforesaid courts in person, generally and unconditionally with respect to any such action or proceeding for itself and in respect of its property, assets and revenues. Each party hereby also irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any such action or proceeding brought in any such court and any claim that any such action or proceeding has been brought in an inconvenient forum.

EXHIBIT B

The Dow Chemical Company

**\$500,000,000**

INTERNOTES

DUE FROM NINE MONTHS OR MORE FROM DATE OF ISSUE

ADMINISTRATIVE PROCEDURES

InterNotes, due from nine months or more from date of issue are offered on a continuing basis by The Dow Chemical Company (the "Company"). The Notes will be offered by Incapital LLC (the "Purchasing Agent"), Banc of America Securities LLC, Charles Schwab & Company, Inc., Citigroup Global Markets Inc., Morgan Stanley & Co. Incorporated, UBS Securities LLC and Wells Fargo Advisors, LLC, (collectively, the "Agents") pursuant to a Selling Agent Agreement among the Company and the Agents dated as of the date hereof (the "Selling Agent Agreement") and one or more terms agreements substantially in the form attached to the Selling Agent Agreement as Exhibit C (each a "Terms Agreement"). The Notes are being resold by the Purchasing Agent (and by any Agent that purchases them from the Purchasing Agent) (i) directly to customers of the Agents or (ii) to selected broker-dealers (the "Selected Dealers") for distribution to their customers pursuant to a Master Selected Dealer Agreement (a "Dealers Agreement") attached to the Selling Agent Agreement as Exhibit E. The Agents have agreed to use their reasonable best efforts to solicit purchases of the Notes. The Notes have been registered with the Securities and Exchange Commission (the "Commission"). The Bank of New York Mellon Trust Company, N.A., is the trustee (the "Trustee") for the debt under the indenture, dated as of May 1, 2008 (the "Indenture") covering the Notes. Pursuant to the terms of the Indenture, The Bank of New York Mellon Trust Company, N.A. also will serve as authenticating agent, issuing agent and paying agent.

Each tranche of Notes will be issued in book-entry only form ("Notes") and represented by one or more fully registered global notes without coupons (each, a "Global Note") held by the Trustee, as agent for The Depository Trust Corporation ("DTC") and recorded in the book-entry system maintained by DTC. Each Global Note will have the annual interest rate, maturity and other terms set forth in the relevant Pricing Supplement (as defined in the Selling Agent Agreement). Owners of beneficial interests in a Global Note will be entitled to physical delivery of Notes issued in certificated form equal in principal amount to their respective beneficial interests only upon certain limited circumstances described in the Indenture.

Administrative procedures and specific terms of the offering are explained below. Administrative and record-keeping responsibilities will be handled for the Company by its Treasury Department. The Company will advise the Agents and the Trustee in writing of those persons handling administrative responsibilities with whom the Agents and the Trustee are to communicate regarding offers to purchase Notes and the details of their delivery.

Notes will be issued in accordance with the administrative procedures set forth in herein. To the extent the procedures set forth below conflict with or omit certain of the provisions of the Notes, the Indenture, the Selling Agent Agreement or the Prospectus and the Pricing Supplement (together, the "Prospectus"), the relevant provisions of the Notes, the Indenture, the Selling Agent Agreement and the Prospectus shall control. Capitalized terms used herein that are not otherwise defined shall have the meanings ascribed thereto in the Selling Agent Agreement, the Prospectus in the form most recently filed with the Commission pursuant to Rule 424 of the 1933 Act, or in the Indenture.

Administrative Procedures for Notes

In connection with the qualification of Notes for eligibility in the book-entry system maintained by DTC, the Trustee will perform the custodial, document control and administrative functions described below, in accordance with its obligations under a Letter of Representations from the Company and the Trustee to DTC, dated April 25, 2003 and a Medium-Term Note Certificate Agreement between the Trustee and DTC (the "Certificate Agreement") dated May 26, 1989 and its obligations as a participant in DTC, including DTC's Same-Day Funds Settlement System ("SDFS"). The procedures set forth below may be modified in compliance with DTC's then-applicable procedures and upon agreement by the Company, the Trustee and the Purchasing Agent.

**Maturities:** Each Note will mature on a date (the "Maturity Date") not less than nine months after the date of delivery by the Company of such Note. Notes will mature on any date selected by the initial purchaser and agreed to by the Company. "Maturity" when used with respect to any Note, means the date on which the outstanding principal amount of such Note becomes due and payable in full in accordance with its terms, whether at its Maturity Date or by declaration of acceleration, call for redemption, repayment or otherwise.

**Issuance:** All Notes having the same terms will be represented initially by a single Global Note. Each Global Note will be dated and issued as of the date of its authentication by the Trustee.

Each Global Note will bear an original issue date (the "Original Issue Date"). The Original Issue Date shall remain the same for all Notes subsequently issued upon transfer, exchange or substitution of an original Note regardless of their dates of authentication.

Identification

Numbers:

The Company has received from the CUSIP Service Bureau (the CUSIP Service Bureau) of Standard & Poor's Corporation ("Standard & Poor's") one series of CUSIP numbers consisting of approximately 900 CUSIP numbers for future assignment to Global Notes. The Company will provide the Purchasing Agent, DTC and the Trustee with a list of such CUSIP numbers. On behalf of the Company, the Purchasing Agent will assign CUSIP numbers as described below under Settlement Procedure "B". DTC will notify the CUSIP Service Bureau periodically of the CUSIP numbers that the Company has assigned to Global Notes. The Company will reserve additional CUSIP numbers when necessary for assignment to Global Notes and will provide the Purchasing Agent, the Trustee and DTC with the list of additional CUSIP numbers so obtained.

Registration:

Unless otherwise specified by DTC, Global Notes will be issued only in fully registered form without coupons. Each Global Note will be registered in the name of Cede & Co., as nominee for DTC, on the Note Register maintained under the Indenture by the Trustee. The beneficial owner of a Note (or one or more indirect participants in DTC designated by such owner) will designate one or more participants in DTC (with respect to such Note, the "Participants") to act as agent or agents for such owner in connection with the book-entry system maintained by DTC, and DTC will record in book-entry form, in accordance with instructions provided by such Participants, a credit balance with respect to such beneficial owner of such Note in the account of such Participants. The ownership interest of such beneficial owner in such Note will be recorded through the records of such Participants or through the separate records of such Participants and one or more indirect participants in DTC.

Transfers:

Transfers of interests in a Global Note will be accomplished by book entries made by DTC and, in turn, by Participants (and in certain cases, one or more indirect participants in DTC) acting on behalf of beneficial transferors and transferees of such interests.

Exchanges:

The Trustee, at the Company's request, may deliver to DTC and the CUSIP Service Bureau at any time a written notice of consolidation specifying (a) the CUSIP numbers of two or more Global Notes outstanding on such date that represent Notes having the same terms or (except that Issue Dates need not be the same) and for which interest, if any, has been paid to the same date and which otherwise constitute Notes of the same series and tenor under the Indenture, (b) a date, occurring at least 30 days after such written notice is delivered and at least 30 days before the next Interest Payment Date, if any, for the related Notes, on which such Global Notes shall be exchanged for a single replacement Global Note and (c) a new CUSIP number, obtained from the Company, to be assigned to such replacement Global Note. Upon receipt of such a notice, DTC will send to its participants (including the Issuing Agent) and the Trustee a written reorganization notice to the effect that such exchange will occur on such date. Prior to the specified exchange date, the Trustee will deliver to the CUSIP Service Bureau written notice setting forth such exchange date and the new CUSIP number and stating that, as of such exchange date, the CUSIP numbers of the Global Notes to be exchanged will no longer be valid. On the specified exchange date, the Trustee will exchange such Global Notes for a single Global Note bearing the new CUSIP number and the CUSIP numbers of the exchanged Global Notes will, in accordance with CUSIP Service Bureau procedures, be cancelled and not immediately reassigned. Notwithstanding the foregoing, if the Global Notes to be exchanged exceed \$500,000,000 in aggregate principal or face amount, one replacement Global Note will be authenticated and issued to represent each \$500,000,000 of principal or face amount of the exchanged Global Notes and an additional Global Note will be authenticated and issued to represent any remaining principal amount of such Global Notes (See "Denominations" below).

Denominations:

Unless otherwise agreed by the Company, Notes will be issued in denominations of \$1,000 or more (in multiples of \$1,000). Global Notes will be denominated in principal or face amounts not in excess of \$500,000,000 or any other limit set by DTC (the "Permitted Amount"). If one or more Notes having an aggregate principal or face amount in excess of the Permitted Amount would, but for the preceding sentence, be represented by a single Global Note, then one Global Note will be issued to represent each Permitted Amount principal or face amount of such Note or Notes and an additional Global Note will be Issued to represent any remaining principal amount of such Note or Notes. In such case, each of the Global Notes representing such Note or Notes shall be assigned the same CUSIP number.

Issue Price:

Unless otherwise specified in an applicable Pricing Supplement, each Note will be issued at the percentage of principal amount specified in the Prospectus relating to such Note.

Interest:

General. Each Note will bear interest at a fixed rate. Interest on each Note will accrue from the Issue Date of such Note for the first interest period and from the most recent Interest Payment Date to which interest has been paid for all subsequent interest periods. Except as set forth hereafter, each payment of interest on a Note will include interest accrued to, but excluding, as the case may be, the Interest Payment Date or the date of Maturity (other than a Maturity Date of a Note occurring on the 31st day of a month in which case such payment of interest will include interest accrued to but excluding the 30th day of such month). Any payment of principal, premium or interest required to be made on a day that is not a Business Day (as defined below) may be made on the next succeeding Business Day and no interest shall accrue as a result of any such delayed payment.

Each pending deposit message described under Settlement Procedure “C” below will be routed to Standard & Poor’s Corporation, which will use the message to include certain information regarding the related Notes in the appropriate daily bond report published by Standard & Poor’s Corporation.

Each Note will bear interest from, and including, its Issue Date at the rate per annum set forth thereon and in the applicable Pricing Supplement until the principal amount thereof is paid, or made available for payment, in full. Unless otherwise specified in the applicable Pricing Supplement, interest on each Note will be payable either monthly, quarterly, semi-annually or annually on each Interest Payment Date and at Maturity (or on the date of redemption or repayment if a Note is repurchased by the Company prior to maturity pursuant to mandatory or optional redemption or repayment provisions or the Survivor’s Option). Interest will be payable to the person in whose name a Note is registered at the close of business on the Regular Record Date next preceding each Interest Payment Date; provided, however, interest payable at Maturity, on a date of redemption or repayment or in connection with the exercise of the Survivor’s Option will be payable to the person to whom principal shall be payable.

B-5

---

Any payment of principal, and premium, if any, or interest required to be made on a Note on a day which is not a Business Day need not be made on such day, but may be made on the next succeeding Business Day with the same force and effect as if made on such day, and no additional interest shall accrue as a result of such delayed payment. Unless otherwise specified in the applicable Pricing Supplement, any interest on the Notes will be computed on the basis of a 360-day year of twelve 30-day months. The interest rates the Company will agree to pay on newly-issued Notes are subject to change without notice by the Company from time to time, but no such change will affect any Notes already issued or as to which an offer to purchase has been accepted by the Company.

The Interest Payment Dates for a Note that provides for monthly interest payments shall be the fifteenth day of each calendar month, commencing in the calendar month that next succeeds the month in which the Note is issued. In the case of a Note that provides for quarterly interest payments, the Interest Payment Dates shall be the fifteenth day of each third month, commencing in the third succeeding calendar month following the month in which the Note is issued. In the case of a Note that provides for semi-annual interest payments, the Interest Payment dates shall be the fifteenth day of each sixth month, commencing in the sixth succeeding calendar month following the month in which the Note is issued. In the case of a Note that provides for annual interest payments, the Interest Payment Date shall be the fifteenth day of every twelfth month, commencing in the twelfth succeeding calendar month following the month in which the Note is issued. The Regular Record Date with respect to any Interest Payment Date shall be the first day of the calendar month in which such Interest Payment Date occurred, except that the Regular Record Date with respect to the final Interest Payment Date shall be the final Interest Payment Date.

Each payment of interest on a Note shall include accrued interest from and including the Issue Date or from and including the last day in respect of which interest has been paid (or duly provided for), as the case may be, to, but excluding, the Interest Payment Date or Maturity Date, as the case may be.

Calculation of Interest:

Interest on the Notes (including interest for partial periods) will be calculated on the basis of a 360-day year of twelve 30-day months. (Examples of interest calculations are as follows: October 1, 2009 to April 1, 2010 equals 6 months and 0 days, or 180 days; the interest paid equals  $180/360$  times the annual rate of interest times the principal amount of the Note. The period from December 3, 2009 to April 1, 2010 equals 3 months and 28 days, or 118 days; the interest payable equals  $118/360$  times the annual rate of interest times the principal amount of the Note.)

Business Day:

“Business Day” means, unless otherwise specified in the applicable Pricing Supplement, any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions are authorized or required by law or regulation to close in The City of New York.

Payments of Principal

and Interest:

Payments of Principal and Interest. Promptly after each Regular Record Date, the Trustee will deliver to the Company and DTC a written notice specifying by CUSIP number the amount of interest, if any, to be paid on each Global Note on the following Interest Payment Date (other than an Interest Payment Date coinciding with a Maturity Date) and the total of such amounts. DTC will confirm the amount payable on each Global Note on such Interest Payment Date by reference to the daily bond reports published by Standard & Poor's. On such Interest Payment Date, the Company will pay to the Trustee, and the Trustee in turn will pay to DTC, such total amount of interest due (other than on the Maturity Date), at the times and in the manner set forth below under "Manner of Payment." If any Interest Payment Date for any Note is not a Business Day, the payment due on such day shall be made on the next succeeding Business Day and no interest shall accrue on such payment for the period from and after such Interest Payment Date.

Payments on the Maturity Date. On or about the first Business Day of each month, the Trustee will deliver to the Company and DTC a written list of principal, premium, if any, and interest to be paid on each Global Note representing Notes maturing or subject to redemption (pursuant to a sinking fund or otherwise) or repayment ("Maturity") in the following month. The Trustee, the Company and DTC will confirm the amounts of such principal, premium, if any, and interest payments with respect to each Global Note on or about the fifth Business Day preceding the Maturity Date of such Global Note. On the Maturity Date, the Company will pay to the Trustee, and the Trustee in turn will pay to DTC, the principal amount of such Global Note, together with interest and premium, if any, due on such Maturity Date, at the times and in the manner set forth below under "Manner of Payment." If the Maturity Date of any Global Note is not a Business Day, the payment due on such day shall be made on the next succeeding Business Day and no interest shall accrue on such payment for the period from and after such Maturity Date. Promptly after payment to DTC of the principal and interest due on the Maturity Date of such Global Note and all other Notes represented by such Global Note, the Trustee will cancel and destroy such Global Note in accordance with the Indenture and so advise the Company.

B-7

---

Manner of Payment. The total amount of any principal, premium, if any, and interest due on Global Notes on any Interest Payment Date or at Maturity shall be paid by the Company to the Trustee in immediately available funds on such date. The Company will make such payment on such Global Notes to an account specified by the Trustee. Prior to 10:00 a.m., New York City time, on the date of Maturity or as soon as possible thereafter, the Trustee will make payment to DTC in accordance with existing arrangements between DTC and the Trustee, in funds available for immediate use by DTC, each payment of interest, principal and premium, if any, due on a Global Note on such date. On each Interest Payment Date (other than on the Maturity Date) the Trustee will pay DTC such interest payments in same-day funds in accordance with existing arrangements between the Trustee and DTC. Thereafter, on each such date, DTC will pay, in accordance with its SDFS operating procedures then in effect, such amounts in funds available for immediate use to the respective Participants with payments in amounts proportionate to their respective holdings in principal amount of beneficial interest in such Global Note as are recorded in the book-entry system maintained by DTC. Neither the Company nor the Trustee shall have any direct responsibility or liability for the payment by DTC of the principal of, or premium, if any, or interest on, the Notes to such Participants.

Withholding Taxes. The amount of any taxes required under applicable law to be withheld from any interest payment on a Note will be determined and withheld by the Participant, indirect participant in DTC or other person responsible for forwarding payments and materials directly to the beneficial owner of such Note.

Procedure for Rate

Setting and Posting:

The Company and the Agents will discuss, from time to time, the aggregate principal amounts of, the Maturities, the Issue Price and the interest rates to be borne by Notes that may be sold as a result of the solicitation of orders by the Agents. If the Company decides to set interest rates borne by any Notes in respect of which the Agents are to solicit orders (the setting of such interest rates to be referred to herein as "Posting") or if the Company decides to change interest rates previously posted by it, it will promptly advise the Agents of the prices and interest rates to be posted.

B-8

---

The Purchasing Agent will assign a separate CUSIP number for each tranche of Notes to be posted, and will so advise and notify the Company and the Trustee of said assignment by telephone and/or by telecopier or other form of electronic transmission. The Purchasing Agent will include the assigned CUSIP number on all Posting notices communicated to the Agents and Selected Dealers.

Offering of Notes:

In the event that there is a Posting, the Purchasing Agent will communicate to each of the Agents and Selected Dealers the aggregate principal amount and Maturities of, along with the interest rates to be borne by, each tranche of Notes that is the subject of the Posting. Thereafter, the Purchasing Agent, along with the other Agents and the Selected Dealers, will solicit offers to purchase the Notes accordingly.

Purchase of Notes by

the Purchasing Agent:

The Purchasing Agent will, no later than 12:00 noon (New York City time) on the seventh day subsequent to the day on which such Posting occurs, or if such seventh day is not a Business Day on the preceding Business Day, or on such other Business Day and time as shall be mutually agreed upon by the Company and the Agents (any such day, a "Trade Day"), (i) complete, execute and deliver to the Company a Terms Agreement that sets forth, among other things, the amount of each tranche that the Purchasing Agent is offering to purchase or (ii) inform the Company that none of the Notes of a particular tranche will be purchased by the Purchasing Agent.

Acceptance and

Rejection of Orders:

Unless otherwise agreed by the Company and the Agents, the Company has the sole right to accept orders to purchase Notes and may reject any such order in whole or in part. Unless otherwise instructed by the Company, the Purchasing Agent will promptly advise the Company by telephone of all offers to purchase Notes received by it, other than those rejected by it in whole or in part in the reasonable exercise of its discretion. No order for less than \$1,000 principal amount of Notes will be accepted.

Upon receipt of a completed and executed Terms Agreement from the Purchasing Agent, the Company will (i) promptly execute and return such Terms Agreement to the Purchasing Agent or (ii) inform the Purchasing Agent that its offer to purchase the Notes of a particular tranche has been rejected, in whole or in part. The Purchasing Agent will thereafter promptly inform the other Agents and participating Selected Dealers of the action taken by the Company.

Preparation of Pricing Supplement:

If any offer to purchase a Note is accepted by or on behalf of the Company, the Company will provide a Pricing Supplement (substantially in the form attached to the Selling Agent Agreement as Exhibit D) reflecting the terms of such Note and will have filed such Pricing Supplement with the Commission in accordance with the applicable paragraph of Rule 424(b) under the Act. The Company shall use its reasonable best efforts to send such Pricing Supplement by email or telecopy to the Purchasing Agent and the Trustee by 3:00 p.m. (New York City Time) on the applicable Trade Day. The Purchasing Agent shall use its reasonable best efforts to send such Pricing Supplement and the Prospectus by email or telecopy or overnight express (for delivery by the close of business on the applicable Trade Day, but in no event later than 11:00 a.m. New York City time, on the Business Day following the applicable Trade Date) to each Agent (or other Selected Dealer) which made or presented the offer to purchase the applicable Note and the Trustee at the following applicable address:

Outdated Pricing Supplements and the Prospectuses to which they are attached (other than those retained for files) will be destroyed.

Delivery of Confirmation  
and Prospectus to Purchaser

by Presenting Agent:

Subject to "Suspension of Solicitation; Amendment or Supplement" below, the Agents will deliver a Prospectus and Pricing Supplement as herein described with respect to each Note sold by it.

For each offer to purchase a Note accepted by or on behalf of the Company, the Purchasing Agent will confirm in writing with each Agent or Selected Dealer the terms of such Note, the amount being purchased by such Agent or Selected Dealer and other applicable details described above and delivery and payment instructions, with a copy to the Company.

In addition, the Purchasing Agent, other Agent or Selected Dealer, as the case may be, will deliver to investors purchasing the Notes the Prospectus (including the Pricing Supplement) in relation to such Notes prior to or simultaneously with delivery of the confirmation of sale or delivery of the Note.

Settlement:

The receipt of immediately available funds by the Company in payment for Notes and the authentication and issuance of the Global Note representing such Notes shall constitute "Settlement" with respect to such Note. All orders accepted by the Company will be settled within one to three Business Days pursuant to the timetable for Settlement set forth below, unless the Company and the purchaser agree to Settlement on a later date, and shall be specified upon acceptance of such offer; provided, however, in all cases the Company will notify the Trustee on the date issuance instructions are given.

Settlement Procedures:

In the event of a purchase of Notes by any Agent, as agent, appropriate Settlement details, if different from those set forth below, will be set forth in the applicable Terms Agreement to be entered into between such Agent and the Company pursuant to the Selling Agent Agreement. Settlement Procedures with regard to each Note sold by an Agent, as principal for the Company, shall be as follows:

A. After the acceptance of an offer by the Company with respect to a Note, the Purchasing Agent will communicate the following details of the terms of such offer (the "Note Sale Information") to the Company by telephone confirmed in writing or by facsimile transmission or other acceptable written means:

1. Principal amount of the purchase;
2. Interest Rate per annum;
3. Interest Payment Frequency;
4. Settlement Date;

5. Maturity Date;
6. Price to Public;
7. Purchasing Agent's commission determined pursuant to Section IV(a) of the Selling Agent Agreement;
8. Net proceeds to the Company;
9. Trade Date;

  - (i) The date on and after which such Note may be redeemed/repaid (the "Redemption/Repayment Commencement Date"),
  - (ii) Initial redemption/repayment price (% of par), and

13. DTC Participant Number of the institution through which the customer will hold the beneficial interest in the Global Note; and
14. Such other terms as are necessary to complete the applicable form of Note.

B. The Company will confirm the previously assigned CUSIP number to the Global Note representing such Note and then advise the Trustee and the Purchasing Agent by telephone (confirmed in writing at any time on the same date) or by telecopier or other form of electronic transmission of the information received in accordance with Settlement Procedure “A” above, the assigned CUSIP number and the name of the Purchasing Agent. Each such communication by the Company will be deemed to constitute a representation and warranty by the Company to the Trustee and the Agents that (i) such Note is then, and at the time of issuance and sale thereof will be, duly authorized for issuance and sale by the Company; (ii) such Note, and the Global Note representing such Note, will conform with the terms of the Indenture; and (iii) upon authentication and delivery of the Global Note representing such Note, the aggregate principal amount of all Notes issued under the Indenture will not exceed the aggregate principal amount of Notes authorized for issuance at such time by the Company.

C. The Trustee will communicate to DTC and the Purchasing Agent through DTC’s Participant Terminal System, a pending deposit message specifying the following Settlement information:

1. The information received in accordance with Settlement Procedure “A”.
2. The numbers of the participant accounts maintained by DTC on behalf of the Trustee and the Purchasing Agent.
3. 4. The CUSIP number of the Global Note representing such Notes.
5. The frequency of interest.

6. Whether such Global Note represents any other Notes issued or to be issued (to the extent then known).

D. DTC will credit such Note to the participant account of the Trustee maintained by DTC.

E. The Trustee will complete and deliver a Global Note representing such Note in a form that has been approved by the Company, the Agents and the Trustee.

F. The Trustee will authenticate the Global Note representing such Note and maintain possession of such Global Note.

G. The Trustee will enter an SDFS deliver order through DTC's Participant Terminal System instructing DTC to (i) debit such Note to the Trustee's participant account and credit such Note to the participant account of the Purchasing Agent maintained by DTC and (ii) debit the settlement account of the Purchasing Agent and credit the settlement account of the Trustee maintained by DTC, in an amount equal to the price of such Note less the Purchasing Agent's commission. The entry of such a deliver order shall be deemed to constitute a representation and warranty by the Trustee to DTC that (a) the Global Note representing such Note has been issued and authenticated and (b) the Trustee is holding such Global Note pursuant to the Certificate Agreement.

H. The Purchasing Agent will enter an SDFS deliver order through DTC's Participant Terminal System instructing DTC to (i) debit such Note to the Purchasing Agent's participant account and credit such Note to the participant accounts of the Participants to whom such Note is to be credited maintained by DTC and (ii) debit the settlement accounts of such Participants and credit the settlement account of the Purchasing Agent maintained by DTC, in an amount equal to the price of the Note less the agreed upon commission so credited to their accounts.

I. Transfers of funds in accordance with SDFS deliver orders described in Settlement Procedures “G” and “H” will be settled in accordance with SDFS operating procedures in effect on the Settlement Date.

J. The Trustee will credit to an account of the Company maintained at Citibank, N.A. funds available for immediate use in an amount equal to the amount credited to the Trustee’s DTC participant account in accordance with Settlement Procedure “G”.

K. The Trustee will send a copy of the Global Note representing such Note by first-class mail to the Company.

L. Each Agent and Selected Dealer will confirm the purchase of each Note to the purchaser thereof either by transmitting to the Participant to whose account such Note has been credited a confirmation order through DTC’s Participant Terminal System or by mailing a written confirmation to such purchaser. In all cases the Prospectus as most recently amended or supplemented must accompany or precede such confirmation.

M. Each Business Day, the Trustee will send to the Company a statement setting forth the principal amount of Notes outstanding as of that date under the Indenture and setting forth the CUSIP number(s) assigned to, and a brief description of, any orders which the Company has advised the Trustee but which have not yet been settled.

Settlement Procedures Timetable:

In the event of a purchase of Notes by the Purchasing Agent, as principal, appropriate Settlement details, if different from those set forth below will be set forth in the applicable Terms Agreement to be entered into between the Purchasing Agent and the Company pursuant to the Selling Agent Agreement.

Settlement Procedures “A” through “M” shall be completed as soon as possible but not later than the respective times (New York City time) set forth below:

Settlement

<u>Procedure</u>	<u>Time</u>
A	4:00 p.m. on the Trade Day.

B	5:00 p.m. on the Trade Day.
C	2:00 p.m. on the Business Day before the Settlement Date.
D	10:00 a.m. on the Settlement Date.
E	12:00 p.m. on the Settlement Date.
F	12:30 a.m. on the Settlement Date.
G-H	2:00 p.m. on the Settlement Date.
I	4:45 p.m. on the Settlement Date.
J-L	5:00 p.m. on the Settlement Date.
M	Weekly or at the request of the Company.

**NOTE:** The Prospectus as most recently amended or supplemented must accompany or precede any written confirmation given to the customer (Settlement Procedure "L"). Settlement Procedure "I" is subject to extension in accordance with any extension Fedwire closing deadlines and in the other events specified in the SDFS operating procedures in effect on the Settlement Date.

If Settlement of a Note is rescheduled or cancelled, the Trustee will deliver to DTC, through DTC's Participant Terminal System, a cancellation message to such effect by no later than 2:00 p.m., New York City time, on the Business Day immediately preceding the scheduled Settlement Date.

Failure to Settle:

If the Trustee fails to enter an SDFS deliver order with respect to a Note pursuant to Settlement Procedure "G", the Trustee may deliver to DTC, through DTC's Participant Terminal System, as soon as practicable a withdrawal message instructing DTC to debit such Note to the participant account of the Trustee maintained at DTC. DTC will process the withdrawal message, provided that such participant account contains Notes having the same terms and having a principal amount that is at least equal to the principal amount of such Note to be debited. If withdrawal messages are processed with respect to all the Notes issued or to be issued represented by a Global Note, the Trustee will cancel such Global Note in accordance with the Indenture, make appropriate entries in its records and so advise the Company. The CUSIP number assigned to such Global Note shall, in accordance with CUSIP Service Bureau procedures, be cancelled and not immediately reassigned. If withdrawal messages are processed with respect to one or more, but not all, of the Notes represented by a Global Note, the Trustee will exchange such Global Note for two Global Notes, one of which shall represent such Notes and shall be cancelled immediately after issuance, and the other of which shall represent the remaining Notes previously represented by the surrendered Global Note and shall bear the CUSIP number of the surrendered Global Note. If the purchase price for any Note is not timely paid to the Participants with respect to such Note by the beneficial purchaser thereof (or a person, including an indirect participant in DTC, acting on behalf of such purchaser), such Participants and, in turn, the related Agent may enter SDFS deliver orders through DTC's participant Terminal System reversing the orders entered pursuant to Settlement Procedures "G" and "H", respectively. Thereafter, the Trustee will deliver the withdrawal message and take the related actions described in the preceding paragraph. If such failure shall have occurred for any reason other than default by the Agent in the performance of its obligations hereunder or under the Selling Agent Agreement, the Company will reimburse the Agent on an equitable basis for its reasonable out-of-pocket accountable expenses actually incurred and loss of the use of funds during the period when they were credited to the account of the Company.

Notwithstanding the foregoing, upon any failure to settle with respect to a Note, DTC may take any actions in accordance with its SDFS operating procedures then in effect. In the event of a failure to settle with respect to one or more, but not all, of Notes that were to have been represented by a Global Note, the Trustee will provide, in accordance with Settlement Procedures "D" and "E", for the authentication and issuance of a Global Note representing the other Notes to have been represented by such Global Note and will make appropriate entries in its records.

Procedure for

Rate Changes:

Each time a decision has been reached to change rates, the Company will promptly advise the Agents of the new rates, who will forthwith suspend solicitation of purchases of Notes at the prior rates. The Agents may telephone the Company with recommendations as to the changed interest rates.

Suspension of Solicitation

Amendment or Supplement:

Subject to the Company's representations, warranties and covenants contained in the Selling Agent Agreement, the Company may instruct the Agents to suspend at any time for any period of time or permanently, the solicitation of orders to purchase Notes. Upon receipt of such instructions (which may be given orally), each Agent will forthwith suspend solicitation until such time as the Company has advised it that solicitation of purchases may be resumed.

In the event that at the time the Company suspends solicitation of purchases there shall be any orders outstanding for settlement, the Company will promptly advise the Agents and the Trustee whether such orders may be settled and whether copies of the Prospectus as in effect at the time of the suspension may be delivered in connection with the settlement of such orders. The Company will have the sole responsibility for such decision and for any arrangements which may be made in the event that the Company determines that such orders may not be settled or that copies of such Prospectus may not be so delivered.

If the Company decides to amend or supplement the Registration Statement or the Prospectus, it will promptly advise the Agents and furnish the Agents and the Trustee with the proposed amendment or supplement and with such certificates and opinions as are required, all to the extent required by and in accordance with the terms of the Selling Agent Agreement. Subject to the provisions of the Selling Agent Agreement, the Company may file with the Commission any supplement to the Prospectus relating to the Notes. The Company will provide the Agents and the Trustee with copies of any such supplement, and confirm to the Agents that such supplement has been filed with the Commission.

Trustee Not to Risk Funds:

Nothing herein shall be deemed to require the Trustee to risk or expend its own funds in connection with any payment to the Company, or the Agents or the purchasers, it being understood by all parties that payments made by the Trustee to either the Company or the Agents shall be made only to the extent that funds are provided to the Trustee for such purpose.

Advertising Costs:

The Company shall have the sole right to approve the form and substance of any advertising an Agent may initiate in connection with such Agent's solicitation to purchase the Notes. The expense of such advertising will be solely the responsibility of such Agent, unless otherwise agreed to by the Company.

Dear Selected Dealer:

In connection with public offerings of securities after the date hereof for which we are acting as manager of an underwriting syndicate or are otherwise responsible for the distribution of securities to the public by means of an offering of securities for sale to selected dealers, you may be offered the right as such a selected dealer to purchase as principal a portion of such securities. This will confirm our mutual agreement as to the general terms and conditions applicable to your participation in any such selected dealer group organized by us as follows.

1. Applicability of this Agreement. The terms and conditions of this Agreement shall be applicable to any public offering of securities (“Securities”), pursuant to a registration statement filed under the Securities Act of 1933 (the “Securities Act”), or exempt from registration thereunder (other than a public offering of Securities effected wholly outside the United States of America), wherein Incapital LLC clearing through BNY Clearing Services, LLC (the “Account”) (acting for its own Account or for the account of any underwriting or similar group or syndicate) is responsible for managing or otherwise implementing the sale of the Securities to selected dealers (“Selected Dealers”) and has expressly informed you that such terms and conditions shall be applicable. Any such offering of Securities to you as a Selected Dealer is hereinafter called an “Offering”. In the case of any Offering where we are acting for the account of any underwriting or similar group or syndicate (“Underwriters”), the terms and conditions of this Agreement shall be for the benefit of, and binding upon, such Underwriters, including, in the case of any Offering where we are acting with others as representatives of Underwriters, such other representatives. The use of the defined term Underwriter shall be understood to include acting as agent.

2. Conditions of Offering; Acceptance and Purchases. Any Offering: (i) will be subject to delivery of the Securities and their acceptance by us and any other Underwriters; (ii) may be subject to the approval of all legal matters by counsel and the satisfaction of other conditions, and (iii) may be made on the basis of reservation of Securities or an allotment against subscription. We will advise you by electronic mail, facsimile or other form of Written Communication (as defined below) of the particular method and supplementary terms and conditions (including, without limitation, the information as to prices and offering date referred to in Section 3(c) hereof) of any Offering in which you are invited to participate. “Written Communication” may include, in the case of any Offering described in Section 3(a) hereof, Additional Information (as defined below) and, in the case of any Offering described in Section or 3(b) hereof, an offering circular) You agree that if we make electronic delivery of a prospectus or an offering circular or any supplement thereto, we have satisfied our obligation, if any, pursuant to Section 3 hereof to deliver to you a prospectus or an offering circular or any supplement thereto. To the extent such supplementary terms and conditions are inconsistent with

any provision herein, such terms and conditions shall supersede any such provision. Unless otherwise indicated in any such Written Communication, acceptances and other communications by you with respect to an Offering should be sent to Incapital LLC, One North LaSalle Street, Suite 3500, Chicago, IL 60602, (Fax: (312) 379-3701). We reserve the right to reject any acceptance in whole or in part. Unless notified otherwise by us, Securities purchased by you shall be paid for on such date as we shall determine, on one day's prior notice to you, by electronic transfer in an amount equal to the Public Offering Prices (as hereinafter defined) or, if we shall so advise you, at such Public Offering Price less the Concession (as hereinafter defined), payable in Federal funds to the order of RBC Dain Correspondent Services clearing for the account of Incapital LLC, against delivery of the Securities. If Securities are purchased and paid for at such Public Offering Price, such Concession will be paid after the termination of the provisions of Section 3(c) hereof with respect to such Securities. Notwithstanding the foregoing, unless notified otherwise by us, payment for and delivery of Securities purchased by you shall be made through the facilities of The Depository Trust Company, if you are a member, unless you have otherwise notified us prior to the date specified in a Written Communication to you from us or, if you are not a member, settlement may be made through a correspondent who is a member pursuant to instructions which you will send to us prior to such specified date.

3. Offering Materials and Arrangements.

(a) Registered Offerings. In the case of any Offering of Securities that are registered under the Securities Act ("Registered Offering"), the following terms shall have the following meanings. The term "Preliminary Prospectus" means any preliminary prospectus relating to the Offering or any preliminary prospectus supplement together with a prospectus relating to the Offering. The term "Prospectus" means the prospectus, together with the final prospectus supplement, if any, relating to the Offering filed or to be filed under Rule 424 of the Securities Act. The term "free writing prospectus" has the meaning set forth in Rule 405 under the Securities Act and the term "Permitted Free Writing Prospectus" means (i) a free writing prospectus authorized for use by us and the issuer in connection with the Offering of the Securities that has been or will be filed with the Commission in accordance with Rule 433(d) of the Securities Act or (ii) a free writing prospectus containing solely a description of terms of the Securities that (a) does not reflect the final terms, (b) is exempt from the filing requirement pursuant to Rule 433(d)(5)(i) and (c) is furnished to you by Incapital LLC. "Additional Information" means the Preliminary Prospectus together with each Permitted Free Writing Prospectus, if any, delivered to you relating to the Offering of Securities. In connection with any Registered Offering, we will provide to you electronically copies of the Additional Information and of the Prospectus (other than in each case information incorporated by reference therein) for the purposes contemplated by the Securities Act and the Securities Exchange Act of 1934 and the applicable rules and regulations of the Securities and Exchange Commission (the "Commission") thereunder and will make available to you such number of copies of the Prospectus as you may reasonably request as soon as practicable after sufficient copies are made available to us by the issuer of the Securities.

You agree that you will not use, authorize use of, refer to, or participate in the planning for use of any written communication (as defined in Rule 405 under the Securities Act) concerning the Offering, any issuer of the Securities, (including, without limitation, any free writing prospectus and any information furnished by us and any issuer of Securities but not incorporated by reference into the Preliminary Prospectus or Prospectus) other than (a) any Preliminary Prospectus or Prospectus or (b) any Permitted Free Writing Prospectus.

## Edgar Filing: DOW CHEMICAL CO /DE/ - Form 8-K

You represent and warrant that you are familiar with the rules relating to the distribution of a Preliminary Prospectus and agree that you will comply therewith. You agree to make a record of your distribution of each Preliminary Prospectus and, when furnished with copies of any revised Preliminary Prospectus, you will, upon our request, promptly forward copies thereof to each person to whom you have theretofore distributed a Preliminary Prospectus.

You agree that in purchasing Securities in a Registered Offering you will rely upon no statement whatsoever, written or oral, other than the statements in the Preliminary Prospectus or final Prospectus delivered to you by us. You will not be authorized by the issuer or other seller of Securities offered pursuant to a prospectus or by any Underwriter to give any information or to make any representation not contained in the prospectus in connection with the sale of such Securities.

(b) Offerings Pursuant to Offering Circular. In the case of any Offering of Securities, other than a Registered Offering, which is made pursuant to an offering circular or other document comparable to a prospectus in a Registered Offering, we shall provide to you electronic copies of each preliminary offering circular, if any, any offering circular supplement and of the final offering circular relating thereto and will make available to you such number of copies of the final offering circular as you may reasonably request as soon as practicable after sufficient copies are made available to us by the issuer of the Securities. You agree that you will comply with the applicable Federal and state laws, and the applicable rules and regulations of any regulatory body promulgated thereunder, governing the use and distribution of offering circulars by brokers or dealers. You agree that in purchasing Securities pursuant to an offering circular you will rely upon no statements whatsoever, written or oral, other than the statements in the preliminary or final offering circular delivered to you by us. You will not be authorized by the issuer or other seller of Securities offered pursuant to an offering circular or by any Underwriter to give any information or to make any representation not contained in the offering circular in connection with the sale of such Securities.

(c) Offer and Sale to the Public. With respect to any Offering of Securities, we will inform you by a Written Communication of the public offering price, the selling concession, the reallowance (if any) to dealers and the time when you may commence selling Securities to the public. After such public offering has commenced, we may change the public offering price, the selling concession and the reallowance to dealers. The offering price, selling concession and reallowance (if any) to dealers at any time in effect with respect to an Offering are hereinafter referred to, respectively, as the "Public Offering Price", the "Concession" and the "Reallowance". With respect to each Offering of Securities, until the provisions of this Section 3(c) shall be terminated pursuant to Section 5 hereof, you agree to offer Securities to the public at no more than the Public Offering Price. If so notified by us, you may sell Securities to the public at a lesser negotiated price than the Public Offering Price, but in an amount not to exceed the "Concession." If a Reallowance is in effect, a reallowance from the Public Offering Price not in excess of such Reallowance may be allowed as consideration for services rendered in distribution to dealers who are actually engaged in the investment banking or securities business, who are either (i) members in good standing of the Financial Industry Regulatory Authority ("FINRA") (former the National Association of Securities Dealers, Inc. ("NASD")) who agree to abide by the applicable rules of FINRA (see Section 4(a) below) or (ii) foreign banks, dealers or institutions not eligible for membership in FINRA who represent to you that they will promptly reoffer such Securities at the Public Offering Price and will abide by the conditions with respect to foreign banks, dealers and institutions set forth in Section 4(a) hereof.

(d) Over-allotment; Stabilization; Unsold Allotments. We may, with respect to any Offering, be authorized to over-allot in arranging sales to Selected Dealers, to purchase and sell Securities for long or short account and to stabilize or maintain the market price of the Securities. You agree that, upon our request at any time and from time to time prior to the termination of the provisions of Section 3(c) hereof with respect to any Offering, you will report to us the amount of Securities purchased by you pursuant to such Offering which then remain unsold by you and will, upon our request at any such time, sell to us for our account or the account of one or more Underwriters such amount of such unsold Securities as we may designate at the Public Offering Price less an amount to be determined by us not in excess of the Concession. If, prior to the later of (i) the termination of the provisions of Section 3(c) hereof with respect to any Offering or (ii) the covering by us of any short position created by us in connection with such Offering for our account or the account of one or more Underwriters, we purchase or contract to purchase for our account or the account of one or more Underwriters in the open market or otherwise any Securities purchased by you under this Agreement as part of such Offering, you agree to pay us on demand an amount equal to the Concession with respect to such Securities (unless you shall have purchased such Securities pursuant to Section 2 hereof at the Public Offering Price in which case we shall not be obligated to pay such Concession to you pursuant to Section 2) plus transfer taxes and broker's commissions or dealer's mark-up, if any, paid in connection with such purchase or contract to purchase.

4. Representations and Warranties.

(a) FINRA. You represent and warrant that you are actually engaged in the investment banking or securities business and either a member in good standing of FINRA or, if you are not such a member, you are a foreign bank, dealer or institution not eligible for membership in FINRA which agrees to make no sales within the United States, its territories or its possessions or to persons who are citizens thereof or residents therein, and in making other sales to comply with FINRA's interpretation with respect to free riding and withholding. You further represent, by your participation in an Offering, that you have provided to us all documents and other information required to be filed with respect to you, any related person or any person associated with you or any such related person pursuant to the supplementary requirements of FINRA's interpretation with respect to review of corporate financing as such requirements relate to such Offering.

You agree that, in connection with any purchase or sale of the Securities wherein a Concession, discount or other allowance is received or granted, (1) you will comply with the provisions of Rule 2740 of the Conduct Rules of the NASD Manual (incorporated in the FINRA Rules) and (2) if you are a non-FINRA member broker or dealer in a foreign country, you will also comply (a), as though you were a FINRA member, with the provisions of Rules 2730, 2740, 2750, and 2790 of the Conduct Rules of the NASD Manual and (b) with Rule 2420 thereof as that section applies to a non-FINRA member broker or dealer in a foreign country.

You further agree that, in connection with any purchase of securities from us that is not otherwise covered by the terms of this Agreement (whether we are acting as manager, as a member of an underwriting syndicate or a selling group or otherwise), if a selling Concession, discount or other allowance is granted to you, clauses (1) and (2) of the preceding paragraph will be applicable.

(b) Relationship among Underwriters and Selected Dealers. We may buy Securities from or sell Securities to any Underwriter or Selected Dealer and, without consent, the Underwriters (if any) and the Selected Dealers may purchase Securities from and sell Securities to each other at the Public Offering

Price less all or any part of the Concession. Unless otherwise specified in a separate agreement between you and us, this agreement does not authorize you to act as agent for: (i) us; (ii) any Underwriter; (iii) the issuer; or (iv) other seller of any Securities in offering Securities to the public or otherwise. Neither we nor any Underwriter shall be under any obligation to you except for obligations assumed hereby or in any Written Communication from us in connection with any Offering. Nothing contained herein or in any Written Communication from us shall constitute the Selected Dealers an association or partners with us or any Underwriter or with one another. If the Selected Dealers, among themselves or with the Underwriters, should be deemed to constitute a partnership for Federal income tax purposes, then you elect to be excluded from the application of Subchapter K, Chapter 1, Subtitle A of the Internal Revenue Code of 1986 and agree not to take any position inconsistent with that election. You authorize us, in our discretion, to execute and file on your behalf such evidence of that election as may be required by the Internal Revenue Service. In connection with any Offering, you shall be liable for your proportionate amount of any tax, claim, demand or liability that may be asserted against you alone or against one or more Selected Dealers participating in such Offering, or against us or the Underwriters, based upon the claim that the Selected Dealers, or any of them, constitute an association, an unincorporated business or other entity, including, in each case, your proportionate amount of any expense incurred in defending against any such tax, claim, demand or liability.

(c) Role of Incapital; Legal Responsibility. Incapital is acting as representative of each of the Underwriters in all matters connected with the Offering of the Securities and with the Underwriters' purchases (or solicitation for purchase) of the Securities. The rights and liabilities of each Underwriter of Securities and each Selected Dealer shall be several and not joint. Incapital, as such, shall have full authority to take such action as it deems advisable in all matters pertaining to the Offering of the Securities or arising under this Agreement. Incapital will have no liability to any Selected Dealer for any act or omission except for obligations expressly assumed by it hereunder, and no obligations on the part of Incapital will be implied hereby or inferred herefrom.

(d) Blue Sky Laws. Upon application to us, we shall inform you as to any advice we have received from counsel concerning the jurisdictions in which Securities have been qualified for sale or are exempt under the securities or blue sky laws of such jurisdictions, but we do not assume any obligation or responsibility as to your right to sell Securities in any such jurisdiction.

(e) U.S. Patriot Act/Office of Foreign Asset Control (OFAC). You represent and warrant, on behalf of yourself and any subsidiary, affiliate, or agent to be used by you in the context of this Agreement, that you and they comply and will comply with all applicable rules and regulations of the Office of Foreign Assets Control of the U.S. Department of the Treasury and all applicable requirements of the U.S. Bank Secrecy Act and the USA PATRIOT Act and the rules and regulations promulgated thereunder.

(f) Cease and Desist Proceedings. You represent and warrant that you are not the subject of a pending proceeding under Section 8A of the Securities Act in connection with the Offering.

5. Indemnification. You hereby agree to indemnify and hold us harmless and to indemnify and hold harmless the Issuers, any Underwriter and any of our affiliates from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any

action or claim) caused by your failure or the failure of any other subsidiary, affiliate or agent of yours or the failure of any Selling Agent of yours to offer or sell the Securities in compliance with any applicable law or regulation, to comply with the provisions hereof including, but not limited to, any actual or alleged breach or violation of any representations and warranties contained herein or to obtain any consent, approval or permission required in connection with the distribution of the Securities.

6. Termination, Supplements and Amendments. This Agreement shall continue in full force and effect until terminated by a written instrument executed by each of the parties hereto. This Agreement may be supplemented or amended by us by written notice thereof to you, and any such supplement or amendment to this Agreement shall be effective with respect to any Offering to which this Agreement applies after the date of such supplement or amendment. Each reference to "this Agreement" herein shall, as appropriate, be to this Agreement as so amended and supplemented. The terms and conditions set forth in Section 3(c) hereof with regard to any Offering will terminate at the close of business on the 30th day after the commencement of the public offering of the Securities to which such Offering relates, but in our discretion may be extended by us for a further period not exceeding 30 days and in our discretion, whether or not extended, may be terminated at any earlier time.

7. Successors and Assigns. This Agreement shall be binding on, and inure to the benefit of, the parties hereto and other persons specified in Section 1 hereof, and the respective successors and assigns of each of them.

8. Governing Law. This Agreement and the terms and conditions set forth herein with respect to any Offering together with such supplementary terms and conditions with respect to such Offering as may be contained in any Written Communication from us to you in connection therewith shall be governed by, and construed in accordance with, the laws of the State of Illinois.

Please confirm by signing and returning to us the enclosed copy of this Agreement that your subscription to, or your acceptance of any reservation of, any Securities pursuant to an Offering shall constitute (i) acceptance of and agreement to the terms and conditions of this Agreement (as supplemented and amended pursuant to Section 4 hereof) together with and subject to any supplementary terms and conditions contained in any Written Communication from us in connection with such Offering, all of which shall constitute a binding agreement between you and us, individually or as representative of any Underwriters, (ii) confirmation that your representations and warranties set forth in Sections 3 and 4 hereof are true and correct at that time, (iii) confirmation that your agreements set forth in Sections 2 and 3 hereof have been and will be fully performed by you to the extent and at the times required thereby and (iv) in the case of any Offering described in Section 3(a) and 3(b) hereof, acknowledgment that you have requested and received from us sufficient copies of the final prospectus or offering circular, as the case may be, with respect to such Offering in order to comply with your undertakings in Section 3(a) or 3(b) hereof.

**THE DOW CHEMICAL COMPANY**

**DOW INTERNOTES<sup>SM</sup>**

1. General. This Note is one of a duly authorized issue of securities (herein called the "Securities") of the Company, issued and to be issued in one or more series under an Indenture, dated as of May 1, 2008 (the "Indenture"), between the Company and The Bank of New York Mellon Trust Company, N.A. (herein called the "Trustee", which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the Securities of the series designated on the face hereof. The Securities of this series may bear different dates, mature at different times and bear interest at different rates. The Securities of this series may be issued from time to time in an aggregate principal amount of up to \$500,000,000 (including in such amount the offering price of any such Securities sold at a discount), which amount may be increased if duly authorized by the Company.

2. Redemption at the Option of the Company. Unless a Redemption Right is specified on the face hereof, this Security shall not be redeemable at the option of the Company before the Maturity Date specified on the face hereof. If a Redemption Right is so specified, this Security may be redeemed at the option of the Company on any Interest Payment Date on and after the date, if any, specified on the face hereof (each, a "Redemption Date"). This Security may be redeemed on any Redemption Date in whole or in part in increments of \$1,000 (an "Authorized Denomination") at the option of the Company at a redemption price equal to 100% of the principal amount to be redeemed, together with accrued interest to the Redemption Date, on written notice given not more than 60 days nor less than 30 days prior to the proposed Redemption Date. In the event of redemption of this Security in part only, a new Security for the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the surrender hereof.

3. Repayment at the Option of the Holder. Unless a Repayment Right is specified on the face hereof, this Security shall not be repayable at the option of the Holder on any date prior to the Maturity Date specified on the face hereof, other than in connection with any applicable Survivor's Option (defined below). If a Repayment Right is so specified, this Security is subject to repayment at the option of the Holder on any Interest Payment Date on and after the date, if any, indicated on the face hereof (each, a "Repayment Date"). On any Repayment Date this Security shall be repayable in whole or in part in increments of \$1,000 at the option of the Holder hereof at a repayment price equal to 100% of the principal amount to be repaid, together with accrued interest thereon to the Repayment Date. In order for a Security to be repaid in whole or in part at the option of the Holder, the Trustee must receive, at the Corporate Trust Office, or such other office of which the Company shall from time to time notify the holders of the Securities, at least 30 but not more than 60 days prior to the Repayment Date on which this Security is to be repaid, this Security with the form entitled "Option to Elect Repayment" below duly completed. Once this Security is delivered for repayment, the Holder may not revoke its exercise of the repayment option.

## Edgar Filing: DOW CHEMICAL CO /DE/ - Form 8-K

4. Repayment Upon Death. If the Survivor's Option is affirmatively specified on the face hereof, the Holder of the Security shall have the right to require the Company to repay a Security prior to its maturity date upon the death of the beneficial owner of the Security as described below. The Company calls this right the "Survivor's Option."

Upon exercise of the Survivor's Option, the Company will, at its option, either repay or repurchase any Security (or portion thereof) properly tendered for repayment by or on behalf of the person (the "Representative") that has authority to act on behalf of the deceased beneficial owner of the Security at a price equal to the sum of:

100% of the principal amount of the deceased beneficial owner's beneficial interest in such Security, and accrued and unpaid interest, if any, to the date of such repayment or repurchase,

subject to the following limitations.

The Survivor's Option may not be exercised unless the Security was owned by the beneficial owner or the estate of that beneficial owner at least six months prior to such exercise. In addition, the Company may limit the aggregate principal amount of Securities as to which the Survivor's Option may be exercised as follows:

In any calendar year, the Company may, in its sole discretion, limit the aggregate principal amount to the greater of 2% of the outstanding aggregate principal amount of the Securities as of December 31 of the most recently completed calendar year or \$2,000,000. The Company calls this limitation the "annual put limitation." For any individual deceased beneficial owner of Securities, the Company may limit the aggregate principal amount to \$250,000 for any calendar year. The Company calls this limitation the "individual put limitation."

The Company will not make principal repayments pursuant to the exercise of the Survivor's Option except in principal amounts of \$1,000 and multiples of \$1,000. If the limitations described above would result in the partial repayment of any Security, the principal amount of the Security remaining outstanding after repayment must be at least \$1,000.

An otherwise valid election to exercise the Survivor's Option may not be withdrawn. Each Security (or portion thereof) tendered pursuant to a valid exercise of the Survivor's Option will be accepted in the order all such Securities are received by the Trustee, unless the acceptance of that Security would contravene the annual put limitation or the individual put limitation. If, as of the end of any calendar year, the aggregate principal amount of Securities (or portions thereof) that have been tendered pursuant to the valid exercise of the Survivor's Option during that year has exceeded either the annual put limitation or the individual put limitation for that year, any exercise(s) of the Survivor's Option with respect to Securities (or portions thereof) not accepted during such calendar year because such acceptance would have contravened either such limitation shall be deemed to be tendered in the following calendar year in the order all such Securities (or portions thereof) were originally tendered.

## Edgar Filing: DOW CHEMICAL CO /DE/ - Form 8-K

Any Security (or portion thereof) accepted for repayment or repurchase pursuant to exercise of the Survivor's Option will be repaid or repurchased on the first Interest Payment Date to occur at least 20 calendar days after the date of acceptance. If that date is not a Business Day, payment will be made on the next succeeding Business Day. In the event that a Security (or any portion thereof) tendered for repayment or repurchase pursuant to valid exercise of the Survivor's Option is not accepted, the Trustee will deliver a notice by first-class mail to the registered Holder, at that Holder's last known address as indicated in the Security register, that states the reason that the Security (or portion thereof) has not been accepted for repayment.

Subject to the foregoing, in order to validly exercise a Survivor's Option, the Trustee must receive from the representative of the deceased beneficial owner:

appropriate evidence satisfactory to the Trustee (A) that the deceased was the beneficial owner of such Security at the time of death and the interest in such Security was owned by the deceased beneficial owner or his or her estate at least six months prior to the request for repayment or purchase, (B) that the death of such beneficial owner has occurred, (C) of the date of such death, and (D) that the Representative has authority to act on behalf of the deceased beneficial owner;

if the interest in the Security is held by a nominee of the deceased beneficial owner, a certificate satisfactory to the Trustee from such nominee attesting to the deceased's beneficial ownership of the Security;

## Edgar Filing: DOW CHEMICAL CO /DE/ - Form 8-K

The death of a person holding a beneficial interest in a Security as a joint tenant or tenant by the entirety with another person, or as a tenant in common with the deceased Holder's spouse, will be deemed the death of the beneficial owner of the Security, and the entire principal amount of the Security so held will be subject to the Survivor's Option. The death of a person holding a beneficial interest in a Security as a tenant in common with a person other than such deceased Holder's spouse will be deemed the death of the beneficial owner of a Security only with respect to the deceased Holder's interest in the Security. The death of a person who, during his or her lifetime, was entitled to substantially all of the beneficial interests of ownership of a Security will be deemed the death of the beneficial owner for purposes of the Survivor's Option, regardless of the registered Holder of the Security, if such beneficial interest can be established to the satisfaction of the Trustee. Such beneficial interest will be deemed to exist in typical cases of nominee ownership, ownership under the Uniform Transfers to Minors Act or Uniform Gifts to Minors Act, community property or other joint ownership arrangements between a husband and wife and custodial and trust arrangements where one person has substantially all of the beneficial ownership interest in the Security during his or her lifetime.

For Securities represented by a Global Security, the Depository or its nominee shall be the holder of such Security and therefore shall be the only entity that can exercise the Survivor's Option for such Security. To obtain repayment or repurchase pursuant to exercise of the Survivor's Option with respect to such Security, the Representative must provide to the broker or other entity through which the beneficial interest in such Security is held by the deceased beneficial owner (i) the documents described in the third preceding paragraph and (ii) written instructions to such broker or other entity to notify the Depository of such Representative's desire to obtain repayment or repurchase pursuant to exercise of the Survivor's Option. Such broker or other entity shall provide to the Trustee (i) the documents received from the Representative referred to in clause (i) of the preceding sentence and (ii) a certificate satisfactory to the Trustee from such broker or other entity stating that it represents the deceased beneficial owner. Such broker or other entity shall be responsible for disbursing any payments it receives pursuant to exercise of the Survivor's Option to the appropriate Representative.

5. Events of Default. If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

6. Modifications and Waivers; Obligation of the Company Absolute. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of at least a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Security at the times, places and rate, and in the coin or currency, herein prescribed.

7. Authorized Denominations. The Securities are issuable in registered form, without coupons, in denominations of \$1,000 and any integral multiple of \$1,000 in excess thereof. As provided in the Indenture, and subject to certain limitations therein set forth and to the limitations described below, if applicable, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

8. Registration of Transfer. As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security register upon surrender of this Security for registration of transfer at the office or agency of the Company maintained for that purpose in the City of Chicago, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the securities registrar (which shall initially be the Trustee, The Bank of New York Mellon Trust Company, N.A., Two North LaSalle Street, Chicago, Illinois 60602 (Attention: Corporate Trust Department) or at such other address as it may designate as its principal corporate trust office in the City of Chicago), duly executed by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

**This Security is exchangeable only if (x) the Depository notifies the Company that it is unwilling or unable to continue as Depository for this Security or if at any time the Depository ceases to be a clearing agency registered under the Securities Exchange Act of 1934, as amended, (y) the Company in its sole discretion determines that this Security shall be exchangeable for certificated Securities in registered form or (z) an Event of Default, or an event which with the passage of time or the giving of notice would become an Event of Default, with respect to the Securities represented hereby has occurred and is continuing, provided that the definitive Securities so issued in exchange for this permanent Security shall be in denominations of \$1,000 and any integral multiple of \$1,000 in excess thereof and be of like aggregate principal amount and tenor as the portion of this permanent Security to be exchanged, and provided further that, unless the Company agrees otherwise, Securities of this series in certificated registered form will be issued in exchange for this permanent Security, or any portion hereof, only if such Securities in certificated registered form were requested by written notice to the Trustee or the Securities Registrar by or on behalf of a person who is beneficial owner of an interest hereof given through the Holder hereof. Except as provided above, owners of beneficial interests in this permanent Security will not be entitled to receive physical delivery of Securities in certificated registered form and will not be considered the Holders thereof for any purpose under the Indenture.**

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

9. Owners. Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

10. No Recourse Against Certain Persons. No recourse for the payment of the principal or interest on this Security, or for any claim based hereon or otherwise in respect hereof, and no recourse under or upon any obligation, covenant or agreement of the Company in the Indenture or any Supplemental Indenture thereto or in any Security, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation of either of them, either directly or through the Company or any successor corporation of either of them, whether by virtue of any constitution, statute or rule or law or by the enforcement of any assessment or penalty or otherwise, all such liability being by the acceptance hereof and as a condition of and as part of the consideration for the issue hereof, expressly waived and released.

11. Defeasance. The Indenture with respect to any series will be discharged and cancelled except for certain Sections thereof, subject to the terms of the Indenture, upon payment of all of the Securities of such series or upon the irrevocable deposit with the Trustee of cash or U.S. Government Obligations (or a combination thereof) sufficient for such payment in accordance with Article Ten of the Indenture.

12. Governing Law. The Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York.

13. Defined Terms. All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

**Exhibit 5.1**

November 6, 2009

The Dow Chemical Company

2030 Dow Center

Midland, Michigan 48674

Ladies and Gentlemen:

I am Associate General Counsel—Corporate Transactions of The Dow Chemical Company, a Delaware corporation (the “Company”), and I have supervised the legal and corporate proceedings of the Company relating to the issuance and sale by the Company of up to U.S. \$500,000,000 of the Company’s Dow InterNotes® (the “Securities”), pursuant to the Indenture dated as of May 1, 2008 (the “Indenture”), between the Company, as issuer, and The Bank of New York Mellon Trust Company, N.A. as trustee (the “Trustee”).

In rendering the opinions expressed below, I have supervised the examination of the following:

- (i) the Restated Certificate of Incorporation of the Company and all amendments thereto;
- (ii) the Bylaws of the Company and all amendments thereto;
- (iii) the Indenture; and
- (iv) the selling agent agreement, dated November 6, 2009, among the Company and Banc of America Securities LLC, Incapital LLC, Charles Schwab & Co., Inc., Citigroup Global Markets Inc., Morgan Stanley & Co. Incorporated, UBS Securities LLC and Wells Fargo Advisors, LLC, as agents (the “Selling Agent Agreement”).

I have also supervised the examination of originals or certified copies of resolutions of the Board of Directors of the Company and such other documents, corporate records, certificates of public authorities, and other documents and instruments as I have deemed necessary or advisable for the purpose of rendering the opinions hereinafter expressed. In such examination, I have assumed (i) the due execution and delivery, pursuant to due authorization, of the Selling Agent Agreement and the Indenture by all parties thereto other than the Company, (ii) the genuineness of all signatures (other than signatures on behalf of the Company), (iii) the authenticity of all documents submitted as originals and the conformity to originals of documents submitted as copies, and (iv) the legal capacity of all natural persons, other than persons signing on behalf of the Company, executing the Selling Agent Agreement and the Indenture. As to various questions of fact that are material to the opinions hereinafter expressed, I have, when such facts were not independently established by me or members of the legal staff reporting to me, relied upon the representations and certificates of officers of the Company and of public officials.

Based upon the foregoing and upon such investigations as I have deemed necessary, and subject to the qualifications hereinafter set forth, it is my opinion that:

- (i) the Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Delaware.
- (ii) the Securities have been duly authorized and, when the terms of the Securities have been established and when the Securities have been completed, executed, authenticated and delivered in accordance with the provisions of the Indenture, the applicable resolutions of the Company’s Board of Directors and the Selling Agent Agreement against payment of the consideration therefor, will constitute legal, valid and binding obligations of the Company entitled to the benefits of the Indenture.
- (iii) the Indenture has been duly authorized, executed and delivered by the Company and (assuming due authorization, execution, and delivery by the Trustee) constitutes a valid and legally binding agreement of the Company, enforceable in accordance with its terms except as the same may be limited by bankruptcy, insolvency, reorganization or other laws of general applicability relating to or affecting the enforcement of creditors’ rights and to general equity principles.

Edgar Filing: DOW CHEMICAL CO /DE/ - Form 8-K

I do not purport to be an expert on, or to express any opinion concerning matters under or involving any law other than the law of the State of Michigan, the law of the State of New York, the General Corporation Law of the State of Delaware (which includes applicable provisions of the Delaware Statutes and the Delaware Constitution and reported judicial decisions interpreting those laws) and applicable federal law of the United States of America. The opinions expressed in this letter are based upon the laws in effect on the date hereof, and I assume no obligation to revise or supplement this opinion should such laws be changed by legislative action, judicial decision, or otherwise.

I hereby consent to the incorporation by reference of this opinion as an exhibit to the Company's Form S-3 Registration Statement (No: 333-140859) and to the reference to me under the caption "Legal Matters" in the Registration Statement.

Very truly yours,

/s/ Duncan A. Stuart
