Item 3. Source and Amount of Funds or Other Consideration.

Please refer to Item 4.

Item 4. Purpose of Transaction.

Item 4 is hereby amended and supplemented by adding the following:

As previously disclosed, certain of the Reporting Persons have for some time intended to engage in a transaction in which SPHC would sell to AMC all of the Class A Common Stock of the Company owned by it. SPHC would dividend the funds received from AMC to ASARCO, and ASARCO would use the proceeds to repay debt and to fund a trust created pursuant to a consent decree approved by the United States District Court for the District of Arizona on February 2, 2003 (the "Consent Decree"). To complete this transaction, AMC intends to borrow the funds. Pursuant to the terms of the Consent Decree, AMC, ASARCO, SPHC and SPHC II Incorporated, a wholly-owned subsidiary of AMC ("SPHC II"), have agreed to enter into a Stock Purchase Agreement (the "Stock Purchase Agreement") with respect to the sale by SPHC of all of its Class A Common Stock to AMC for consideration of \$765.0 million in

Edgar Filing: ASARCO INC - Form SC 13D/A

a combination of cash, promissory notes and cancellation of indebtedness. A form of the Stock Purchase Agreement is attached as Exhibit 1 hereto and is incorporated herein by reference. ASARCO would continue to be a wholly-owned subsidiary of AMC and Grupo Mexico after that sale. If the transaction is completed, it is intended that the shares of Class A Common Stock would be pledged to certain of AMC's lenders.

Consummation of the transactions contemplated by the Stock Purchase Agreement will be subject to the receipt by AMC of financing and certain other customary conditions. There can be no assurance as to whether, and if so, when the Stock Purchase Agreement might be signed and, if signed, whether the transactions contemplated by the Stock Purchase Agreement will be consummated. The effect that the transactions contemplated by the Stock Purchase Agreement may have on the Company and its operations (and on any other interest the Reporting Persons have in the Company) will remain subject to the consummation of the transactions contemplated by the Stock Purchase Agreement.

The Reporting Persons may also from time to time acquire, purchase or sell shares of Common Stock in the open market, in privately negotiated transactions or otherwise, hold such shares or propose changes in the membership of the Board of Directors, as the Reporting Persons may determine at any such time based upon its evaluation of the Company's businesses and prospects, alternative investment opportunities and all other factors deemed relevant. Except as described in this Item 4, as of the date of this statement none of the Reporting Persons has any plans or has made any proposals that relate to or would result in any action enumerated in Items 4(a) through (j) of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

Item 5 is hereby amended and supplemented by the following:

The Reporting Persons beneficially own 43,348,949 shares of Class A Common Stock, which are convertible on a one-to-one basis into shares of Common Stock, representing approximately 65.8% of the issued and outstanding shares of Class A Common Stock and approximately 54.2% of the issued and outstanding Common Stock (assuming conversion of all outstanding shares of Class A Common Stock into Common Stock on a one-to-one basis).
