**INDEPENDENT AUDITORS REPORT**

The UARCO Savings Advantage 401(k) Plan

Dayton, Ohio

We have audited the accompanying statement of net assets available for benefits of the UARCO Savings Advantage 401(k) Plan as of December 31, 2002 and 2001, and the related statement of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2002 and 2001, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2002**

## **NOTE 1 DESCRIPTION OF PLAN**

The following is a general description of the UARCO Savings Advantage 401(k) Plan (Plan). For a more complete description of the Plan's provisions, participants should refer to the Summary Plan Description.

### **General**

The Plan was established June 1, 1988, by UARCO Incorporated (the Company) for eligible employees of the Company and its domestic subsidiaries. The purpose of the Plan is to encourage those employees to provide for their financial security through regular savings and to assist them through matching contributions from the Company.

On December 31, 1997 all of the outstanding shares of the Company were purchased by The Standard Register Company (SRC). The Company operated as a wholly owned subsidiary of SRC for three months until it was merged into SRC, effective March 31, 1998.

Effective April 1, 1998, all UARCO Incorporated employees were employed by SRC and enrolled into the Standard Register Employee Savings Plan. No further Company or SRC contributions to the UARCO Savings Advantage 401(k) Plan are planned. Although the Plan no longer has any active employees, the Plan will accept rollover contributions.

### **Eligibility**

Employees are eligible to participate in the Plan if they were employees of the Company or its domestic subsidiaries and had completed at least one year of service of at least 1,000 hours.

### **Contributions**

Participants were able to contribute up to 15% of pretax compensation, and up to 20% of compensation equal to any whole percentage of such compensation per payroll period. The sponsor was permitted to make discretionary matching contributions. Effective April 1, 1998, all of the employees of UARCO Incorporated were employed by the Standard Register Company and enrolled in the Standard Register Employee Savings Plan. No further participant contributions to the UARCO Savings Advantage 401(k) Plan are planned.

All pretax contributions are considered tax-deferred under sections 401(a) and 401(k) of the Internal Revenue Code.

Participants were always fully vested in their own contributions, plus earnings thereon. Effective April 1, 1998, participants became fully vested in all Company matching contributions.

### **Loans**

Participants are eligible to borrow against the balances in their accounts, subject to limits established by the IRS. Participants may borrow 50% of their vested balance up to \$50,000. The minimum loan is \$750. Repayment of a long-term loan may not exceed 15 years. Repayment is intended to be made via payroll deductions. Interest is assessed at a rate, which is equal to 1% above prime at the time of the loan origin.

## **NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

### **Distributions**

Distributions under the Plan are made through either lump sum payments, installment payments, or the purchase of a fixed annuity contract. Distributions are not permitted while the participants are employed by SRC, except for Hardship as defined by the IRS, when employees reach age 59½ or become disabled, and distributions of after-tax contributions and rollovers. Participants who have terminated or retired may elect an immediate distribution or may defer this distribution up to age 70½ if the fund balance is at least \$3,500.

## **NOTE 2 SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual method of accounting.

**Payment of Benefits**

Benefits are recorded when paid.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**Administrative Expenses**

Substantially all administrative expenses are paid by SRC.

**Plan Trustee**

Investments are held by T. Rowe Price Trust Company, the Plan's trustee.

**NOTE 3 PLAN TERMINATION**

Subject to certain limitations, the SRC can amend, modify, or discontinue the Plan. If SRC should decide to discontinue the Plan, the trustee shall perform a valuation of each participant's account as of the termination date, and the participant accounts will be adjusted by SRC in accordance with the provisions of the Plan. Distributions will be made by the trustee in accordance with the provisions of the Plan.

**NOTE 4 INCOME TAX STATUS**

The Internal Revenue Service ruled April 2, 2001, that the Plan, as then designed, was qualified under section 401(a) of the Internal Revenue Code (IRC). The Plan document has been restated since receiving the determination from the IRS and has not yet received a determination for the restated plan. The Plan Administrator believes that the Plan, as restated, is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**NOTE 5 INVESTMENTS**

T. Rowe Price Associates, Inc. mutual funds and Standard Register Company common stock are stated at fair value as determined by the market values of the underlying securities. Participant loans are stated at cost, which approximates fair value.

During 2002 and 2001, the Plan's investments (including investments bought, sold, as well as held, during the period) depreciated in fair value by a net \$6,036,230 and \$4,450,736 respectively, as follows:

Standard Register Company common stock	<u>(21,417)</u>	<u>27,777</u>
Total	\$ (6,036,230)	\$ (4,450,736)
	=====	=====

**NOTE 6 CONCENTRATIONS OF INVESTMENT RISK**

The fair value of individual investments that represent 5% or more of the Plan's assets as of December 31 are as follows:

**INDEPENDENT AUDITORS' REPORT**  
**ON SUPPLEMENTAL INFORMATION**

The UARCO Savings Advantage 401(k) Plan

Dayton, Ohio

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of assets held for investment purposes are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.
