PRESS RELEASE

FOR IMMEDIATE RELEASE

**CGI-AMS selected by the U.S. Department of Justice
for information technology support services contract (ITSS-3)**

Fairfax, Virginia November 8, 2004 CGI-AMS, part of CGI Group Inc. (TSX: GIB.A; NYSE: GIB), is pleased to announce that it is one of twelve companies selected to provide information technology support services under the U.S. Department of Justice's Information Technology Support Services (ITSS-3) contract. Work will be done under ITSS-3, a multiple-agency, indefinite delivery indefinite quantity (IDIQ) contract, through competitively awarded task orders potentially worth US\$980 million over the duration of the seven-year contract. Task orders can range from support pertaining to information security, systems design, data warehousing and records management.

We are very excited about being selected for ITSS-3 and look forward to the opportunity to contribute to the success of this contract. In pre-selecting a group of IT suppliers, the Department is narrowing the field to ensure rapid adoption of new technology and enhanced ways of effectively managing information throughout the federal government. We feel confident that we will offer significant business benefits to our clients given our long and deep roots serving the government sector for over 30 years," said Donna Morea, president of CGI-AMS.
