FOR IMMEDIATE RELEASE  
MARCH 18, 2004

OBSIDIAN ENTERPRISES (OTCBB: OBDE) INCREASES OFFER FOR NET PERCEPTIONS  
(NASDAQ: NETP) AND ANNOUNCES EXTENSION OF THE EXCHANGE OFFER

INDIANAPOLIS, March 18, 2004 -- Obsidian Enterprises, Inc. (OTCBB: OBDE), a holding company headquartered in Indianapolis, announced today that it will increase its offer to provide shareholders of Net Perceptions, Inc. (Nasdaq: NETP) the opportunity to receive twenty-five cents (\$0.25) per share in cash and three one-hundredths (3/100) share of Obsidian common stock for each share of Net Perceptions common stock. The new offer represents an increase in the cash consideration of five cents (\$0.05) per share over the existing offer.

Commenting on these developments, Timothy S. Durham, CEO of Obsidian stated "We believe Net Perceptions' Board of Directors and management are out of touch with their shareholder base as reflected by Net Perceptions' inability to get a quorum at its recently scheduled special meeting more than 150 days after announcing its intentions to pursue a Plan of Liquidation. Net Perceptions' directors and management have obviously not offered a compelling alternative and continue to refuse to let the owners of Net Perceptions make the ultimate decision of ownership--the decision to sell."

Obsidian also announced that it has extended its exchange offer until 5:00 p.m., New York City time, on Wednesday, April 7, 2004. In connection with the extension, Obsidian announced that one condition to the exchange offer, that Net Perceptions not take further action in connection with its proposed plan of liquidation, has been waived, but only to the extent of actions taken to date. Other terms and conditions of the exchange offer remain unchanged.

Obsidian commenced its offer on December 15, 2004. Obsidian currently does not own any of the outstanding shares of Net Perceptions. The offer was scheduled to expire at 5:00 p.m., New York City time, on March 17, 2004. As of the close of business on March 17, 2004, based on information received from the exchange agent, approximately 1,135,149 Net Perceptions shares had been deposited.

The offer is subject to certain conditions, including that:

- o Net Perceptions takes appropriate action to cause its poison pill to not be applicable to the offer;
- o Obsidian be satisfied that Section 203 of the Delaware General Corporation Law will not be applicable to the contemplated second-step merger;
- o stockholders tender at least 51% of the outstanding shares of common stock of Net Perceptions; and
- o Net Perceptions not take any further
