Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 3, 2018, the shareholders of Horizon Bancorp (“Horizon” or the “Company”) approved the Horizon Bancorp Amended and Restated 2013 Omnibus Equity Incentive Plan (the “Amended 2013 Omnibus Plan”) by a majority of votes cast at the 2018 Annual Meeting of Shareholders. The Amended 2013 Omnibus Plan was adopted by the Board of Directors on December 19, 2017, subject to the approval of the shareholders at the Annual Meeting, as previously announced by the Company in a Current Report on Form 8-K filed on December 21, 2017, and the definitive proxy statement filed by Horizon on March 16, 2018.

A brief description of the Amended 2013 Omnibus Plan approved by the shareholders follows.

The Amended 2013 Omnibus Plan has been adopted as an equity-based incentive compensation plan designed to further the growth and financial success of Horizon by aligning the interests of directors, officers and employees with the interests of shareholders through awards of common shares and other equity incentives.

The Amended 2013 Omnibus Plan is effective for a ten-year term that commenced on February 1, 2013. The Amended 2013 Omnibus Plan is administered by the Compensation Committee of the Company’s Board of Directors and provides for the grant of incentive and nonqualified stock options, stock appreciation rights, restricted stock, performance shares and performance units. Also, as a result of the amendments approved at the Annual Meeting by the shareholders, the Compensation Committee may now grant “Other Stock-Based Awards.” “Other Stock-Based Awards” refers to any other type of award involving Horizon’s common shares and any award that is valued in whole or in part by reference to Horizon’s common shares. Similar to other types of equity incentive awards historically available under the Amended 2013 Omnibus Plan, any Other Stock-Based Awards granted by the Compensation Committee of the Board will be subject to the terms and conditions determined by the Compensation Committee in the individual award agreements. The primary reason for the addition of Other Stock-Based Awards is to provide Horizon with the option to fund any common stock requirements of its deferred compensation plans, including the Supplemental Executive Retirement Plan.

Employees of the Company and its affiliates and non-employee directors of the Company are eligible to receive awards under the Amended 2013 Omnibus Plan. The Compensation Committee selects the participants based on their functions and responsibilities, the value of the services they provide to the Company and other factors that the Committee deems relevant.

The shares authorized for issuance under the Amended 2013 Omnibus Plan consist of shares rolled over from the now-expired Horizon Bancorp 2003 Omnibus Equity Incentive Plan (the “2003 Plan”), plus additional shares, for a total of 1,037,550 shares (adjusted from 691,700 as result of the 3-for-2 stock split November 14, 2016). The number of shares authorized for issuance may be increased under limited circumstances, such as if shares issued under the 2003 Plan are forfeited, cancelled or expire before exercised in the future. The Amended 2013 Omnibus Plan limits the number of shares available for incentive stock options to 150,000 and for non-option awards to 600,000 (as adjusted for the stock split).

Performance shares will become earned and vested for a performance period to the extent (a) the set performance goals are satisfied, (b) the participant is actively employed on the last day of the performance period (unless, during the performance period, he or she terminates employment due to death, permanent and total disability, retirement or there is a change in control), and (c) they have been held for at least one year. If the performance goals are not satisfied, those performance shares eligible to be earned and vested during such performance period will be forfeited effective as of the last day of the performance period.

Incentive stock options and nonqualified stock options will become vested and exercisable in accordance with the vesting schedule included in the grant agreements, subject to a three-year minimum vesting period instituted by the Compensation Committee. A 2018 amendment to the Amended 2013 Omnibus Plan approved by the shareholders at the Annual Meeting clarifies that incentive stock options cannot be exercised more than three months after the participant’s termination of service for any reason other than as a result of disability or death, or one year after the participant’s termination of service due to disability or death. The references to death were added.

The above discussion contains only a brief description of the Amended 2013 Omnibus Plan and is qualified in its entirety by reference to the complete Amended 2013 Omnibus Plan available as Appendix B to Horizon’s definitive

- Horizon will change its corporate name from “Horizon Bancorp” to “Horizon Bancorp, Inc.” (Section 1.1).

A complete copy of the Amended Articles of the Company is attached hereto as [Exhibit 3.1](#).
