ITEM 5. OTHER EVENT

United Energy Corp. ("United Energy") entered into a financing transaction with Laurus Master Fund, Ltd. ("Laurus") as of March 24, 2004, providing up to \$1.75 million in financing. Under the arrangement, United Energy issued a \$1,750,000 secured convertible term note at a conversion price of \$1.00 per share to Laurus (the "Term Loan"). Laurus was also issued warrants to purchase up to 300,000 shares of United Energy's common stock.

The Term Loan has a term of three years and accrues interest at the greater of the prime rate of interest (as published in The Wall Street Journal) or 4% per annum. Interest shall be payable monthly in arrears commencing on May 1, 2004, and on the first day of each consecutive calendar month thereafter. Monthly amortization payments shall commence on October 1, 2004, at the rate of

\$58,333.00.

The interest rate is subject to adjustment in .25% increments on a month by month basis if specified conditions are met (including that the common stock underlying the conversion of the convertible term note and the warrant issued to Laurus are registered with the U.S. Securities and Exchange Commission and whether and to what extent the average price of the stock exceeds or is less than the fixed conversion price).

Laurus also has the option to convert all or a portion of the Term Loan into shares of United Energy's common stock at any time, subject to specified limitations, at a fixed conversion price of \$1.00 per share. The Term Loan is secured by a first lien on all United Energy's assets. In connection with the Term Loan, Laurus was paid a fee of \$61,250 and received a seven-year warrant to purchase up to 300,000 shares of United Energy's common stock at prices ranging from \$1.25 per share to \$1.75 per share. All stock conversion prices and exercise prices are subject to adjustment for stock splits, stock dividends or similar events.

United Energy agreed to file a registration statement with the U.S. Securities and Exchange Commission covering the shares issuable upon conversion of the Term Loan and the exercise of Laurus' warrants.

The principal documents involved in the transaction are a Securities Purchase Agreement, a Security Agreement, a Secured Convertible Term Note, a Common Stock Purchase Warrant and a Registration Rights Agreement, each of which is dated as of March 24, 2004 and a copy of which is attached hereto as an exhibit to this Current Report.
