Re:Proxy contest update

Hi all,

I am sure that many of you have read the various press accounts that appear daily with regards to the proxy contest. The CA web site has important information that might be of interest to you as employees and as shareholders. The direct URL is <http://www.ca.com/invest/proxy.htm> There you will find an open letter that Charles and I wrote for CA's shareholders, customers, and employees.

We will be communicating with our shareholders frequently during July and August. The vote of every shareholder, large and small, is very meaningful, and we will do our best to reach everyone. We plan to explain to everyone why we believe Mr. Wyly's ideas for CA do not make sense, and why the work that all of us are doing is a better way to deliver value for all shareholders. We will also take this opportunity to work harder at getting the CA message out to all interested parties - shareholders, partners, customers, and of course employees.

We will keep you updated as things progress. In the meantime, keep up the great work, and let me take this opportunity on behalf of Charles and the rest of the management team to thank you for your continued dedication and for your support. As always, I welcome your thoughts, comments, and suggestions.

Regards,

... .Sanjay

ps. The lawyers tell me that I have to include this important information. So, here it is
