The following is a joint press release disseminated by Franklin Capital Corporation and Change Technology Partners, Inc. dated as of November 15, 2001.

FRANKLIN CAPITAL CORPORATION AND CHANGE TECHNOLOGY PARTNERS, INC.
AGREE TO MERGE

COMBINED COMPANY WILL FOCUS ON GROWING EXISTING SYNDICATED
RADIO BUSINESS AND ACQUIRING ADDITIONAL RADIO AND MEDIA PROPERTIES

NEW YORK, N.Y.--November 15, 2001-- Michael Levitt joins Change Board of Directors.

Franklin Capital Corporation (AMEX:FKL), and Change Technology Partners, Inc. (OTC BB:CTPI) today announced that they have reached an agreement in principle to merge the two companies. It is anticipated that the combined company will have assets in excess of \$20 million, which will be used to grow Franklin's recent acquisition of Winstar Radio Networks, Global Media and Winstar Radio Productions. These assets are now operating under the name Excelsior Radio Productions.

It is anticipated that Franklin stockholders will own approximately 20% and Change stockholders approximately 80% of the equity of the combined company. The parties anticipate entering into a definitive merger agreement prior to the end of November. The proposed merger will be subject to a number of conditions, including the approval of the shareholders of both companies. Franklin and Change hope to complete the merger prior to the end of March 2002.

The merged company plans to use its combined assets to develop and acquire additional businesses in radio and related media fields. To that end, William Avery, Chief Executive Officer of Change Technology announced that Michael Levitt will be joining the Change board of directors and will remain with the combined company to assist management in executing its business strategy. Mr. Levitt recently left Hicks, Muse, Tate and Furst Incorporated where he had been a partner since 1996. At Hicks Muse, Mr. Levitt was responsible for originating, structuring and monitoring Hicks

Muse's investments. Mr. Levitt was previously a director of Lear Channel Communications, Inc., and Chancellor Broadcasting Inc.

It is anticipated that Stephen L. Brown, Chairman of Franklin and Michael Gleason, Chairman of Change will be co-Chairmen of the combined company. It is also anticipated that William Avery, Chief Executive Officer and President of Change will assume those positions with the combined company and that Franklin's other senior management will remain with the company.

"This is a decisive move that accelerates our strategy and positions

us to succeed by bringing capital into Franklin which we will use to build a vibrant company through acquisitions, joint ventures and internally generated efforts," said Stephen L. Brown, Franklin's Chairman.

"We have worked hard over the past few months to exit our e-services businesses and we now look forward to creating shareholder value by using our combined assets to develop and acquire businesses in radio and related media fields," stated William Avery, Change's CEO and President.

In connection with the proposed transaction, Franklin and Change intend to file relevant materials with the Securities and Exchange Commission, including a Registration Statement on Form S-4 that contains a prospectus and proxy solicitation statement. Because those documents will contain important information, Franklin and Change shareholders are urged to read them, if and when they become available.
