NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
For the Three and Six Months Ended February 28, 2001 and 2002
(unaudited)

(Dollar amounts in tables expressed in thousands of Canadian dollars)

1. Operations

Based in Vancouver, British Columbia, Canada, Peace Arch Entertainment Group Inc., together with its subsidiaries, (collectively, the "Company") is a fully integrated company that creates, develops, finances, produces and distributes film, television and video programming for world-wide markets.

2. Future Operations

The interim consolidated financial statements have been prepared on the going concern basis, which presumes the realization of assets and the settlement of liabilities in the normal course of operations. The application of the going concern basis is dependent upon the Company achieving profitable operations to generate sufficient cash flows to fund continuing operations or, in the absence of adequate cash flows from operations, obtaining additional financing. Management continues to review operations in order to identify additional strategies, including obtaining future sales contracts, designed to generate cash flow, improve the Company's financial position, and enable the timely discharge of the Company's obligations. If management is unable to identify sources of additional cash flow in the short term, it may be required to reduce or limit operations.

As at August 31, 2001, the Company was in violation of certain covenants with respect to its debt and subsequent to year end, entered into an amended debt agreement. Accordingly, at December 19, 2001 the Company was in compliance with the revised covenants contained in the amended agreement. The Company believes it will remain in compliance with the financial covenants of the renewed debt throughout 2002. There can be no assurances that the covenants will be met, and future violation of the covenants could result in a requirement to immediately repay the debt.

3. Significant Accounting Policies

Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

(a)

Basis of Presentation

The interim consolidated financial statements of the Company have been prepared in accordance with accounting principles generally accepted in Canada for interim financial reporting. Accordingly, they do not include all of the information and footnote disclosures necessary for complete financial statements in conformity with Canadian generally accepted accounting principles. The interim consolidated financial statements have been prepared consistent with the accounting policies described in the Company's Annual Report for the year ended August 31, 2001 and should be read in conjunction therewith.

The interim consolidated financial statements include the accounts of the Company and its subsidiaries, all of which are wholly owned. All material intercompany balances and transactions have been eliminated.

(b)

Change in Accounting Policy

In June 2000, the Accounting Standards Executive Committee of the American Institute of Certified Public Accountants ("AICPA") issued Statement of Position 00-2 ("SOP 00-2"),

6

"Accounting by Producers or Distributors of Films". SOP 00-2 supercedes Statement of Financial Accounting Standards No. 53, "Financial Reporting by Producers and Distributors of Motion Picture Films" establishing new accounting standards on revenue recognition, capitalization and amortization of film costs, accounting for exploitation costs, including advertising and marketing expenses, and presentation and disclosure of related information in financial statements.

The Company has elected to early adopt SOP 00-2 commencing with its year ended August 31, 2001 and has applied the change retroactively. Prior periods' financial statements have been restated accordingly.

(c)

Comparative Figures

Certain comparative figures have been restated to conform to the basis of presentation adopted for the current period.

4. Segmented Information

The Company manages its operations in two business segments: production services for projects in which the Company does not hold a financial interest in a film or video program, and proprietary programming which is programming the Company owns or in which it holds a financial interest. The Company operates only in Canada, although its programs are distributed throughout the world. Selected information for the Company's operating segments, net of inter-company amounts, is as follows:

	Production Services	Proprietary Programming	Other	Total
2001				
Revenue	\$ 1,538	\$ 39,383	\$ 53	\$ 40,974
Gross profits	272	3,173	53	3,498
Total assets	7,296	49,693	110	57,099
2002				
Revenue	\$ 3,399	\$ 1,720	\$ 87	\$ 5,206
Gross profits	235	1,454	87	1,776
Total assets	2,107	28,220	1,565	31,892

Gross profits are comprised of revenue less amortization of television programming, production costs, and other costs of production and sales.
