CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING INFORMATION

This Schedule 13E-3 includes and incorporates by reference statements that are not historical facts. These forward-looking statements are based on Morton's and/or, where applicable, the Non-Issuer Filing Persons' current estimates and assumptions and, as such, involve uncertainty and risk. Forward-looking

statements include the information concerning possible or assumed future results of operations and also include those preceded or followed by words such as "anticipates," "believes," "thinks," "could," "estimates," "expects," "intends,"

Edgar Filing: MORTONS RESTAURANT GROUP INC - Form SC 13E3/A

"may," "should," "plans," "targets" and/or similar expressions.

The forward-looking statements are not guarantees of future performance, events or circumstances, and actual results may differ materially from those contemplated by such forward-looking statements. In addition to the factors discussed in the proxy statement, including risks that stockholder approval and regulatory and third party clearances may not be obtained in a timely manner or at all, that an order or injunction may be imposed prohibiting or delaying the merger and that any other conditions to the merger may not be satisfied or waived, other factors that could cause actual results to differ materially include risks of the restaurant industry, including a highly competitive industry with many well-established competitors with greater financial and other resources than Morton's, and the impact of changes in consumer tastes, local, regional and national economic and market conditions, restaurant profitability levels, expansion plans, demographic trends, traffic patterns, employee availability and benefits, cost increases and regulatory developments. In addition, Morton's ability to expand is dependent upon various factors, such as contractual restrictions imposed by Morton's credit agreement, the availability of attractive sites for new restaurant locations, the ability to negotiate suitable lease terms, the ability to generate or borrow funds to develop new restaurants and obtain various government permits and licenses and the recruitment and training of skilled management and restaurant employees. These and other factors are discussed in the proxy statement and in the documents included as appendices in the proxy statement.

Except to the extent required under the federal securities laws, the Filing Persons do not intend to update or revise the forward-looking statements to reflect circumstances arising after the date of the preparation of the forward-looking statements.
