**ITEM 1. SECURITY AND ISSUER**

This statement (the "Statement") relates to the shares of Common Stock, No Par Value, (the "Common Stock") of Rainbow Rentals, Inc. (the "Issuer"), with principal executive offices located at 3711 Starr Centre Drive, Canfield, Ohio 44406.

**ITEM 2. IDENTITY AND BACKGROUND**

This Statement is filed by Aaron Rents, Inc. (the "Reporting Person"), a corporation organized in the State of Georgia, United States of America, with its principal office located at 309 E. Paces Ferry Road, Atlanta, Georgia 30305. The principal business of the Reporting Person is the combined businesses of the rental, lease ownership and specialty retailing of residential and office furniture, consumer electronics, household appliances and accessories. The Reporting Person is controlled by R. Charles Loudermilk, Sr. (the "Controlling Person"), who controls the Reporting Person through his beneficial ownership of a majority of the Reporting Person's outstanding voting stock. The Controlling Person is also the Chairman of the Board and Chief Executive Officer of the Reporting Person.

The name, residence or business address, present principal occupation or employment, principal business and address of any corporation or other organization in which such employment is conducted and citizenship of each director and executive officer of the Reporting Person, and of the Controlling Person, are set forth in Appendix A hereto, which is incorporated herein by reference.

None of the Reporting Person, its directors or executive officers or the Controlling Person has in the past five years been convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors) or been a party to any civil proceedings of any judicial or administrative bodies of competent jurisdiction as a result of which they were or are subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, Federal or State securities laws or finding any violation with respect to such laws.

**ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION**

All purchases of the Common Stock of the Issuer by the Reporting Person to date have been made with working capital. None of the funds used to purchase the Common Stock have been borrowed for the purpose of acquiring, holding, trading or voting the Common Stock of the Issuer.

**ITEM 4. PURPOSE OF THE TRANSACTION**

The primary purpose of the Reporting Person's acquisition of the Common Stock is for investment. The Reporting Person believes that at this time, the Common Stock represents an attractive investment opportunity. The Reporting Person may make additional purchases of the Common Stock in the future either in the open market or in private transactions depending on the Reporting Person's evaluation of the Issuer's business, prospects and financial condition, the market for the Common Stock, other opportunities available to the Reporting Person, prospects for the Reporting Person's own business, general economic conditions, money and stock market conditions and other future developments. Depending on the same factors, the Reporting Person may decide to sell all or part of its investment in the Common Stock, although it has no current intention to do so.

The Reporting Person also desired to establish an equity position in the Issuer significant enough to encourage the Issuer to consider the Reporting Person as a potential acquiror or strategic partner in the event the Issuer determines in the future to engage in an acquisition transaction or similar strategic transaction. At this time however, there are no plans or proposals for, and the Reporting Person has no intention of, acquiring the Issuer or control of the Issuer or otherwise influencing the management or policies of the Issuer, although the Reporting Person has in the past informally discussed with the Issuer the possibility of acquiring the Issuer, none of which discussions resulted in any plans or

---

proposals. Although it has no current intention to do so, at some time in the future the Reporting Person may decide that it is desirable to seek to acquire the Issuer or seek to control or otherwise influence the management and policies of the Issuer. Any such decisions may depend on, among other considerations, the factors enumerated in the preceding paragraph.

Except as set forth in this Item 4, neither the Reporting Person, nor to the best of the Reporting Person's knowledge, its directors, executive officers or the Controlling Person, has any present plans or proposals that relate to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D.
