SUSSEX BANCORP
PROXY STATEMENT FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON APRIL 27, 2010

This Proxy Statement is being furnished to shareholders of Sussex Bancorp in connection with the solicitation by the Board of Directors of proxies to be used at the Annual Meeting of Stockholders to be held on April 27, 2010 at 10 a.m., at the Bank's Augusta Office in Augusta, New Jersey located at 100 Route 206.

About the Annual Meeting

Why have I received these materials?

The accompanying proxy, being mailed to shareholders on or about March 22, 2010, is solicited by the Board of Directors of Sussex Bancorp (referred to throughout this Proxy Statement as the "Company" or "we"), the holding company for Sussex Bank (the "Bank") in connection with our Annual Meeting of Stockholders that will take place on April 27, 2010. You are cordially invited to attend the Annual Meeting and are requested to vote on the proposal described in this Proxy Statement.

Who is entitled to vote at the Annual Meeting?

Holders of Common Stock of the Company as of the close of business on March 8, 2010 will be entitled to vote at the Annual Meeting. On March 8, 2010, there were outstanding and entitled to vote 3,317,548 shares of Common Stock, each of which is entitled to one vote with respect to each matter to be voted on at the Annual Meeting.

How do I vote my shares at the Annual Meeting?

If you are a "record" shareholder of Common Stock (that is, if you hold Common Stock in your own name in the Company's stock records maintained by our transfer agent, American Stock Transfer and Trust Company), you may complete and sign the accompanying proxy card and return it to the Company or deliver it in person.

"Street name" shareholders of Common Stock (that is, shareholders who hold Common Stock through a broker or other nominee) who wish to vote at the Annual Meeting will need to obtain a proxy form from the institution that holds their shares and to follow the voting instructions on such form.

Can I change my vote after I return my proxy card?

Yes. After you have submitted a proxy, you may change your vote at any time before the proxy is exercised by submitting a notice of revocation or a proxy bearing a later date. You may change your vote either by submitting a proxy card prior to the date of the Annual Meeting or if you are a "record" holder of the Common Stock by voting in person at the Annual Meeting.

What constitutes a quorum for purposes of the Annual Meeting?

The presence at the Annual Meeting in person or by proxy of the holders of a majority of the voting power of all outstanding shares of Common Stock entitled to vote shall constitute a quorum for the transaction of business. Proxies marked as abstaining (including proxies containing broker non-votes) on any matter to be acted

upon by shareholders will be treated as present at the meeting for purposes of determining a quorum but will not be counted as votes cast on such matters.

What vote is required to elect directors?

The election of directors at the Annual Meeting requires the affirmative vote of a plurality of the votes cast at the Annual Meeting by shares represented in person or by proxy and entitled to vote for the election of directors.

What vote is required to ratify the appointment of the independent registered public accountants?

The ratification of the appointment of the independent registered public accountants at the Annual Meeting requires the affirmative vote of a majority of the votes cast at the Annual Meeting by shares represented in person or by proxy and entitled to vote for the election of directors.

How does the Board recommend that I vote my shares?

Unless you give other instructions on your proxy card, the persons named as proxies on the card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendation is set forth together with the description of each item in this Proxy Statement. The Board recommends a vote FOR management's nominees to the Board of Directors, and FOR ratification of the appointment of ParenteBeard LLC, as the Company's independent registered public accountants for the fiscal year ending December 31, 2010.

With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion in the best interest of the Company. At the date this Proxy Statement went to press, the Board of Directors had no knowledge of any business other than that described in this proxy statement that would be presented for consideration at the Annual Meeting.

Who will bear the expense of soliciting proxies?

The Company will bear the cost of soliciting proxies. In addition to the solicitation by mail, proxies may be solicited personally or by telephone, facsimile or electronic transmission by our employees. We may reimburse brokers holding Common Stock in their names or in the names of their nominees for their expenses in sending proxy materials to the beneficial owners of such Common Stock.

INFORMATION ABOUT THE BOARD OF DIRECTORS AND MANAGEMENT

Board of Directors and Committees

Meetings of the Board of Directors are held at least five times annually and as needed. The Board of Directors held seven meetings in the year ended December 31, 2009. For the year ended December 31, 2009, each of the Company's Directors attended at least 75% of the aggregate of the total number of meetings of the respective Board of Directors and the total number of meetings of committees on which the respective Directors served.

A majority of the board consists of individuals who are "independent" under the listing standards of the Nasdaq Stock Market (Donald L. Kovach and Anthony J. Labozzetta are officers of the Bank and the Company and therefore not independent). The independent board members meet quarterly without any members not meeting the independence standard.

Shareholders wishing to communicate directly with the independent members of the Board of Directors may send correspondence to One County Road 560, Sandyston, New Jersey 07826, which correspondence will go directly to the Chairman of the Audit Committee.

Diversity

The Nominating and Corporate Governance Committee is responsible for reviewing with the Board the appropriate skills and characteristics required of board members in the context of the current make-up of the Board. When we have an opening on the Board, we will always look at a diverse pool of candidates. The assessment of the Board's characteristics includes diversity, skills, such as an understanding of financial statements and financial reporting systems, and an understanding of our market area. We view and define diversity in its broadest sense, which includes gender, ethnicity, education, experience and leadership qualities.

Board Leadership

Historically, the Company combined the positions of CEO and Board Chairman, with Mr. Donald L. Kovach serving in both capacities. However, with the retention of Mr. Anthony Labozzetta to serve as President and CEO, the Board elected to separate the positions, and Donald L. Kovach continues to serve as Chairman. The Board believes that this structure is now the most appropriate for the Company because it provides the Board with additional diversity of views on managing the Company and provides the Board with greater independence. Mr. Kovach has served as Chairman since the Bank was formed, and served as President and CEO from 1996 to 2006. The Board also believes it is important to the continuity of the Company's business and operations that Mr. Kovach continues to serve as Chairman.

Risk Oversight

Risk is an inherent part of the business of banking. Risks faced by the Bank include credit risk relating to its loans and interest rate risk related to its entire balance sheet. The Board of Directors oversees these risks through the adoption of policies and by delegating oversight to certain Board committees, including the loan and ALCO committees. These committees exercise oversight by establishing a corporate environment that promotes timely and effective disclosure, fiscal accountability and compliance with all applicable laws and regulations.

Code of Conduct

The Board of Directors has adopted a Code of Conduct governing the Company's CEO and senior financial officers, as well as the Board of Directors, and officers and employees of the Company, as required by the Sarbanes-Oxley Act and SEC regulations. Our Code of Conduct governs such matters as conflicts of interest, use of corporate opportunity, confidentiality, compliance with law and the like. Our Code of Conduct is available on our website at www.sussexbank.com. We will also provide notice of any waivers from our Code of Conduct through our website.

Committees

The Board of Directors has a Nominating and Corporate Governance Committee, an Audit Committee, and a Compensation Committee.

Nominating and Corporate Governance Committee

The members of the Nominating Committee for 2009 were Edward J. Leppert (Chairman), Patrick Brady (Co-Chairman), Anthony S. Abbate, Irvin Ackerson, Richard Branca, Mark J. Hontz, Timothy Marvil and Richard W. Scott. Each member of the Nominating Committee is independent, as such term is defined in the Nasdaq listing standards. The purpose of the Committee is to identify qualified individuals to become Board members and officers of the Company, determining the composition of the Board and its committees, developing and implementing a process to assess Board effectiveness and in developing and implementing the Company's corporate governance guidelines. The Committee recommends to the Board the nominees for election as directors, and considers performance of incumbent directors to determine whether to nominate them for re-election. The Nominating Committee will consider qualified nominations for directors recommended by shareholders. All shareholder recommendations are evaluated on the same basis as any recommendation from members of the Board or management of the Company. Recommendations should be sent to One County Road 560, Sandyston, New Jersey 07826. Any nomination for director should be received by the Secretary on or before December 1, 2010. Nominees should have experience in a senior executive position in a corporate or equivalent organization and have experience in at least one facet of the Company's business or its major functions. The Nominating Committee has a written charter, which is available on our website at www.sussexbank.com.

Audit Committee

The Company's Audit Committee consisted during 2009 of Directors Anthony S. Abbate, Patrick Brady, Richard Branca, Edward J. Leppert (Chairman), and Richard W. Scott. All Directors who served on the Audit Committee during 2009 are "independent" for purposes of the Nasdaq listing standards and, as required under the Sarbanes-Oxley Act, no member of the Audit Committee receives any form of compensation from the Company, apart from compensation for Board and Committee service. The Board has determined that Mr. Leppert qualifies as an "audit committee financial expert" as that term is defined by SEC Rules.

In January 2010, the Katherine H. Caristia joined the Audit Committee with the departure of Richard Branca from the Audit Committee. Ms. Caristia is "independent" for the purposes of the Nasdaq listing standards and, as required under the Sarbanes-Oxley Act, she does not receive any form of compensation from the Company, apart from compensation for Board and Committee service.

The Audit Committee is responsible for the selection of the independent accounting firm for the annual audit and to establish, and oversee the adherence to, a system of internal controls. The Audit Committee reviews and accepts the reports of the Company's independent auditors and regulatory examiners. The Audit Committee arranges for the Bank's directors' examinations through its independent certified public accountants, evaluates and implements the

recommendations of the directors' examinations and interim audits performed by the Bank's internal auditor, receives all reports of examination of the Company and the Bank by bank regulatory agencies, analyzes such regulatory reports, and reports to the Board the results of its analysis of the regulatory reports. The Audit Committee is also responsible for the pre-approval of all non-audit services provided by its independent auditors. Non-audit services are only provided by the Company's auditors to the extent permitted by law. The Board of Directors has adopted a written charter for the Audit Committee which is available on our website at www.sussexbank.com. The Audit Committee met five times during 2009.

Audit Committee Report

The Audit Committee meets periodically, and in any event, no less than once per quarter, to consider the adequacy of the Company's financial controls and the objectivity of its financial reporting. The Audit Committee meets with the Company's independent auditors and the Company's internal auditors, both whom have unrestricted access to the Audit Committee.

In connection with this year's financial statements, the Audit Committee has reviewed and discussed the Company's 2009 audited financial statements with the Company's officers and ParenteBeard LLC, its independent auditors. We have discussed with ParenteBeard LLC the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). We also have received the written disclosures and letter from ParenteBeard LLC as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and have discussed with representatives of ParenteBeard LLC their independence with regard to all services provided.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on form 10-K for the fiscal year ended December 31, 2009 for filing with the U.S. Securities and Exchange Commission.

Anthony S. Abbate

Richard Branca
Edward J. Leppert (Chairman)
Richard W. Scott

Compensation Committee

In 2009, the Compensation Committee consisted of Directors Anthony S. Abbate (Chairman), Irvin Ackerson, Richard Branca, Edward J. Leppert, Mark J. Hontz and Timothy Marvil. Each member of the Compensation Committee is independent, as such term is defined in the Nasdaq listing standards. The purpose of the Compensation Committee is to review senior management's performance and determine compensation, and review and set guidelines for compensation of all employees. The Compensation Committee does not delegate its authority regarding compensation. Mr. Kovach, our current Chairman, who also served as President and CEO during 2009, provides input to the Committee regarding the compensation of our executive officers. In 2009, the Compensation Committee met four times. The Board of Directors has adopted a written charter for the Compensation Committee which is available on our website at www.sussexbank.com.

In connection with the Company's retention of Mr. Labozzetta, the Compensation Committee retained the services of Amalfi Consulting, LLC to assist in designing Mr. Labozzetta's compensation package. In October 2009, the Compensation Committee of Sussex Bancorp engaged Amalfi Consulting LLC to review the competitiveness of the proposed compensation package for its new President and CEO. Previously in 2008, Amalfi Consulting conducted an executive compensation study of the officers of Sussex Bancorp. The study included a compensation analysis of a peer group of twenty two (22) banks in the NY, NJ and PA regions with assets of \$285M to \$550M. The cash compensation for the peer group was \$253,000 at the 50th percentile and \$324,000 at the 75th percentile of the group.

Based on the compensation study, and the Bank's ability to recruit an individual with the extensive executive experience of Mr. Anthony Labozzetta, a salary of \$315,000 was determined to be competitive and appropriate.

- (3) Includes a distribution of \$52,564 in 2008 and \$78,846 in 2009 under the Supplemental Executive Retirement Plan for Mr. Kovach.
- (4) A portion of compensation in 2008 was deferred by Mr. Lista under the Executive Incentive and Deferred Compensation Plan.
- (5) Includes \$175,104 for 2008 and \$163,945 for 2009 in commission payments from the sale of insurance products.
- (6) Includes \$86,428 for 2008 accrued by the Company under the Supplemental Retirement Plan for Mr. Thompson. In 2009 the accrual was accelerated to \$167,902 due to Mr. Thompson's departure.

The Company and the Bank are parties to an Amended Employment Agreement with Mr. Donald L. Kovach pursuant to which he served as President and Chief Executive Officer of the Company and Chief Executive Officer of the Bank during 2009 (the "Employment Agreement"). The Employment Agreement provides for a term ending on August 31, 2012. Under the Employment Agreement, either the Company or Mr. Kovach has the right to restructure Mr. Kovach's position with the Company and the Bank so that Mr. Kovach will continue to serve as Chairman but not as President and CEO, and receive a base salary equal to one-half of his base salary in effect prior to the restructuring of his position. The Company exercised this option on January 20, 2010, and his base salary was reduced to \$133,146, subject to increase or decrease by the Board. Mr. Kovach may be granted a discretionary bonus, in cash or equity, as determined by the Board of Directors. He will also receive customary fringe benefits, including an automobile or cash allowance,

consistent with his position as Chairman of the Company. Mr. Kovach may be terminated for “cause” at any time. The Employment Agreement defines cause to mean personal dishonesty, willful misconduct, breach of fiduciary duty involving personal profit, intentional failure to perform stated duties, willful violation of law, rule or regulation, other than traffic violations or similar offenses, or violation of a final cease and desist order, or a material breach of any provision of the Agreement. In the event Mr. Kovach is terminated for any reason other than cause, or in the event Mr. Kovach resigns his employment because he is reassigned to a position of lesser rank or status than Chairman, his place of employment is relocated by more than 30 miles from its location on the date of the Agreement, or his compensation or other benefits are reduced, Mr. Kovach, or in the event of his death, his beneficiary, will be entitled to receive his base salary at the time of such termination or resignation for the remaining term of the Agreement. In addition, the Company will continue to provide Mr. Kovach with certain insurance and other benefits through the end of the term of the Agreement. The Employment Agreement also prohibits Mr. Kovach from competing with the Bank and the Company for a period of one year following termination of his employment. Mr. Kovach’s Employment Agreement also provides for certain payments in the event of a change in control of the Company. See “Potential Payments Upon Termination or Change in Control” below.

In addition, in connection with Mr. Labozzetta’s retention as President and CEO of the Company and the Bank, the Board has requested Mr. Kovach to provide certain transitional services to the Company and the Bank that go beyond those duties envisioned for the Chairman by Mr. Kovach’s Employment Agreement. The Company has therefore agreed to pay Mr. Kovach additional compensation of \$11,250 per month while he is providing these services. It is anticipated that these services will be required for at least the full calendar year 2010.

The Company and the Bank were parties to an employment agreement with Mr. Terry H. Thompson. Mr. Thompson departed from the Company and the Bank in September 2009. Pursuant to his employment agreement, Mr. Thompson received a severance payment of \$5,560 bi-weekly from the Company. Mr. Thompson’s agreement contained a covenant not to compete, whereby Mr. Thompson is prohibited for a period of one year commencing September 2009 from affiliating with any enterprise which competes with the Company in the counties which the Company is conducting business on the date of termination. In addition, under a Salary Continuation Agreement with Mr. Thompson, he is entitled to annual payments of \$4,263 for a period of fifteen years, commencing April, 2010.

The Company is party to a Salary Continuation Agreement with of Mr. Kovach. Under this agreement, he will receive an annual retirement benefit equal to 35% of his average total compensation for the five years prior to his termination of service. However, with regard to Mr. Kovach, for work past age 70 until he started receiving his first payment, his benefit was increased 4% per year. Payments will be made for fifteen years. Mr. Kovach began receiving distributions from the Salary Continuation Agreement in May of 2008.

The Company and the Bank are also parties to an Employment Agreement with Mr. Labozzetta pursuant to which he will serve as President and Chief Executive Officer of the Company and the Bank. The Employment Agreement provides for a 3 year term which is automatically extended for an additional year annually unless either party provides written notice terminating the automatic extension. The Employment Agreement provides that Mr. Labozzetta will receive a base salary of \$315,000, subject to increase or decrease as determined by the Board of Directors. He has further been granted 50,000 shares of the Company’s common stock, subject to forfeiture and restricted from transfer during the “Restricted Period,” as such term is defined in the Employment Agreement. Twenty percent of the shares will vest on December 31, 2012, and an additional twenty percent will vest each December 31 thereafter, subject to acceleration in the event of a change in control of the registrant or Mr. Labozzetta’s death or disability. He will also receive customary fringe benefits, including an automobile or cash allowance, consistent with his position as President and CEO of the Company and Bank. The Employment Agreement permits the Company to terminate Mr. Labozzetta’s employment for cause (as defined in the agreement) at any time. In the event Mr. Labozzetta is terminated for any reason other than cause, or in the event Mr. Labozzetta resigns his employment because he is reassigned to a position of lesser rank or status than President and Chief Executive Officer, his place of employment is relocated by more than

50 miles from its location on the date of the Employment Agreement, or his compensation or other benefits are reduced, Mr. Labozzetta, or in the event of his death, his beneficiary, will be entitled to receive his base salary at the time of such termination or resignation for the remaining term of the Employment Agreement, or one year, whichever is greater. In addition, the Company will continue to provide Mr. Labozzetta with certain insurance and other benefits through the end of the term of the Employment Agreement. Mr. Labozzetta's employment agreement also provides for certain payments in the event of a change in control of the Company. See "Potential Payments Upon Termination or Change in Control" below.

The Company and the Bank are also parties to an employment agreement with Ms. Tammy Case. Under this agreement, Ms. Case will serve as Executive Vice President for Loan Administration of the Bank for a period ending on August 1, 2011, although it will be automatically extended for one additional one (1) year period unless either party provides notice of their intention not to extend the contract. Under the agreement, Ms. Case is to receive a base salary of \$120,000, subject to any increase or decrease at the discretion of the Board of Directors, and she will receive customary fringe benefits, including an automobile allowance. Ms. Case may also be entitled to receive a bonus, if granted in the discretion of the Board of Directors. Ms. Case may be terminated for “cause”. Cause is defined in Ms. Case’s agreement in substantially the same way it is defined in Mr. Kovach’s agreement. In the event she is terminated without “cause”, she will be entitled to receive her then current base salary for the remaining term of the agreement, and the Company will be obligated to continue her health benefits for such period. Ms. Case’s agreement also contains a covenant not to compete, whereby Ms. Case is prohibited for a period of one year after termination of her employment from affiliating with any enterprise within Sussex County which competes with the Bank in the business of banking. Ms. Case’s employment agreement also provides for certain payments in the event of a change in control of the Company. See “Potential Payments Upon Termination or Change in Control” below.

In September 2006, our Tri-State Insurance Agency subsidiary entered into employment agreement with of Mr. Lista. Under Mr. Lista’s agreement, he is to serve as the CEO of Tri-State for a term of five (5) years. The term of the agreement will automatically renew for two additional one (1) year periods unless either Mr. Lista or Tri-State provides notice of an intention not to renew. Mr. Lista is to receive a base salary of \$140,000 annually, which is to be adjusted each January 1 to reflect the increase in the consumer price index. Mr. Lista is also entitled to receive commissions on insurance products sold by him, and he is also entitled to participate in our Executive Incentive and Deferred Compensation Plan. Mr. Lista may be terminated for cause, which is defined in the same manner as in Mr. Kovach’s agreement. In the event Mr. Lista’s employment is terminated other than for cause, he will be entitled to receive his then current base salary and insurance benefits for the remaining term of the agreement.

Potential Payments upon Termination or Change-in-Control

Mr. Kovach's Employment Agreement provides that upon the occurrence of a change in control of the Company, and in the event either is subsequently terminated for reasons other than cause or in the event Mr. Kovach, within 18 months of the change in control, resigns his employment for good cause, he will be entitled to receive a lump sum severance payment equal to 2.99 times his then current base salary.

A change of control is defined under Mr. Kovach's agreement to include:

- A reorganization, merger or consolidation in which Sussex Bancorp is not the surviving entity;
- A turn over in the majority of the Board of Directors;
- The happening of an event requiring a filing of a Current Report on Form 8-K with the SEC disclosing a change in control; or
- Any person acquiring, or making a tender offer which has been accepted for, twenty-five percent (25%) of the Company's outstanding stock.

Mr. Kovach may resign for good cause if, after a change in control, he experiences any:

- Loss of title, office or responsibility;
- Reduction in his compensation or benefits; or
- Relocation of his principal place of business by more than thirty (30) miles.

If a change in control were to have occurred and Mr. Kovach's employment was terminated, or if he resigned for good cause, under his current compensation he would have been entitled to a lump sum payment of \$398,106. Mr. Kovach would also be entitled to continuation of his health, medical, hospital and life insurance benefits for a period of three years. Mr. Kovach's severance benefits would be reduced; however, to the extent they would constitute an "excess parachute payment" under Section 280G of the Internal Revenue Code of 1986, as amended.

Mr. Labozzetta's agreement also contains a change in control provision substantially similar to the provision contained in Mr. Kovach's agreement, except that after the fifth anniversary of Mr. Labozzetta's employment, he will be entitled to a payment equal to 2.99 times his then current base salary and 2.99 times the greater of the last bonus actually paid to him or his current bonus eligibility, assuming he performed at the targeted level. Mr. Labozzetta's agreement also contains a "gross-up payment" in the event any excise tax is imposed on the benefits payable to Mr. Labozzetta upon a change in control. If a change in control were to have occurred at year end 2009, and Mr. Labozzetta's employment agreement was then in effect and his employment was terminated, or if he resigned for good cause, he would have been entitled to a lump sum payment of \$941,850. In addition, the vesting period to which his restricted stock was subject would have accelerated, and the 50,000 shares granted to Mr. Labozzetta would have been free of the risk of forfeiture and freely transferable. If this caused the payments to which Mr. Labozzetta is entitled to become subject to the excise tax imposed under Section 280G of the Internal revenue Code, Mr. Labozzetta would also be entitled to an additional payment to hold him harmless from such tax liabilities. Mr. Labozzetta would also be entitled to continuation of his health, medical, hospital and life insurance benefits for a period of three years.

Ms. Case's agreement also contains a change in control provision substantially similar to the ones contained in Mr. Kovach's. If a change in control were to have occurred at April 1, 2010 and Ms. Case's employment was terminated, or if she resigned for good cause, she would have been entitled to a lump sum payment of \$369,564. Ms. Case would also be entitled to continuation of her health, medical, hospital and life insurance benefits for a period of two years. Ms. Case's severance benefits would be reduced, however, to the extent they would constitute an "excess parachute payment" under Section 280G of the Internal revenue Code of 1986, as amended.

Director Deferred Compensation

In July 2006, the Board of Directors adopted a form of Director Deferred Compensation Agreement for both the Bank and the Company, which has been amended several times since (as amended, the "DCA"). Under the terms of the DCA, a director may elect to defer all or a portion of his fees for the coming year. Under the DCA, only the payment of the

compensation earned is deferred, and there is no deferral of the expense in the Company's financial statements related to the participant's deferred compensation, which will be charged to the Company's income statement as an expense in the period in which the participant earned the compensation. The deferred amounts are credited with earnings at a rate equal to either (i) the average interest rate earned by the Bank on its investment portfolio, or (ii) the total return of the Company's common stock. The method of determining earnings may be selected by the participant in his or her discretion.

The participant's benefit will be distributed to the participant or his beneficiary upon a change in control of the Company, the termination of the DCA, the occurrence of an unforeseeable emergency, the termination of the participant's affiliation with the Company, the participant's retirement or the participant's death or disability. Upon distribution, a participant's benefit will be paid in monthly installments over a period of ten (10) years.

Interest of Management and Others in Certain Transactions; Review, Approval or Ratification of Transactions with Related Persons

The Bank has made in the past and, assuming continued satisfaction of generally applicable credit standards, expects to continue to make loans to directors, executive officers and their associates (i.e. corporations or organizations for which they serve as officers or directors or in which they have beneficial ownership interests of ten percent or more). These

loans have all been made in the ordinary course of the Bank's business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve more than the normal risk of collectability or present other unfavorable features.

Other than the ordinary course lending transactions described above, which must be approved by the Bank's Board under bank regulatory requirements, all related party transactions are reviewed and approved by our Audit Committee. This authority is provided to our Audit Committee under its written charter. In reviewing these transactions, our Audit Committee seeks to ensure that the transaction is no less favorable to the Company than a transaction with an unaffiliated third party. During 2009, there were no transactions with related parties which would not have been required to be approved by our Audit Committee, and there were no related party transactions not approved by our Audit Committee.

Independent Auditor Fees

The Sarbanes-Oxley Act of 2002 and the auditor independence rules of the United States and Exchange Commission require all public accounting firms who audit issuers to obtain pre-approval from their respective Audit Committees in order to provide professional services without impairing independence.

We have previously issued engagement letters to or obtained formal approval from the Audit Committee for certain services. These services are summarized below.

The following fees were incurred for December 31, 2009 and 2008:

	2009	2008
Audit Fees (1)	\$ 110,847	\$ 100,137
Audit-Related Fees (2)	33,689	21,181
Tax Fees (3)	31,368	36,260
All Other Fees	-	-
Total Fees	\$ 175,904	\$ 157,578

- (1) Includes professional services rendered for the audit of the Company's annual financial statements and review of financial statements included in Forms 10-Q, or services normally provided in connection with statutory and regulatory filings, (i.e., attest services required by FDICIA or Section 404 of the Sarbanes-Oxley Act), including out-of-pocket expenses.
- (2) Assurance and related services reasonably related to the performance of the audit or review of financial statements include the following: employee benefit plan audits, due diligence related to mergers and acquisitions, accounting consultations and audits in connection with acquisitions, and other attest services not required by statute or regulation.
- (3) Tax fees include the following: preparation of state and federal tax returns, PA Bankshare tax return, and assistance with calculating estimated tax payments.

These fees were approved in accordance with the Audit Committee's policy. The de minimus exception (as defined in rule 202 of the Sarbanes-Oxley Act) was applied to 2% of the 2009 total fees. These fees are located in the Audit-related fees category in the table above.

COMPLIANCE WITH SECTION 16(a)
OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten percent stockholders are required by regulation of the Securities and Exchange Commission to furnish the Company with copies of all Section 16(a) forms they file.

The Company believes that all persons associated with the Company and subject to Section 16(a) have made all required filings for the fiscal year ended December 31, 2009.
