Item 1.01

Entry into a Material Definitive Agreement

On May 17, 2011, Integrys Energy Group, Inc. entered into an unsecured \$275 million Three Year Credit Agreement and an unsecured \$200 million Five Year Credit Agreement with Citibank, N.A., The Bank of Nova Scotia and U.S. Bank National Association, Wells Fargo Bank, National Association, and Wells Fargo Securities, LLC and Citigroup Global Markets, Inc. The new credit agreements mature on May 17, 2014 and May 17, 2016, respectively. The lenders include 19 individual financial institutions. The new facilities will be used to provide backup support for commercial paper borrowings and letters of credit.

The new agreements replace the existing \$500 million Five Year Credit Agreement entered into in June 2006, and the Peoples Energy, LLC \$400 million Credit Agreement entered into in June 2006. The reduced size of the new credit agreements reflects Integrys Energy Group's reduced credit and collateral support requirements following the Integrys Energy Services business segment strategy change.

The entire \$475 million of the revolving credit lines is available for letters of credit. The amounts of any letters of credit issued and outstanding under the agreements will be reserved and will not be available for other borrowings.

Integrys Energy Group has the option to borrow funds under the new credit agreements as: 1) Base Rate loans at a floating rate equal to the greatest of: (a) the Federal Funds Rate in effect on such day plus 0.50%; (b) the Prime Rate in effect on such day; or (c) the Eurodollar Rate plus 1.00%, or 2) as Eurodollar loans at a Eurodollar rate plus 1.375%. The interest rate adjustment on Base Rate and Eurodollar loans is based on Integrys Energy Group's current credit ratings and will change if there is a change in the underlying credit ratings.

The new credit agreements contain customary conditions of borrowing, customary events of default and customary affirmative and negative covenants, including a covenant to maintain a debt to total capitalization ratio not to exceed 65%, excluding non-recourse debt.

Integrys Energy Group may from time to time enter into arm's length transactions and maintain customary banking and investment banking relationships with one or more of the lenders who are a party to the new credit agreements.

The new credit agreements are filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K and are incorporated into this Current Report on Form 8-K by reference. The brief summary of the material provisions of the new credit agreements set forth above is qualified in its entirety by reference to the full text of the credit agreements.

Concurrent with the above, an unsecured \$135 million three-year Credit Agreement was also completed at Wisconsin Public Service Corporation, which is a wholly owned subsidiary of Integrys Energy Group.
