(a) Identification of Directors

Name Age

Brian Labadie Chairman (1)(2)(3)(4)	64	Mr. Labadie has been a director of Solitario since June 2006 and Chairman since March of 2009. He is an independent mining industry consultant. He was a director of Crown Resources Corporation (CRS: TSX) ("Crown") from June of 2002 until August 2006 upon completion of Crown's merger with Kinross Gold Corporation ("Crown-Kinross Merger") and a director of Battle Mountain Gold Exploration Corporation (BMGX:OTC) from June 2005 to June 2007. In evaluating Mr. Labadie's qualifications as a director, Solitario's Board of Directors (the "Board") considered the experience Mr. Labadie has in over forty years-experience in the mining industry. The specific experience that Mr. Labadie brings to Solitario includes formal training and experience as a mining engineer including developing and operating mines, both as a mine manager and as a senior executive at Miramar Mining Corporation and Echo Bay Mines. The Board believes Mr. Labadie's operating experience complements and enhances the knowledge and understanding the other Board members and management of Solitario have in mining exploration, and corporate finance. Mr. Labadie spent ten years with Miramar Mining Corporation from November 1996 to September 2006 as the Executive Vice President, COO. Prior to that, Mr. Labadie spent nine years with Echo Bay Mines, Ltd. as Vice President of Operations. Mr. Labadie holds a Bachelor of Science degree in geological engineering from the University of Toronto.
---	----	---

John Labate (1)(2)(3)(4)	67	Mr. Labate has been a director of Solitario since December 2016 and is the Audit Committee Chairman. Since May 2015 he has been the CFO of Gold Resources Corporation. Mr. Labate has held management positions in the mining industry for the past 36 years. These included Operations Analysis Manager for Anaconda Minerals Company (1980-1986), Corporate Controller for Bond International Gold (1987-1991), CFO for Crown (1992-1997), CFO for GeoBiotics (1997-1999); CFO for Applied Optical Technologies (1999-2004), CFO for Constellation Copper (2004-2008, CFO for Golden Star Resources (2008-2012) and principal of East Cape Advisors (2012-2015). Mr. Labate is experienced in all aspects of accounting, finance and regulatory management within the public sector of the mining industry in both the United States and Canada. The Board believes Mr. Labate's formal training in accounting and finance, coupled with his 36 years of industry experience, makes him uniquely suited to serve on the Board. Mr. Labate received a Bachelor of Science, Accounting, from San Diego State University and passed all parts of the CPA examination.
-----------------------------	----	--

Leonard Harris (1)(2)(3)(4) 89 Mr. Harris has been a director of Solitario since June 1998. Prior to his retirement from Newmont Mining Corporation, Mr. Harris gained over 60 years of experience in the mining industry serving in various capacities including as the former General Manager of Minera Yanacocha, South America's largest gold mine, and former Vice President and General Manager of Newmont Latin America. Mr. Harris has over 20 years of experience in managing mining operations in Latin America that include base metal and gold deposits, underground and open pit mines, gold and base metal processing plants and smelting and refining operations. In evaluating Mr. Harris's qualifications to serve as a director, the Board believes Mr. Harris experience in managing and developing mines all over the world, but specifically in Peru and Latin America, where much of Solitario's exploration efforts have been focused, is paramount to the success of Solitario. In addition, Mr. Harris has a strong reputation in the mining industry and has provided Solitario with numerous opportunities and introductions that Solitario would likely not have had without his association with Solitario as a Board member. Mr. Harris currently serves on the board of directors of Aztec Metals Corp., Canarc Resources, Wealth Minerals, Inc and Cardero Resources Corp. He is a 1949 graduate metallurgist of The Mount Morgan School of Mines (Australia).

Christopher E. Herald 63 Mr. Herald has been a director of Solitario since August 1992. He has also served as Chief Executive Officer since June 1999 and President since August 1993. Mr. Herald also served as a director of Crown starting in April 1989, as Chief Executive Officer of Crown starting in June of 1999, President of Crown from November 1990 until August 2006, when he resigned from such positions upon completion of the Crown-Kinross Merger. In evaluating Mr. Herald's qualifications to serve as a director, the Board of Solitario believes his leadership of Solitario since Solitario's inception as Chief Executive Officer, as well as his knowledge of the operations, make him an invaluable member of the Board. In addition, Mr. Herald has shown a keen insight in the evaluation of various opportunities in the mining industry, including the acquisition of properties for exploration and potential merger and acquisition candidates for Solitario. Mr. Herald has a track record of operating mining companies both with Crown and Solitario and the Board believes these are significant contributors to the success of Solitario. Prior to joining Crown, Mr. Herald was a Senior Geologist with Echo Bay Mines and Anaconda Minerals Mr. Herald was formerly a director of Underworld Resources Inc. (UW: V) from June 2009 to June 2011, and Atna Resources from May 2009 to June 2015. Mr. Herald received a M.S. in Geology from the Colorado School of Mines and a B.S. in Geology from the University of Notre Dame.

The Audit Committee consists of Mr. Labate, Mr. Harris and Mr. Labadie, each of whom is "independent" in accordance with NYSE MKT standards, as well as the independence requirements for audit committee members under Rule 10A-3 promulgated under the Exchange Act. The Audit Committee acts under a written charter that was adopted and approved by the Board on July 26, 2006, a current copy of which is available on the Company website at www.solitarioxr.com. The Audit Committee's primary function is to review Solitario's financial reporting process on behalf of the Board. Item 11. Executive Compensation

Compensation Discussion and Analysis

The following discussion provides information regarding the compensation program for Solitario's Named Executive Officers for 2016.

Objectives of the Company's Compensation Program

The Compensation and Management Development Committee (the "Compensation Committee") has responsibility for approving the compensation program for Solitario's Named Executive Officers and acts according to a charter that has been approved by the Board and is available on the Company website at www.solitarioxr.com. The compensation program is designed to attract, retain and reward our executives who contribute to Solitario's long-term success. This in turn is intended to build value for Solitario and its shareholders. The program is based upon three fundamental principles:

- (1) A substantial portion of Solitario's Named Executive Officer compensation should be performance and equity-based to achieve alignment with shareholder interests.

This principle is accomplished in two primary ways; first, through the award of stock options or, other equity awards contemplated in the equity compensation plans adopted by Solitario, in an amount and with such terms intended to encourage our Named Executive Officers to promote the long-term growth and performance of Solitario as may be reflected in the price of our Common Stock as quoted on the TSX and the NYSE-MKT.

Second, this is also reflected in terms of cash compensation in the form of cash bonuses. These bonuses are set by the Compensation Committee, in its sole discretion, in a range of zero to 100% of base salary. The extent to which bonuses are paid depends entirely on the extent to which the Compensation Committee believes Solitario has met its development, exploration, budget and shareholder goals, as set by the Compensation Committee and the current and expected financial condition of the Company. In March 2016 the Compensation Committee awarded a \$60,000 bonus to Mr. Herald, a \$44,000 bonus to Mr. Hunt and a \$40,000 bonus to Mr. Maronick for the performance of the Named Executive Officers and the achievement of certain Company goals during 2015. The Compensation Committee considered the milestones achieved during 2015 by the Company, including (i) completion of the sale of our former interest in the Mt. Hamilton project through the sale of our interest in Mt. Hamilton LLC ("MH-LLC") to Waterton

Nevada Splitter, Ltd. (“Waterton”) for gross proceeds of \$24,000,000 (the “Transaction”), (ii) the refinancing and eventual repayment, upon the closing of the Transaction, of \$5,000,000 short-term debt due to RMB Australia Holdings, Ltd., and (iii) successful marketing of our interest in MH-LLC, including obtaining approval of the Transaction by holders of over 90% of our outstanding shares at our annual meeting held in August 2015. Primarily due to the limited financial resources of the Company during 2015, prior to the sale of our interest in MH-LLC, no bonuses were authorized by the Compensation Committee to be paid during 2015. The Compensation Committee considered the bonuses paid in 2016 as earned in 2015 and these bonuses are included in the summary compensation table below for each Named Executive Officer for the year ended December 31, 2015. The Compensation Committee did not award any bonuses for the year ended December 31, 2016 to any Named Executive Officer based upon their review of the performance of the price of the Company’s common stock during the year and upon the absence of a major mineral property acquisition and / or strategic investment during the year ended December 31, 2016.

(2) Solitario's compensation program for Named Executive Officers is intended to enable the Company to compete for the best executive talent available.

The Compensation Committee believes shareholders are best served when the Company can attract and retain the highest caliber executives appropriate for a company of our size and complexity. This is done with compensation packages we believe to be fair and competitive. Our Named Executive Officers have served Solitario for many years. During 2016 and 2015 the Compensation Committee reviewed published compensation surveys and publically available compensation disclosures of several of our peer group companies ("Peer Group Companies") for which Solitario competes for executive talent as the Compensation Committee believes that each of these public companies share some attributes of Solitario with regard to similar size to, and in a similar industry as Solitario. These Peer Group Companies included the following companies:

Vista Gold Corp. Midas Gold Corp.
Entree Gold Corp. Riverside Resources Inc.

These reviews were not used to create specific benchmarks applicable to our Named Executive Officer compensation levels. These reviews were used to inform the Compensation Committee of current standards in the industry as such standards may relate, in their independent judgment, to appropriate modifications to Solitario's existing compensation levels. During 2016, Solitario's activities were generally focused on the evaluation of mineral properties for acquisition and on junior mining companies with mineral properties for strategic investment in the form of potential merger, acquisition or sale; during most of 2015 Solitario's activities were more narrowly focused initially on the development of the Mt. Hamilton project, and subsequently on the marketing and eventual sale of the Mt. Hamilton project, as well as other early stage exploration. As the focus of Solitario during the two most recent fiscal years did not directly compare in all cases to the activities of the Peer Group Companies, the Compensation Committee took the difference in focus into consideration when reviewing compensation of Solitario's Named Executive Officers compared to the peer companies. Additionally, Solitario has traditionally maintained a very minimal staff and the difference in the number of total employees of Solitario, which currently has six employees world-wide, compared to the Peer Group Companies; do not lend itself to effective use of specific benchmarks.

Subsequent to the completion of the Transaction, the Compensation Committee, in consultation with the Named Executive Officers, in light of the then difficult financial conditions in the junior mining sector as a result of continued low precious and base metal prices as well as the reduction in Mt. Hamilton related Company activities, decided to reduce the annual salaries of its Named Executive Officers, as of October 1, 2015; with the salary of Mr. Herald being reduced from \$230,000 to \$198,000, the salary of Mr. Maronick being reduced from \$160,000 to \$150,000 and the salary of Mr. Hunt being reduced from \$178,000 to \$158,000. The Named Executive Officers' salaries remained at the reduced amount during 2016, except for an increase in September 2016 to Mr. Hunt's salary of \$1,000 per month and an increase to Mr. Herald's salary in June of \$500 per month related to an increase in health care costs. At the beginning of 2015, based upon the difficult financial markets and the limited financial resources of the Company, the Compensation Committee decided to leave the ending annual 2014 salary amounts the same during 2015 with the salary of Mr. Herald at \$230,000, the salary of Mr. Maronick at \$164,000 and the salary of Mr. Hunt at \$178,000. However, to conserve cash resources during 2015, all employees of Solitario, including its Named Executive Officers agreed to defer between 15% and 34% of the gross cash salary payments due during 2015. Upon completion of the Transaction, and given the strong financial condition of Solitario, all amounts previously deferred during 2015, were paid in the fourth quarter of 2015.

(3) Solitario's compensation program for the Named Executive Officers should be fair to the executive, the Company and all its employees and perceived as such, both internally and externally.

The Compensation Committee strives to create a compensation program that promotes good corporate practice, encourages our Named Executive Officers to perform at a high level and promotes teamwork among our employees. The Compensation Committee takes these goals into consideration by comparison of executive pay in relation to all other Solitario salary costs for internal consistency, and by comparison to both Peer Group Companies and industry salaries for external consistency. In addition, the compensation program is intended to enhance shareholder value and the Compensation Committee strives to provide transparency and full disclosure to all interested parties.

The Compensation Committee has no authority to recover salary, bonuses or stock option awards or other equity awards made to Named Executive Officers. Although the Compensation Committee has the ability to consider prior compensation (e.g. gains from prior option grants or other equity awards) in setting current compensation, it has no formal procedure or requirement to do so. The Compensation Committee does not set or utilize benchmarks of any kind to set, evaluate or allocate compensation. There have been no actions taken or adjustments made to the process of setting executive compensation discussed herein by the Compensation Committee subsequent to December 31, 2016.

Key Elements of Executive Compensation

The elements of the Company's compensation program are intended to balance long term and short term compensation for its executives and attempt to motivate executives to provide excellent leadership and achieve Company goals by linking short-term (such as salaries and benefits) and long-term incentives (such as equity based compensation) to the achievement of business objectives, thereby aligning the interests of executives and shareholders. In addition the Compensation Committee recognizes the performance of the Company's Common Stock is often influenced by the general investment climate of the junior mining industry, which is not within the control of the specific performance of the Named Executive Officers in achieving the objectives set by the Company. The key elements of the compensation of the Named Executive Officers are outlined below. The Compensation Committee considers shareholder input when setting compensation for Named Executive Officers. At our 2016 annual meeting of shareholders, greater than 91% of the votes cast on the advisory vote on executive compensation were in favor of our executive compensation program. The Board of Directors and the Compensation Committee reviewed these vote results and determined that, given the significant level of support, no major re-examination of our executive compensation program was necessary at that time.

(1)

Base Salary

The Compensation Committee attempts to provide base salary to the Named Executive Officers that is commensurate with their review of our Peer Group Companies. The Compensation Committee fixed the base salary for the Named Executive Officers for 2016 (which commenced on January 1, 2016) during its meeting in September 2015. Increases or decreases in base salary are dependent on the Compensation Committee's evaluation of each individual Named Executive Officer performance, the effect of a peer group review, the performance of the entire Company relative to the Company's general goals and objectives, and the Company's current and projected financial resources. No Named Executive Officers receive minimum base salary payments pursuant to any employment agreement, or other written agreement. The Compensation Committee has authority from the Board to set the base salary at any amount it believes is appropriate. Although the Compensation Committee, has used its review of the accomplishments of the Named Executive Officers against general goals of the Company, including planned exploration programs, potential mineral property acquisitions, evaluation of strategic opportunities for a corporate merger, acquisition or sale; the 2015 sale of the Mt. Hamilton project, corporate financing activities and market price of Solitario's Common Stock, among other things, the Compensation Committee has full discretion to set compensation levels and has not set specific compensation levels to specific criteria. Some of the general criteria are discussed below.

(2)

Bonuses

The Compensation Committee may provide bonuses to the Named Executive Officers, in its sole discretion, based upon their evaluation of the individual Named Executive Officer in light of the certain parameters, including the following:

- (i) Bonuses based upon operational goals and parameters;
- (ii) The desire, discussed above, to provide a substantial portion of compensation based on performance
- (iii) The performance of the Company relative to Company goals including share price performance;
- (iv) The financial strength of the Company, including liquid financial assets;
- (v) The quality of mineral property assets, including exploration assets and mineral properties under joint venture; and
- (vi) The financial strength and prospects for the smaller (junior) exploration mining industry.

In establishing its goals for any particular year, the Compensation Committee strives to ensure that the goals provide both an incentive and an attainable goal that provides shareholders with the opportunity for return on their investment while minimizing corporate and shareholder risk to the extent possible. Although certain targets and goals related to certain operational goals, such as to potential property acquisitions and/or potential merger or acquisition activities, if any, are confidential, the Compensation Committee has structured these types of goals to be reasonable and obtainable by our Named Executive Officers, without undue risk to the assets of Solitario. Due to the nature of Solitario's corporate activities relating to (i) the evaluation of mineral properties for acquisition; (ii) the evaluation of strategic opportunities for a corporate merger, acquisition or sale; (iii) the sale of the Mt. Hamilton project during 2015 and (iv) early-stage exploration of mineral properties located in Peru, the goals for Named Executive Officers are not specifically related to traditional financial metrics, such as revenue growth, earnings or earnings per share. The operational targets and goals are more subjective and generally include (i) the evaluation, negotiation and acquisition of mineral property agreements; (ii) evaluation of strategic opportunities; (iii) land and royalty joint ventures on our existing properties, (iv) exploration activities and success, both on our own and through joint ventures; (v) training and retaining employees, (vi) operational activities including: maintaining adequate liquidity to fund future exploration activities, financial reporting and disclosure, and shareholder return. The Compensation Committee also evaluates the financial strength and prospects for the junior exploration segment of the mining industry. The Compensation Committee reviews the annual goals with the Named Executive Officers at or near the start of each year. The evaluation of the performance of our Named Executive Officers, relative to the goals outlined herein, has been and is expected to continue to be at the discretion of the Compensation Committee. As discussed above, In December of 2016, the Compensation Committee determined that no bonus was earned during the year ended December 31, 2016 and the Named Executive Officers would not be paid a bonus for the year ended 2016 during 2017.

Equity

The only equity compensation our Named Executive Officers have historically received is in the form of stock options granted pursuant to the 2006 Stock Option Incentive Plan (the "2006 Plan") and the 2013 Solitario Exploration & Royalty Corp. Omnibus Stock and Incentive Plan (the "2013 Plan"), with the exercise price of such options equal to the current market value of our Common Stock at the date of grant. The Compensation Committee believes that a portion of our Named Executive Officers' compensation should be performance based and tied to the long term value of the Company. The Compensation Committee also believes that our compensation policies should be fair to our shareholders, and be focused on our long-term viability. The Compensation Committee believes the granting of stock options or other forms of equity based compensation aligns the interests of the Named Executive Officers and our shareholders and provides the incentive to manage the Company from the perspective of an owner of the Company. In addition, the Compensation Committee believes the vesting terms of the stock options granted from the 2013 Plan, discussed below, provide that a significant portion of the compensation will be received at a future date, which provides a tempered longer-term incentive for our Named Executive Officers as well as an incentive for them to remain with the Company.

The amount of all individual grants and the grant date of the stock options have been determined periodically by the Compensation Committee or by the full Board. All grants to date are as of the date of the approval by the Compensation Committee (or the full Board, if requested by the Compensation Committee) at the fair market value on the date of grant. To date, all option grants from the 2006 Plan and the 2013 Plan vest 25% on the date of grant and the remaining options vest at 25% per year on the anniversary of the grant over a three-year period. On July 28, 2016 the Board granted 1,699,000 options under the 2013 Plan, which included 450,000 options to Mr. Herald, 330,000 options to Mr. Hunt, and 309,000 options to Mr. Maronick. On August 24, 2016, the holders of options voluntarily

surrendered for cancellation all options previously granted to such persons pursuant to the 2013 Plan and the 2006 Plan, including Mr. Herald, Mr. Hunt and Mr. Maronick. Solitario cancelled the options upon surrender. As a result, there are no outstanding options under either the 2006 Plan or the 2013 Plan as of December 31, 2016.

In the future, our officers and directors may receive additional equity based awards pursuant to the 2013 Plan, which may take the form of stock options or the other forms of awards including restricted stock awards, restricted stock units or stock appreciation rights.

Allocation between the Key Elements of Compensation

The Compensation Committee has complete discretion in allocating total compensation between the key elements of compensation discussed above. Each of the individual components of compensation is evaluated by the Compensation Committee independently and each component is not evaluated based upon the other components. The Compensation Committee has not developed a set formula (such as fair value of equity compensation to equal 50% of base salary) to allocate the elements of compensation to each individual Named Executive Officer.

Employment Agreements

None of our Named Executive Officers have ongoing employment agreements other than individual Change in Control Severance Benefits Agreements, discussed under "Change in Control Agreements" below.

Change in Control Agreements

The Compensation Committee and Solitario consider it essential to the best interest of its shareholders to foster the continuous employment of key management personnel. In this regard, the Compensation Committee and Board recognize that, as is the case with many publicly held corporations and their subsidiaries, the possibility of a change in control may exist and that such possibility, and the uncertainty and questions which it may raise among management, may result in the departure or distraction of management personnel to the detriment of the Company and its shareholders.

Accordingly, on March 14, 2007, the Compensation Committee approved separate Change in Control Severance Benefits Agreements (each a "CIC") for each of the persons serving as our Named Executive Officers, Mr. Herald, Mr. Maronick and Mr. Hunt. Each CIC provides for the payment of severance benefits if the employment of one of the Named Executive Officers is terminated during a period of three years following the last day of the month in which a Change in Control of Solitario (as defined in the CIC) occurs equal to 2.5 times the base salary of the Named Executive Officer. In addition any unvested stock options held by the Named Executive Officer will vest upon the Change in Control. The CIC provides an additional gross up for any taxes due as a result of Excise Tax, as defined by Section 4999 of the Code.

Generally, the CIC defines a "Change in Control" as (i) a person acquiring more than 50% of the outstanding stock of the Company, (ii) the shareholders of the Company approving a merger or acquisition whereby more than 50% of the outstanding shares held prior to the vote will be held by a new person or corporation, (iii) the shareholders of the Company approving the sale or disposition of substantially all of the company's assets or (iv) the shareholders of the Company approving a plan of liquidation or dissolution of the Company. During 2015, the Company determined that the Transaction did not constitute a Change in Control as defined in each CIC and did not trigger any compensation due to an officer that is a party to a CIC.

Benefits are payable under each CIC after a Change in Control if the Named Executive Officer terminates his employment for "good reason," or is terminated by the Company, other than for "cause." "Good reason" is generally defined as a reduction in the compensation, level of responsibility or forced relocation, among other things. "Cause" is generally defined in the CIC as the conviction of a felony, gross and willful failure to perform assigned duties, and dishonest conduct that is intentional and materially injurious to the Company.

Tax Implications of Executive Compensation

Under Section 162(m) of the Code, the Company generally receives a tax deduction for compensation on payments which total less than \$1,000,000 paid to our Named Executive Officers, unless that compensation is performance

based. The total non-performance based compensation for any of our Named Executive Officers did not exceed \$1,000,000 during 2016, nor do we anticipate it will exceed \$1,000,000 for the foreseeable future.

Stock Ownership Guidelines

Solitario has not established formal stock ownership guidelines for our Named Executive Officers. The Company's Insider Trading Policy prohibits the Named Executive Officers, as well as other insiders, who may have access to material inside information, from purchasing, selling, entering into short sale transactions, engaging in hedging or offsetting transactions regarding Solitario's Common Stock during periods where such persons have access to material inside information.

Compensation Policies with Regard to Risk Management

The Board is responsible for the overall risk management of the Company. Solitario is subject to the inherent risks involved in the exploration and development of mineral properties and shareholders should carefully review Item 1A, "Risk Factors," in our Annual Report on Form 10-K for the year ended December 31, 2016. However, Solitario does not have any compensation plans or incentives for our Named Executive Officers or any employee for any risk taking activity or risk management activities. Solitario does not engage in activities that have traditional incentives for financial risk taking activities, such as buying or selling derivatives or other similar instruments, other than our limited use of derivatives to reduce our exposure to our holdings of Kinross common stock and the holdings of Vendetta Mining Corp. ("Vendetta") warrants, which were acquired during 2016.

Role of the Chief Executive Officer in Compensation Decisions

The Chief Executive Officer ("CEO") annually reviews the performance of all other Named Executive Officers. The performance of the CEO is reviewed by the Chairman of the Compensation Committee. The conclusions and recommendations, which include salary, bonus and equity grants, if any, are presented to the Compensation Committee, which has absolute discretion in modifying or applying any of the recommendations for the Named Executive Officers. The Compensation Committee presents its conclusions and recommendations to the Board for their input and review.

Compensation Committee

On June 27, 2006, the Board approved the charter for and formed the Compensation Committee. A current copy of the Compensation Committee charter is available on the Company website at www.solitarioxr.com. Mr. Labadie, Mr. Labate and Mr. Harris are the members of the Compensation Committee. The Compensation Committee met three times during 2016.

The primary purposes of the Compensation Committee are to (a) review from time to time and approve the overall management evaluation and compensation policies of Solitario; (b) review and approve goals and objectives relevant to the compensation of the executive officers, including the chief executive officer, of Solitario and evaluate the performance of Solitario's executive officers; (c) set the compensation of the executive officers of Solitario, in light of the Compensation Committee's review; (d) review, approve and periodically evaluate Solitario's compensation and other benefit plans, including incentive compensation and equity-based plans and programs for non-employee directors, executive officers and senior management, and make recommendations as necessary; (e) review and approve any amendments and modifications to any such plan or program requiring approval of the Board, subject to applicable regulatory and shareholder approval requirements; (f) review and approve the granting of options, restricted stock, stock appreciation rights and other equity-based grants to Solitario's non-employee directors, executive officers and senior management consistent with the Company's incentive compensation plans and programs and compensation and retention strategy, subject to ratification by the Board; (g) review and approve plans of the Company for management development and senior managerial succession; (h) oversee compliance with the applicable compensation reporting requirements of the SEC and (i) conduct an annual performance self-evaluation of the Compensation Committee and prepare an annual report thereon to the Board. The Compensation Committee has not engaged compensation consultants but has the authority to do so under the Compensation Committee charter. Further, the Compensation Committee may form, and delegate authority to, subcommittees when appropriate. The processes and procedures used for the consideration and determination of executive compensation are described above under "Compensation Discussion and Analysis."

The scope and authority of the Compensation Committee, including the role of executive officers and compensation consultants in determining or recommending the amount and form of compensation and the ability of the Compensation Committee to delegate authority, are more fully described in the Compensation Committee charter.

Mr. Labadie, Mr. Labate and Mr. Harris are the members of the Compensation Committee and are “independent” in accordance with the definition of independence set forth in the NYSE-MKT Company Guide. No member of the Compensation Committee is currently, or has been an officer or employee of Solitario for the last three years or had a relationship with Solitario required to be disclosed pursuant to Item 404 of Regulation S-K.

Compensation Committee Report

The Compensation Committee has reviewed, evaluated and discussed the (i) allocation of executive compensation, including the allocation of compensation between salary paid in cash and deferred compensation in the form of stock option grants and awards; (ii) goals and objectives of our executive compensation including the need to be competitive with peer companies to retain and attract the best available executive talent; (iii) existing elements of executive compensation including salary, bonus and stock options, and (iv) performance of our existing executives, including our CEO against general targets and goals including budgets, exploration activities and success, the performance of our stock and other measures. Neither the Compensation Committee nor management has engaged any compensation consultants in determining or recommending the amount or form of executive or director compensation in the last year. During 2016, the Company hired an independent consultant to review the Company’s administration of its equity compensation plans, including the related internal controls over its compensation plan practices as well as to provide recommendations on best practices in administering its equity compensation plans. The Company reviewed and implemented the recommendations of the independent consultant and these are included and incorporated into the Compensation Discussion and Analysis, above. The Compensation Committee has reviewed recommendations prepared by our CEO for levels of compensation for Mr. Hunt, our Chief Operating Officer and Mr. Maronick, our Chief Financial Officer. The Compensation Committee has reviewed and discussed with management the Company’s Compensation Discussion and Analysis section of this Annual Report. Based on such review and discussions, the Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2016.

Security Ownership of Certain Beneficial Owners and Management

To our knowledge, as of April 25, 2017, no person beneficially owns, directly or indirectly, or exercises control or direction over, more than five percent of our issued and outstanding Common Stock with the exception of Newmont Mining Corporation of Canada Limited, which directly owns 2,700,000 shares representing approximately 7.0 percent of our issued and outstanding Common Stock.

The following table sets forth, as of April 25, 2017, the beneficial ownership of our outstanding Common Stock by each of our shareholders owning more than five percent, our directors, each Named Executive Officer and all of our executive officers and directors as a group. Unless otherwise indicated, the persons listed in the table below have sole voting and investment powers with respect to the shares indicated. Except as indicated below the mailing address for each person is 4251 Kipling Street, Suite 390, Wheat Ridge, CO 80033.

** Indicates holdings of less than 1%.

(1) None of our directors or Named Executive Officers beneficially own any shares of Common Stock that may be acquired under options granted pursuant to the 2013 Plan or the 2006 Plan.

Potential Payments upon Termination or Change in Control

As noted under "Compensation Discussion and Analysis" above, the Company entered into certain change in control agreements on March 14, 2007 with the following Named Executive Officers: Christopher E. Herald, James R. Maronick and Walter H. Hunt (as defined above, each such agreement being a "CIC"). The terms of the CICs are more fully described under "Change in Control Agreements" in the "Compensation Discussion and Analysis" section above. The potential payments to each Named Executive Officer are described below in the event of an assumed change in control as defined in the applicable CIC as of December 31, 2016.

Name	Salary(1)	Stock option vesting(2)	Tax gross up(3)	Total
Christopher E. Herald, CEO	\$502,500	\$ —	\$ —	\$495,000
James R. Maronick, CFO	375,000	—	—	375,000
Walter H. Hunt, COO	407,500	—	—	400,000

(1) Two and one half times base salary as of December 31, 2016. Paid as a lump sum payment.

(2) None of our Named Executive Officers have any outstanding options or equity awards at December 31, 2016. Accordingly, there was no intrinsic value from the acceleration of any unvested options owned by the Named

Executive Officer as of December 31, 2016.

(3) The change in control provides for a gross-up for taxes in the event the combined salary and all other compensation, triggered by a change in control, results in Excise Tax, as defined by Section 4999 of the Code. The CIC provide for additional cash compensation to pay the Named Executive Officer for the Excise Tax, which is 20% of all compensation in excess of the base salary amount, when the total payments, including the fair value from acceleration of vesting for unvested options, under the CIC exceed three times base salary. We have estimated that no tax gross up would have been due or payable as of December 31, 2016 because the total compensation, including the fair value from the acceleration of any outstanding unvested options would not exceed three times the base salary.

Item 13. Certain Relationships and Related Transactions, and Director Independence

There are no material interests, direct or indirect, of current directors, executive officers, or any shareholder who beneficially owns, directly or indirectly, more than 10% of the outstanding shares of Solitario common stock, or any known associates or affiliates of such persons, in any transaction since the beginning of the Company's last fiscal year or in any proposed transaction which has materially affected or would materially affect the Company and in which the amount involved exceeded \$120,000.

Policy Regarding Related Party Transactions

The Board of Directors has adopted a written Related Party Transaction Policy. Pursuant to that policy, Solitario may enter into transactions with certain "related persons." Related persons include the Company's executive officers, directors, 5% or more beneficial owners of the Company's Common Stock, immediate family members of these persons and entities in which one of these persons has a direct or indirect material interest. These transactions are referred to as "related party transactions." All related party transactions are subject to the following related party transaction policy requirements:

the transaction must be approved by disinterested members of the Board; the Audit Committee must approve or ratify such transaction and the terms of the transaction are comparable to that which could be attained in an arm's-length dealing with unrelated third parties; or a transaction that involves compensation must be approved by the Compensation Committee.

Director Independence

Solitario's Board has determined Mr. Labate, Mr. Harris, Mr. Jones and Mr. Labadie are independent members of the Board of Directors in accordance with Section 803(A) of the NYSE-MKT Company Guide.

- Mr. Labate, Mr. Labadie and Mr. Harris are members of the Audit Committee.
- Mr. Labate, Mr. Labadie and Mr. Harris are members of the Compensation Committee.
- Mr. Labate, Mr. Labadie and Mr. Harris are members of the Nominating Committee.

On an annual basis the Audit Committee approves the proposed audit services and the fees related thereto by our independent auditors in advance of the year of service in accordance with the pre-approval policy adopted by the Audit Committee. All other fees are pre-approved on an ongoing basis as required. The Audit Committee pre-approval policy requires that the Audit Committee determine that proposed services and related fees are required and reasonable under the circumstances. All of the fees billed to Solitario by EKS&H LLLP during 2016 and 2015 were pre-approved by the Audit Committee pursuant to the Audit Committee pre-approval policy. The Audit Committee considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence and has determined that the provision is compatible.
