GLNG - Golar LNG reduces shareholding in Korea Line Corporation

Golar LNG announces that it has sold 1 million Korea Line Corporation shares for a net price of approximately \$71 million, which represents a book profit of approximately \$29 million based upon the book value of the investment as at December 31, 2006.

After this sale Golar's shareholding in Korea Line Corporation will be 1.1 million shares or approximately 11%. As a result of this transaction it is expected that Golar will no longer equity account for its share of Korea Line's results.

The proceeds from the sale are likely to increase Golar's dividend capacity in the future quarters.
