This Proxy Statement is furnished to the shareholders of Cincinnati Bell Inc., an Ohio corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors for use at the 2013 Annual Meeting of Shareholders. The Annual Meeting will be held on Friday, May 3, 2013, at 11:00 a.m., Eastern Time, at the METS Center, 3861 Olympic Boulevard, Erlanger, Kentucky 41018. The Notice of Annual Meeting of Shareholders, the Proxy Statement, the Company's Annual Report on Form 10-K for the year ended December 31, 2012, and the Company's Summary 2012 Annual Report are being furnished to the shareholders beginning on or about March 22, 2013.

The Company's Board of Directors has established the close of business on March 4, 2013 as the record date (the "Record Date") for determining shareholders entitled to notice of, and to vote at, the Annual Meeting or any adjournment or postponement of the Annual Meeting. Only shareholders of record at the close of business on the Record Date will be entitled to vote on matters to be presented at the Annual Meeting.

The agenda for the Annual Meeting is as follows:

- 1 To elect nine directors to serve a one-year term ending in 2014;
- 2 To seek advisory approval of the Company's executive compensation;

PLEASE VOTE - YOUR VOTE IS IMPORTANT

Cincinnati Bell Inc. is a full-service regional provider of data and voice communications services over wireline and wireless networks, a provider of managed services, and a reseller of information technology ("IT") and telephony equipment. The Company provides telecommunications service to businesses and consumers in the Greater Cincinnati and Dayton, Ohio, areas primarily on its owned wireline and wireless networks with a well-regarded brand name and reputation for service. On January 24, 2013, the Company completed the initial public offering ("IPO") of CyrusOne Inc. ("CyrusOne"), its former wholly-owned subsidiary which provides best-in-class data center colocation services to enterprise customers through its facilities located in the Midwest, Texas, Arizona, London and Singapore. After the IPO, the Company effectively owns a 69% economic interest in CyrusOne.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these proxy materials?

A: The Company's Board of Directors (the "Board") is providing these proxy materials to you in connection with the Annual Meeting of Shareholders, which will take place on May 3, 2013. As a shareholder, you are invited to attend the meeting and are entitled to vote on the proposals described in this Proxy Statement.

Q: What information is contained in the package of materials that I received?

A: The Company's combined Proxy Statement, Summary 2012 Annual Report and Annual Report on Form 10-K for the year ended December 31, 2012, which includes our 2012 consolidated financial statements, contain information relating to the proposals to be voted on at the meeting, the voting process, the compensation of directors and certain officers and certain other information required by the rules and regulations of the Securities and Exchange Commission (the "SEC") and the rules and listing standards of the New York Stock Exchange (the "NYSE"). Although you are encouraged to vote either by the internet or by telephone, these materials, if received in printed form, also include a proxy card or voting instruction card for your use in voting by mail or at the Annual Meeting.

Q: What proposals will be voted on at the meeting?

- 1 The election of nine directors to serve a one-year term ending in 2014;
- 2 The advisory approval of the Company's executive compensation; and
The ratification of the appointment of Deloitte & Touche LLP, the member firms of Deloitte Touche
- 3 Tohmatsu, and their respective affiliates (collectively, "Deloitte & Touche LLP") as the independent registered public accounting firm ("Independent Registered Public Accounting Firm") to audit the financial statements of the Company for the year 2013.

Q: What is the Board of Directors' voting recommendation?

A: The Board recommends that you vote your shares:

•"FOR" each of the nominees to the Board;

•"FOR" the advisory approval of the Company's executive compensation; and

•"FOR" the ratification of the appointment of Deloitte & Touche LLP as the Independent Registered Public Accounting Firm to audit the financial statements of the Company for the year 2013.

Q: Why did I receive a one-page notice in the mail regarding the internet availability of proxy materials instead of a full set of proxy materials?

A: Pursuant to the rules of the SEC, the Company has elected to provide access to our proxy materials over the internet. Accordingly, we sent a Notice of Internet Availability of Proxy Materials (the "Notice") to our shareholders of record and beneficial owners, which instructs them as to how they may submit their proxy on the internet. If you would like to receive a paper copy of our proxy materials, you should follow the instructions for requesting such materials in the Notice. In addition, you may request to receive proxy materials in printed form by mail or by email on an ongoing basis.

Q: How can I get electronic access to the proxy materials?

A: Instructions regarding how to view the proxy materials for the Annual Meeting on the internet and to instruct the Company to send future proxy materials to you via email or in printed form are included in the Notice and on the website. If you elect to receive future proxy materials by email, the Company will save the cost of printing and mailing the proxy materials. You will also receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. The election to receive proxy materials by email will remain in effect until you terminate it.

Q: What shares can I vote?

A: You may vote all Company common shares and 6³/₄% Cumulative Convertible Preferred Shares that you own (or for which you have been given the right to provide instructions as to how such shares should be voted) as of the close of business on the Record Date. This includes: (i) shares held directly in your name as the shareholder of record, including common shares purchased through the Cincinnati Bell Employee Stock Purchase Plan; (ii) shares that are held by a trust used in connection with a Company employee or director plan pursuant to which the value of such shares has been credited to your account under such plan; and (iii) shares held for you as the beneficial owner through a broker or other nominee.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Many Cincinnati Bell shareholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with Cincinnati Bell's transfer agent, Computershare Investor Services, LLC, you are considered the shareholder of record for those shares. As a shareholder of record, you may grant your voting proxy over the internet, by mail, by telephone or you may vote your shares in person at the meeting.

Beneficial Owner

If your shares are held in a stock brokerage account or by another nominee (including a trust used in connection with a Company employee or director plan), you are considered the beneficial owner of shares held in street name, and your broker or nominee is considered to be the shareholder of record. If you are a participant in the Cincinnati Bell Inc. Retirement Savings Plan or the Cincinnati Bell Inc. Savings and Security Plan, you are the beneficial owner of the shares credited to your account. As the beneficial owner, a Notice and/or proxy card was forwarded to you by the shareholder of record. As the beneficial owner, you may direct and provide voting instructions to your broker or nominee to vote the shares held in your account by proxy over the internet or by telephone by following the instructions provided in the Notice or the proxy card. You can also mail your proxy to the Company by following the instructions provided in the proxy card (if forwarded by your broker or nominee). You are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a signed proxy from the shareholder of record authorizing you to vote the shares.

Q: How can I attend and vote my shares at the meeting?

A: Shares held directly in your name as the shareholder of record may be voted in person at the Annual Meeting. If you choose to attend the meeting and vote in person, you will need to provide proof of identification and then you will be presented a proxy card. Beneficial shares, held either in street name or credited to your account under a Company employee or director plan, cannot be voted at the Annual Meeting unless you obtain a signed proxy from the shareholder of record authorizing you to vote these shares.

Q: How can I vote my shares without attending the meeting?

A: The methods for voting without attending the meeting are:

By Internet - If you have internet access, you may submit your vote from any location by following the instructions provided in the Notice or the proxy card.

By Telephone - If you live in the United States or Canada, you may submit your vote by following the "Vote by Phone" instructions provided in the Notice or the proxy card.

By Mail - You may vote by mail by completing and signing your proxy card and mailing it in the accompanying enclosed, pre-addressed postage-paid envelope.

Q: What happens if I don't give specific voting instructions?

A: The effect of not providing specific voting instructions depends on if you are the shareholder of record or the beneficial owner of the shares.

Shareholder of Record

If you are a shareholder of record and (i) you indicate when voting on the internet or by telephone that you wish to vote as recommended by the Board, or (ii) you sign and return a proxy without giving specific voting instructions, then the proxy holders will vote your shares in the manner recommended by our Board on each of the matters presented in this proxy statement for which you did not provide specific voting instructions, and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owner

If you are deemed to be the beneficial owner of shares and do not provide the broker or nominee that holds your shares with specific voting instructions, the broker or nominee that holds such shares may generally vote on routine matters but cannot vote on non-routine matters, as provided by the rules of the NYSE. If the broker or nominee that holds such shares does not receive instructions on how to vote on a non-routine matter, the broker or nominee will inform the Inspector of Elections that it does not have authority to vote on such matter with respect to such shares. This is generally referred to as a "broker non-vote." The Company encourages you to provide voting instructions to the broker or nominee that holds such shares by carefully following the instructions provided in the proxy card or as described above.

Q: Which ballot measures are considered "routine" or "non-routine"?

A: Proposal 1 (election of directors) and Proposal 2 (advisory approval of the Company's executive compensation) are considered non-routine matters, and your broker or nominee cannot vote your shares without your specific voting instructions. Proposal 3 (ratification of the Independent Registered Public Accounting Firm) is considered a routine matter, which generally allows your broker or nominee to vote your shares on this matter even if you do not provide specific voting instructions.

Q: How are abstentions treated?

A: Abstentions are counted for the purpose of determining whether a quorum is present. For the purpose of determining whether shareholders have approved Proposal 1 (election of directors), abstentions are not treated as votes cast affirmatively or negatively, and therefore have no effect on the outcome of such proposal. For the purpose of determining whether shareholders have approved Proposal 2 (advisory vote on executive compensation) or Proposal 3 (ratification of the Independent Registered Public Accounting Firm), abstentions will have a negative effect on the outcome of such proposals.

Q: Can I change my vote?

A: Yes. You may change your voting instructions at any time prior to the vote at the Annual Meeting. You may change your vote by either: (i) granting a new proxy or voting instructions bearing a later date (which automatically revokes the earlier proxy or voting instructions) whether made on the internet, by telephone or by mail; (ii) if you are a shareholder of record, notifying the Company's Secretary in writing that you want to revoke your earlier proxy; or (iii) if you are a shareholder of record attending the Annual Meeting, giving notice of your proxy revocation in open meeting and voting in person. Please note that in order to revoke your previously granted proxy at the Annual Meeting, you must specifically request the revocation of your previous proxy.

Q: What does it mean if I receive more than one Notice or more than one proxy card?

A: It means that your shares are registered differently or are in more than one account. Please provide voting instructions for all Notices and proxy cards that you receive.

Q: Where can I find the voting results of the meeting?

A: We will announce preliminary voting results at the meeting and publish final results in the Company's Current Report on Form 8-K, which will be filed on or before May 9, 2013.

Q: What happens if additional proposals are presented at the meeting?

A: Other than the proposals described in this Proxy Statement, we do not expect any matters to be presented for a vote at the Annual Meeting. If you grant a proxy, the persons named as proxy holders, Phillip R. Cox, Lynn A. Wentworth and John M. Zrno, will have the discretion to vote your shares on any additional matters properly presented for a vote

at the meeting. If for any unforeseen reason any of the nominees are not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board.

Q: What classes of shares are entitled to be voted?

A: Each common share and each 6³/₄% Cumulative Convertible Preferred Share outstanding as of the close of business on the Record Date is entitled to vote on all items being voted upon at the Annual Meeting. You are entitled to one vote for each common share and one vote for each 6³/₄% Cumulative Convertible Preferred Share you own of record on the Record Date or to provide instructions on how to vote such shares in which you have a beneficial interest. The 6³/₄% Cumulative Convertible Preferred Shares will vote with the common shares as one class on each of the proposals described in this Proxy Statement. There are no cumulative voting rights for either class of shares. On the Record Date, we had 203,536,620 outstanding common shares and 155,250 6³/₄% Cumulative Convertible Preferred Shares issued and outstanding.

Q: What is the quorum requirement for the meeting?

A: The quorum requirement for holding the meeting and transacting business is the presence, in person or by proxy, of a majority of the common and preferred shares issued and outstanding on the Record Date and entitled to vote at such meeting. However, if any particular action requires more than a simple majority because of the law, the NYSE rules, the Company's Amended Articles of Incorporation or the Company's Amended Regulations, that particular action will not be approved unless the required percentage of affirmative votes has been obtained or the required number of votes has been cast.

Abstentions are counted as present for the purpose of determining the presence of a quorum. If a routine matter is to be voted upon, broker non-votes are also counted as present for the purpose of determining the presence of a quorum. Since there is a routine matter to be voted upon this year, broker non-votes will be counted for determining the existence of a quorum.

Q: Who will count the votes?

A: A representative of Broadridge Financial Solutions, Inc. ("Broadridge") will tabulate the votes and act as the Inspector of Elections.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects voting privacy. Your vote will not be disclosed either within the Company or to third parties except (i) as necessary to meet applicable legal requirements, (ii) to allow for the tabulation of votes and certification of the vote, or (iii) to facilitate a successful proxy solicitation by the Board. Occasionally, shareholders provide written comments on their proxy card, which are forwarded to the Company's management.

Q: Who will bear the cost of soliciting votes for the meeting?

A: The Company is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing the proxy materials. If you choose to access the proxy materials and/or vote via the internet, you are responsible for any internet access charges you may incur. In addition to the costs of mailing the proxy materials, the Company may also incur costs to provide additional copies of these proxy materials (if requested) and for its directors, officers and employees to solicit proxies or votes in person, by telephone or by electronic communication. Our directors, officers and employees will not receive any additional compensation for such activities. We have hired Georgeson Inc. to solicit proxies for \$10,500 plus expenses. We have also hired Broadridge for a fee of approximately \$10,000 plus expenses to assist us in facilitating the voting of proxies over the internet and serving as the Inspector of Elections. We will also reimburse brokerage houses and other nominees for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to shareholders.

Q: What percentage of the Company's issued and outstanding voting shares do our directors and executive officers beneficially own?

A: Our directors and executive officers owned approximately 4% of our voting shares as of the Record Date.

Q: Do any of our shareholders hold more than 5% of the issued and outstanding shares of any class of the Company's voting stock?

A: As of the Record Date or an earlier date, if indicated, each of the following entities (together with their affiliates) indicated that it held more than 5% of the issued and outstanding common shares of the Company: GAMCO Investors, Inc. and affiliates, Blackrock, Inc., Marcato Capital Management LLC, Wells Fargo and Company, The Vanguard Group, Inc., and Pinnacle Associates, LTD. See page 20 for more details on the number of shares owned

and percentage ownership as of the Record Date or an earlier date, if indicated.

5

Q: What is householding?

A: Householding is a process that allows the Company to reduce costs and increase efficiencies by mailing only one copy of Company communications to multiple shareholders who reside at the same household mailing address. If you and other shareholders at the same household mailing address are currently receiving only one copy of Company communications but would like to receive separate copies or are currently receiving multiple copies of Company communications but would like to participate in our householding program, please see the instructions on page 54.

BOARD STRUCTURE AND CORPORATE GOVERNANCE

Our business, property and affairs are managed under the direction of our Board. Members of our Board are kept informed of our business through discussions with our President and Chief Executive Officer and other officers, by reviewing materials provided to them, by visiting our offices and by participating in meetings of the Board and its committees.

General Information and Corporate Governance

The Company's Amended Regulations provide that the Board shall consist of not less than nine nor more than 17 persons, with the exact number to be fixed and determined by resolution of the Board or by resolution of the shareholders at any annual or special meeting of shareholders. At this time, the Board has determined that the Board shall consist of nine members.

As discussed in its Corporate Governance Guidelines, the Company has a long-standing policy that the positions of Chairman of the Board (currently held by Mr. Cox) and Chief Executive Officer (held by Mr. Cassidy in 2012 and currently held by Mr. Torbeck) should be held by separate persons. The Company continues to believe that this structure is in the best interest of shareholders because it facilitates the Board's oversight of management, allows the independent directors to be more actively involved in setting agendas and establishing priorities for the work of the Board, and is consistent with the principles of good corporate governance.

Our Board currently has the following four committees: (i) the Audit and Finance Committee, (ii) the Compensation Committee, (iii) the Governance and Nominating Committee, and (iv) the Executive Committee. The members and function of each committee are described below. During fiscal year 2012, the Board held nine meetings, and all but Mr. Byrnes attended at least 75% of all Board and applicable committee meetings during the period in which he or she served as a director.

Under the Company's Corporate Governance Guidelines, directors are expected to attend the Annual Meeting of Shareholders. All of the directors, who were on the Board at the time, attended the 2012 Annual Meeting of Shareholders.

For information on how to obtain a copy of the Company's Corporate Governance Guidelines, please see page 54.

Evaluation of Director Independence

In accordance with the rules and listing standards of the NYSE and the Company's Corporate Governance Guidelines, the Board affirmatively evaluates and determines the independence of each director and each nominee for election. Based on an analysis of information supplied by the directors, the Board evaluates whether any director has any material relationship with the Company, either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company that might cause a conflict of interest in the performance of a director's duties. Based on these standards, the Board determined that each of the following persons who served as a non-employee director in 2012 is (or was) independent and has (or had) no relationship with the Company, except as a director and shareholder:

- Bruce L. Byrnes
- Phillip R. Cox
- Jakki L. Haussler
- Craig F. Maier
- Alan R. Schriber
- Alex Shumate*
- Lynn A. Wentworth
- John M. Zrno

*Mr. Shumate resigned from the Board effective January 23, 2013.

In addition, based on these standards, the Board determined that John F. Cassidy was not independent because he was the President and Chief Executive Officer of the Company in 2012, and Gary J. Wojtaszek was not independent because he served as the President of CyrusOne in 2012, a former wholly-owned subsidiary of the Company.

Executive Sessions of Non-Employee Directors

The non-employee directors of the Company meet in executive session without management present at each regularly scheduled meeting of the Board. Mr. Cox presides at the meetings of the non-employee directors.

Committees of the Board

The following table sets forth the membership of the committees of the Board for 2012:

Name of Director	Audit and Finance	Compensation	Governance and Nominating	Executive
Non-Employee Directors (a)				
Bruce L. Byrnes			* (Chair)	*
Phillip R. Cox	*	*	*	* (Chair)
Jakki L. Haussler	*		*	
Craig F. Maier	*	*		
Alan R. Schriber			*	
Alex Shumate (c)		*	*	
Lynn A. Wentworth	* (Chair)	*		*
John M. Zrno	*	* (Chair)		*
Employee Directors				
John F. Cassidy (b)				*
Gary J. Wojtaszek (c)				

(a) All non-employee directors were determined by the Board to be independent directors.

(b) Effective January 31, 2013, Mr. Cassidy retired from his position as Chief Executive Officer and was appointed Vice Chairman of the Board.

(c) Messrs. Shumate and Wojtaszek resigned from the Board effective January 23, 2013.

Audit and Finance Committee: The Audit and Finance Committee currently consists of five persons, none of whom is an executive officer of the Company. The Audit and Finance Committee held five meetings during 2012. The purpose of the Audit and Finance Committee is, among other things, to assist the Board in its oversight of (i) the integrity of the financial statements of the Company, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independence and qualifications of the Independent Registered Public Accounting Firm, (iv) the Company's risk assessment and risk management policies, and (v) the performance of the Company's internal audit function and Independent Registered Public Accounting Firm. To this end, the Audit and Finance Committee meets in executive session with its own members and may also meet separately with the Independent Registered Public Accounting Firm, the Company's internal auditors, General Counsel or members of management. The Audit and Finance Committee Charter provides a more detailed description of the responsibilities and duties of the Audit and Finance Committee. For information on how to obtain a copy of the Audit and Finance Committee Charter, please see page 54.

While the Board has ultimate responsibility for risk oversight, it delegates many of these functions to the Audit and Finance Committee. The Audit and Finance Committee receives regular updates on the Company's existing and emerging risks from the Vice President of Internal Audit. The updates are based upon interviews with senior management of the Company as well as other key employees. The updates include risk rankings and a general description of risk mitigation activities pertaining to each item. The Audit and Finance Committee provides periodic updates to the full Board on risk oversight matters.

In performing its duties, the Audit and Finance Committee meets as often as necessary and at least once each calendar quarter with members of management, the Company's internal audit staff and the Independent Registered Public Accounting Firm. An agenda for each such meeting is provided in advance to the members of the Audit and Finance Committee.

The Board determined that each member of the Audit and Finance Committee satisfies the independence requirements of the rules and regulations of the SEC and the independence and other requirements of the rules and listing standards

of the NYSE. No member of the Audit and Finance Committee serves on the audit committees of more than three public companies. In addition, the Board determined that Ms. Wentworth and Ms. Haussler are audit committee financial experts as defined in the regulations of the SEC and that each member of the Audit and Finance Committee is financially literate as defined by the rules and listing standards of the NYSE. For Ms. Wentworth's and Ms. Haussler's relevant experience, please see pages 14 - 15.

7

Compensation Committee: The Compensation Committee currently consists of four persons (five persons in 2012), none of whom is an executive officer. The Compensation Committee held five meetings during 2012. The Compensation Committee is responsible for, among other things, ensuring that directors and certain key executives are effectively and competitively compensated in terms of base compensation and short- and long-term incentive compensation and benefits. In addition, the Compensation Committee evaluates the performance of the Chief Executive Officer and reviews with management the succession planning process for key executive positions. The Compensation Committee Charter provides a more detailed description of the responsibilities and duties of the Compensation Committee. For information on how to obtain a copy of the Compensation Committee Charter, please see page 54.

The Compensation Committee meets as often as necessary to perform its duties. The Compensation Committee also meets separately with the Company's Chief Executive Officer and other corporate officers, as it deems appropriate, to establish and review the performance criteria and compensation of the Company's executive officers. An agenda for each meeting is provided in advance to the members of the Compensation Committee.

The Board determined that each member of the Compensation Committee satisfies the independence requirements of the rules and listing standards of the NYSE.

Governance and Nominating Committee: In 2012, the Governance and Nominating Committee consisted of five persons, none of whom is an executive officer. The Governance and Nominating Committee held three meetings during 2012. The Governance and Nominating Committee, among other things, identifies individuals to become members of the Board, periodically reviews the size and composition of the Board, evaluates the performance of Board members, makes recommendations regarding the determination of a director's independence, recommends committee appointments and chairpersons to the Board, periodically reviews and recommends to the Board updates to the Company's Corporate Governance Guidelines and related Company policies and oversees an annual evaluation of the Board and its committees. The Governance and Nominating Committee Charter provides a more detailed description of the responsibilities and duties of the Governance and Nominating Committee. For information on how to obtain a copy of the Governance and Nominating Committee Charter, please see page 54.

The Chief Executive Officer and the Secretary of the Company typically attend the meetings of the Governance and Nominating Committee. An agenda for each such meeting is provided in advance to the members of the Governance and Nominating Committee.

The Board determined that each member of the Governance and Nominating Committee satisfies the independence requirements of the rules and listing standards of the NYSE.

Executive Committee: The Executive Committee consists of five persons, one of whom is the President and Chief Executive Officer of the Company. The Committee held no meetings during 2012. The Executive Committee acts on behalf of the Board in certain matters, when necessary, between Board meetings.

Director Nominations

The Governance and Nominating Committee will consider director candidates recommended by shareholders. The Governance and Nominating Committee did not receive, and therefore did not consider, any recommendations for director candidates by any shareholder for the 2013 Annual Meeting.

The Governance and Nominating Committee uses the following process to identify and evaluate director nominee candidates. Any qualified individual or group, including shareholders, incumbent directors and members of senior management, may at any time propose a candidate to serve on the Board. Background information on proposed candidates is forwarded to the Governance and Nominating Committee. For information on how to propose a candidate to serve on the Board, please see page 53. The Governance and Nominating Committee reviews forwarded materials relating to prospective candidates in the event of a director vacancy. A candidate selected from the review is interviewed by each member of the Governance and Nominating Committee, unless the member waives the interview requirement. If approved by the Governance and Nominating Committee, the candidate will be recommended to the full Board for consideration. The Governance and Nominating Committee evaluates shareholder-recommended candidates in the same manner that it evaluates all other candidates.

All nominees to the Board should possess the following attributes:

- Established leadership reputation in his/her field;
- Known for good business judgment;

- Active in business;
- Knowledge of business on a national/global basis;
- Meets high ethical standards; and

8

- Commitment to regular board/committee meeting attendance.

In addition, the Board will consider the following factors:

- The nominee's familiarity with the field of telecommunications; and
- Whether the nominee would contribute to the gender, racial and/or geographical diversity of the Board.

While the Company has not adopted a formal process or policy for making sure that diversity exists on the Board, the selection criteria used by the Governance and Nominating Committee when considering director nominees, as noted above, includes as a factor whether a nominee would contribute to the gender, racial and/or geographical diversity of the Board.

DIRECTOR COMPENSATION

Director Compensation Arrangements

The Company uses a combination of cash and stock-based incentive compensation to attract and retain qualified candidates to serve on the Board. In setting director compensation, the Company considers the significant amount of time that Directors spend in fulfilling their duties to the Company as well as the skill level required.

Compensation for Employee Directors

Directors who are also employees of the Company (or any subsidiary of the Company) receive no additional compensation for serving on the Board or its committees.

General Compensation Policy for Non-Employee Directors

Directors who are not employees of the Company or any subsidiary of the Company ("non-employee directors") receive compensation from the Company for their service on the Board. The table below sets forth the annual compensation for non-employee directors in 2012.

Compensation Element	2012
Chairman of the Board Annual Retainer (a)	\$320,000
Annual Board Retainer	\$70,000
Annual Audit and Finance Committee Chairman Retainer	\$27,000
Annual Audit and Finance Committee Member Retainer	\$15,000
Annual Compensation Committee Chairman Retainer	\$18,000
Annual Compensation Committee Member Retainer	\$10,000
Annual Governance and Nominating Committee Chairman Retainer	\$16,000
Annual Governance and Nominating Committee Member Retainer	\$10,000

(a) The Chairman is not entitled to receive any of the other annual Board or Committee retainers described above.

Non-Employee Directors Deferred Compensation Plan

The Cincinnati Bell Inc. Deferred Compensation Plan for Outside Directors (the "Directors Deferred Compensation Plan") currently allows each non-employee director of the Company to defer receipt of all or a part of his or her director fees and annual retainers and to have such deferred amounts credited to an account of the director under the plan. A non-employee director may also choose to have such deferrals assumed to be invested among a number of investment options that are designated for this purpose by the Compensation Committee of the Board, and his or her account under the plan is adjusted by the investment returns that would result if such amounts were invested in the investment options that he or she chooses.

Subject to future changes in the Directors Deferred Compensation Plan, the Board may, in its discretion, also credit to the plan account of any non-employee director of the Company an amount equal to the value of a number of Company common shares determined by the Board. The Board will exercise its discretion in crediting amounts to the plan accounts of the non-employee directors with the intent that such credits, together with other compensation that either is paid in the form of Company common shares or has its value determined in relation to the value of common shares (such grants and such other compensation referred to as "Company equity-based compensation"), is approximately equal to the median level of the value of equity-based compensation provided by comparable companies to their non-employee directors. In exercise of such discretion in 2012, no credits were made to the non-employee directors plan accounts as the value of their restricted grants was increased. Any credit made by the Board in its discretion to a non-employee director's account under the plan is also adjusted by the investment returns that would result if such amounts were invested exclusively in common shares of the Company. A non-employee director will generally be

vested in the amounts credited to his or her account under the plan only if he or she completes at least five years of active service as a non-employee director of the Company (with a fraction of a year of service

9

as a non-employee director being rounded up or down to the nearest whole year) or if he or she dies while a member of the Board.

A non-employee director of the Company may also have had additional amounts credited to his or her account under the Directors Deferred Compensation Plan based on his or her deferral of director fees and annual retainers for earlier years or on other extra amounts that were credited by the Company to his or her account under the plan in prior years. The portion of a non-employee director's account under the plan that is attributable to such earlier credited amounts is also adjusted by the investment returns that would result if such amounts were invested in investment options that he or she chooses, in common shares or in other investments, depending on the particular credits that are involved. Other than for certain circumstances described below and subject to future changes in the Directors Deferred Compensation Plan, a non-employee director of the Company can, if he or she complies with specific election rules and procedures set forth in or adopted under the plan and with the requirements of applicable law (including the American Jobs Creation Act of 2004, which generally applies to any compensation of a non-employee director that was or is credited to his or her account under the plan in 2005 or any later year), elect that the vested amounts credited to his or her account under the Directors Deferred Compensation Plan will not be received by him or her (and thereby generally will not be subject to federal income tax) until after he or she has ceased to be a member of the Board or until a specific year he or she chooses, that is not earlier than the year in which the sixth anniversary of his or her deferral election occurs. When the vested amounts are to be paid, he or she generally may elect to have the amounts distributed in a lump sum or in up to ten annual installments.

Each payment made to a non-employee director of the vested amounts credited to his or her account under the Directors Deferred Compensation Plan is made in the form of cash to the extent such amounts are deemed to be invested under the plan other than in common shares and will be distributed in the form of common shares to the extent such amounts are deemed to be invested under the plan in such shares; except that (i) the vested portion of his or her account under the plan that is attributable to any credit that is or has been made by the Board in its discretion to his or her plan account (or that is attributable to certain Board designated annual credits made to his or her plan account in earlier years) and (ii) the value of any vested amount that is deemed to be invested in a fractional common share will, in each such case, only be paid in cash.

The Company will reimburse a non-employee director for all reasonable commissions or similar costs he or she incurs in selling any common shares he or she receives under the Directors Deferred Compensation Plan, or make arrangements to permit the director to have such shares sold without commissions or similar fees charged to him or her, if the director wants to sell such shares shortly (generally within two weeks) after he or she receives them.

The Directors Deferred Compensation Plan provides three exceptions to the rules regarding the timing of distributions of a non-employee director's account under the plan: (i) in the event of a change in control of the Company; (ii) at the election of the non-employee director in the event of severe financial hardship; and (iii) at the election of the non-employee director if he or she agrees to certain forfeitures and restrictions (although under the American Jobs Creation Act of 2004, this final exception cannot apply to amounts attributable to compensation credited on or after January 1, 2005, to a non-employee director's account under the plan).

Until paid, all amounts credited to a non-employee director's account under the Directors Deferred Compensation Plan are not funded or otherwise secured, and all payments under the plan are made from the general assets of the Company.

The Directors Deferred Compensation Plan must comply with the requirements of the American Jobs Creation Act of 2004 in order to retain its ability to defer federal income tax on certain amounts credited to a non-employee director's account under the plan. The Company has amended the plan to meet the requirements of the American Jobs Creation Act of 2004.

Non-Employee Directors Plan

The Company grants its non-employee directors time-based restricted shares and/or options to purchase common shares under the Cincinnati Bell Inc. 2007 Stock Option Plan for Non-Employee Directors, as amended (the "2007 Directors Plan"). Pursuant to the current terms of such plan, each non-employee director of the Company, at the discretion of the Board, may be granted a number of restricted common shares and/or a stock option for a number of common shares (as determined by the Board) on the date of each annual meeting, if such director first became a

non-employee director of the Company before the date of such annual meeting and continues in office as a non-employee director after such meeting.

Under the 2007 Directors Plan, up to 1,000,000 common shares may in the aggregate be the subject of awards granted during the life of the plan, all of which could be subject to stock option awards or restricted stock awards. The Company has flexibility regarding the type of awards to issue. The Board will exercise its discretion in granting such options and/or time-based restricted shares with the intent that such grants, together with other Company equity-based compensation, provide Company equity-based compensation that is competitive with the value of equity-based compensation provided by comparable companies to their non-employee directors.

Under the 2007 Directors Plan, the Company annually grants time-based restricted shares with an aggregate value of \$70,000 on the date of grant to each incumbent non-employee director. These restricted shares will vest on the third anniversary of the grant date.

Each stock option granted to a non-employee director under the 2007 Directors Plan, or a predecessor plan, requires that upon the exercise of the option, the price to be paid for the common shares that are being purchased under the option will be equal to 100% of the fair market value of such shares as determined at the time the option is granted. With certain exceptions provided in the 2007 Directors Plan, a non-employee director of the Company who is granted an option under the plan generally will have ten years from the date of the grant to exercise the option.

In general, each restricted share award will require that the restrictions not lapse in full unless the non-employee director continues to serve as a director of the Company for at least three years after the award grant date or ends service as a Company director under special circumstances (e.g., death, disability, or attaining retirement age).
