Q: What if I hold warrants to acquire Metals USA shares?

A: From and after the effective time of the merger, all of your outstanding warrants to acquire Metals USA common stock will represent the right to receive (upon your surrender of the warrant and the payment to the surviving corporation of the exercise price thereunder) a cash payment, without interest, equal to \$22.00 for each share of Metals USA common stock underlying your warrants. If there are any warrants that have not been exercised prior to the effective time of the merger then, on the effective time, we will deliver notice to the warrant agent and the holders of unexercised warrants notifying them that we have elected to accelerate the expiration of the warrants to the 60th day following the effective time. If you have not exercised your warrant prior to the effective time of the merger but you exercise it prior to the 60th day following the merger, you will be entitled to receive (upon your surrender of the warrant and the payment to the surviving corporation of the exercise price thereunder) the cash payment referenced above. Any warrant that remains unexercised for more than 60 days following the expiration acceleration notice will expire.

Q: What if I hold options under the Company's 2002 Long-Term Incentive Plan or otherwise?

A: If, immediately prior to the effective time of the merger, you hold options to acquire Metals USA shares under the Company's 2002 Long-Term Incentive Plan or otherwise, all of your outstanding options (whether vested or unvested) (other than options held by certain executive officers and other members of senior management who may be required to convert their options into the right to purchase the stock of either the acquiror or the surviving corporation) will be cancelled at the effective time of the merger and you will be entitled to receive a cash payment equal to the amount by which \$22.00 exceeds the exercise price for each share of Metals USA common stock underlying your options, less applicable withholding taxes.

Q: What if I have the right to receive additional Metals USA shares under the 2002 Long-Term Incentive Plan or otherwise?

A: If, immediately prior to the effective time of the merger, you have the right to receive additional Metals USA shares under the 2002 Long-Term Incentive Plan or otherwise, then on the effective time of the merger, all restrictions on the delivery and issuance of such shares will lapse and such shares will be fully vested. On the effective time of the merger, your right to receive such shares shall be cancelled and you will be entitled to receive \$22.00 in cash (less applicable withholding taxes), without interest, for each share of our common stock that you have the right to receive under the 2002 Long-Term Incentive Plan or otherwise.
