(f) Each of Messrs. Bellick and Gust is a citizen of the United States of America.

Item 3. Source and Amount of Funds or Other Consideration.

The Shares purchased for the accounts of each of Flagship and WS were purchased with working capital (which may, at any given time, include margin loans made by brokerage firms in the ordinary course of business) in open market purchases, except as otherwise noted, as set forth in Schedule A, which is incorporated by reference herein. The Shares reported herein for WAM, sole member and manager, were purchased for the account of Flagship, a private investment fund managed by WAM. A total of approximately \$4,199,999 was paid for the 2,048,780 Shares, excluding brokerage commissions. The Shares reported herein for WT, sole member and manager, were purchased for the account of WS. A total of approximately \$4.22 was paid for the 24 Shares, excluding brokerage commissions.

Item 4. Purpose of Transaction.

The Reporting Persons purchased the Shares based on the Reporting Persons' belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Shares at prices that would make the purchase or sale of Shares desirable, the Reporting Persons may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

On January 22, 2016, Wolverine Asset Management, LLC (together with its affiliates, "Wolverine") delivered a letter to Robert F.X. Sillerman, Chairman and Chief Executive Officer of the Issuer. In the letter, Wolverine expressed its serious and urgent concerns regarding the strategic direction of the Issuer and outlined the opportunities it believes are available to maximize value for the benefit of all shareholders. Wolverine stated in the letter that it is specifically concerned that the Issuer's current strategy has not achieved anywhere near the expected values (in its asset sales), and that the Issuer has neither demonstrated nor articulated a cogent go-forward operating plan other than to say it is exploring strategic alternatives. Wolverine also expressed its concerns that Mr. Sillerman's attention to the current issues facing SFX Entertainment has become a major distraction for the Issuer and that the senior management team assembled by Mr. Sillerman just a couple years ago is in disarray given that three of the senior executives have subsequently departed. Wolverine requested that Mr. Sillerman immediately engage in active dialog with Wolverine to discuss its plans to improve shareholder value at the Issuer, including, among others: (i) monetizing assets/maximizing (preserving) value; (ii) fixing the overleveraged balance sheet; (iii) devising a broader operating strategy that leverages the Issuer's historical media success; and (iv) attracting a new CEO and senior management team. The full text of the letter is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, engaging in communications with management and the Board of Directors of the Issuer, engaging in discussions with stockholders of the Issuer and others about the Issuer and the Reporting Persons' investment, making proposals to the Issuer concerning changes to the capitalization, ownership structure, board structure (including board composition) or operations of the Issuer, purchasing additional Shares, selling some or all of their Shares, entering into financial instruments or other agreements that increase or decrease the Reporting Persons' economic or beneficial exposure with

respect to their investment in the Issuer, engaging in short selling of or any hedging or similar transaction with respect to the Shares, including swaps and other derivative instruments, or changing their intention with respect to any and all matters referred to in Item 4.
