Item 1.01 Entry Into a Material Definitive Agreement

On October 29, 2009, Jack Henry & Associates, Inc. ("Jack Henry") entered into a stock purchase agreement (the "Purchase Agreement") with PEMCO Corporation ("Seller") to acquire all of the outstanding shares of capital stock of PEMCO Technology Services, Inc. ("PTSI"), a wholly-owned subsidiary of Seller.

Under the terms of the Purchase Agreement, on October 29, 2009, Jack Henry purchased all of the capital stock of PTSI from Seller for a purchase price of \$60 million, subject to post-closing adjustments. Ten percent of the purchase price, or \$6 million, was placed into an escrow account as security for Seller's indemnification obligations under the Purchase Agreement. The purchase price is subject to adjustment after the closing in the event the working capital associated with PTSI deviates from a threshold amount. Seller and Jack Henry made customary representations, warranties and covenants in the Purchase Agreement.

The foregoing description of the Purchase Agreement and the transactions contemplated therein is qualified in its entirety by reference to the full text of the Purchase Agreement, which is attached as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference. A press release relating to the Purchase Agreement is attached hereto as Exhibit 99.1

The Purchase Agreement has been included to provide investors and stockholders with information regarding its terms. It is not intended to provide any other factual information about Jack Henry or PTSI. The representations, warranties and covenants contained in the Purchase Agreement were made only for purposes of that agreement and as of specific dates, were solely for the benefit of the parties to the Purchase Agreement, may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors, and may be qualified by information in confidential disclosure schedules not filed as an exhibit along with the Purchase Agreement. These disclosure schedules may contain information that modifies, qualifies and creates exceptions to the representations, warranties and covenants set forth in the Purchase Agreement. Moreover, certain representations, warranties and covenants in the Purchase Agreement may have been used for the purpose of allocating risk between the parties, rather than establishing matters as facts. In addition, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in Jack Henry's public disclosures.
