Explanatory note.

This Form 8K/A is filed as an amendment ("Amendment No. 2") to the Current Report on Form 8-K/A filed by Sparton Corporation (the "Company") on June 30, 2015 ("Amendment No. 1"), which was filed as an amendment to the Current Report on Form 8-K filed by the Company on April 20, 2015 (the "Original 8-K"). Amendment No. 2 is being filed to restate the financial statements and pro forma financial statements filed under Item 9.01 in Amendment No. 1. The financial information is being restated for the reclassification of certain expenses for the year ended December 31, 2013 and the reclassification and timing of recognition of certain expenses for the year ended December 31, 2014. Such reclassifications and recognition timing did not affect the Company's consolidated financial condition or net income as previously reported for the years ended December 31, 2013 or 2014 or three months ended March 31, 2015, but did affect the net income and cash flows for the three months ended March 31, 2014 and the net income for the pro forma fiscal year ended June 30, 2014 and the nine months ended March 31, 2015. The Company reclassified certain expenses and changed the timing of recognition of certain expenses related to the "Gain on acquisition of NBS", the "Gain on acquisition of Spectral" and the "Gain on sale of Spinnaker" as certain costs were not previously included in the calculations of the gains. Attached are corrected versions of Exhibits 99.1, 99.2 and 99.3. Additional information is being provided to investors under item 7.01.

Item 2.01 Completion of Acquisition or Disposition of Assets.

As previously reported, on April 20, 2015, Sparton Corporation ("Sparton") filed a Current Report on Form 8-K (the "April 20 Form 8-K") to report that Sparton and Sparton Hunter Corporation, a California corporation ("Sparton Hunter") and wholly owned subsidiary of Sparton had entered into an Agreement and Plan of Merger dated April 14, 2015 (the "Agreement") with Hunter Technology Corporation, a California corporation ("Hunter") and Joseph F. O'Neil, an individual, as representative for certain Hunter stockholders and optionholders (the "Representative"). Pursuant to the Agreement, effective April 14, 2015 (the "Closing Date"), Sparton Hunter merged with and into Hunter, with Hunter as the surviving corporation (the "Merger"), and Sparton purchased all of Hunter's outstanding common stock for an aggregate purchase price of \$55,000,000, including certain amounts payable to Hunter's optionholders and the repayment by Sparton of certain indebtedness of Hunter. The foregoing description of the Agreement is qualified in its entirety by reference to the full text of the Agreement as filed with the April 20 Form 8-K as Exhibit 10.1, which is incorporated herein by reference.

This amendment to the April 20 Form 8-K is being filed to provide financial statements and pro forma financial statements required by Item 9.01 of Form 8-K.

Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On June 30, 2015, Sparton filed Amendment No. 1, which included exhibits containing audited financial statements for Hunter for the years ended December 31, 2014 and 2013 and unaudited condensed financial statements for the three months ended March 31, 2015 and 2014.

On July 17, 2015, it was determined that recorded costs directly related to the "Gain on acquisition of NBS", which occurred in October 2013, the "Gain on acquisition of Spectral", which occurred in March 2014, and the "Gain on sale of Spinnaker", which occurred in October 2014, had not been included in the calculation of those gains as reported. These errors did not affect Hunter's consolidated financial condition or net income as previously reported for the years ended December 31, 2014 or 2013 or three months ended March 31, 2015, but did affect Hunter's net income for the three months ended March 31, 2014.

The net impact of these errors was as follows:

Hunter year ended December 31, 2014 - overstatement of cost of goods sold, selling and administrative expenses, gain on acquisition of Spectral and gain on sale of Spinnaker by \$2.4 million, \$0.1 million, \$1.6 million and \$0.9 million, respectively.

Hunter year ended December 31, 2013 - overstatement of cost of goods sold and gain on acquisition of NBS by \$0.5 million each.

Hunter three months ended March 31, 2014 - overstatement cost of goods sold, gain on acquisition of Spectral and net income of \$0.4 million, \$1.6 million and \$1.2 million, respectively.

An authorized officer of Sparton discussed this matter with Sparton's independent registered public accounting firm. Due to these errors in accounting, on July 17, 2015, Sparton determined that the consolidated financial statements of Hunter Technology Corporation and Subsidiaries as of and for the years ended December 31, 2014 and 2013 and the condensed consolidated financial statements as of and for the three months ended March 31, 2015 and 2014, as filed in Amendment No. 1, should no longer be relied upon.

---

Filed herewith to this Form 8-K are (i) restated audited consolidated financial statements of Hunter Technology Corporation, as of and for the years ended December 31, 2014 and December 31, 2013, and (ii) restated unaudited condensed consolidated financial statements of Hunter Technology Corporation, as of and for the three months ended March 31, 2015 and March 31, 2014.
