ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS

On March 23, 2001, the AMCON Distributing Company ("AMCON" or the "Company") completed the sale of the health and natural foods distribution business and related net assets of Food For Health Company Inc. ("FFH"), its wholly-owned subsidiary, to Tree of Life, Inc. ("TOL") for approximately \$8.9 million in cash, subject to certain adjustments as set forth in the Assets Purchase Agreement. The health and natural foods distribution business operated out of two distribution facilities located in Phoenix, AZ and Melbourne, FL. The Company retains the lease obligations for the two distribution facilities, but is reimbursed for the facilities cost for a six month period under a separate access agreement with TOL. Subsequent to the six month period, AMCON is responsible for the remaining lease obligations for the two distribution facilities. The Company has reflected an adjustment of approximately \$1.1 million in the accompanying pro forma condensed consolidated balance sheet to

record a long-term liability for its estimated exposure in connection with these obligations. Consideration was determined by arms length negotiations.

### ITEM 7. FINANCIAL STATEMENTS AND EXHIBITS

#### (b) Pro Forma Financial Information

The following pro forma unaudited condensed consolidated financial data of AMCON reflects the pro forma impact on the Company's financial position and results of operations of the sale of FFH. Pro forma condensed consolidated statements of income are presented for the three months ended December 31, 2000 and 1999 and for the three years ended September 30, 2000, 1999 and 1998, reflecting pro forma adjustments as if the sale was consummated at the beginning of each of the periods presented. A pro forma condensed consolidated balance sheet is presented as of December 31, 2000, reflecting pro forma adjustments as if the sale was consummated on that date. Certain Management assumptions and adjustments are described in the accompanying notes. The following pro forma financial information is not necessarily indicative of the actual financial position or results of operations that would have resulted had the sale been consummated on the dates assumed, nor is it necessarily indicative of future operating results.

Notes to Pro Forma Condensed Consolidated Statements of Income  
Three months ended December 31, 2000 and  
Years ended September 30, 2000, 1999 and 1998

(1) Adjustment eliminates from consolidated results the amounts contributed by the health and natural foods distribution business. Adjustments do not reflect the net gain or loss on the sale of the health and natural foods distribution business as the resulting gain or loss will not be a component of continuing operations.

(2) Adjustment reflects pro forma amount of corporate overhead originally allocated to the health and natural foods distribution business for segment reporting purposes.

(3) Adjustment reflects pro forma reduction in interest expense from debt reductions resulting from the use of proceeds from the sale of FFH including repayment of approximately \$5.4 million of long-term debt associated with the

## Edgar Filing: AMCON DISTRIBUTING CO - Form 8-K

health and natural foods distribution business. Pro forma adjustments based on actual interest rates incurred during the related periods.

(4) Adjustment reflects pro forma reduction in interest expense during the period on \$3.5 million of cash proceeds applied to reduce the Company's debt, excluding repayment of debt described in (3) above. Calculations are based on actual interest rates realized during the related periods.

(5) Adjustment reflects the pro forma tax effect of the pro forma adjustments discussed in the notes above at FFH's estimated effective tax rate. The difference between FFH's statutory tax rate of 39% and its effective tax rate is attributable to non-deductible goodwill amortization.
