ITEM 1.02 TERMINATION OF A MATERIAL DEFINITIVE AGREEMENT

On June 19, 2006, the Registrant received written notice from Harris Pharmaceuticals, Inc. ("HARRIS") of Harris' intent to terminate the Product Development, Manufacturing and Distribution Agreement, dated as of March 30, 2005 (the "AGREEMENT"), among Elite Laboratories, Inc., a Delaware corporation and wholly owned subsidiary of the Registrant, Harris and Tish Technologies LLC ("TISHTECH") in accordance with Section 9.3 of the Agreement.

The Agreement provides for co-development and license of a controlled release product that is a generic equivalent of a commercial product sold as Doryx(R). Upon its development and the securing of the required FDA approval, the Registrant is to manufacture and sell the commercially developed drug to Harris for distribution. In addition to the transfer price to Harris, the Registrant is to share the profits, if any, realized upon sales. As the date hereof, there have been no material revenues earned under the Agreement.

The Registrant is evaluating its options to continue development and commercialization of the product.
