/ Yield:

At any time or from time to time, in whole or in part, at a redemption price equal to 100% of the principal amount of the notes being redeemed, plus accrued and unpaid interest, if any, on those notes to the redemption date, plus a make-whole amount, if any, based on the Reinvestment Rate, which is equal to the sum of (i) 0.30% (30 basis points) and (ii) the arithmetic mean of the yields under the heading "Week Ending" published in the most recent Statistical Release under the caption "Treasury Constant Maturities" for the maturity, rounded to the nearest month, corresponding to the remaining life to maturity of those notes or, if no maturity exactly corresponds, yields for the two published maturities most closely corresponding to such maturity shall be calculated as contemplated above and the Reinvestment Rate shall be interpolated or extrapolated from such yields on a straight line basis, rounded in each of such relevant periods to the nearest month.

Optional

Redemption:

Notwithstanding the immediately preceding paragraph, at any time or from time to time on or after December 15, 2023, in whole or in part, at a redemption price equal to 100% of the principal amount of the notes being redeemed, plus accrued and unpaid interest, if any, on those notes to the redemption date.

Price to Public: 99.155% of the principal amount, plus accrued interest, if any, from the Settlement Date

Use of Proceeds: The Issuer intends to use up to the entire net proceeds from the sale of the notes to purchase, in order of priority (subject to the terms and conditions of its tender offer), a portion of its outstanding 5.25% Notes due 2037, 5.75% Notes due 2017, 4.75% Notes due 2016, 4.75% Notes due 2018 and 5.60% Notes due 2018 and to pay related costs and expenses. The Issuer intends to use the remainder of such net proceeds, if any, for general corporate purposes. The aggregate principal amount of debt securities that will be purchased, and the aggregate consideration payable therefor, cannot be determined prior to the settlement dates of the tender offer for such debt securities, which are currently anticipated to be March 18, 2014 and April 1, 2014.
