(the “Company”), entered into a prearranged stock trading plan (the “Plan”) to exercise options to purchase a maximum of 400,000 shares of the Company’s common stock, par value \$0.01 per share, and to sell such shares acquired upon exercise of the options beginning February 4, 2015 if the common stock reaches specified market prices. The shares acquired upon exercise will be sold contemporaneously with each exercise. Transactions made under the Plan will be disclosed publicly through Form 4 filings with the U.S. Securities and Exchange Commission. Except as may be required by law, the Company does not undertake to report on specific Rule 10b5-1 prearranged stock trading plans of Company officers or directors, nor to report modifications or terminations of the aforementioned Plan or the plan of any other individual.
