**Item 1.01. Entry into a Material Definitive Agreement.**

**Transaction Agreement**

On November 15, 2017, Clopay Ames True Temper Holding Corp. and Clopay Plastic Products Company, Inc. (“Clopay Plastics”), both wholly-owned subsidiaries of Griffon Corporation (“Griffon”), entered into a Transaction Agreement (the “Transaction Agreement”) to sell Clopay Plastics to Berry Global, Inc. (“Buyer”) for a purchase price of \$475,000,000 in cash, subject to certain adjustments as set forth in the Transaction Agreement.

Pursuant to the Transaction Agreement, Buyer will purchase all of the currently issued and outstanding shares of common stock of Clopay Plastics (the “Transaction”). Consummation of the Transaction is subject to the satisfaction or waiver of customary conditions, including the receipt of requisite antitrust approvals (or the expiration of applicable antitrust waiting periods) and the absence of any event or circumstance having a material adverse effect on Clopay Plastics and its subsidiaries.

**Incorporation by Reference**

A copy of the Transaction Agreement is attached as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference. The foregoing description of the Transaction Agreement has been included to provide investors and security holders with information regarding the terms of the Transaction Agreement, does not purport to be complete and is qualified in its entirety by reference to the full text of the Transaction Agreement.

The Transaction Agreement contains representations, warranties and covenants that the parties thereto made to each other as of specific dates. The assertions embodied in those representations, warranties and covenants were made solely for purposes of the Transaction Agreement between the parties thereto and may be subject to important qualifications and limitations agreed to by such parties in connection with negotiating the terms thereof. The representations and warranties may be subject to a contractual standard of materiality that may be different from what may be viewed as material to investors or security holders, or may have been used for the purpose of allocating risk between the parties rather than establishing matters of fact. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Transaction Agreement, which subsequent information may or may not be fully reflected in Griffon’s public disclosures. For the foregoing reasons, no person should rely on the representations and warranties as statements of factual information at the time they were made or otherwise.

**Item 8.01. Other Events.**

On November 16, 2017, Griffon issued a press release in which it announced that it entered into the Transaction Agreement. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

All forward-looking statements included in this communication are based on information available to Griffon on the date hereof. In some cases, you can identify forward-looking statements by terminology such as "may," "can," "will," "should," "could," "expects," "plans," "anticipates," "intends," "believes," "estimates," "predicts," "potential," "targets," "goals," "projects," "outlook," "continue," "preliminary," "guidance," or variations of such words, similar expressions, or the negative of these terms or other comparable terminology. No assurance can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what impact they will have on our results of operations or financial condition. Accordingly, actual results may differ materially and adversely from those expressed in any forward-looking statements. Neither Griffon nor any other person can assume responsibility for the accuracy and completeness of forward-looking statements. There are various important factors that could cause actual results to differ materially from those in any such forward-looking statements, many of which are beyond Griffon's control. These factors include: failure to obtain, delays in obtaining, or adverse conditions contained in, any required regulatory or other approvals, including the Antitrust Approvals; failure to consummate or a delay in consummating the Transaction for other reasons; changes in laws or regulations; and changes in general economic conditions. Griffon undertakes no obligation (and expressly disclaims any such obligation) to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
